**MILTON TOWN RECORDS IN THE
MUNICIPAL YEAR 1981**

**1980 SEPTEMBER STATE PRIMARY
WARRANT**

Commonwealth of Massachusetts)
County of Norfolk) ss.

To any of the Constables of the Town of Milton in said County:

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Primaries to meet at the several designated polling places in their respective Precincts in said Milton, to wit:

- | | |
|----------------|---|
| In Precinct 1. | Tucker School Hall, Blue Hills Parkway, |
| In Precinct 2. | St. Mary of the Hills School Hall, Brook Road, |
| In Precinct 3. | Milton-Hoosic Clubhouse, Central Avenue, |
| In Precinct 4. | Basement Playroom, rear of Pierce Elementary School, Gile Road, |
| In Precinct 5. | Gymnasium, Pierce Junior High School, Gile Road, |
| In Precinct 6. | Gymnasium, Cunningham Junior High School, Edge Hill Road, |
| In Precinct 7. | St. Agatha's School, Adams Street, |
| In Precinct 8. | Kindergarten Room, Collicot School, Edge Hill Road, |
| In Precinct 9. | Gymnasium, Pierce Junior High School, Gile Road, |

on Tuesday, September 16, 1980 next, at eight o'clock in the forenoon, then and there to bring in their votes to the Primary Officers for the Election of Candidates of Political Parties for the following offices:

REPRESENTATIVE IN CONGRESS for the Eleventh Congressional District

COUNCILLOR for the Fourth Councillor District

SENATOR for the Second Suffolk and Norfolk Senatorial District

REPRESENTATIVE IN GENERAL COURT for the Seventh Norfolk Representative District

TWO (2) COUNTY COMMISSIONERS for Norfolk County

SHERIFF for Norfolk County

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned, by posting attested copies of this Warrant in each of the Post Offices of said Town seven days at least before said sixteenth day of September, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of the Warrant with your doings thereon to the Town Clerk on or before said sixteenth day of September next.

1980 SEPTEMBER STATE PRIMARIES

Given under our hands at Milton this Thirtieth day of July, Nineteen Hundred and Eighty.

(Signed) James D. Colt
Walter F. Timilty
John P. Linehan
Board of Selectmen

Commonwealth of Massachusetts) ss.
County of Norfolk

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town and leaving attested copies at the dwellings of the inhabitants. Warrants were posted on September 2, 1980 and delivered to the inhabitants of Milton.

(Signed) Bernard J. Lynch, III
Constable of Milton

At the State Primary, held Tuesday, September 16, 1980, Milton had the following number of Absentee Ballots:

Applications Received	7	20	10	28	11	24	20	11	10	141
Ballots Cast	7	19	7	27	10	22	18	9	9	128

Of the total ballots cast 110 were cast in person by the voter in the Town Clerk's Office and 18 were cast by mail. Thirteen ballots that were mailed were not returned.

The Absentee Ballots were distributed to the Precincts before the close of the polls. The Wardens put them through the Ballot Boxes and they were counted with the ballots cast in the Precincts.

James G. Mullen, Jr.
Town Clerk

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned, by posting attested copies of the Warrant in each of the Post Offices of said Town seven days at least before said fourth day of November, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of this Warrant with your doings to the Town Clerk on or before said fourth day November, next.

Given under our hands at Milton this second day of October, Nineteen Hundred and Eighty.

(Signed) James D. Colt
Walter F. Timilty
John P. Linehan
Board of Selectmen

A true copy, Attest:
Bernard J. Lynch, III
Constable of Milton

REPORT OF THE WARRANT COMMITTEE

NOVEMBER ELECTION – NOVEMBER 4, 1980

To the Voters of Milton:

Pursuant to the provisions of Section 4, Chapter 3 of the General Bylaws of the Town, dated March 10, 1934, as amended, your Warrant Committee is required to consider and report in print upon all questions submitted to the voters of the Town. Following are the recommendations of your Committee:

QUESTION No. 1

**PROPOSED AMENDMENTS TO THE CONSTITUTION
(PROHIBITING DISCRIMINATION AGAINST THE HANDICAPPED)**

We recommend that the Town vote "NO".

QUESTION No. 2

**LAW PROPOSED BY INITIATIVE PETITION
(LIMITING LOCAL TAXES)**

We recommend that the Town vote "NO".

QUESTION No. 3

**LAW PROPOSED BY INITIATIVE PETITION
(LIMITING STATE AND LOCAL TAXES AND INCREASING THE STATE
SHARE OF EDUCATION COSTS)**

We recommend that the Town vote "NO".

QUESTION No. 4

**REFERENDUM ON AN EXISTING LAW
(INCREASED SALARIES FOR CERTAIN STATE OFFICIALS)**

We recommend that the Town vote "NO".

QUESTION No. 5

**PROPOSED AMENDMENT TO THE CONSTITUTION
(LIMITATION ON CERTAIN STATE MANDATED PROGRAMS)**

We recommend that the Town vote "YES".

QUESTION No. 6

**PROPOSED AMENDMENT TO THE CONSTITUTION
(REVISION OF LEGISLATIVE EMERGENCY AUTHORITY)**

We recommend that the Town vote "NO".

QUESTION No. 7

**THIS QUESTION IS NOT BINDING
(PROWSE FARM – PRESERVATION)**

We recommend that the Town vote "YES".

Respectfully submitted,

Herbert Lemelman, Chairman
Joseph F. Kinnealey, Secretary
Natalie Albers
William M. Cahill
Robert W. Corson
David F. Gallery

STATISTICS – PRESIDENTIAL ELECTION, NOVEMBER 4, 1980

PRECINCTS	1	2	3	4	5	6	7	8	9	TOTAL
Registered Voters										
Nov. 4, 1980	2017	2157	2199	1823	1808	2173	1909	2234	1934	18254
Total Vote Cast	1729	1817	1885	1551	1550	1829	1676	1888	1692	15617
Time Received	11:50	12:30	12:50	12:40	12:25	12:36	12:00	11:45	11:55	
	P.M.	A.M.	A.M.	A.M.	A.M.	A.M.	A.M.	P.M.	P.M.	
Percentage	85.7	84.2	85.7	85.0	85.7	84.1	87.7	84.5	87.4	85.5

The Town Clerk upon receipt of the returns from the several precincts, forthwith canvassed the same and announced the results at 1:10 A.M., November 5, 1980.

At the Presidential Election, held Tuesday, November 4, 1980, Milton has the following number of Absentee Ballots:

PRECINCT	1	2	3	4	5	6	7	8	9	TOTAL
Applications Recvd.	64	79	106	50	102	80	71	71	75	698
Ballots Cast	57	70	93	43	75	66	61	63	60	588

Of the Total Ballots Cast 256 were cast in person by the voter in the Town Clerk's Office and 332 were cast by mail, 110 Ballots that were mailed were not returned. The Absentee Ballots were distributed to the Precincts before the close of the polls. The Wardens put them through the Ballot Boxes and they were counted with the ballots cast in the Precincts.

James G. Mullen, Jr.
 Town Clerk

1981 MARCH MEETING

WARRANT

Commonwealth of Massachusetts)
County of Norfolk) ss.

To any of the Constables of the Town of Milton in said County:

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and in Town affairs, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

- | | |
|----------------|--|
| In Precinct 1. | Tucker School Hall, Blue Hills Parkway |
| In Precinct 2. | St. Mary of the Hills School Hall, Brook Road |
| In Precinct 3. | Milton-Hoosic Clubhouse, Central Avenue |
| In Precinct 4. | Basement Playroom, rear of Pierce Elementary School, Gile Road |
| In Precinct 5. | Gymnasium, Pierce Junior High School, Gile Road |
| In Precinct 6. | Gymnasium, Cunningham Junior High School, Edge Hill Road |
| In Precinct 7. | St. Agatha's School, Adams Street |
| In Precinct 8. | Kindergarten Room, Collicot School, Edge Hill Road |
| In Precinct 9. | Gymnasium, Pierce Junior High School, Gile Road, |

on Saturday, March seventh next, at eight o'clock in the forenoon, then and there to bring in to Precinct Officers of the respective Precincts their votes on one ballot respectively for the following named Town Officers, to wit:

THREE SELECTMEN AND SURVEYORS OF THE HIGHWAY for the term of One Year

ONE TOWN CLERK for the term of One Year

ONE ASSESSOR for the term of Three Years

ONE TOWN TREASURER for the term of One Year

ONE MEMBER OF THE REGIONAL VOCATIONAL SCHOOL COMMITTEE for the term of Two Years

TWO MEMBERS OF THE SCHOOL COMMITTEE for the term of Three Years

ONE PARK COMMISSIONER for the term of Three Years

ONE PARK COMMISSIONER for the term of Two Years

ONE MEMBER OF THE BOARD OF HEALTH for the term of Three Years

THREE TRUSTEES OF THE PUBLIC LIBRARY for the term of Three Years

ONE TRUSTEE OF THE PUBLIC LIBRARY for the term of Two Years

ONE TRUSTEE OF THE CEMETERY for the term of Five Years

ONE MEMBER OF THE HOUSING AUTHORITY for the term of Four Years

ONE MODERATOR for the term of One Year

ONE MEMBER OF THE PLANNING BOARD for the term of Five Years.

One Hundred Town Meeting Members to be elected as follows:

Precinct 1. Eleven for Three Years.
 One for Two Years.

Precinct 2. Eleven for Three Years.
 One for Two Years.

Precinct 3. Eleven for Three Years.

Precinct 4. Eight for Three Years.
 One for One Year.

Precinct 5. Ten for Three Years.

Precinct 6. Eleven for Three Years.
 One for Two Years.
 One for One Year.

Precinct 7. Ten for Three Years.
 One for One Year.

Precinct 8. Eleven for Three Years.
 One for One Year.

Precinct 9. Ten for Three Years.

For these purposes the polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

And thereupon by adjournment of said meeting on the following Saturday, to wit, March fourteenth next, at one o'clock in the afternoon at the Milton High School Auditorium, 391 Brook Road in said Milton, then and there to act upon the following Articles, to wit:

Articles 1 through 58 inclusive, appearing in regular type on page 10 through 65.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned by posting attested copies of the Warrant in each of the Post Offices of said Town seven days at least before the seventh day of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk on or before said seventh day of March, next.

Given under our hands at Milton the fifth day of February, Nineteen Hundred and Eighty-One.

(Signed) James D. Colt
Walter F. Timilty
John P. Linehan
Board of Selectmen

1981 MARCH MEETING

Commonwealth of Massachusetts) ss.
County of Norfolk

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as herein directed to meet at the time and place for the purposes therein mentioned by posting attested copies of the same at the post offices of the Town on February 26, 1981 and leaving attested copies at the dwellings of the inhabitants.

(Signed) Bernard J. Lynch, III
Constable of Milton

STATISTICS MARCH 7, 1981 TOWN ELECTION

PRECINCTS	1	2	3	4	5	6	7	8	9	TOTAL
Registered Voters	1992	2126	2169	1811	1776	2116	1885	2204	1928	18007
Total Votes Cast	509	745	825	837	508	715	756	954	689	6538
Time Received	11:20	12:15	12:57	1:27	11:30	12:02	12:23	12:35	12:09	
	P.M.	A.M.	A.M.	A.M.	P.M.	A.M.	A.M.	A.M.	A.M.	
% of Vote	25.5	35.0	38.0	46.2	28.6	33.7	40.1	43.2	35.7	36.3

The Town Clerk upon receipt of the returns from the several precincts forthwith canvassed the same and announced the results at 1:45 A.M. March 8, 1981.

At the Town Election, held Saturday, March 7, 1981, Milton had the following number of Absentee Ballots:

PRECINCTS	1	2	3	4	5	6	7	8	9	TOTAL
Applications Received	10	11	24	9	11	9	11	16	7	108
Ballots Cast	10	11	21	8	10	8	10	15	6	99

Of the total ballots cast 77 were cast in person by the voter in the Town Clerk's Office and 22 were cast by mail. Nine ballots that were mailed were not returned.

The Absentee Ballots were distributed to the Precincts before the close of the polls. The Wardens put them through the Ballot Boxes and they were counted with the ballots cast in the Precincts.

James G. Mullen, Jr.
 Town Clerk

ADJOURNED TOWN MEETING MARCH 14, 1981

The Town Meeting held at the High School Auditorium was opened at 1:04 P.M. by the Moderator, Robert K. Lamere.

The Town Clerk James G. Mullen, Jr. informed the Moderator that a quorum was present.

The Moderator introduced Reverend Lewellen Smith of the East Congregational Church who delivered the invocation.

The Moderator read the names of the following Town Meeting Members who had died since the last Town Meeting:

BENJAMIN R. ALEXANDER
ROBERT W. CORSON

The Town Meeting Members stood for a moment of silence.

The Town Meeting Members stood again and were sworn in by the Town Clerk, James G. Mullen, Jr.

The following thirty Town Meeting Members were absent:

PRECINCT ONE:	John R. Avery Andrew J. Donahue, III Christopher J. Tingus	Maria DeMello Charles H. De St. Croix
PRECINCT TWO:	John T. Landry	Mary Carol Sweeney
PRECINCT THREE:	John L. Bremer, 2nd Russell G. Simpson	Robert J. Fallon Catherine L. Molloy (Ex-officio)
PRECINCT FOUR:	Joseph G. Graziani, Jr. Robert W. Smith	Bruce E. Pearson
PRECINCT FIVE:	Walter E. Bosworth Ralph M. Forbes Morton Wolf (Ex-officio)	Natalie S. Forbes C. Vincent Vappi
PRECINCT SIX:	Daniel E. Duggan, Jr.	Brendan E. Fanning
PRECINCT SEVEN:	Paul V. Buckley	Paul J. Casey
PRECINCT EIGHT:	Eileen F. Chamberlain Robert L. Hoy Cathie M. McMann	Edward F. Coughlin Francis P. McDermott Albert J. Murphy
PRECINCT NINE:	Harry E. Carlson	

Town Meeting Member Francis F. Brooks offered the following resolution:

Whereas, the Town of Milton has lost a distinguished public servant in the passing of Benjamin R. Alexander, who served the Town of Milton for many years in an unselfish and dedicated manner; and

Whereas, Benjamin R. Alexander served as a member of the Warrant Committee from 1939 to 1941; as a member of the School Committee from 1943 to 1947; as a member of

the Planning Board from 1954 to 1969; and as a charter member and delegate to the Metropolitan Area Planning Council, as well as its Treasurer; and

Whereas, Benjamin R. Alexander served as a member of the Town Meeting for forty (40) years;

Now therefore, we, the Town Meeting Members of the Town of Milton, meeting in session in this, the Three Hundred and Nineteenth Year of the Town's Incorporation, do hereby honor the memory of Benjamin R. Alexander for his service to the Town of Milton.

VOTED: The Town voted YES.

UNANIMOUS VOTE

Town Meeting Member M. Joseph Manning paid tribute to the late

RUTH A. DODD

Administrative Assistant to the Board of Assessors

Miss Dodd, a lifelong Milton resident, graduated from Milton High School in 1934 and began her service to the Board of Assessors on January 9, 1936. Over the years in the performance of their duties, the many members of the Board of Assessors relied on her knowledge of the town and the laws of the Commonwealth. Miss Dodd died on July 10, 1980 after over forty-four years of dedicated service to the Town of Milton.

ARTICLE 1. To choose all such Town Officers as are not required to be chosen by ballot.

VOTED: To elect James E. Curran, Measurer of Lumber.

ARTICLE 2. To hear and act upon the report of the Town Accountant and reports of other Town Officers and Committees.

VOTED: The Town voted YES.

UNANIMOUS VOTE

ARTICLE 3. To see if the Town will vote to authorize the Town Treasurer, with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the fiscal year beginning July 1, 1981, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefore, payable within one year, and to renew a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

VOTED: The Town Treasurer, with the approval of the Selectmen, be and he hereby is authorized to borrow money from time to time in anticipation of the revenue of the fiscal year beginning July 1, 1981, in accordance with the provisions of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

UNANIMOUS VOTE

ARTICLE 4. To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector, may use.

VOTED: The Town voted YES.

UNANIMOUS VOTE

ARTICLE 5. To see if the Town will vote to authorize the Selectmen to employ counsel to represent the Town at hearings before Committees of the General Court.

VOTED: The Town voted YES.

UNANIMOUS VOTE

ARTICLE 6. To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interests of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; the members of such committee to hold office until the final adjournment of the next Annual Town Meeting and until the appointment of any succeeding committee authorized at such meeting.

VOTED: The Town voted YES.

UNANIMOUS VOTE

ARTICLE 7. To see by what sums of money the Town will vote to reduce the appropriations made at the 1980 Annual and Special Town Meetings for the following departments and purposes.

GRAND TOTAL REDUCTIONS \$602,505

ARTICLE 8. To see what sums of money the Town will vote to appropriate in the fiscal year 1981 to defray the cost of energy conservation improvements authorized under Article 6 of the June, 1980 Special Town Meeting.

VOTED: The Town made no appropriation.

UNANIMOUS VOTE

Warrant Committee Chairman Herbert Lemelman made a motion which was seconded to postpone the following Articles 9, 10, 11, 12, 13, 14, 15, 16, 17, 18, 19, 20, 21, 22, 24, 25, 26, 27, 28, 29, 30, 32, 33, 38, 39, 40, 41, 42 and 58 until a Town Meeting to be held on May 18, 1981.

Town Meeting Member Maureen R. Delaney made a motion which was seconded to include Article 45 in Mr. Lemelman's motion to postpone.

VOTED: The Town voted NO.

Town Meeting Member Robert J. Kaler made a motion which was seconded to strike Article 20 from Mr. Lemelman's motion.

VOTED: The Town voted NO.

Town Meeting Member Thomas W. O'Connor made a motion which was seconded to amend Mr. Lemelman's motion and hold the May Town Meeting on May 16, 1981 rather than May 18, 1981.

VOTED: The Town voted NO.

Mr. Lemelman's motion was voted on at this time.

VOTED: The Town voted to postpone the Articles until May 18, 1981.

UNANIMOUS VOTE

ARTICLE 23. To see if the Town will vote to accept grants under the provision of General Laws Chapter 90, Section 34 as follows:

A. \$32,969 under Chapter 570 of the Acts of 1980 for the construction, reconstruction and improvement of public ways;

B. \$59,611 under Chapter 329 of the Acts of 1980 for the construction, reconstruction and improvement of public ways;

and to act on anything relating thereto.

Submitted by the Board of Selectmen.

VOTED: The Town voted YES.

UNANIMOUS VOTE

ARTICLE 31. To see if the Town will vote to accept a bequest to the Milton Cemetery for the purposes stated therein from the Estate of Olive Adams Baker.

VOTED: The Town voted YES.

UNANIMOUS VOTE

ARTICLE 34. To see if the Town will vote to authorize the Board of Selectmen in the name and on behalf of the Town to sell and convey, upon such terms as the Selectmen may determine, the land with the building thereon numbered 10 Walnut Street and more particularly bounded and described as follows:

SOUTHEASTERLY by Walnut Street, two hundred twenty-eight (228 feet);

SOUTHWESTERLY by Clapp Street, three hundred ninety-three and 61/100 (393.61) feet;

NORTHWESTERLY by private land, two hundred nineteen (219) feet;

NORTHEASTERLY by private land, one hundred eighty and 06/100 (180.06) feet;

SOUTHEASTERLY by private land, eleven and 50/100 (11.50) feet;

NORTHEASTERLY by private land, two hundred eight (208) feet to point of beginning.

Said land contains 87,473 square feet more or less; and to act on anything relating thereto.

Submitted by the Board of Selectmen.

VOTED: The Town voted NO.

UNANIMOUS VOTE

ARTICLE 35. To see what sum of money the Town will vote to appropriate for the demolition of the Thacher Building and grading, loaming, and seeding of the site, and to act on anything relating thereto.

Submitted by the Board of Selectmen.

Town Meeting Member Joseph M. Cunningham, Jr. made a motion which was seconded to transfer \$15,000 from available funds for the demolition of the Thacher Building.

VOTED: The Town voted NO on a Voice Vote.

VOTED: The Town voted to establish a Study Committee of five citizens appointed by the Moderator to study what should be done with the Thacher Building and report back to the Town Meeting on May 18, 1981.

Town Meeting Member Annamay Marie Gioiosa made a motion which was seconded to reconsider the postponing of Article 9.

VOTED: The Town voted to delete Article 9 from the articles previously voted to postpone until May 18, 1981.

ARTICLE 9. To see what sum of money the Town will vote to appropriate for the purpose of paying Helen O'Connell her sick leave buyback money for the period ending June 30, 1980; and to act on anything relating thereto.

Submitted by the Superintendent of Schools and the School Committee.

VOTED: The Town voted to appropriate \$953 from available funds for the purpose set forth in this Article.

ARTICLE 36. To see if the Town will vote to amend Chapter 7 of the General By-laws as follows:

1. By striking out Sections I through XIX (inclusive) and inserting in place thereof the following:

I. BUILDING

A. Fees Required for Permits:

The following Fees will be charged on all building permits issued by the Commissioner of Buildings:

Fire-resisting building valuation not exceeding \$1,000	\$25.00
Slow burning building valuation not exceeding \$1,000	\$25.00
All commercial buildings – Minimum Fee	\$25.00
Wooden building valuation not exceeding \$1,000	\$10.00
Alterations of buildings and erection of sheds, garages and small buildings, valuation not exceeding \$1,000	\$10.00
Elevators – per \$1,000	\$10.00
Swimming Pools – per \$1,000	
Over \$1,000 an additional \$5.00 per thousand	
Grade Foundation and Cellars	\$25.00
Over \$1,000 an additional \$5.00 per thousand	

For all work up to \$50,000. an additional \$5.00 per thousand. Over \$50,000. – \$2.00 per thousand.

Inspection for Real Estate Offices or Buyers – \$25.00 per house call.

All places of assembly not used completely for religious or school instruction – yearly inspection – \$25.00.

Fees shall accompany the application and are to be refunded if the permit is not granted.

The fee shall be double for all work started without a permit.

B. Board of Appeals:

1. The existing Board of Appeals appointed pursuant to Chapter 10 of the General Bylaws (known as the Zoning bylaw) shall act as and be the Board of Appeals under this bylaw.
2. Any applicant for a permit whose application has been refused by the Building Commissioner, or any person who has been ordered by the

Building Commissioner to incur expense in connection with a building, or any person dissatisfied with the decision of the Building Commissioner on a matter left by this bylaw to his approval or discretion may appeal therefrom to the Board of Appeals within ten days from the date of said refusal, order or decision. If the action of the Building Commissioner is modified or annulled the Building Commissioner shall issue a permit or order in accordance with the decision of said board.

3. All appeals to the Board of Appeals shall be accompanied by a fee to be determined by the Board of Appeals and established by their rules and regulations.

II. ELECTRIC WIRING AND FIXTURES

- A. The Board of Selectmen shall annually in April appoint for an annual term beginning May 1, an Inspector of Wires, whose duties shall be in accordance with General Laws, Chapter 166, S 32, as amended from time to time.
- B. Any person making any repairs on or installing any electric wiring, plants or appliances, including fire and burglar alarm systems, shall obtain a permit and shall send a notice to the Inspector of Wires before the work is commenced, and shall further notify the Inspector and give him full opportunity to inspect the work before the same is covered or enclosed. Wires in the interior of buildings and on private premises shall not be connected with an outside circuit which crosses or runs along, over or under any street or way of the Town without written permission therefor having been first obtained from the Inspector of Wires.

C. Fees Required for Permits:

The following fees shall be charges on all permits issued by the Inspector of Wires for repairs or installing electric wirings, plants or appliances, including fire and burglar alarm systems:

1. Initial Charge

The fee shall be double for all work started without a permit.

Reinspection of defective work, each inspection	10.00
---	-------

2. Amend Section XX by renumbering it as Section IV.

3. By striking out the newly renumbered Section IV (H) and inserting in place thereof a new Section IV (H) to read as follows:

“(H) FEES:

The fee to be paid to the Board of Selectmen for the original issuance of a license shall be ten (\$10.00) dollars; the fee for annual renewal shall be five (\$5.00) dollars if renewed within thirty days of expiration; and ten (\$10.00) dollars for renewal at any time after said thirty days.”

and to act on anything relating thereto.

Submitted by the Board of Selectmen.

Town Meeting Member Joseph C. Mahoney made a motion which was seconded to postpone Article 36 until the May 18, 1981 Meeting.

VOTED: The Town voted YES. The Article was postponed until the May 18, 1981 Meeting.

ARTICLE 37. To see if the Town will vote to amend Chapter 4, Section 10, of the General Bylaws by striking out the amount of \$300 in line 3 and inserting in place thereof the amount of \$500 so that the amended bylaw will read as follows:

Section 10. Any Board or Officer in charge of a department may, with the approval of the Selectmen, sell any personal property or material not required by said department to an aggregate amount not exceeding \$2,000 in value in any one fiscal year.

Submitted by the Board of Selectmen.

VOTED: The Town voted YES.

UNANIMOUS VOTE

Town Meeting Member Terrance A. McGovern made a motion which was seconded to reconsider Article 37.

VOTED: The Town voted NO on a Voice Vote.

ARTICLE 43. To see if the Town of Milton shall order the Selectmen to petition the General Court for a special act to authorize the election of Selectmen at the Annual Town Meeting to be held in the Town of Milton in the year 1982 as follows: one for one year, one for two years, and one for three years, and thereafter upon the expiration of the term of a Selectman his or her successor shall be elected for a term of three years, and for such interim procedures as the General Court deems appropriate to accomplish the intended result.

Amend Section V. Height Regulations, Paragraph A, by

- a) inserting the phrase "or 35 feet whichever is less" into the first sentence after the word "height" and before the word "unless".
- b) adding the sentence "The Height of the building structure shall be measured from the mean grade of the natural ground contiguous to the structure" at the end of the paragraph.

and to act on anything relating thereto.

Submitted by the Planning Board.

VOTED: The Town voted YES.

UNANIMOUS VOTE

ARTICLE 52. To see if the Town will vote to amend Chapter 10 of the General Bylaws known as the Zoning Bylaws as follows:

(a) Amend Section III A. Use Regulations by adding the following subsection 8 after subsection 7:

Section III A. 8

The following use, if authorized by permit issued by the Planning Board and subject to appropriate conditions, limitations, and safeguards stated in writing by the Planning Board and made a part of the permit.

Condominium units converted from existing estate buildings, as provided in subsection L of Section VI.

(b) Amend Section VI by adding the following subsection L immediately following subsection K.

L. Condominium Conversion Special Permit

The purpose of this subsection L is to permit existing buildings on large tracts of land in Residence Districts A, B, and C to be converted to single family condominium dwelling units compatible with such Residence Districts, to create new housing involving relatively little new construction, to generate tax revenue to the Town, to preserve existing buildings, to preserve the residential character of the Town and to preserve open space in the Town. In order to provide for development that is compatible with Residence Districts A, B and C, which Districts are primarily for single family residences, the conversions to dwelling units under this subsection L are to condominium dwelling units, which can be separately owned, and are therefore a type of development similar in character to other development in such District.

1. Properties meeting the following requirements shall be eligible for consideration for a condominium conversion special permit:

Parcels of not less than 10 acres and with not less than 150 feet of frontage on a public way, with one or more existing buildings in a Residence A, B or C District.

2. Any building on the parcel built prior to January 1, 1980 may be converted to condominium dwelling units.

3. The total number of dwelling units that can be created under a condominium conversion special permit shall not exceed (n-2) where "n" is the number of acres in the parcel.

4. Each condominium dwelling unit shall be an independent dwelling unit intended for use by a single family, with its own bath and toilet facilities and its own kitchen. The average square footage of the interior living space of the units shall be not less than 1200 square feet per unit.

5. No building (including both buildings converted to condominium dwelling units and other buildings not converted to condominium dwelling units) shall be externally enlarged except with the approval of the Planning Board, and in no event shall such enlargements add to any one building more floor area than a number equal to 5% of the above grade floor area of such building, the floor area of porches and decks to be included in the calculations of floor area.

6. No new building for dwelling purposes may be built on the parcel. New structures may be built pursuant to paragraphs 8 (b) and 12 (e) below.

7. There shall be at least one off-street automobile parking space for each condominium dwelling unit.

8. For the purposes of this subsection L, "open space" shall mean all of the land on the parcel except that land occupied by buildings to be converted to condominium dwelling units and existing buildings to be used for parking purposes. To insure the preservation of open space, the following requirements shall be met:

(a) Open space may be used for the following purposes: flower gardens, gardens, landscaping, required parking, roadways and driveways reasonably necessary for the development, underground utilities, recreation not requiring any facility or structure, and land left in its natural state. The open space may be used for other purposes permitted in the Residence District if approved by the Planning Board as consistent with the condominium development and character of the neighborhood.

(b) On open land all facilities and structures for accessory purposes (such as swimming pools, tennis courts, garages, carports, parking areas, lamp posts, small sheds for tools or sports equipment, fences, including the kind enclosing a tennis court or swimming pool, bath houses and other accessory structures for accessory purposes) shall be subject to the approval of the Planning Board as to their number, design, locations, uses and sizes shall be subject to approval by the Planning Board, provided however, that all such facilities and structures, including roadways and driveways, shall not involve the use of more than 20% of all of the open land on the parcel.

(c) All new utilities, including wiring for lights on open spaces, paths and driveways, shall be placed underground.

9. An application for a condominium conversion special permit shall include the following:

(a) Proposed Master Deed and proposed plans to be recorded therewith, including floor plans, at least one elevation for each building being converted to dwelling units and a site plan for the parcel locating at least each building, roadways, and driveways, parking, recreation facilities, utilities and accessory facilities and structures.

(b) Proposed Bylaws.

(c) A sample proposed Unit Deed.

(d) A copy of an assessor's plan showing the parcel and all land immediately adjacent thereto, including nearby buildings and structures.

(e) Such other plans, photographs, models or elevations as the Planning Board shall reasonably deem necessary or appropriate to help understand the proposal.

10. In case of a natural disaster or casualty, the damaged building or buildings may be rebuilt or restored to its or their condition prior to the natural disaster or casualty as near as possible or practicable. The Planning Board shall oversee such rebuilding or restoration under paragraph 13 below.

11. No special permit pursuant to this subsection L shall be granted until a public hearing has been held as provided in M.G.L. c.40A. The Planning Board shall be the special permit granting authority for condominium special permits.

12. The Planning Board shall not grant a condominium conversion special permit unless it makes the following findings:

(a) That the proposal presented for approval is financially practical and will in reasonable probability be completed. The Board may set time limits for completion of parts of and the whole of a condominium development, determine the order of construction, and set other conditions and limitations on the special permit as are consistent with the subsection L.

(b) That any external enlargement of any existing building is compatible with the architecture of the existing building.

(c) That appropriate provision has been made for the preservation and restoration of significant architectural and landscaping features, particularly those visible from a public way.

(d) That the purposes for which the open space is to be used is consistent with the condominium development and character of the neighborhood.

(e) That the facilities and structures permitted on the open space are necessary for parking and access and egress or are for permitted accessory purposes and that the number, design, location, use and size of such facilities and structures are consistent with the condominium development and character of the neighborhood.

(f) That the provisions of the proposed Master Deed and Bylaws will insure the preservation and maintenance of the open space on the parcel.

(g) That the roads within the parcel are adequate for the condominium development.

13. After a condominium conversion special permit has been granted, any change in the location or use of a building, any enlargement of a building, any material exterior restoration or rebuilding of a building following a natural disaster or casualty, any material change in the use of the open space or in the facilities or structures thereon, shall not be permitted except upon an amendment to the special permit which shall be upon petition to the Planning Board and after a public hearing (with the provisions of paragraph 11 applying) and upon a finding by the Planning Board that the proposed change or changes do not substantially derogate from the intent and purpose of this subsection L.

14. A special permit or amendment thereto granted under this subsection L shall lapse two years from the grant thereof unless such construction has commenced, or if no construction is required, unless a Master Deed has been filed.

15. A special permit granted under this section shall be subject to the review by the Planning Board of the final plans, and of the Master Deed, and plans to be recorded therewith, and Bylaws, as they are to be initially recorded, which final plans, Master Deed, plans and Bylaws shall all be substantially the same as those approved with the special permit in all respects material to considerations relevant to the special permit, in which case the Chairman of the Planning Board shall endorse copies of such final plans and such

Master Deed, plans and Bylaws as having received final review and approval under this subsection L, which endorsement shall be conclusive evidence thereof. Thereafter the Master Deed, and plans recorded therewith, and Bylaws may be amended without Planning Board approval, provided however, that an amendment to the special permit shall be required for those matters specified in paragraph 13 hereof. Any amendment to the Master Deed, and plans recorded therewith, and Bylaws related to an amendment to the special permit shall be endorsed by the Chairman of the Planning Board as provided herein for such documents as initially recorded.

16. Provisions of this subsection L shall be construed as superceding subsections A, B, C, D and E of Section VI and shall be in addition to subsections F and G of said Section VI. The provisions of paragraph 7 above shall supercede the provisions of A.1. of Section VII. The limitation in subsection B.1. (a) of Section III with respect to garaging or maintaining more than three registered automobiles shall apply with respect to each unit owner rather than with respect to the entire parcel. Otherwise condominium conversions under this subsection L shall be subject to all other provisions of this bylaw where the intent and context permits.

17. All references herein to the Massachusetts General Laws shall be to those provisions in effect on the date hereof.

Submitted by the Planning Board.

VOTED: The Town voted YES.

YES 227 NO 8

ARTICLE 53. To see if the Town without the assessment of betterments and without making an appropriation will vote to accept the following streets as Town Ways, as laid out by the Selectmen:

HIGHLAND LANE (entire length)

VOTED: The Town voted NO on a Voice Vote.

ARTICLE 55. This Article was withdrawn by the Milton Housing Authority after the Warrant was typeset but before printing. It related to a site selection for Low Income Elderly and Family Housing which was found to be unsuitable by their recently retained Architect.

ARTICLE 56. To see if the Town will vote to petition the General Court for authority under the provisions of Article XLIX of the Massachusetts Constitution to enable

1981 MARCH MEETING

the Town to sell and convey for the Sum of \$1.00, a portion of the parcel of conservation land acquired by the Town pursuant to the vote on Article 36 of the 1977 Town Meeting. Said parcel to be conveyed by the Town is bounded and described as follows:

SOUTHWESTERLY by Brook Road, 36.00 feet;

NORTHWESTERLY by land of the Town of Milton, 81.46 feet; and

SOUTHEASTERLY by land now or formerly of Madeline C. Ricci, 90.50 feet.

Containing 1381.38 square feet of land. Said parcel is shown as Lot 12A on a plan of land entitled "Southeast corner of Centre Street and Brook Road", which plan is on file at the office of the Town Engineer;

and to act on anything relating thereto.

Submitted by the Board of Selectmen.

VOTED: The Town voted YES.

UNANIMOUS VOTE

ARTICLE 57. To see if the Town will vote to authorize the Board of Selectmen to purchase for the promotion and development of natural resources and for the preservation of open space a certain parcel of land bounded and described as follows:

NORTHEASTERLY by Centre Street, 27.09 feet;

SOUTHEASTERLY by land now or formerly of Madeline C. Ricci, 129.10 feet;
and

NORTHWESTERLY by land of the Town of Milton, 114.51 feet.

Containing 1381.28 square feet of land. Said parcel is shown as Lot 11A on a plan of land entitled "Southeast corner of Centre Street and Brook Road", which plan is on file at the office of the Town Engineer;

and to act on anything relating thereto.

Submitted by the Board of Selectmen.

VOTED: The Town voted YES and further recommends that the Selectmen be authorized to spend the sum of \$1.00 for the purchase of said land.

UNANIMOUS VOTE

A motion was made and seconded to adjourn the Meeting until May 18, 1981 at 7:30 P.M. The Meeting adjourned at 11:25 P.M.

VOTED: The Town voted YES.

UNANIMOUS VOTE

* * *

The Moderator called the Meeting to order at 7:42 P.M. on Monday, May 18, 1981, and announced a quorum was present.

Thirty-eight Town Meeting Members were absent as follows:

1981 MARCH MEETING

PRECINCT ONE:	John R. Avery Alan L. Levant Christopher J. Tingus	Andrew J. Donahue, III Robert F. O'Meara
PRECINCT TWO:	John C. Crowley John J. Flaherty John T. Landry Joseph K. Walsh	Joseph F. Duggan Paul C. Girouard Mary Carol Sweeney
PRECINCT THREE:	Robert J. Fallon Frank W. Knowlton, Jr. George M. Thompson, Jr.	John W. Gibbons Helen F. Ladd Thomas D. Walsh
PRECINCT FOUR:	Robert K. Lamere, Jr. John B. Shields	Walter F. Peterson
PRECINCT FIVE:	George M. Bartol Ralph M. Forbes Robert G. White	Natalie S. Forbes Ambrose B. Nangeroni
PRECINCT SIX:	Stephen J. Cleary Daniel F. Marr	Redmond S. Fitzgerald
PRECINCT SEVEN:	John J. Boles, Jr. Edward M. Coghlan Annamay Marie Gioiosa	Paul J. Casey John Earls
PRECINCT EIGHT:	John E. Driscoll	W. Geoffrey Leary
PRECINCT NINE:	Bruce B. Alexander	Thomas P. McSharry

Warrant Committee Chairman Herbert Lemelman made a motion which was seconded that motions for reconsiderations be allowed to be acted upon by the Town Meeting Members with regard to any articles upon which action shall be taken by the Town Meeting Members hereafter without regard to any time limitations contained in the General Bylaws of the Town, provided that in the opinion of the Chairman of the Warrant Committee such reconsideration is necessary for the Town Meeting to have adopted a budget consistent with the provisions of Chapter 580 of 1980 popularly known as Proposition 2½ and provided further that any such motion for reconsideration be made prior to any action by the Town Meeting Members on Article 58 as contained in the Warrant.

VOTED: The Town voted YES.

UNANIMOUS VOTE

ARTICLE 10. To see what sum of money the Town will vote to appropriate to be added to the May 14, 1979 appropriation of \$95,000 and to the March 8, 1980 appropriation of \$95,000 for the sanitary landfill contract for the eighteen month period beginning January 1, 1980 due to the increase in fuel costs since the contract went into effect; and to act on anything relating thereto.

Submitted by the Board of Selectmen.

Town Meeting Member Charles B. Bosworth, Jr. made a motion which was seconded that \$8,000 be appropriated from available funds for the purposes set forth in this Article.

VOTED: The Town voted NO.

YES 88 NO 145

ARTICLE 11. To see what sum of money the Town will vote to add to the amount previously appropriated at the 1980 Annual Town Meeting for the purpose of enabling the

Board of Assessors to complete the revaluation of the property in the Town; and to act on anything relating thereto.

VOTED: The Town voted that the sum of \$7,255 be appropriated from available funds to be added to the March 8, 1980 appropriation of \$39,562 for Assessors-Revaluation under Article 14 for the twelve month period beginning July 1, 1980.

UNANIMOUS VOTE

ARTICLE 12. To see what sum of money the Town will vote to appropriate for the twelve-month period beginning July 1, 1981, and for the several categories classified as Employee Benefits, and to act on anything relating thereto.

VOTED: The Town voted to appropriate the amounts shown in the following tabulation.

	FY 82 7/1/81-6/30/82
EMPLOYEE BENEFITS	
Widows' Pensions	\$ 33,518
Non-Contributory Pensions & Annuities	247,998
Contributory Pensions	1,196,122
Administration	6,962
Group Insurance	432,800
TOTAL	\$1,917,400

and that to meet the appropriation for Contributory and Non-Contributory Pensions to former Water Department employees, the sum of \$86,229 be transferred from the Water Surplus Account, and that the balance of \$1,831,171 be raised from the tax levy of the fiscal year.

The sum of \$5,805 but no more shall be used for salaries and wages.

UNANIMOUS VOTE

ARTICLE 13. To see what sum of money the Town will vote to appropriate to reimburse the Commonwealth of Massachusetts, Division of Employment Security for benefits paid to former employees of the Town; and to act on anything related thereto.

VOTED: The Town voted to appropriate the sum of \$150,000 for the purpose set forth in this Article; that upon receipt of notice from the Town Accountant that a claim for benefits has been made by a former employee, the head of the department in which the former employee has worked shall promptly certify to the Town Accountant and to the Treasurer that such claim for benefits is proper or the reasons why such claim is or may be improper and the Treasurer shall make no reimbursement to the Commonwealth on account of such claim for benefit unless certification that such claim is proper has been received from such department head or unless Town Counsel has certified that such reimbursement must be made; that the Treasurer shall make reimbursement payments for benefits made to former employees from the salary accounts of the respective departments for whom such employees formerly worked unless the Treasurer has received written notice from the Town Accountant that said reimbursements are to be made from funds appropriated pursuant to this Article; and that the Treasurer shall report to the Selectmen monthly the name of each former Town employee on account of whom reimbursement payments have been made to the Commonwealth and the amount of such payments.

UNANIMOUS VOTE

ARTICLE 14. To see what sum of money the Town will vote to appropriate to the Special Fund for Retirement Purposes which was established in 1978, in accordance with the provisions of General Laws, Chapter 40, Section 5D, in order to offset the anticipated cost for funding the contributory retirement systems for Town employees except teachers

and administrators of the school system; and to act on anything relating thereto.

VOTED: The Town did not vote an appropriation.

ARTICLE 15. To see if the Town will vote to amend Chapter 13 of the General Bylaws, known as the Personnel Administration Bylaw, as follows:

By striking out the section "Position Identification by Grade, Department and Municipal Division" and also the section "Position Classification – Schedule of Rates" and inserting in place thereof two new sections as follows:

Grade Foundation and Cellars	\$25.00
Over \$1,000 an additional \$5.00 per thousand	

For all work up to \$50,000 an additional \$5.00 per thousand
Over \$50,000 - \$2.00 per thousand

Inspection for Real Estate Offices or Buyers – \$25.00 per house call.

All places of assembly not used completely for religious or school instruction – yearly inspection – \$25.00.

Fees shall accompany the application and are to be refunded if the permit is not granted.

The fee shall be double for all work started without a permit.

B. Board of Appeals:

1. The existing Board of Appeals appointed pursuant to Chapter 10 of the General Bylaws (known as the Zoning bylaw) shall act as and be the Board of Appeals under this bylaw.
2. Any applicant for a permit whose application has been refused by the Building Commissioner, or any person who has been ordered by the Building Commissioner to incur expense in connection with a building, or any person dissatisfied with the decision of the Building Commissioner on a matter left by this bylaw to his approval or discretion may appeal therefrom to the Board of Appeals within ten days from the date of said refusal, order or decision. If the action of the Building Commissioner is modified or annulled the Building Commissioner shall issue a permit or order in accordance with the decision of said board.
3. All appeals to the Board of Appeals shall be accompanied by a fee to be determined by the Board of Appeals and established by their rules and regulations.

II. ELECTRIC WIRING AND FIXTURES

- A. The Board of Selectmen shall annually in April appoint for an annual term beginning May 1, an Inspector of Wires, whose duties shall be in accordance with General Laws, Chapter 166, S 32, as amended from time to time.
- B. Any person making any repairs on or installing any electric wiring, or installing plants, appliances, fire and burglar alarm systems, which require the installation of electrical wiring shall obtain a permit and shall send a notice to the Inspector of Wires before the work is commenced, and shall further notify the Inspector and give him full opportunity to inspect the work before the same is covered or enclosed. Wires in the interior of buildings and on private premises shall not be connected with an outside circuit which crosses or runs along, over or under any street or way of the Town without written permission therefore having been first obtained from the Inspector of Wires.
- C. Fees Required for Permits:

The following fees shall be charged on all permits issued by the Inspector of Wires for repairs or installing electric wirings, plants or appliances, including fire and burglar alarm systems:

- | | |
|---|--------|
| 1. Initial Charge | |
| Initial charge made on all permits issued | \$5.00 |
| 2. Current consuming outlets and receptacle outlets, each | .25 |
| 3. Fixtures, each | .25 |

----------------------	-------

Fees shall accompany application and shall be refunded if the permit is not granted.

The fee shall be double for all work started without a permit.

Reinspection of defective work, each inspection	10.00
---	-------

2. Amend Section XX by renumbering it as Section IV.

3. By striking out the newly renumbered Section IV (H) and inserting in place thereof a new Section IV (H) to read as follows:

“(H) FEES:

The fee to be paid to the Board of Selectmen for the original issuance of a license shall be ten (\$10.00) dollars; the fee for annual renewal shall be five (\$5.00) dollars if renewed within thirty days of expiration, and ten (\$10.00) dollars for renewal at any time after said thirty days.”

and to act on anything relating thereto.

NOTE: This Article rewrites the Building Code of the Town by eliminating those provisions now governed by the State Code, by increasing all fees and by referencing the Board

of Appeals to Chapter 10, the Zoning Bylaw.

Submitted by the Board of Selectmen.

VOTED: The Town voted YES.

UNANIMOUS VOTE

ARTICLE 38. To see if the Town will authorize the Board of Selectmen to establish from time to time just and equitable annual charges for the use of common sewers and to take any other action with reference thereto.

Submitted by the Board of Selectmen and Public Works Department.

VOTED: The Town voted NO and that the Moderator appoint a Committee of five citizens to study the matter of sewer use charges and report to the Board of Selectmen no later than December 31, 1981.

UNANIMOUS VOTE

ARTICLE 39. To see what sum of money the Town will vote to appropriate for engineering, design, surveying, legal services and construction to provide stand-by power and/or storage capacity at each of the six pumping stations located in Milton, said work to be performed substantially in accordance with the recommendations contained in the Town of Milton, Massachusetts, Wastewater Facility Plan; to authorize the Board of Selectmen to apply for and use federal and state funds for said work; to see how such appropriation is to be raised; and to act on anything relating thereto.

Submitted by the Public Works Department.

VOTED: The Town voted NO and no appropriation was made.

ARTICLE 40. To see what sum of money the Town will vote to appropriate for engineering, design, surveying, legal services, and construction to rehabilitate the Granite Avenue Pump Station, said work to be performed substantially in accordance with the recommendations contained in the Town of Milton, Massachusetts, Wastewater Facility Plan; to authorize the Board of Selectmen to apply for and use federal and state funds for said work; to see how such appropriation is to be raised; and to act on anything relating thereto.

Submitted by the Public Works Department.

VOTED: The Town voted NO and no appropriation was made.

ARTICLE 41. To see what sum of money the Town will vote to appropriate to design and construct sewer systems for the Silver Brook Road Area, said work to be performed substantially in accordance with the recommendations contained in the Town of Milton, Massachusetts, Wastewater Facility Plan; to authorize the Board of Selectmen to apply for and use federal and state funds for said work; to see how such appropriation is to be raised; and to act on anything relating thereto.

Submitted by the Public Works Department.

VOTED: The Town voted NO and no appropriation was made.

ARTICLE 42. To see what sum of money the Town will vote to appropriate to design and construct sewer systems for the Forbes Road, Cheryl Drive Area, said work to be performed substantially in accordance with the recommendations contained in the Town of Milton, Massachusetts, Wastewater Facility Plan; to authorize the Board of Selectmen to apply for and use federal and state funds for said work; to see how such appropriation is to be raised; and to act on anything relating thereto.

Submitted by the Public Works Department.

VOTED: The Town voted NO and no appropriation was made.

Town Meeting Member Emily M. Wright made a motion which was seconded to reconsider Article 24.

VOTED: The Town voted NO on a Voice Vote.

ARTICLE 58. To see what sum of money the Town will vote to appropriate from available funds on hand for the purpose of deduction by the Assessors from the amount required to be assessed in accordance with the provisions of General Laws, Chapter 59, Section 23.

VOTED: The Town voted to appropriate \$352,000 for the purposes set forth in the Article.

The Meeting was dissolved at 11:55 P.M.

James G. Mullen, Jr.
Town Clerk

AMENDMENTS TO THE GENERAL AND ZONING BYLAWS

The Amendments to the General and Zoning Bylaws adopted at the Annual Town Meeting held March 14 and 19, 1981 and May 18 and 19, 1981, were sent to the Attorney General on May 27, 1981.

The Amendments to the General Bylaws adopted under Article 36, 37 and 50 and the amendments to the Zoning Bylaw adopted under Article 51 were approved by the Attorney General on August 19, 1981 and received by Town Clerk James G. Mullen, Jr. on August 21, 1981.

These Amendments to the General and Zoning Bylaws with the approval of the Attorney General were posted in the following public places on August 21, 1981.

Central Library	Kidder Branch Library
Cunningham Community Center	Milton Food Mart
East Milton Library	Milton Town Hall
East Milton Post Office	Milton Village Post Office
Hanley Pharmacy	

The amendment to the Zoning Bylaw adopted under Article 52 was approved by the Attorney General on August 24, 1981 and was received by Town Clerk James G. Mullen, Jr. on August 25, 1981.

This amendment to the Zoning Bylaw with the approval of the Attorney General was posted in the following public places on August 27, 1981.

Central Library	Kidder Branch Library
Cunningham Community Center	Milton Food Mart
East Milton Library	Milton Town Hall
East Milton Post Office	Milton Village Post Office
Hanley Pharmacy	

James G. Mullen, Jr.
Town Clerk

**REPORTS OF
SPECIAL COMMITTEES**

REPORT OF THE WARRANT COMMITTEE FOR THE ANNUAL TOWN MEETING

INTRODUCTION

It is traditional for the Warrant Committee to address the thrust of the articles in the Warrant in an introductory comment. In keeping with the tradition, this introduction will address the most pervasive action to affect the Town of Milton in recent history. That is, the effect of voter referendum approval of what has come to be known as Proposition 2½ in the November ballot. The townspeople of Milton voted overwhelmingly in favor of Proposition 2½ which, among other things, limits local spending which can be raised to a maximum of 2½% of the fair cash value of the Town of Milton. In addition, Proposition 2½ reduced the estimated receipts from the personal property (auto) excise tax by 62% as well as eliminating fiscal autonomy of the School Committee. As a result, the Warrant Committee work of this year was and is extraordinarily complex and the task is not yet completed. It is only with the unswerving and wholehearted support of all elected officials and town employees in meeting this responsibility that the Warrant Committee is in a position to make certain preliminary recommendations for the fiscal 1982 budget.

It might be helpful to set forth the approximate amounts in issue. It has been estimated that there will be a loss of excise tax revenue for the fiscal year 1982 in an amount in excess of \$900,000. It has also been estimated that as a result of the limitations of Proposition 2½ on the amount of the budget raised by the tax levy that the Town of Milton will be forced to reduce its budget for Fiscal Year 1982 by \$2,475,000. The total of these two items requires a reduction in the spending for Fiscal Year 1982 in an amount in excess of \$3,375,000. This is the general problem facing the Town Meeting. In addition, the reduction in the excise auto tax became effective January 1, 1981 and the Town of Milton will lose approximately \$858,000 of its anticipated revenue for the Fiscal Year 1981 budget.

As a result of the foregoing, in addition to its normal and traditional examination of all the articles in the Warrant as they are submitted to the Warrant Committee through the Selectmen, the Committee was required to deal with this overriding problem of substantial reduction in income. Normally, the Warrant Committee fulfilled its legal obligations by receiving various budgetary articles on non-budgetary articles, reviewing them and making recommendations to the Town meeting in the Warrant. Because of the enormity of the problem of Proposition 2½ and because of the need to have a Town Meeting that is as informed and organized as possible, the Warrant Committee, after consultation with School Committee, Selectmen, Moderator, Town Counsel and Assessors has taken a more active position with regard to the budget process heretofor not taken by the Warrant Committee. In cooperation with all major departments, the Warrant Committee requested revised budgets for the Fiscal Year 1981 showing a reduction of 4.25% in spending so as to meet the 1981 shortfall in the estimated amount of \$585,000. This request produced a voluntary and widespread affirmative response so that Article 7 in this Warrant accomplishes the desired goal and is the result of the cooperation of all departments toward this end.

The Warrant Committee also requested that the town departments submit budgets which call for a reduction of 25% from the 1981 appropriations in an attempt to meet the required reduction mentioned above in the amount of \$3,375,000. The departments were asked to establish priorities with regard to the cuts that would be necessary to meet this request. Again, the cooperation and good will of the town departments was complete and encouraging to the Warrant Committee. Given this extremely difficult task, one can appreciate that the normal budgetary process has been substantially delayed and we ask the readers' indulgence when the Warrant Committee recommendation with regard to particular articles is not reproduced. The reasons for this are two-fold. First, the budgetary review process continues at the time this Warrant is being sent to the printer, and second, the ultimate Warrant Committee recommendations will depend upon the effect of the revaluation process now being conducted by the Board of Assessors in the Town of Milton. It is hoped that the Assessors will be in a position to inform the Town Meeting as to a fair cash value of the town (accepted by the Commonwealth of Massachusetts where necessary)

prior to the deliberations at the Town Meeting on March 14, 1981. The Warrant Committee is encouraged in the likelihood of this event occurring because of the total commitment to the task by the Board of Assessors. In the event that the revaluation process is not completed in time for the March 14th Town Meeting, the Warrant Committee may recommend to the Town Meeting that it defer its deliberations with regard to the budgetary articles to some future time substantially prior to the deadline of June 30, 1981. More specific information in this regard must await the status of events in March.

It should be kept in mind that the recommendations printed in this Warrant are preliminary and subject to change based upon the determination of the maximum lawful spending limit available from the tax levy in the Town of Milton. In most cases, the amounts requested by the various departments are less than they would have been without the constraints of Proposition 2½. Should the fair cash value figure allow an increase in the spending limit, each budget will be reviewed and up-to-date information will be supplied to Town Meeting members as far in advance of Town Meeting action as possible.

ESTIMATED TAX RATE

It is appropriate for the Warrant Committee to explain the effect of its recommendations upon the proposed tax rate for the Town of Milton in fiscal year under consideration. No doubt, this information is extremely helpful to the Town Meeting Members in their deliberations. This year, even that seemingly simple task is made difficult by the imposition of Proposition 2½ and the ongoing reevaluation process. The present fair cash value equivalent used by the Commonwealth of Massachusetts is approximately \$446,000,000. The Commonwealth Department of Revenue has acquiesced to an adjustment in this figure by an inflation factor of 13% so that the present spending limitation is 2½% of \$504,000,000 or \$12,600,000. This requires a reduction for the appropriation that can be raised by the tax levy in the amount of \$2,475,000 (15% of the Fiscal Year 1981 appropriations raised from the tax levy to wit, \$16,500.00). This would mean a maximum allowable tax levy for the Fiscal Year 1982 of \$14,025,000 which, based upon the present assessment in the Town of Milton (approximately \$79,000,000) will result in a tax rate of \$177.53 (computed on the same assessment).

The foregoing, of course, does not take into account the adjustment in the fair cash value of the Town of Milton upon which the 2½% levy limitation is based, nor the effect of recent legislation dealing with the classification of property for tax purposes. It should be understood that the total reduction for Fiscal Year 1982 in the amount of approximately \$3,375,000 includes not only the required reduction in the appropriation to be raised by the tax levy, but also the estimated loss of the excise tax revenue to the Town.

MAJOR RECOMMENDATIONS

In order to reach the new spending limitations, the Warrant Committee is recommending substantial changes in allocation of resources in the town. Most of these are done with a keen awareness that they represent a major change in town services. Others came about from an intense examination of every town department and suggested economies.

As is shown in Table 2, the count of non-school town employees will be reduced from 280 persons to 210. Most of these reductions will come from Fire, Police, Public Works and Library. Table 3 shows a reduction in school personnel from 401 to 303. Not only must this affect the level of service in town, it obviously will have a great impact on the unemployment compensation obligation of the town. When a reasonable estimate can be ascertained, it will appear as the recommendation in Article 13.

The matter of salary and wages to be paid to town employees is being examined by the Warrant Committee as well as all town departments. The impact of the collective bargaining agreements entered into by the Town and the Personnel By-Law Amendment-Salary and Wage Scale Appropriations, shown in Article 15, will be the subject of intense investigation and Warrant Committee recommendations in these areas will be forthcoming before the Town Meeting.

REPORT OF THE WARRANT COMMITTEE

After much deliberation, the Warrant Committee recommends elimination of weekly rubbish collection. Article 20 reflects this item which saves \$250,000, some of which is offset by increased costs in the maintenance of the landfill area shown in Article 22. The Warrant Committee is very much aware that this will have great impact on the citizens of the town. The thought is that the town could experience this change, evaluate the real impact on the homeowners in Milton and perhaps make some recommendations for adjustment as events dictate.

The Warrant Committee is continuing to investigate other methods of increasing town service by adjustment of fees, increase of the tax base and the like. In this connection, the Warrant Committee joins with the Board of Selectmen and Department of Public Works in recommending the establishment of a sewer use charge as set out in Article 38. It is expected that this will make the sharing of the cost of the sewer facilities in the town more equitable between homeowners, business and tax exempt users in the town.

CONCLUSION

It is appreciated that the foregoing is lengthy and complicated. By the time of distribution of this Warrant, each Town Meeting member should have received additional information about items of service and personnel to be effected by the proposed reductions.

Finally, it should be kept in mind that at the time this Warrant is submitted to the printer, there is no legislative procedure by which the Town of Milton can override the effects of Proposition 2½ in time to have any impact on the Fiscal Year 1982 budgetary process. Should any changes be promulgated by the General Court prior to the Town Meeting deliberations the Warrant Committee will make this known to the Town Meeting members and recommend an appropriate course of action. Traditionally, the Warrant Committee Chairman takes this opportunity to thank all town employees, elected and appointed board members and other officials for their cooperation in aiding the Warrant Committee in its tasks. As one can determine by reading this Warrant and can surmise from all the publicity attendant to the deliberations of the various town departments in budget preparation, the vote of thanks of the Warrant Committee is not a mere gesture. Without the outstanding participation of all town officials and especially the Executive Secretary, the deliberations of the Warrant Committee could not have proceeded in an orderly fashion. The Warrant Committee is thankful for not only the wealth of talent available in the Town of Milton but also for its abundant availability for use in town government. The Town is indeed fortunate in this regard.

It is also appropriate for the Chairman to thank the members of the Warrant Committee for their efforts in this extremely difficult year. The members of the Committee have supported the Chairman and participated in Committee work with a total commitment of time, energy and talent. This extraordinary amount of work was done with a sense of zeal and willingness to cope with this extraordinary problem to a degree rarely experienced by the Chairman in any other endeavor in his life. The Chairman personally is indebted to each of the Committee members as well as their respective families for happily bearing extraordinary intrusions of Committee work on family life.

Special mention must be made of the extraordinary efforts of Harriett O. Nelson, Clerk of the Warrant Committee. Her ability to abide with great good cheer and patience the idiosyncracies of members of the Committee, and especially its Chairman, contributes greatly to the ability of the Warrant Committee to accomplish its tasks.

The Committee would also like to express its sense of loss at the passing of Robert W. Corson, a Warrant Committee member who gave so much of his time, talent and experience to the people of Milton.

31 January 1981

ADJOURNED TOWN MEETING – May 18, 1981

Since the date of the Town Meeting in March of 1981, the Board of Assessors of the Town of Milton have certified to the Warrant Committee that the revaluation process will produce, when completed, a certifiable fair cash value of the Town of Milton in an amount of not less than \$622,000,000. At the outset it should be understood that the final actual certified fair cash value must await additional computer input, evaluation by the Board of Assessors, the contemplated hearing process and the input by the Commonwealth of Massachusetts Department of Revenue. It is anticipated that this procedure will be accomplished in the Fall of 1981. The Warrant Committee has concluded that the Fiscal Year of 1982 budget should be computed based upon the above-mentioned \$622,000,000 value. This new valuation figure results in an increase in funds available for appropriation in excess of that available in the Warrant Committee recommendations as set out in the Warrant for March meeting in an amount of \$2,950,000 less the estimated \$950,000 in the loss of the personal property (excise) tax. There have been other adjustments in local aid and State and County assessments which result in the total amount available for expenditure of \$17,727,000. Out of this, the sum of \$15,122,000 is estimated to be raised from the tax levy. Based upon a minimum fair cash value of the Town in the amount of \$622,000,000., the estimated tax rate for Fiscal Year 1982 will be approximately \$25 per thousand which is consistent with the mandates of "Proposition 2½". The actual amount of course, will depend upon the total amount certified upon the completion of the revaluation process, the amount of State aid and State and County assessments, and other items. Of course, the actual tax bill on each parcel of real estate in Milton will depend upon the value set on each parcel by the Board of Assessors.

As a result of the increase in fair cash value in the Town and its positive affect under Proposition 2½, the Warrant Committee conferred extensively with the Board of Selectmen, School Committee, Library Trustees and the other boards and departments in the Town to arrive at an equitable method of making Warrant Committee recommendations consistent with the increased amount of funds available under Proposition 2½. In addition, certain items previously estimated have become known, such as the recommendations for increase in the non-union employees of the Town (reflected in Article 15) in the amount of seven (7%) percent. The result of this extensive review by the Warrant Committee with the active participation by the major boards in the Town is a change in certain Warrant Committee recommendations as set out in this supplemental recommendation pamphlet. The Warrant Committee, Board of Selectmen and School Committee have set priorities consistent with what they perceive to be the wishes of the Town's citizens. In general, priority was placed in restoration of personnel in the fire, police and school departments, maintaining the quality and service of the branch libraries, certain park department requests, the completion of the revaluation process by the Board of Assessors, and others. The need for reduction in Town personnel has been greatly alleviated.

Other major changes which should be brought to the attention of the Town Meeting members are: (1) the change in the Warrant Committee recommendation with regard to Collection of Garbage and Refuse (Article 20); (2) the change in the Warrant Committee recommendation with regard to unemployment compensation (Article 13); (3) the change in the Warrant Committee recommendation with regard to sewer use charge (Article 38). The Warrant Committee now recommends that the Town continue to fund weekly rubbish collection. The Warrant Committee now recommends the sum of \$150,000. to be appropriated for Article 13 for possible unemployment compensation. The Warrant Committee now recommends that a study committee be appointed with regard to the proposed sewer use charge.

Again, the Chairman would like to take this opportunity to thank all of the employees, appointed and elected officials of the Town for their unending cooperation in this extraordinary effort, and acknowledge especially the contribution of the Executive Secretary. Once again, the Chairman expresses his personal gratitude to all the members of the Warrant Committee for what has become double duty this year.

REPORT OF THE WARRANT COMMITTEE

The changes in the recommendation of the Warrant Committee follow. Where a specific article or line item is not mentioned that is intended to mean that the Warrant Committee recommendation as it appears in the original Warrant has not changed.

9 May 1981

REPORT OF THE PERMANENT INSURANCE ADVISORY COMMITTEE

In accordance with the provisions of Article 45 of the Town Meeting in 1958, the Permanent Insurance Committee appointed by the Moderator hereby respectfully submits its annual report.

During the past year the Committee completed an in-depth study of self insurance and Workers' Compensation. This was a follow-up to a study done two years ago and the result is that we do not recommend that self insurance be considered.

A great deal of time and effort was expended working with representatives of Blue Cross-Blue Shield and C.M.S., Inc. (Claims Monitoring Services, Inc.) to study the feasibility of changing from the guarantee plan with Blue Cross-Blue Shield to a self insurance plan administered by Blue Cross-Blue Shield and monitored by C.M.S., Inc. After many meetings both figures were presented to the Executive Secretary of the Board of Selectmen of the Town of Milton. Neither a pro nor con stand was taken by the Committee since they felt the change to self insurance would not likely be detrimental; but that the savings offered were only minimal. It is my understanding that the Selectmen voted to continue the regular health insurance plan.

These were the most serious matters considered; but there were many conversations and telephone calls over more routine matters.

Respectfully submitted,

J. Barry Driscoll, Chairman
Stephen J. Mattaliano, Jr.
Michael B. O'Toole

REPORT OF THE MILTON HOUSING AUTHORITY

The Milton Housing Authority, as of this date, has two tenants in a two-family dwelling purchased in 1980, and is seeking another existing two-family to be purchased from this grant. In addition, a dwelling has been purchased to be used as a community residence for the handicapped under a #689 grant of \$160,000.00, with rehabilitation about to begin in accordance with building requirements for the needs of its future occupants and Milton building restrictions. The Milton Housing Authority has been allotted twenty units of Section #8 (rental assistance) Mobility Program in agreement with E.O.C.D. which will be available shortly. The Milton Housing Authority continues to seek acquisition of a site for new construction of 40 elderly and 8 family housing units under 667-1/705-2 grant of \$2,280,000.00.

The Housing Authority office is presently open on a part-time basis with a new executive director in the Town Office Building on Tuesday, from 9 a.m. to 1 p.m.

REPORT OF THE MILTON HISTORICAL COMMISSION

Concurrently with most Massachusetts towns, Milton formed its historical commission by vote of Town Meeting in 1973 to carry out provisions of the Commonwealth's statute. Under supervision of the Mass. Historical Commission, the Milton Commission's duties are: (1) to inventory, survey and document the town's historic buildings, structures and monuments; (2) subsequently to assist in their preservation; (3) to publicize and bring to public awareness facets and aspects of the town's history. As the program has evolved, the commission sees its further responsibility to group inventoried properties by historic areas, and carry out procedures required to obtain official recognition of such areas at State and Federal levels, particularly by listing on the National Register of Historic Places.

On December 30, 1980, the Commission filed with the Mass. Historical Commission individual survey reports on 17 historic dwellings to bring to a total of 90 such reports filed since the Commission launched its inventory in October, 1977. On January 12, James Bradley, State Director, acknowledged receipt and approval of all reports. These 90 reports represent a comprehensive inventory of extant Milton properties built prior to 1830, or, within 150 years of the present.

To complete the inventory the State Commission requires a selective sampling of architectural styles occurring from 1830 to within 50 years of the present. These could include Greek Revival, Queen Anne and Victorian styles, Emerson and Richardson models, and contemporary types to 1930.

The State Commission has subcontracted the Metropolitan Area Planning Commission to assist communities with well-advanced inventories to complete them. Assistance of the MAPC can be obtained, however, only by matching Town appropriation, indicating the Commission's continuing need for funding.

In May, 1981, Richard Shea, MAPC assistant director, visited Milton, and in company with Joseph Burley and William Loughran, surveyed the proposed historic areas and their encompassed properties. After consultation with the Mass. Historical Commission, Mr. Shea reported that consideration of the proposed historic areas for national consideration was contingent upon further amplification of the Milton inventory.

Thus a continuation of effort to obtain national recognition of historic areas to be designated Milton Hill, Wadsworth Hill, Brush Hill, and Scott's Woods rest on completion of the Milton inventory.

In January 1981, the Commission installed in the Milton Room of the Central Library photostatic copies of the 90 survey reports on file with the State Commission. Letters were sent to all Milton colleges, private and public schools, advising the existence of the Library's file, and recommending its use by students as an aid to research projects on Milton history. The file, containing a substantial mass of newly uncovered material, should be an invaluable adjunct to such researches. Access to the file may be obtained through the Reference Librarian. Key members of the Town Government were informed of the existence of the file.

The enlarged version (30' x 30") of Dr. Albert K. Teele's Map of Milton, constructed in 1885, and plotting all domestic, public and commercial structures standing in that year, and showing their contemporary and antecedent owners, continues to be available at the "Squirrel's Nest", 11 High St., proprietress, Constance Jones.

William J. Loughran, Commission Researcher, has developed a taped lecture, supported by color slides, describing 20 of the survey's interesting and significant historic properties. Showings are available at a nominal fee to schools and social organizations.

In its 1980 report the Commission stressed that "its work is an ongoing program. To meet its objectives continuing funds are needed for expenses involved in documenting additional historic properties . . . and taking measures to promote public awareness of the historical significance of the Town."

The Commission will be severely incapacitated in realization of its objectives by action of the Warrant Committee in reducing its 1982 appropriation to '0', on the grounds, (1) that it was rendering a non-essential service; (2) that private initiative and funding should finance the desired objectives. Relative to the first allegation, we would point out that the same criticism might be levelled at all historic research, including Gibbon's Decline and Fall and Churchill's History of the English Speaking Peoples. With respect to the second contention — that the objectives should be privately supported — we point out that it is precisely because they were *not* that the Federal Government raised the protection of the nation's historic assets to Cabinet administration. The present program reports to the Secretary of the Interior.

In Milton's 319 years of incorporation her major historical work, "Teele's History of Milton", 1887, appears to have been publicly funded. The meagre handful of privately funded publications, all in some degree based on Teele, include Colonel Edward Pierce Hamilton's condensed History, published 1957, The Storey of the Suffolk Resolves, Charles Morris, 1973, A Milton History for Children, Ottilie Ketchum, 1977, and booklets by Arthur S. Pier, 1930, and Mrs. James B. Ayer, 1940.

The Federal Preservation Act was enacted to stimulate the States and their communities to utilize public funds to fill in gaps in their respective heritages. Milton townspeople must decide whether, with an established Commission and statutory regulations, they value the historic qualities of their Town enough to provide modest funding to document, preserve and illuminate them. The Commission is dealing with intangible values which can be fully as important as tangible.

Respectfully submitted,

Joseph C. Burley, Chairman
William J. Loughran, Researcher
Eileen Chamberlain, Secretary

ANNUAL REPORT OF THE DATA PROCESSING STUDY COMMITTEE

The Data Processing Study Committee has been relatively inactive during the past year. The only request from any town department came from the Police Department asking that we evaluate the TRS-80 microcomputer for some of their processing. The committee was eager to become involved in such a review and prepared a report summarizing our findings.

Aside from this peripheral involvement, the only other activities performed by the committee were occasional informal reviews of the Water Billing System currently in operation through the Norfolk County computer center.

Respectfully submitted,

Francis F. Brooks
John T. Lucey
John R. Mitiguy
Robert J. Sheffield

REPORT OF THE THATCHER BUILDING STUDY COMMITTEE MINORITY REPORT

I oppose the recommendation of the majority members of the Thatcher Building as I am convinced that the final disposition of this architectural structure warrants further research. My interpretation of the investigation's findings together with the concern voiced by certain private citizens and interested firms in the area have led me to conclude that the leveling of this edifice would not be to the Town's optimal future benefit.

My primary reason for serving on this committee was my belief that the taxpaying citizenry would be more amenable to a revenue producing alternative rather than accept an immediate "solution" calling for the building's demolition. The taxpayer in 1981 is entitled to at least be presented with some viable options for disposition of this Article and it is with that intent that I respectfully request that a decision on this matter be deferred until March 13, 1982 pending the determination and delineation of alternative uses of the Thatcher Building from a more in-depth analysis by a committee appointed by the moderator for that purpose.

Respectfully submitted,

James K. Lynch

THATCHER BUILDING STUDY COMMITTEE REPORT

On March 14, 1981 the Town Meeting voted to appoint a five member committee pursuant to Article 35 of the Warrant to determine whether the Thatcher Building should be demolished or not.

The committee, pursuant to the vote on March 14, 1981 was to report back to the Town Meeting on May 18, 1981.

On March 31, 1981 a committee of five persons was appointed by the moderator. They were: Donald P. Collins, 52 Reservation Road, Milton, who was requested to call the committee together for organization, and is its Chairman. The remaining four members were Richard B. DeWolfe, 33 Russell Street, Milton; John F. O'Malley, 57 Magnolia Road, Milton; Howard R. Palmer, 1117 Brook Road, Milton; and James K. Lynch, 125 Reedsdale Road, Milton.

Mr. Collins forthwith called the committee to organization and said committee convened and met weekly, doing its business since that time until the Town Meeting met again on May 18, 1981. Mr. Collins made the committee report to that meeting.

During its weekly meetings, the committee reviewed all the evidence available from the Town records and reports of the past concerning, the Thatcher Building. It visited the building to view the premises and its physical condition, with the Executive Secretary to the Selectmen, John Cronin. It interviewed citizens regarding their interests and comments respecting the building. It heard and interviewed people from the neighborhood surrounding the Thatcher Building premises. It requested all citizens and private parties to make their interests known regarding any concerns they may have about the building.

Upon all the facts and the evidence heard regarding the premises, the committee, with the exception of one, concluded that the building should be razed and the land retained for future Municipal uses.

The committee voted as follows:

For Demolition

Donald P. Collins
Richard B. DeWolfe
John F. O'Malley
Howard R. Palmer

Against Demolition

James K. Lynch

The majority of the committee is of the understanding that Mr. Lynch will file a minority report with his recommendations.

Basis for the Majority Recommendation

Based upon the following facts and evidence we have received, we set forth our reasons for the recommendation.

The building has a badly deteriorated roof. It has two deteriorated sets of stairs leading from the emergency exits. It has deteriorated fascia boards and gutters, broken windows and some siding removed from the building.

The basement of the building has a deteriorated plaster ceiling and the ceiling is missing in the area over the boiler and in other areas.

The basement further has obsolete and frayed electric cords supporting light fixtures and there are access panels in the ceiling and walls loose or missing creating flues.

On the first floor, the smoke door is removed from its hinges. The fire retardant ceiling tiles are missing or broken as well as broken panic bar on the emergency exits.

The entire building has peeling paint. The building is absent of fire suppression equipment and signs for exits and exitways. It has no emergency lights.

In addition, the pipes in the building are covered with asbestos and create a safety hazard to public environment.

On April 30, 1980, the Fire Chief reported to the Selectmen that the Thatcher Building did not receive the Fire Department's "stamp of approval." He reported that "under no circumstances should this facility be used for a function that more than 25 people will be in attendance." He said, "The wooden means of egress on each end are structurally unsafe, no fire extinguishers, no emergency lighting and the potential of a fast spreading fire is prodigious."

The Fire Chief said, "it is my opinion that this building represents a real threat to the safety of the firefighters in the event of a serious accident."

In his report, the Fire Chief also noted that there were no special closets provided for cleaning supplies, that minor violations of wiring code were noted, that there was misuse of extension cords and unsupported wireways and that there were no standby batteries in the fire alarm system. The report concluded that the structure was in poor repair and a potential fire hazard.

This committee held meetings weekly since its creation. During these meetings, residents of the neighborhood surrounding the Thatcher Building expressed the same concerns with regard to a fire at the building. The abutters and residents are concerned with the vandalism. They expressed to us that the vandals will burn the building if it is not removed. They were also concerned about a fire spreading to their residences as well as causing damage to the surrounding property.

Our interviews with the people clearly expressed a consensus of opinion from the neighborhood that the building should be razed and the land retained.

On July 2, 1980, John O'Donnell, Risk Control Representative for the Commercial Union Assurance Companies mailed a letter to the Town of Milton with a copy to Fairfield & Ellis, the Town's insurance agents. He reported that on June 25, 1980, he visited the property and made an inspection of the equipment insured under the policy. He inspected the boiler and reported that "the cracked rear section of this boiler" must be repaired or replaced. He further reported that "These recommendations cover specific conditions which, if not remedied, can result in serious or frequent loss."

On January 8, 1981, John A. Cronin, Executive Secretary sent a letter to the Planning Board and all of its members regarding "*Vacated Public Buildings.*" He also sent a copy of this letter to all the Public Officials of the Town. In this letter, he stated that "The Thatcher Building is now vacant. Town Meeting last year turned down the Selectmen's Article to sell this building and two acre parcel of land on which is is located . . . Subsequently, the Town has been denied Boiler Insurance and full Fire Insurance on this now vacant building."

On January 22, 1981 the Chairwoman of the Planning Board returned a letter to Mr. Cronin. In it she said, "We have discussed the parcels of land in your letter of January 8, 1981 and the Planning Board's recommendations are as follows:

The Town should retain the property on which the Thatcher Building stands because it is geographically located in the heart of the municipal area for municipal facilities. Because of the safety reasons, the building should be razed."

It is also important to note that last year the Board of Selectmen requested two expert opinions regarding the highest and best use, and the market value of the property upon which the Thatcher Building is located. Two expert real estate firms rendered opinions. They were the DeWolfe Company, Inc. Realtors, 17 Canton Avenue, Milton and Meredith & Grew, Inc., 125 High Street, Boston.

On May 15, 1980 the DeWolfe Company reported. In its report the Company said: "The highest and best use, in this instance, is that use determined to be the most economically beneficial to the Town. The Thatcher Building contains 8,570 square feet of above grade area on two floors and a basement. We assume the basement will remain unfinished. The Town can expect rehabilitation of this building to cost a minimum of \$20 per square foot or over \$170,000., if renovated for the purpose of commercial leasing. The cost to rehabilitate the building for apartments or other residences will probably cost between \$40 and \$50 per square foot or double commercial renovation costs. Optimistically, the space would rent for not more than \$4. per square foot, producing revenue to the Town of no more than \$35,000 per year. It would take the Town over 10 years to realize a return on this type of investment and even longer if the building were used for residences. In our opinion rehabilitating and leasing the Thatcher Building is not economically prudent. For the reasons stated above, the marketability of the Thatcher Building for Commercial or residential development is very poor."

On May 29, 1980, Meredith & Grew, Incorporated reported. That Corporation said: "Consideration is given to the rehabilitation of subject building for a multi-residential, commercial or institutional use. It is apparent to the appraiser that a reuse of the building is not economically feasible and any such use would require at least a special permit, and perhaps rezoning. A suggested reuse would be supposition by the appraiser . . . a sub-division of the land will result in a higher value . . . and of course, would require demolition of the existing structure . . . The valuation permise necessitates demolition of the existing structure and the filling of the cellar hole . . . "

Again, last year, we must remember, that the Town Meeting voted down an Article authorizing the sale of the property.

On September 26, 1980 John A. Cronin received another letter from John D. MacVarish, Town Insurance Agent, from Fairfield & Ellis, Inc. Mr. MacVarish attached a letter he received from the Hartford Insurance Company regarding Fire Insurance on the Thatcher Building. We set forth that letter in this report. It reads as follows:

"This letter will confirm our telephone conversation on the above risk. The Thatcher Building listed on your statement of value as location number two will be included on the package policy as a separate item. The building and contents will be written on an ACV basis and the replacement cost coverage will not apply to this location.

In reviewing our inspection reports, we had no alternative but to take the above action. Three years ago, 1977, this building was listed as being in fair condition and in need of repairs. This year's report painted a much dimmer picture. The building is in total disrepair. The housekeeping and maintenance were noted as poor. There are many holes in the walls and plaster is falling from the ceiling. This building poses a definite problem with respect to water damage and vandalism problems. We inspected this building in 1977 and previous fire damage had gone unrepaired. It was noted in our 1980 report that none of the recommendations listed on our 1977 report had been taken care of.

This appears to be an area where young people congregate to drink, damage Town property and disturb the neighbors. This information was acquired by some of the neighbors by our Loss Control Representatives.

In my opinion, this building is a classic example of a "fire trap." This building should either receive immediate attention or be deleted from the schedule.

Please understand we do not enjoy reporting these conditions, but under the circumstances, we must inform you of our attitude on this building and hope corrective action will be taken. We know you will understand our position and hope you will agree with our solution in dealing with the situation. We would be most interested in knowing the results and action taken regarding this location.

Please feel free to call with any questions.

Regards,

Joe Flynn
Commercial Property
Underwriting Department
Hartford Insurance Company"

The vandalism aspect of the above letter was reiterated by the citizens in the neighborhood that appeared before our committee. They were also disturbed about noise and other activities of the young people who hang and loiter around the building. These people allegedly leave trash, cans, bottles and other debris in the area, increasing the additional risk of fire hazards.

Our interviews with the neighborhood citizens made it clear to the committee that any attempt to re-zone the area for business will invoke strong and vocal opposition from them. The neighborhood is strongly opposed to the re-zoning for business use or any other use except residential.

In any event, even if the area were allowed to be zoned as business — the building would not be adaptable as shown by the above mentioned appraisals. The committee also learned this from our interviews with other prominent citizens. Any attempt to renovate the building would cost the Town or any private person between \$150,000 to \$200,000. This is before any return on an investment.

It would appear to us, and from testimony of citizens before the committee, that no private investment would take such a risk, let alone tie their money up in anything as speculative as such a venture might be.

REPORT OF THE THATCHER BUILDING STUDY COMMITTEE

It is not feasible for the Town to repair this building at such great cost to the taxpayers. The Town already has enough of a financial burden. The Taxpayers Association appears to be in agreement with this conclusion, and it would be pure speculation for the Town to venture on such a burden.

The Town Meeting has already said the Town will not sell. The neighbors are against the sale and a re-zoning of the area for private use. Even if this could be accomplished, legal battles would ensue over re-zoning to business. There is a strong probability of success that the attempt would be declared spot zoning and illegal to begin with.

The only positive aspect to the Town is retaining the land which is residentially zoned. The land is appreciating in value each year and the Town will benefit in the future from this appreciation.

It seems to be an untenuous situation of the Town to carry the expenses of repair and insurance on this building. The Town could not even get the value of the building, if it were destroyed by fire today.

In addition, the Town each day faces the possibility of liability for injury caused to anyone getting hurt on the premises. With the letter from the insurance companies and the now abolished sovereign immunity doctrine, the Town is exposed to serious money damages for personal injury. No matter which way the committee looks at the situation, the facts and the evidence dictate no other alternative but to raze the building.

One additional comment must be made. That is the cost of demolition recommended in the Warrant of this year's Town Meeting.

Members of the committee have met with the Selectmen and received approval to dispose of the demolition materials into the Town Landfill area. This factor is expected to save the Town considerable money, based upon the handling and disposing and transportation of the materials. Mr. O'Malley of our committee has obtained a probable figure on this basis, and we recommend that the Town appropriate not more than \$10,000 dollars for the demolition.

In conclusion, the committee would like to express our deep appreciation to all the Town Officials and citizens who gave so freely of their time and knowledge, to aid us in our recommendations.

Respectfully submitted,

Donald P. Collins, Precinct 6
Chairman
Richard B. DeWolfe, Precinct 3

Howard R. Palmer, Precinct 8

ANNUAL REPORT OF THE QUINOBIN REGIONAL VOCATIONAL-TECHNICAL SCHOOL DISTRICT FOR THE SCHOOL YEAR ENDING 6/30/81

Quinobin School Committee

Town	Member	Term Expires
Dedham	Arthur C. King, Jr.	1982
	Paula A. Mealy	1983
Milton	Kevin C. Donahue (Chairperson)	1982
	Harry E. Carlson	1983
Natick	Joseph M. Connolly	1982
	David E. Marr	1983
Wellesley	Robert L. DiSchino	1982
	Samuel P. Strickland (Vice-Chairperson)	1983

The Quinobin Regional Vocational-Technical School opened its facilities for the third year of operation on September 3, 1980, and as of the October 1 census, enrollment stood at 340.

During the school year a new five-year lease for facilities was negotiated with the Massachusetts State College System, covering the period September 1980 through August 31, 1985. One of the options of this lease allows Quinobin to proceed with the remodeling of existing buildings and the construction of two new modern facilities to house programs; all at no additional cost to our member towns.

A survey of eight and ninth grade students' parents throughout the District was initiated by Quinobin. The results of the survey indicated strong support for the school and its programs. Copies of the results of this survey may be obtained by calling the Quinobin school office at 235-7408.

The culmination of three years of hard work occurred in June, 1981, when Quinobin saw ninety-nine (99) of its students graduate throughout the four towns, receiving not only a high school diploma, but also a vocational certificate. During the next year Quinobin will be following the progress of these graduates who are now entering the world of work. This research will be used to further improve and perfect Quinobin's programs for future students.

Again, as in previous years, we wish to thank our area legislators who have supported us.

Dedham:	Senator Arthur J. Lewis
	Representative Deborah R. Cochran
Milton:	Senator Joseph B. Walsh
	Representative M. Joseph Manning
Natick:	Senator Edward L. Burke
	Representative Louis R. Nickinello
Wellesley:	Senator David H. Locke
	Representative Royall H. Switzler

REPORT OF MILTON RECYCLING COMMISSION

As voted under Article 42 of the 1980 Annual Town Meeting and established under the provisions of General Laws Chapter 40, Section 8H, the Milton Recycling Commission reports the following activities:

The recycling area located at the Town Disposal Area provided, at various times during the year, containers for paper, glass, aluminum and tin cans.

The paper van has been discontinued because of vandalism to the container, which was located in an isolated area at the Disposal Area. Another approach to this recyclable item will have to be investigated for implementation.

Provisions for recycling glass, aluminum and tin cans continued.

In 1982, plans are being finalized for a used oil container to allow Milton residents to properly dispose their waste oil products.

The Commission has utilized newspaper articles and notices, flyers in the mail, to alert Town residents of the recycling area.

Private paper collection by churches, scouts, and other groups is encouraged as the end product results in monies to the agencies and saving of space at the Sanitary Landfill.

The Pepsi-Cola Company, located on Randolph Avenue, Milton, has a machine called an "Aluminum Alligator". You place an aluminum can in the machine, the can is crushed, and returns 1¢ to the donor. Take your aluminum cans and youngsters to see it work. It will reject tin cans. The machine presently is located next to the office.

Leaf composting has increased during the past year. More people are bagging and bringing the leaves to the compost pile, located at the Sanitary Landfill.

Respectfully submitted,

Lawrence W. DeCelle, Jr., Chairman
Natalie Q. Albers

James R. Jones
MILTON RECYCLING COMMISSION

DEPARTMENT REPORTS

REPORT OF THE BOARD OF SELECTMEN

The Board of Selectmen was organized following the election on March 7, 1981 with Walter F. Timilty as Chairman, John P. Linehan as Secretary and James D. Colt as the third member of the Board.

Mr. Colt who served as Chairman of the Board during the earlier portion of the fiscal year expressed his deep appreciation to the other members of the Board and the staff for their assistance and cooperation during this trying period in municipal government.

GOVERNMENT BY REFERENDUM

The phenomenon of voter imposed tax limitations, which began in 1978 in California with Proposition 13, visited Massachusetts on November 4, 1980.

At this state election, voters in Milton favored question 2, 9532 yes - 5801 no, joining a statewide landslide of 1,438,768 yes and 998,839 no. Thus the voters of Massachusetts adopted a stringent local property tax limitation law popularly known as Proposition 2½. Formally it became Chapter 580 of the Acts of 1980.

TAX CAPS

The Town has lived with the stringent requirements of 4% Tax Caps in FY 1979 and 1980. With the exception of an override in the second year, to handle energy costs, the Town complied.

To do so many budgets were cut and a number of positions were eliminated.

But these difficult years were mere warmups for the challenge of living within Proposition 2½.

PROPOSITION 2½

The effect of Proposition 2½ as adopted by the voters of Massachusetts on November 4, 1980 is to reduce our estimated 1982 tax levy to \$15,550,000 from the prior year's levy of \$16,505,464. This is a reduction of 6%.

Proposition 2½ will save Milton property tax payers a total of \$955,000 in FY 1982. Milton's motor vehicle excise tax payers will save an additional amount of \$946,000 under Proposition 2½.

Deep cuts in the budgets of the Town were required to comply with Proposition 2½'s mandate. Even deeper cuts would have been required if the Board of Assessors estimate for the January 1, 1981 valuation was not \$622,000,000 instead of the state's equalized valuation of \$504,000,000. Additionally the Town expects to receive a net increase from the Cherry Sheet of \$660,000 to offset a part of the reduction which otherwise would have been required.

For FY 1983 the Town will be capped at this year's tax levy plus 2½%. Therefore, the Town of Milton will only be able to increase expenditures by about \$400,000. This will probably be eaten up by the Energy Bond Issue principal payments, higher interest rates on the Treasurer's short term bonds, higher group insurance costs, higher energy, material and contractual costs for all departments. It is doubtful that adequate funds will be available for employee wage adjustments or benefits changes without further cuts in services. In fact, additional layoffs may be required to maintain essential service.

Proposition 2½ as accepted by the voters on November 4, 1980 did not include any provision for inflation, higher interest rates or the cost of living indices. Everything therefore under this law is fixed to 1981. The only adjustment allowed is a 2½% ceiling

on the growth of the tax levy. The law even prevents the Town from using the higher valuation resulting from new construction or the higher property valuation due to inflation, even on resale. This time freeze will result in difficulties during the coming year. Remedial legislation is pending before the General Court.

COOPERATION

The success of the 1981 Annual Town Meeting held March 14 and May 18 and 19, 1981 was due in large measure to the excellent cooperation between the Warrant Committee, Board of Assessors, School Committee, the elected Boards and Officials and the department heads. The preparation of the FY 1982 budget was a difficult process and was accomplished with minimum turmoil in Milton because of this cooperation. The thanks of the Board of Selectmen is extended to all who assisted in this effort.

AIRPLANE NOISE

The Town is still having a problem with noise caused by airplanes traveling over Milton as they approach Logan Runways 4L and 4R for a landing. Numerous citizen complaints have been received by the Selectmen, especially during the summer months.

Our Town's representative on the Massport Community Advisory Committee is Harold Brown of 46 Dean Road. He has faithfully attended the monthly meetings and has been named to the important Preferential Runway Committee. It is his goal to obtain reductions in runway 4R usage by the equitable distribution of the arrival traffic between all of the runways. He has also vigorously opposed a proposed change to Runway 27 departure procedures which could adversely effect Milton.

The Town is indebted to Harold Brown for his work on this assignment and the Selectmen will continue to support his efforts.

SAVE OUR TROLLEY

An outstanding example of successful citizen participation in protesting a governmental action occurred this year.

Proposition 2½ applied a growth cap of 4% on the MBTA. Chairman Barry Locke proposed a series of transit service cutbacks, including the closing of the Mattapan-Ashmont High Speed Trolley to live within the budget cap.

Milton and Mattapan residents who rely on this Red-line extension joined together in protest. Mass meetings, petitions, letter writing and telephone campaigns were organized within days. We appointed a committee consisting of William M. Green, Chairman and members Michael P. Bamberg, Richard G. Gundersen, Winnifred M. Gundersen, Patricia E. MacNaught, and Susan Hoffman.

This citizen-led effort to "Save Our Trolley" was assisted not only by the Board of Selectmen but also by Representative M. Joseph Manning and Senator Joseph B. Walsh. Late in February, Governor Edward J. King announced that the Trolley line would remain in service.

A contract was awarded later in the spring to rebuild the entire 2.5 mile trolley line roadbed with concrete ties and new rails.

LAND USE

In spite of high mortgage rates and a weak economy, Milton has had a high level of development both under construction and proposed.

The Quisset Brook condominium project broke ground for the first phase of 22 units. Pine Tree Brook Homes entered the fourth and final stage of construction. The conversion of the Columban Father's Seminary into a private nursing home began. The reconstruction of the Capuchin Friary into 20 condominium units started. All of this activity was in FY 1981.

The March Annual Town Meeting rejected the rezoning of 31 acres of open land on Randolph Avenue between Hillside Street and the Wollaston Golf Course for condominiums. The density of 55 units and the loss of the open character of this property were the principal objections raised.

The proposal of the John M. Corcoran Company to build a four story 90 unit subsidized apartment building on the Carleton Ford property on Bassett Street was the subject of a series of hearings last summer. The Selectmen opposed the project as did the Board of Appeals. However, the Superior Court ruled that a permit had been issued under its interpretation of the time requirement. The Town is appealing that decision to the Appeals Court of the Commonwealth.

CABLE TELEVISION

In October of 1980 we initiated the process of bringing Cable Television to Milton. We have been assisted by our Cable Television Advisory Committee consisting of Gordon Hurd, Chairman and members Joseph Graziani, Jr., Edward M. Lintz, Margaret Recanzone and Charles C. Bartoloni. As required by the regulations of the Massachusetts Cable Television Commission, we advertised both locally and nationally for applications. The Town received 14. The Committee spent many meetings reviewing the applications and developing a set of specifications known as the Issuing Authority Report. We adopted that report with minor changes on May 28, 1981. The original applicants were required to submit amended applications by early summer of 1981. These applications will be under review and will be the subject of Public Hearings in the fall of 1981. We hope to make a selection by December 1981 or January 1982. By the end of 1982 all Milton residents will have access to a much broader range of television selections.

THACHER BUILDING

In March, the Town Meeting voted to establish a study committee to examine the issue of whether or not to raze the Thacher Building. The Moderator appointed Donald Collins as Chairman and members Richard DeWolfe, James Lynch, John O'Malley, and Howard Palmer.

This Committee made its report to the May session of the Annual Town Meeting and recommended that the former school and Town Hall annex be razed and the land retained in public ownership.

CONCLUSION

We wish to thank all Town employees, volunteers, members of Boards, Committees and others who have participated in one way or another during the year as part of our Town Government process. In particular, we extend our appreciation to the Executive Secretary and our staff in the Selectmen's Office for their ceaseless efforts during the year.

Respectfully submitted,

Walter F. Timilty
John P. Linehan
James D. Colt
Board of Selectmen

REPORT OF THE EXECUTIVE SECRETARY

I am pleased to submit my fourteenth Annual Report. Your assignment to assist Department Heads and Committees under the Selectmen's jurisdiction and to provide such assistance and cooperation as may be required by other Departments, Boards and Committees has been carried out. Every effort has been made to assist the Board in exercising its governmental duties and in directing the activities of its departments.

PERSONNEL REDUCTIONS

Proposition 2½ this year forced further cutbacks in the number of fulltime employees under the jurisdiction of the Board of Selectmen.

The Fire Department lost four Firefighters positions. These were the dispatchers. This task will be handled by the police dispatcher when all fire apparatus has responded to a fire alarm. The Police Department staff was reduced by one clerical position and four sworn or uniformed positions including, one Sergeant, one Detective and two Patrolmen. Four School Crossing Guard positions were eliminated. The Selectmen's office lost one principal clerk and the position of Personnel Assistant. The Town Office and Library Buildings Department lost its last full time custodian. The Public Works Department work force was reduced from 55 to 52 jobs including the deletion of one administrative position.

The following tabulation illustrates the staff reductions caused by Proposition 2½ and other economy measures since 1970:

PERMANENT FULL-TIME EMPLOYEES UNDER
SELECTMEN'S JURISDICTION

FISCAL YEAR	1970	1980	1981	1982
Police	57	64	64	59
Fire	71	65	65	61
Accountant & Retirement	4	5	5	4
Selectmen's Clerical	6	5	5	2
Executive Secretary	1	1	1	1
Town Office & Library Buildings	5	3	2	2
Building	2	2	2	2
Plumbing & Gas	1	P.T.	P.T.	P.T.
Wire	5	3	3	3
Youth		2	1	1
Public Works	76	62	55	52
TOTAL	228	212	203	187

COLLECTIVE BARGAINING

The Town negotiated a one year contract for the "W" and "C" classification employees with Local 1395, of the American Federation of State and County and Municipal employees. It provided for a 7% wage increase. There were no changes in fringe benefits or contractual language. "W" and "C" employees include Public Works, Cemetery, Parks laborers, equipment operators and Foremen.

The Fire and Police Unions in Fiscal Year 1981 entered into the second year of a two year contract which was reported last year. The level of wages and benefits was in excess of that which these employees would have been able to negotiate had they a single year contract.

Several grievances were filed by the Police Union which were heard by the American Arbitration Association. All were found in favor of the Town or settled on terms acceptable

to the Town, except one which has been appealed.

The Library employees at years end petitioned the State Labor Relations Board for an election to recognize them as a new collective bargaining unit. They seek affiliation with a regional union known as Hospital, Libraries and Public Employees Union.

For fiscal year 1983 every employee union contract under the Selectmen's jurisdiction will be up for renewal. These total three in number and may be increased to four upon recognition of the Library unit. The School Committee faces a similar situation with the units under its jurisdiction.

With high inflation rates and the constraints imposed by Proposition 2½ on municipal appropriations, the prospects for successfully negotiating contract renewals for FY 1983 are discouraging. Milton has always taken pride in maintaining harmonious employer-employee relationships. This will be difficult under Proposition 2½ next year and in the years to come unless service levels are reduced proportionately.

POPULATION

Milton's population declined from 27,190 in 1970 to 25,860 according to the 1980 Federal Census. This drop of 1330 is 4.9%. However, in this same decade, the number of housing units rose by 497 to 8,555, an increase of 6.2%. Other older suburbs including, Belmont, Dedham, Lexington, Needham, Wellesley and Winchester show a similar pattern of declining population with increased housing units. The average household size in the region showed an almost uniform decline.

TRAFFIC SAFETY

Grants were obtained by the Selectmen for a new automatic traffic counter and a new high voltage sign making machine.

Grant applications are pending for traffic lights or improvements at ten intersections including:

1. Adams Street and Bryant Avenue
2. Boulevard Street, Granite Avenue and Adams Street
3. Bryant Avenue and Boulevard Street
4. Adams Street at Church Street and Mechanic Street
5. Granite Avenue at Pierce Street
6. Reedsdale Road, Brook Road and Central Avenue
7. Adams Street at Brook Road
8. Adams Street at Centre Street and Pleasant Street
9. Adams Street at Eliot Street
10. Canton Avenue and Gile Road

Rep. M. Joseph Manning and Senator Joseph B. Walsh have been helpful to us in developing these Public Safety Grants.

TOWN EXPENDITURES

This pie illustrates how the Town's FY 1982 budget of \$21,415,018 is allocated among departmental services and expense categories. This chart differs from some in that it graphically displays the Town's gross expenditures including the State, County and Metropolitan assessments. Charts illustrating only Town Departments show Town Departments, including schools, at higher percentages.

REPORT OF THE EXECUTIVE SECRETARY

IMPLEMENTATION OF PROPOSITION 2½

Immediately following the November 4, 1980 referendum vote in favor of Proposition 2½, conferences were held with major department heads. Two tasks were required. First, the FY 1980 appropriations had to be reduced by some \$600,000 to offset the loss in Motor Vehicle Excise Taxes that became effective January 1, 1981. Secondly, the budgets for FY 1982, which had largely been prepared, had to be rewritten with cuts of 25% to adjust for the Proposition 2½ rollbacks.

I commend all of the department heads for their cooperation and dedication in dealing with this challenge. The support and understanding by the citizens who serve on the various Town Boards and Committees was outstanding.

The problem of living with Proposition 2½ also resulted in new bonds of cooperation between the School Department and other Town agencies. In particular, I found School Superintendent Frank Guiliano's counsel and cooperation extremely helpful.

There were two additional factors that developed over the next few months which mitigated the impact of Proposition 2½ as we worked towards implementation. These were Valuation and Local Aid changes.

VALUATION

In November of 1980 we calculated that the Town would suffer a FY 1982 first year loss of \$945,158 in Motor Vehicle Excise Tax reductions and \$2,475,820 by the mandated 15% cut in property taxes. Such a loss estimate totaled \$3,420,978 or 25% of what we calculated to be our net controllable appropriations of \$13,974,820.

Initially we worked with the actual 1980 Equalized Valuation for the Town as deter-

mined by the State's Department of Revenue. This was \$446,100,000. Then the Department of Revenue issued adjusted Valuation figures which moved us up to \$504,093,000. Subsequently, the Board of Assessors advised us that they could confidently estimate a total new valuation of \$622,000,000. They cautioned that this figure was the minimum they could support and they advised us that the revaluation process had yet to be completed.

This new figure revised the cut to 13.6% of the expenses over which the Warrant Committee had effective control.

LOCAL AID

The second major factor which helped Milton live with Proposition 2½ was increased Local Aid. Representative M. Joseph Manning, who serves as Assistant Vice Chairman of the House Ways and Means Committee, advised the Town in late April that the Town would be receiving at least \$600,000 in new Local Aid. Based upon his estimates, the Warrant Committee made further revisions in their recommendations. The actual Local Aid voted by the Legislature for Milton was \$700,000, but was offset by Assessment increases of \$40,000. These are detailed in the table below:

Fiscal Year	Local Aid	Assessment	Net to Milton
1981	\$2,196,378	\$2,358,430	(-\$162,052)
1982	2,897,230	2,399,081	498,149
Increase	\$ 700,852	\$ 40,651	\$660,201

2½ CUTS

The final effect of the FY 1982 Proposition 2½ required cuts will not be known until the Board of Assessors determine the overlay, estimated receipts, the new total valuation and the tax rate. However, the Milton Town Meeting acted on the budget for FY 1982 using the estimates and assumptions outlined above. The budget Town Meeting appropriated was within guidelines of Proposition 2½ and the new amount for Local Aid will result in a gross reduction of about \$2,200,000 in property taxes and excise taxes for the Milton taxpayers.

OTHER REVENUE SOURCES

All Departments have been instructed to review the fees for all activities under their jurisdiction.

For the first time in our Town, ambulance calls are billed at the rate of \$90 per trip plus \$4.00 per mile, with a \$16 charge if oxygen is used.

The 1981 Town Meeting increased Building, Plumbing and Wiring Inspection Fees to a rate somewhat higher than the average of the median of the comparable communities. Liquor license fees were increased. Several other licenses and fees have been increased. The General Court at years end authorized a number of other increases which are under review. Revenue increases from user fees is one method to allow a continuation of services under Proposition 2½.

MILTON'S SPENDING RATE

The Town of Milton's fiscal year 1981 level of spending was moderate in comparison to the communities which we traditionally have made comparisons. The following tabulation is based upon the 1980 Federal Census and the 1981 Tax Levy.

	Population	FY 1981 Tax Levy	Per Capita Tax
Arlington	48,219	\$21,599	\$655
Belmont	26,100	19,085	731
Braintree	36,337	25,648	706
Brookline	55,062	45,835	832
Dedham	25,298	15,660	619
Lexington	29,479	25,210	855
Needham	27,901	21,128	757
Wellesley	27,209	21,667	796
Weymouth	55,601	29,872	537
Winchester	20,701	16,420	793
Milton	25,860	\$16,505	\$638

The above figures must be studied with the understanding that many of these communities have far more commercial and industrial valuations than Milton. Therefore, non-residential properties share the tax burden with the residential properties.

SPECIAL PENSION FUND

Proposition 2½ also caused the Town to abandon appropriations to its Special Fund for Retirement purposes which was established in 1978 in accordance with the provisions of General Laws, Chapter 40, Section 5D. The purpose of the fund was to offset the anticipated cost for funding contributory retirement systems for non-school Town employees. Last year the Town appropriated \$120,000. The fund now has a balance of \$293,850. The program was to increase the Town's appropriation by \$40,000 per year (approximately 50 cents on the tax rate) until we reached a level of \$480,000 per year at which point the appropriations would level off or decline according to actuarial projections. The alternative which we now face, is a rapid escalation of our basic pension appropriations on a pay-as-you-go basis. The taxpayers who enjoy municipal services today are not paying the true cost as they are not funding the work forces future retirement expenses. Those costs are being deferred to the next generation of Milton Taxpayers. It is unfortunate that the Town of Milton, which was one of a dozen communities to undertake a program of pension funding, was forced by Proposition 2½ to abandon the effort.

MANAGEMENT CHANGES

All Departments made extraordinary efforts to find economies within their operations to allow services to continue with reduced financial resources.

The use of part-time independent contractors for custodial work at the Police Station, Library Buildings and Town Office Building has allowed the elimination of five full-time janitorial jobs over the past five years. These contractors, mostly college students, have done a fine job under the able supervision of Robert McKay, Superintendent of Building and Grounds.

The implementation of a computer in the new Police Department Crime Analysis Unit has enabled the smaller patrol force to be more effective in their patrols. A recently developed technique called "Directed Patrols" utilizes the computer collated statistics to instruct the various sector cars to patrol to deter reoccurrence of those crimes.

The Fire Chief, in cooperation with the Police Chief is developing plans to have the Fire telephones and radios at headquarters handled by the Police dispatchers when the Central Fire Station is vacated by runs of Engine 1 and Ladder 1. Automatic door closing devices are also to be installed. These steps are being taken to compensate for the loss of the four Firefighter/Dispatcher positions in the FY 1982 budget.

Fee increases from Building, Electrical and Plumbing permits will more than double the annual income of these departments.

Federal assistance to the departments through the CETA program and most other areas has been almost totally eliminated. Only the College Student Work Study program and a reduced size Youth Work Experience Program are expected to continue in FY 1982.

To maximize the value to the Town in making purchases, the departments continue to use GSA Federal price lists, the State's cooperative purchasing program, and regional bidding efforts including the Greater Boston Police Council for cruisers and the Southwest Coalition for road salt. Fuel oil, gasoline, tires, construction materials, etc. are centrally purchased for all Town Departments.

With the assistance of the Permanent Insurance Committee, several studies were made this year of options which promised economies in our Group Insurance and General Insurance. However, no material savings were found because of offsetting liabilities.

CONCLUSION

All of the employees and departments have been understanding and cooperative as the Town reorganized to manage within the limits of 2½. I am grateful for their spirit of dedication.

I extend my thanks and appreciation to the Board of Selectmen and the Department Heads, Town employees and officials, the members of the Boards and Commissions and to the citizens of Milton who have assisted me throughout this year. A special note of appreciation is extended to the staff of the Selectmen's Office who have helped to meet all deadlines and commitments of the Board of Selectmen and the Town Meeting.

Respectfully submitted,

John A. Cronin
Executive Secretary

REPORT OF THE TOWN COUNSEL

I submit herewith my report as Town Counsel for the period July 1, 1980 to June 30, 1981.

During the twelve-month period covered by this report, the Town Counsel was able to dispose of several law suits which had been initiated against various Town departments in prior years. Included in this group were the following:

1. The two remaining eminent domain cases which arose out of the Pine Tree Brook land takings for the flood control project were settled subject to favorable town meeting action reconveying the land to the owners subject to flooding easements.
2. Three suits against the Planning Board arising from its action in rescinding its approval of a subdivision plan of land on Atherton Street were dismissed by the court when the subject land was added to adjacent land and a new plan was subsequently approved by the Board.
3. A suit by the Ace Disposal Company for monies withheld by the Board of Health because of unsatisfactory performance was settled on terms favorable to the Town after a three-day trial in the superior court.
4. Three suits against the Board of Appeals brought by abutters to properties on which the Board had granted variances were dismissed after court hearings, and the decision of the Board of Appeals was sustained in each case.
5. The two appeals filed with the Contributory Retirement Appeal Board by employees dissatisfied with decisions of the Milton Retirement Board were heard, and the decision of the Milton board were affirmed by the CRAB. The employees then appealed to the Superior Court where one of the decisions was modified and the second case has not as yet been reached for trial.

While the above cases were being disposed of, others were being filed.

A suit was commenced by the school bus drivers for unemployment compensation for the summer months of 1980. The Town had taken over the operation of the school buses in May and June of 1980 after the contractor had defaulted. The decision of the Division of Employment Security to award the drivers unemployment compensation from the Town has been affirmed by the district court. An appeal has been filed.

Applications for complaints were filed against our police officers on three separate occasions by persons arrested for operating under the influence of alcoholic beverages. As investigations disclosed that on each occasion the conduct of our officers was beyond reproach, I appeared at court with the officers and the application for criminal complaints were denied.

Two rather highly publicized cases were begun during the year.

In February of 1981, Mr. Bancroft Hall filed at the United States District Court a civil rights action in which he is seeking damages in excess of \$300,000 for himself and his daughter. The case arose when Mr. Hall refused to identify himself to our police officers who were investigating a reported breaking and entering incident at a house on Dudley Lane. When Mr. Hall refused to accede to the reasonable requests of the officers and subsequently committed a serious breach of the peace, he was arrested. No date for the trial of this case has been set at this time.

The second case that occasioned wide-spread publicity in the press arose out of the application by the John M. Corcoran Company for a comprehensive permit to build housing for the elderly on the Carlton property in East Milton. The Board of Appeals held several hearings, and on December 15, 1980 adjourned until January 20, 1981 in order to publicly

deliberate the matter as they are required to do by law. At the January meeting the Board inquired if Corcoran would consider reducing the number of units at the project from ninety to sixty. Upon receiving a rather equivocal response from the developer's representative, the matter was further continued for two weeks in order to ascertain the intentions of Corcoran. Early in February, Corcoran filed suit requesting that the court order the Board to issue the permit. The judge ruled that the Board's meeting in December was a "public hearing" but that the January session was only a "public meeting" and that consequently the Board had failed to render its decision within forty days after the "public hearing". We are appealing this ruling to the Appeals Court.

Eighteen petitions for abatement were filed at the Appellate Tax Board by citizens who were dissatisfied with the assessments placed on their properties by the Board of Assessors. Milton Academy filed applications to abate the taxes on thirteen parcels which serve as faculty residences, the Academy disputing the Assessor's determination that the parcels are not contiguous to the main school campus. Milton Residences for the Elderly has filed petitions seeking abatements of the taxes levied on its property for the past five years, and Home, Inc. has filed a petition with the Appellate Tax Board for tax relief. In addition to these cases, I have frequently consulted with the Board of Assessors during the year on questions attending the revaluation project currently being undertaken. I doubt that there are many people in the Town who are aware of the long hours devoted by the Board to the work of the assessment of taxes in Milton.

Three claims against the Town were settled for the total amount of \$3,692.50. I collected eleven claims for damage to Town property in the sum of \$5,611.86.

I am indebted for the courtesy and cooperation extended me by the members and the employees of the various Town departments. There are many competent and dedicated officials and employees working for the well-being of the Town of Milton.

Respectfully submitted,

Robert D. O'Leary
Town Counsel

REPORT OF THE PERSONNEL BOARD

With the enactment of Proposition 2½, the Town's personnel system was carefully reviewed during fiscal year 1981. The Personnel Board recognized that substantial budgetary reductions would take place in all areas, including personnel. The following listing of the departments under the Personnel Bylaw shows a comparison of staffing in fiscal year 1981 and 1982.

Department	F.Y. 1981		F.Y. 1982	
	F.T.	P.T.	F.T.	P.T.
Accounting/Retirement	5	0	4	0
Assessors	4	0	4	1
Building	2	0	1	1
Cemetery	10	1	9	1
Council on Aging	0	0	0	1
Fire	65	1	61	1
Health/Appeals	2	1	3	0
Library	13	12	13	8
Park	4	1	4	1
Plumbing/Gas	0	1	0	1
Police	64	15	60	12
Public Works	58	2	49	1
Selectmen's Office	6	0	3	1
Town Clerk	3	0	3	0
Town Buildings	2	0	2	0
Treasurer/Collector	5	0	3	2
Veteran's Agent	0	1	0	1
Wire	3	0	3	0
Youth	2	0	1	1
TOTAL	248	35	223	33

This tabulation indicates that twenty-five full-time positions were deleted from the Town's personnel system. The Board members acknowledge the outstanding job accomplished by the Warrant Committee and the respective Department Heads in bringing about these reductions in personnel in an equitable manner.

Negotiations with the Town's Labor Union resulted in a one year contract (for fiscal 1982) and included a seven percent wage increase. As usual, these negotiations were handled in a timely manner with the active participation of the Executive Secretary. The Fire and Police Unions began their second year of a two-year agreement, both receiving eight percent salary adjustments for fiscal 1982. The Personnel Board recommended a seven percent wage increase for non-union employees. These salary increases were approved by the adjourned Annual Town Meeting on May 18, 1981.

In September the Police Department employed six new police officers, and the Fire Department added one firefighter position to fill existing vacancies. Three new positions were added to the classification plan during fiscal 1981. Each position was created to assist a particular segment of Town government. The new positions are: Board of Appeals part-time principal clerk, Police Department Crime Analyst, and part-time Council on Aging coordinator.

The reorganization of the Department of Public Works office staff was completed in accordance with the personnel consultant's audit of the D.P.W. The Board members perceive that the consolidation of the two office staffs at the Town Office Building is providing for more effective office procedures.

The 1980 Audit Report, conducted by a private CPA firm, made note of the Town's personnel practices of compensatory time. The Board instituted a record keeping system which has improved the control of this practice.

REPORT OF THE PERSONNEL BOARD

The 1978 Town Meeting approved the position of Personnel Assistant, which was budgeted under the Selectmen's Office. Unfortunately, this position was deleted in fiscal 1982 due to Proposition 2½ reductions. The Personnel Board has been allocated funds to provide for the use of a personnel consulting firm to administer the Town's personnel system. The Board members consider it vitally important that the Town engage professional assistance, on a day to day basis, to insure the successful administration of the Town's personnel system, and therefore we seek to establish a position of Personnel Administrator for fiscal 1983. ~

Retirements during fiscal year 1981 were: Albert Semer, Building Commissioner; Ralph Nickerson, custodian; Betty Myers, Assessors Office; Thomas Magner, firefighter; John Burke, Police; Alice Driscoll, Health; Robert McDonald and Harold Osgood, Cemetery laborers. Harry Scanlan did not seek re-election as Treasurer/Collector. The Town will miss these employees, and we wish them well in their future endeavors. The Town also noted with sadness the untimely death of Ruth Dodd, Administrative Assistant to the Board of Assessors. Miss Dodd provided the Town with over forty-five years of conscientious service. She will be missed by those who had the pleasure of knowing her.

The Board would like to take this opportunity to thank all Department Heads, Boards, Committees and employees for their assistance. Special mention must be made of the efforts of Josephine McAteer, Personnel Board Clerk; Robert D. O'Leary, Town Counsel; and John Cronin, Executive Secretary, for their continued assistance and cooperation.

Respectfully submitted,

James D. Fitzgerald, Chairman
Francis P. McDermott
Manuel S. Lato
John F. Connolly
Richard B. O'Meara

REPORT ON THE SANITARY LANDFILL

Plans have been developed by private concerns to construct a 22 lot residential subdivision on 29 acres of land formerly owned by Camping Associates along the westerly perimeter of the Landfill. The proposed access road to this subdivision would intersect Randolph Avenue approximately 150 feet North of the Highland Street – Randolph Avenue intersection. The roadway system to this proposed development could be extended to provide for an additional 10 acres of residential land development adjacent to the Landfill on land owned by John Hughes. As of this writing a formal application has been presented to the Board of Appeals for the 22 lot subdivision.

Approval of this subdivision would put further restraints on the operation of the Landfill. It would place people and homes very close to the active landfill.

The scope of the monitoring system that was instituted in 1979 and consists of quarterly testing of surface water samples around the landfill perimeter will have to be increased. This system was initiated to detect any buildup of contaminants from potential sources at the Landfill.

As I mentioned in the 1979 Town Report, I suggest that the Town give serious consideration to acquiring the two parcels. The use of all or a part of the subject parcels for landfilling is subject to State approval that will be difficult to obtain. However, any potential use of the Landfill in the future for needed Town facilities will benefit greatly from the additional frontage and area that the parcels afford.

Respectfully submitted,

Paul D. Kanter, P.E.
Town Engineer

REPORT OF THE FENCE VIEWERS

The several complaints received by us during the Fiscal Year of July 1, 1980 through June 30, 1981 were disposed of by the Building Commissioner in a satisfactory manner.

Respectfully submitted,

Teresa Shaughnessy
Nathaniel C. Lord
Fence Viewers

REPORT OF THE PUBLIC WORKS DEPARTMENT

Submitted herewith is the ninth report of the activities of the Department of Public Works established under Chapter 570 of the Acts of 1973.

ENGINEERING

Engineering services were rendered to all departments as requested. All maps, atlases and plans on file have been updated to present conditions.

Chapter 90 Program consisted of reconstruction of Randolph Avenue (Brook Road to Adams Street).

The department issued 15 street numbers and 107 street opening permits.

Master plans for sewer, drainage, water, street and sidewalk programs are continuously being updated and scheduled into fiscal Public Works budgets.

Engineering services rendered to the Milton Planning Board included traverse calculations of all plans submitted, and inspection of all construction completed. Inspections have been heavy with three large developments underway. Another three large developments are presently under review by the Planning Board thus projecting a heavy inspection demand in fiscal 1982 and 1983.

All traffic studies, counts and sketches were done for the Traffic Commission, Board of Appeals and Board of Selectmen as requested.

The Board of Selectmen obtained a Highway Safety Grant that has provided the Department of Public Works with funds to purchase a new automatic traffic counter and a new high voltage sign making machine. These items will be purchased by the department in fiscal year 1982.

Engineering services rendered to the Building Commissioner continue to be very demanding. In addition to many individual dwellings being constructed, the subdivision activity requires constant inspections and reports. Continued Engineering services have been provided to the Conservation Commission to protect the wetland areas located throughout our community.

A separate report of the Town Sanitary Landfill operation is submitted and appears elsewhere in the Town Report. This operation requires constant engineering and inspection services.

HIGHWAY

The 1980-1981 snow season was lighter than normal. Normal snowfall for the Milton area is 52" of snow per winter season. Again, the labors saved by less than normal snowfall were applied to the cleaning of drains, sewers and culverts. These preventive maintenance programs are of far greater value to Milton than snow removal services.

Drainage improvement programs continued with the installation of 2,058 linear feet of various size drains, 5 catch basins and 8 manholes. A Master Plan for drainage to be done is on file in the Engineering Office.

Permanent construction for the fiscal year 1981 included 304 linear feet of curbing and resurfacing of several streets. A list of locations are on file in the Engineering Office.

There were no streets constructed under the Betterment Act.

The engineers have prepared a list of sidewalks constructed, resurfaced or repaired. A list of locations is on file in the Engineering Office.

REPORT OF THE PUBLIC WORKS DEPARTMENT

New equipment purchased during fiscal year 1981 was one 3 cubic yard rubber tire front end loader.

FORESTRY AND SHADE TREE MAINTENANCE

26 Street trees were planted during fiscal year 1981 and 68 street trees were removed for various reasons.

Gypsy Moth infestation was heavier than last year and all indications are that 1982 infestation to the area will be even heavier. Town street trees will be treated. Private trees will have to be treated by private nurseries.

Pruning and lifting of street trees is an ongoing program.

Poison Ivy on public property was sprayed as requested.

WATER OPERATIONS

All the Metropolitan Water District Commission meetings were attended during the year.

4 Service connections were made to supply new buildings, 13 services were laid from sideline of street to buildings, 17 services were laid from main to sideline of street.

1 New hydrant was added to our system. The inspection, repairing, gating and painting of hydrants continue. 9 Additional gates were added to the system. 66 Old hydrants are still ungated but are being gated as soon as possible.

122 Services were relaid. This is a continuing program as services become older and do not provide adequate pressure. 14 Cards for relays are signed up as of this writing.

The water billing program, developed by the Town Computer Study Committee and Norfolk County Registry of Deeds, has a full year's experience and has proven to be very successful. I look forward to working with the Computer Study Committee in order to explore further data processing applications, which may be implemented in the future at the Public Works Department.

The Metropolitan District Water Commission, the sole supplier of water to the Town of Milton and also supplier to 43 other communities in Massachusetts, is promoting a water conservation program. The Town is an active participant in this program and has made several different pieces of water conservation literature available to Town residents by mail and through local merchants.

The water leakage survey originally planned for fiscal year 1981 is now scheduled for fiscal year 1982. Funding applications will be received by the State Department of Environmental Quality Engineering in September 1981 and matching grants are expected to be awarded shortly thereafter.

CENTRAL MAINTENANCE GARAGE

Preventative maintenance and ordinary repairs were provided for all Town vehicles. Only specialty items were sent out for services.

The Central Maintenance Garage received wall insulation through the Energy Conservation Committee. In addition, new insulation and PVC membrane were installed on the roof. Also, energy efficient gas heaters and blowers were installed.

OBJECTIVES

To continue with Water System Improvements.

To continue with Improved Drainage Programs.

REPORT OF THE PUBLIC WORKS DEPARTMENT

To continue with Sewer Study and Improvement Program.

To obtain TOPICS funding and construction.

To continue Stream Clearance Program.

PERSONNEL

The following people retired in fiscal year 1981:

Catherine Manning, Administrative Assistant, retired after 45 years of service. Her dedication and expertise will be missed.

Peter Spoon, Maintenance Craftsman, retired after 31 years of service. He was a very reliable employee and will be difficult to replace.

Frances Yaffee, Principal Clerk, retired after 12 years of service due to health. We wish her well.

Frank Gallagher, Meter Repairman, retired after 18 years of service. He was an excellent craftsman and we wish him good luck in his retirement.

The following people resigned in fiscal year 1981:

John White - 11 years
Richard Casey - 8 years
James Plant - 6½ years
Joseph Martinelli - 6 years
Walter Hickey - 6 years
John O'Donnell - 4 years
John Walsh - 4 years

The above seven people are young people trained by Milton Public Works Department management, who left for private employment. This group of people were trained and were developing skills for future D.P.W. operations. The loss will be noticed when older skilled personnel retire and a number of younger employees are needed to replace the retiring personnel.

The above retirements and resignations did allow the Director of Public Works to reduce his personnel to 52 employees as required by budget restraints.

CONCLUSION

I wish to take this opportunity to express my appreciation to all Public Works employees for their cooperation and assistance in completing another productive year.

I wish to thank the Board of Selectmen, Executive Secretary, and all Town Departments for their cooperation and assistance during fiscal 1981.

Respectfully submitted,

Lawrence W. DeCelle, Jr.
Director of Public Works

REPORT OF THE BOARD OF APPEALS

The Board of Appeals presents the following report for the year 1980.

There were 26 applications received. Of this number, there were:

1 Comprehensive Permit	Denied
20 Variances	18 Granted
	1 Denied
	1 Withdrawn
5 Special Permits	4 Granted
	1 Denied

By letter dated June 5, 1980, the Board received the application of P. Leo Corcoran and John M. Corcoran, Co-General Partners of Milton Commons Associates for a Comprehensive Permit under Mass. General Laws, Chapter 40B to construct low or moderate income housing on the parcel of land formerly occupied by Carleton Ford. The Board conducted 14 public hearings and unanimously denied the application and filed the decision with the Town Clerk on February 27, 1981.

At a meeting held Monday, December 15, 1980, each of the members of the Board of Appeals voted the adoption and immediate effectiveness of the rules and regulations relative to the fee schedule pursuant to the powers granted to the Board of Appeals under the provisions of General Laws, Chapter 40A, Section 12.

Because of the increased level of activity before the Board which resulted in 39 public hearings, we sincerely appreciate the time and valuable contributions Messrs. John C. Storey, Charles M. Donohue and Roger L. Gregg have provided in substituting for members of the Board who were unable to be present at various hearings.

The Board of Appeals would also like to thank all Department Heads, Boards and Committees for their assistance this Fiscal Year.

Respectfully submitted,

Charles F. Barrett, Chairman
Daniel Gans, Jr.
Roderick M. Connelly

REPORT OF THE DOG CONTROL UNIT

The fiscal limitations of Proposition 2½ necessitated the discontinuance of the Dog Control Unit effective December 15, 1980. The balance of the fiscal 1981 budget appropriation for the operation of the pound was withdrawn from the Police Department's budget at the Annual Town Meeting and returned to General Revenue.

The activities and income of the Dog Pound from July 1st until the closing date were as follows:

Number of stray dogs picked up	46
Stray dogs sold	41
Stray dogs put to sleep	4
Pound fees collected	\$ 97.00
County reimbursement	\$1,180.00

Respectfully submitted,

Gerard R. Mattaliano
Dog Officer

ANNUAL REPORT OF THE MILTON CEMETERY

The Board of Trustees of Milton Cemetery respectfully submit the following report for the fiscal year of 1981 (July 1, 1980 through June 30, 1981).

STATISTICAL REPORT

During the year there were 324 interments.

Lots and graves sold:	Size of Lot	Number Sold	Number of Graves
	8 graves	5	40
	6 graves	14	84
	4 graves	31	124
	3 graves	10	30
	2 graves	50	100
	1 grave	7	7

Total number of graves sold: 385

A small area in the new section was laid out as cremation lots for those who desire them. These cremation lots are approximately three feet square and only flush memorials will be allowed. Two interments per lot will be permitted.

Parts of the stone wall have been rebuilt as time permitted. More work still needs to be done. A new flower garden has also been installed just inside the main gate.

A number of trees have been planted throughout the cemetery. Some of these plantings were made possible by donations to our Cemetery Gift Fund. A few dead trees were removed and some pruning was done.

The Gypsy Moth infestation killed a few trees and injured many others. If the infestation continues uncontrolled, the trees in the cemetery, as elsewhere in the town, could be wiped out.

The development work near Gun Hill Street is finished. After the grass has two or three years to become established, the area will be laid out in lots and then landscaped.

Boy Scout Troop 8, from the East Milton Congregational Church, aided us by picking up nine truckloads of branches and twigs after a windstorm in the Spring. The Trustees extend their heartfelt thanks to the leaders and boys. Their assistance came at a most needed time.

Mr. Harold C. Osgood retired after 33 years of faithful service to the cemetery. The Trustees wish him a long and enjoyable retirement.

Our working force has now been reduced to eight men since Mr. Osgood's position was not refilled.

Over the past several years, the working force has been reduced from fourteen to eight men. Meanwhile, the maintained area has increased from sixty-two acres to eighty-five acres. Due to lack of manpower and other budgetary constraints, the overall condition of the cemetery is slowly deteriorating. We sincerely regret that we are unable to maintain the grounds to the same degree that they have been maintained in the past.

Respectfully submitted,

MILTON CEMETERY

Paul F. Dolan, Chairman

J. Joseph Donovan, Secretary

Board of Trustees

REPORT OF THE COUNCIL ON AGING

The Milton Council on Aging submits a report for its first full year serving the elder citizens of the Town – July 1, 1980 to June 30, 1981. Our organizational meeting was held June 9, 1980, and shortly thereafter our by-laws were completed, stating the basic purpose of the Council “to identify the total needs of the Community’s elderly population, to educate all citizens about these needs, and to design, implement or promote services to fill these needs”. Much has been accomplished this year under the Chairmanship of Mrs. Doris D. Davidson. It was with regret Mrs. Davidson’s resignation was accepted in May, but she will continue to serve as an associate member. We wish to acknowledge Mrs. Davidson’s dedication, loyalty and unselfish efforts spent on behalf of the elderly for the past eight years as a member and Chairman of the Elderly Affairs Committee and the Council on Aging.

The Council received Title III funding through South Shore Home Care to cover some of the expenses in setting up an office in space made available by the Selectmen in the basement of the Town Office Building, and a part-time coordinator was appointed to work 20 hours per week (Monday-Friday 9-1) to carry out the work of the Council.

With transportation being one of our top priorities, we submit the following update: “Shoppers Bus” has provided transportation for 51 seniors weekly to the Star Market. This program has been the Community Service Project of the Milton Woman’s Club and will continue in the coming year.

With the assistance of the Milton Knights of Columbus providing volunteer drivers, transportation is provided to an average of seven persons per week to the federally funded Hot Lunch program in Randolph two days a week. With the purchase in March of an eight passenger van to take the place of a leased station wagon, the Council was able to increase the transportation service to a larger number of seniors. Anyone 60 years of age or over, without means of transportation in their household, is eligible. Our goal is to expand transportation services.

The first issue of Milton “Senior Highlights”, a Council on Aging monthly publication, was issued April 1981. It is devoted to helpful information for the elderly and is available at local churches, banks and libraries. The success of this publication has been through the volunteer efforts of Mrs. Anna Oldfield, Editor, Mrs. Betty Myers, and Mrs. Rita Sullivan.

This is the year of the White House Conference on Aging, to be held in Washington, D.C. in December. Mini-conferences were held this Spring to discuss and make recommendations to be considered at the President’s Conference. Members of the Council attended these conferences.

Council members have also attended meetings and training programs of the South Shore Home Care. Milton is one of eleven communities served by the South Shore Home Care and services have been provided to Milton residents as follows: Homemaker services 92, Medical transportation 31, Information and referral by case manager 10, Companion service 1, and Nutrition site, approximately 10 per week.

The Council will continue to concern itself with expanding existing programs and establishing new projects for the elderly. We realize that there are many more needs to be met and we appeal to volunteers of any age to help us meet those needs.

We wish to acknowledge the volunteer efforts of Miss Margaret Hinchey, Mrs. Alice Boehler, and Mrs. Alice Coghlan. They have given unselfishly to the Council. We also wish to extend our appreciation to our coordinators who have worked to fulfill the goals of the

REPORT OF THE BUILDING DEPARTMENT

Council, to the Milton Visiting Nurse Association, the administrative staff of South Shore Home Care and the private funds which made it possible for the Council to provide additional services.

Respectfully submitted,

Marguerite Moynihan, Chairman
Frank Consolati
Mary Hill
Charles Slack

REPORT OF THE BUILDING DEPARTMENT

I herewith submit my report of the Building Department for the fiscal year from July 1, 1980 to June 30, 1981:

	Number of Permits	Permits for New Dwellings	Permits for New Garages	New All Other	Alterations Repairs & Misc.	Valuation	Fees Received
July	68	9	9	2	48	\$ 418,065.00	\$ 1,091.00
August	43	3	1	4	35	\$ 351,575.00	\$ 896.00
Sept.	42	—	2	9	31	\$ 88,409.00	\$ 348.00
October	82	13	14	17	38	\$ 518,992.00	\$ 1,337.00
Nov.	49	—	2	11	36	\$ 351,516.00	\$ 901.00
Dece.	27	—	—	10	17	\$ 121,295.00	\$ 392.00
January	26	3	2	10	11	\$ 394,265.00	\$ 884.00
February	15	1	1	9	5	\$ 74,714.00	\$ 207.00
March	135	40	40	10	45	\$1,216,510.00	\$ 2,598.00
April	93	15	14	5	59	\$1,004,161.00	\$ 2,358.00
May	74	2	1	6	65	\$ 329,593.00	\$ 977.00
June	82	—	—	5	77	\$ 344,930.00	\$ 1,015.00
	736	86	86	97	467	\$5,214,025.00	\$13,364.00

Fees for the above permits amounting to Thirteen Thousand Three Hundred Sixty Four Dollars (\$13,364.00) have been collected and paid to the Town Treasurer.

I wish to extend to the Honorable Board of Selectmen my sincere appreciation for their cooperation. May I also express my appreciation to all Town Officials, Boards and Committees for their assistance.

Respectfully submitted,

Malcolm M. Kent
Building Commissioner

REPORT OF THE FIRE DEPARTMENT

REPORT OF THE FIRE DEPARTMENT

I submit herewith my report of the Fire Department activities for the period July 1, 1980 through June 30, 1981.

ALARMS

The Fire Department responded to 1,831 calls for aid during this period: 687 Box Alarms; 1,105 Still Alarms; 39 Mutual Aid requests.

REPORT OF THE INSPECTOR OF PLUMBING & GAS

	Inspected	Issued
Blasting	4	4
Model Rockets	5	4
Propane Storage - Domestic Use	5	5
Gasoline Storage - Replacement/increase	2	2

Firefighter Thomas J. Magner retired January 9, 1981, Accidental Disability, thirty-one years of faithful service to the Town of Milton.

Proposition 2½ accounted for a major portion of administrative responsibilities in Fiscal Year 1981. The 1974 Chevrolet Station Wagon was replaced with a 1980 Ford Fairmont Sedan reflecting the phasing out of the larger vehicles. All members of the Fire Department were issued the newer non-flammable nomex protective turn out coats.

I should like to publicly thank the Board of Selectmen and Executive Secretary for their steadfast support extended to the Fire Department during the past years. Even though reductions in manpower and expenses were inevitable, the Department as a result of this support still maintains the quality service the citizens of Milton are entitled to. My sincere thanks to the members of the Department and all other municipal employees for their support and cooperation.

Respectfully submitted,

John O'Neill
Fire Chief

REPORT OF THE INSPECTOR OF PLUMBING AND GAS

I herewith submit a summary of the operations of the Plumbing and Gas Department for the fiscal year from July 1, 1980 to June 30, 1981:

Month	No. of Permits	Plumbing	Gas	Fees Received
July	33	14	19	\$126.00
August	52	26	26	195.00
September	74	34	40	383.00
October	109	43	66	461.00
November	32	13	19	117.00
December	25	11	14	104.00
January	43	18	25	124.00
February	49	29	20	165.00
March	25	15	10	98.00
April	33	20	13	138.00
May	35	21	14	117.00
June	36	20	16	129.00
Totals	546	264	282	\$2,157.00

Fees amounting to Two Thousand One Hundred Fifty Seven Dollars (\$2,157.00) were collected and turned over to the Town Treasurer. I wish to thank your Honorable Board and all Town Departments who have assisted me.

Respectfully submitted,

Paul D. Williams
Inspector of Plumbing and Gas

REPORT OF THE BOARD OF HEALTH

The Board of Health is pleased to submit its Annual Report for the period July 1, 1980 through June 30, 1981.

ORGANIZATION

Mary Ellen Maloney, Esq. was elected by the voters for a three year term on March 7, 1981. On April 2, 1981, the Board met and elected Morton Wolf, D.V.M., Chairman, and Virginia A. Gaffey, R.N. as secretary. The Board appointed John S. Coldiron, M.D. as Board of Health Physician; Michael J. Sullivan, R.S. as Agent to the Board; Mary A. Whitney, R.N., Public Health Nurse, and John J. Gutteridge, D.V.M. as Inspector of Animals.

WELL CHILD CONFERENCE

The Well Child Conferences were held on the first Tuesday of each month in the clinic room of the Town Office Building. The clinics provided physical examinations and health appraisal of infants and children and counseling for the parents. Immunization against diphtheria, tetanus, pertussis, measles, mumps, rubella and polio were provided and tine tests for detection of tuberculosis infection were administered.

SCHOOL HEALTH SERVICES

Physical examinations of pupils in the third, fifth, eighth and eleventh grades in parochial and private schools were provided at the individual request of a parent or guardian. Two hundred and seven students were examined.

The Massachusetts Vision Test and the Pure Tone Audiometer Tests for hearing were administered to all enrolled parochial school pupils.

Scoliosis screening was conducted on students in Grades five through eight with parental permission.

Clinics held in public and parochial schools provided the following immunizations: Mumps-Measles-Rubella – 26; Diphtheria and Tetanus – 208; and Sabin Oral Polio – 75.

COMMUNICABLE DISEASE PREVENTION

The Public Health Nurse tested 60 residents for evidence of tuberculosis infection. TB tests for faculty and employees in public and private schools were also provided in accordance with the requirements of Mass. General Laws governing persons in contact with school and college-age persons. TB tests for residents and school personnel are available on a year-round basis by appointment through the Board of Health office. TB casework during the year included 4 reported cases of active TB, 12 contact referrals, 4 home visits, and 25 follow-up contacts of persons on chemotherapy or out-patient care.

Follow-up of four cases of meningitis and two cases of salmonellosis was carried out.

The State Law requires that children be immunized against diphtheria, tetanus, pertussis, measles, mumps, rubella and polio before attending school. Vaccines for diphtheria, tetanus and pertussis (DTP); for measles, mumps and rubella (MMR); and for polio (Sabin) were distributed from the Board of Health office to community physicians for immunization of children. The immunization of infants and children by physicians was supplemented through the well-child clinics and school clinics for booster doses. There were no reported cases of diphtheria, tetanus, pertussis, measles or polio in 1981. Thirty-one cases of chicken pox and 18 cases of positive strep throat were reported during the year.

PUBLIC HEALTH CLINICS

The Board of Health conducted four influenza clinics on October 14, 15, 20 and 30, 1980. Six hundred and ninety-two Milton residents took advantage of these clinics and received immunization against the three strains of flu that were expected to be most prevalent during this year's flu season.

The Board of Health in cooperation with the American Cancer Society conducted a bowel cancer screening on May 13, 1981. A total of 90 residents took advantage of the screening.

Hypertension screening was again conducted for Town employees. Those employees with elevated readings were referred to their private physician.

INSPECTION OF ANIMALS

A total of 87 dog bites were reported to the Board of Health in 1980. None showed any evidence of rabies. The Animal Inspector, John H. Gutteridge, D.V.M. examined 83 horses, 3 cows and inspected 17 stables.

ENVIRONMENTAL HEALTH

Seventeen permits to operate food service establishments were issued in 1981. All food service establishments were inspected for compliance with the State Sanitary Code. In addition, all schools were inspected periodically. Six establishments registered by the Board of Health to sell food at retail were inspected for compliance with the regulations of the State Division of Food and Drugs. One wholesale bakery and one retail bakery were inspected for compliance with the Mass. General Laws.

Twenty-three applications for individual sewage disposal systems were submitted in 1981. Fourteen were requested for new dwellings of which six were disapproved because the lot inspections revealed they were unsuitable for the subsurface disposal of sewage. Twelve applications were submitted and reviewed for the alteration and repair of existing systems.

There were 127 nuisance complaints that required investigation; 17 lead paint analyses; 47 housing inspections, 33 water analyses; and 203 miscellaneous calls that required field investigation. Thirteen milk samples were collected and tested for butterfat, total solids, antibiotics, standard plate count and coliform count.

Licenses to deliver milk in the Town from vehicles were issued to two dealers. Fifteen licenses were issued for sale of milk in retail stores. Six oleomargarine registrations were issued. A license to manufacture carbonated non-alcoholic beverages, two licenses for the practice of massage and three permits for commercial stables were issued in accordance with the General Laws of the Commonwealth. Four licenses to purchase syringes, two licenses to deal in methyl alcohol, and one license to manufacture frozen desserts were issued in 1981. Three licenses to operate recreational camps were issued; two permits for public swimming pools, three permits for removal and transportation of the contents of privies, and four to remove and transport garbage and offal. Six permits to install local sewage systems were issued. Six licenses were issued to funeral directors.

On January 26, 1981, the Board of Health voted unanimously to promulgate Rules and Regulations for Stables in the Town of Milton.

Mrs. Alice Driscoll retired in February as Principal Clerk to the Board of Health after 19 years of service. Alice will be missed for her loyal and competent service, her delightful sense of humor and her extraordinary ability to effectively deal with the problems of Milton residents. We wish her a long and healthy retirement.

FINANCIAL SUMMARY

Income from fees for permits and licenses issued by the Board of Health during this period was \$879.50.

Respectfully submitted,

Morton Wolf, D.V.M., Chairman
Virginia A. Gaffey, R.N., Secretary
Mary Ellen Maloney, R.N., Member
Milton Board of Health

REPORT OF THE MILTON PLANNING BOARD

During the 12-month period July 1, 1980 through June 30, 1981 the Planning Board held 23 open meetings, six of which were public hearings

A joint public hearing was held with the Board of Selectmen and recommendation made to Town Meeting that Highland Lane, the unaccepted portion of Dean Road and six streets in the Indian Cliffs development be accepted as Town Ways.

The Board submitted two Articles for the 1981 Town Meeting, both of which were adopted:

1. "Height Bylaw" which corrected loopholes in the existing bylaw that allowed 3-3½ story buildings to be constructed in residential zones. Under the Board's revised bylaw all buildings constructed in residential zones are limited to 2½ stores unless they meet specific setback requirements.
2. "Condominium units converted from existing estate buildings". This by-law allows, upon the issuance of a special permit by the Planning Board, the conversion of existing structures to condominiums. These existing structures must be located on parcels of land containing 10 acres or more with 150 feet of frontage on a public way.

To insure compliance with approved plans the Board met with the principals of and conducted continuing inspections of the following developments: Winter Valley, Home, Inc., Indian Cliffs, Quisset Brook, Milton Academy, Highland Lane and Dean Road.

Ten plans requesting "Approval Under Subdivision Control Law Not Required" were reviewed – 7 were approved and 3 disapproved.

Rules & Regulations for the Scenic Roads By-law passed at the 1980 Town Meeting were adopted by the Board after consultation with the Conservation and Historical Commissions.

The Board wishes to extend its thanks and appreciation to Mr. Paul D. Kanter, Town Planning Engineer, for his dedication and outstanding professional assistance which facilitated the Board in the performance of its duties.

We also wish to express our gratitude to Mrs. Genevieve M. Byron, our loyal secretary, for her patience, understanding and untiring efforts in assisting the Board.

Respectfully submitted,

J. William Dolan, M.D., Chairman
Patrick H. Donahue, Secretary
Suzanne C. Collins
James G. Hannon
Robert J. Kelly
Planning Board

REPORT OF THE POLICE DEPARTMENT

I herewith submit my report for the twelve month period July 1, 1980 through June 30, 1981.

Michael B. Breen, Kevin P. Foley, Stephen J. Murphy, Paul T. Nolan, Edward J. Villard and Jean M. Villard were appointed to the department effective September 8, 1980 and assigned to a Basic Training Course at the Medford Police Academy. All six graduated from the Academy on November 28th and were immediately assigned to patrol duties in the various sectors of the town.

Eugene L. Mason, a dedicated member of this department from March 29, 1951 until his retirement on disability May 31, 1976, died on October 3, 1980.

On March 14, 1981 Patrolman John I. Burke was granted a disability retirement. Patrolman Burke's contributions to the Department during his 12 years of service will be missed. We wish him a long and healthy retirement.

REPORT OF THE POLICE DEPARTMENT

On May 1, 1981 Sergeant Robert M. Galvin resigned to enter private employment. Sergeant Galvin was a member of the department since January, 1972. An accomplished and dedicated officer, we wish him much success in his new endeavors.

Kevin G. Sorgi, a patrolman since April 10, 1972 resigned on March 8, 1981 to assume his duties as Treasurer, Town of Milton, having been elected to that position on March 7, 1981. We wish Officer Sorgi much success in his new position.

Records Clerk Mary D. Munroe resigned effective May 11, 1981 to enter private industry. Mrs. Munroe held the Records Clerk position since March 13, 1975. We wish Mary much success in her new field of endeavor.

Proposition 2½ impacted the department as follows: No police personnel were laid off but 4 unfilled positions were eliminated (1 Sergeant, 1 Detective and 2 Patrolmen). The Records Clerk position was eliminated. Three School Traffic Supervisor positions were eliminated because of a drastic budget reduction in this item.

Federal funding for the Crime Analysis Program was not approved for the third year. Because the information provided by this program proved to be very beneficial, I requested that this unit be made a permanent part of the Table of Organization of the department. This request was approved by the Board of Selectmen, Warrant Committee, Personnel Board and Town Meeting. Effective July 1, 1981 this unit will consist of a full-time Crime Analyst and part-time clerk.

The department continues to provide excellent emergency medical transportation to the town. During the year a survey was conducted to ascertain if a private ambulance company could provide the same type of service at less cost to the town. Bids were solicited and compared with the actual department cost and it was decided that the police department would continue to operate the ambulance but a charge would be made for the service. Effective on March 1, 1981 the billing procedure was instituted.

Through the efforts of several citizens of the town, a Radio Shack TRS-80 Micro-computer was purchased for the department at a cost of \$5,800.00. In light of budget cuts due to Proposition 2½, this system has become an invaluable tool in the everyday operation of the Police Department. We wish to thank the following for their community spirit and generous contributions: John Williams and Robert Sheffield and the FACT (Family Association for Community Togetherness) organization, Charles Copeland, Rev. Prescott Wintersteen and the Swift Fund, John T. Crosby, Master and Robert Stevens, Treasurer Milton Lodge of Masons, Michael Feehily, Michael Bentinck-Smith and John McVarish. Along with the aforementioned, credit is extended to the Youth Committee and Youth Coordinator Max Horvet.

Communications represent a major role in the modern Police Department. Our up-to-date radio equipment and computers provide the vital and instant link of information to the officer in the street. This equipment is professionally serviced and maintained and we consider ourselves fortunate to be so strong in this area. As technologies grow and provide for more efficient ways and methods, we hope to keep pace.

During this fiscal year the auxiliary police unit contributed 5,000 hours of volunteer service to the town. These hours are used primarily in training, patrol of our schools and in covering special events of the community. It represents a valuable service to our town and the department. I commend the auxiliary members for their generous donation of time as well as their excellent performance.

To the officers and men and clerical personnel of this department, I wish to express my sincere thanks for their continued loyalty and cooperation. I also wish to thank the Board and Selectmen, the Justices, Clerks and Probation Officers of the Courts and the officials and employees of other town departments who have assisted us during the year.

Respectfully submitted,

Gerard R. Mattaliano
Chief of Police

REPORT OF THE TRAFFIC COMMISSION

The report of the Traffic Commission for the period July 1, 1980 - June 30, 1981 is herewith submitted. During this period we were asked to make recommendations on existing or anticipated traffic problems in all areas of the town.

A recommendation on driveway locations for the proposed Milton Commons development on the Carleton Ford property, East Milton Square was forwarded to the Board of Appeals.

Suggestions that could improve parking conditions in the general area of the high school were discussed with the School Department.

We recommended that Milton Academy be allowed to paint 2 crosswalks on Centre Street and one at the intersection of Randolph Avenue and Centre Street. Milton Academy officials felt they would be able to convince the students to use the crosswalks if they were painted.

The temporary and possible permanent closing of the Ashmont to Mattapan trolley line and the MBTA's plan to run buses from Mattapan to Quincy via Eliot Street was discussed with area residents at one of our meetings. Residents were concerned about traffic in the area should the bus route become permanent. A letter was sent to Governor King expressing these concerns, indicating our opposition to the possible termination of trolley service and requesting that the MBTA review other alternatives.

A petition requesting the creation of a dead end after 106 Antwerp Street at the edge of the business zone was received. The dead end street was not recommended.

A request to change the speed limit to 20-25 MPH on Highland Street from Clifton Road southward to Randolph Avenue was not recommended.

One request for a "Stop" sign was not recommended.

One request for "No Parking Here to Corner" was recommended.

One request for "Blind Drive Ahead" sign was recommended.

Town Engineer Paul Kanter was designated the Commission's representative to the Citizens Advisory Committee of the Housing Authority.

Chief Gerard R. Mattaliano is the Commission's representative on the East Milton Environs Committee.

The Commission wishes to take this opportunity to thank the non-voting members, Superintendent, Department of Public Works Lawrence W. DeCelle, Jr., Inspector of Wires Lewis E. Park and Traffic Officer Ernest W. Rau for their assistance during the year.

Respectfully yours,

Gerard R. Mattaliano, Chairman
Chief of Police

John T. O'Neill, Fire Chief

Albert P. Zaniboni, Superintendent of Streets

Paul D. Kanter, Town Engineer

Eileen F. Gillis, School Department

REPORT OF THE WIRE DEPARTMENT

REPORT OF THE WIRE DEPARTMENT

I herewith submit my report of the Wire Department for the fiscal year from July 1, 1980 to June 30, 1981:

Permits were issued as follows:

Month	Total No. Permits Issued	Original	Alterations	Fees Received
July	40	10	30	\$ 285.00
August	23	—	23	75.00
September	38	4	34	151.50
October	41	1	40	212.25
November	30	—	30	120.00
December	26	2	24	117.50
January	28	4	24	211.00
February	38	17	21	468.00
March	26	4	22	167.00
April	52	20	32	679.00
May	26	—	26	78.00
June	61	22	39	662.50
	429	84	345	\$3,226.75

Fees received for the above permits amounting to Three Thousand Two Hundred Twenty-Six Dollars and Seventy-Five Cents (\$3,226.75) have been collected and paid to the Town Treasurer.

Number of Certificates Issued	221
Total Horsepower Wired	978
Total Kilowatts Wired	2,406

1980-1982 FIRE AND POLICE ALARM SIGNALS

New Fire Alarm Boxes were installed at the following locations:

3224 — Brook Drive — Milton Academy
 5133 — Pine Tree Brook Road and Sugar Maple Lane
 5134 — Pine Tree Brook Road and Mountain Laurel Path
 3812 — Highland Lane

New Police/Citizen Alarm Boxes installed at the following locations:

233 — Pine Tree Brook Road at Entrance
 234 — Pine Tree Brook Road and Mountain Laurel Path

Fire Box replaced due to accident:

Box 347 — Adams Street and Brook Road
 Cable Box — Adams Street and Pierce Street

NEW WIRES AND CABLE

Adams Street and Churchill's Lane — 120' of 5 Conductor
 At Fire Box 63 — 250' of 5 Conductor
 At Milton Village — 300' of 5 Conductor
 At Milton Village — 130' of 5 Conductor
 Adams Street and High Street — 300' of 30 Conductor
 Pope Pius Church — 100' of Rual C

REPORT OF THE WIRE DEPARTMENT

A new Digital Print-Out Recorder for Fire Alarms was installed at the Central Fire House.

All transfers from old to new Tel. and Tel. Poles have been completed as required. All Fire and Police Boxes have been tested, oiled, cleaned and repaired as needed.

Electrical repairs and wiring were done on all Town-owned Buildings as was requested.

Electric Door Openers and Closers were wired at the following locations:

5 Doors at the Dept. of Public Works Garages

3 Doors at the Central Fire House

Traffic Signal Equipment was repaired and replaced at the following locations due to accidents and vandalism:

ACCIDENTS

Adams Street and Squantum Street (2)

Adams Street and Church Street

Adams Street and Bryant Avenue

Adams Street and Eliot Street (2)

Adams Street and Granite Avenue

Brook Road and St. Mary's Road

Brook Road and Centre Street

Canton Avenue and Thacher Street

Granite Avenue and Wood Street (2)

Randolph Avenue and Centre Street (2)

Reedsdale Road, Canton Avenue and Centre Street (2)

VANDALISM

Collicot School (2)

Brook Road and Centre Street

Adams Street and Brook Road (2)

Brook Road and St. Mary's Road

Church Street and Adams Street (3)

Brook Road at St. Mary's School (4)

Two new School Zone Traffic Signs were installed on Centre Street at Milton Academy.

All Traffic Signals were relamped and cleaned and the controllers and equipment were cleaned, oiled and repaired periodically and as needed.

I wish to thank the Board of Selectmen and all the Town Departments for their cooperation and assistance during the past year. My thanks to the members of the Wire Department for their continued excellent work.

Respectfully submitted;

Lewis E. Park
Inspector of Wires

REPORT OF THE PARK DEPARTMENT

The following is the Annual Report of the Board of Park Commissioners for the Fiscal Year 1981.

Mr. Paul P. Joyce resigned as Park Commissioner on January 9, 1981, having served as Park Commissioner since 1977. Mr. Michael J. Feehily, Jr., was appointed to fill the unexpired term. Mr. Feehily was then elected to the Board in March 1981.

Mr. John S. Shields was elected Chairman, Michael J. Feehily, Jr., Secretary, and Donal J. Fahey, Member.

Improvements to the playgrounds were as follows:

Reconditioned Andrews Little League Field, Churchills Little League Field, Andrews Back Field, Pierce Regulation Diamond and Pierce Skinned Diamond.

Reconstructed Regulation Baseball Diamond at Kelly Field.

Resurfaced the Basketball Courts at Andrews Playground.

New Spin-the-Top was installed at Churchills Playground.

Recreation Programs offered by the Park Department are as follows:

Gymnastics	Square Dancing
Street Hockey	Girls' Softball
Ballet	Baton Twirling
Acrobatic Dancing	Women's Slimnastics
Volleyball	Ski Instructions
Bridge Instructions	Women's Softball
Soccer	Tennis Instructions
	Basketball

A new Raquetball Program, with approximately fifty participants held for a six-weeks period, was very successful.

The attendance this year at Milton Park and Recreation Programs was once again up, with a large attendance at the summer and winter gymnastics program. Attendance was up at boys' basketball, street hockey and the Senior Citizens golf tournament.

The programs for older residents, square dancing and bridge instructions were also well attended.

The Park Department's "Family Day" held at Cunningham Park, again was a great success with over 2000 townspeople participating in the event.

The Board hired Mary Reardon as Director of the Summer Handicapped Program. Milton continues to be reimbursed for 50% of all costs for this program.

Mr. Christopher Wallace was hired by the Board as Playground Supervisor for the summer playground recreation program. The program is held for eight weeks at four of the Park Playgrounds.

The Milton Senior Citizens continue to enjoy various bus trips under the sponsorship of the Park Department.

The problems of litter and vandalism continue to plague the Department, requiring the grounds crew to spend many hours on this work.

REPORT OF THE PARK DEPARTMENT

The Board of Park Commissioners would like to thank the Department's dedicated employees who have done such a good job, and all the Town Departments, Boards and Commissions who have helped and assisted the Park Department this past year.

Respectfully submitted,

John S. Shields, Chairman
Michael J. Feehily, Jr., Secretary
Donal J. Fahey, Member

REPORT OF THE BOARD OF ASSESSORS

The Board of Assessors is pleased to submit a report of activities for the period July 1, 1980 - June 30, 1981.

At the Annual Town Meeting on March 7, 1981, M. Joseph Manning was re-elected for a term of three years. The Board organized as follows:

Thomas S. Gunning, Jr., Chairman
Daniel E. Duggan, Jr., Secretary
M. Joseph Manning

Miss Ruth A. Dodd, Administrative Assistant to the Board of Assessors, died on July 10, 1981. Miss Dodd entered employment with the Town of Milton on January 9, 1936 and served the Board of Assessors for forty-five years. Her dedication and conscientious manner, her humane commitment, unquestioned loyalty and uncompromised steadfastness of purpose will long be remembered by her former associates and the citizens of Milton.

On September 30, 1981, Mrs. Betty L. Myers retired after serving twenty-five years with the Assessor's Department. Her qualities and performance of excellence will always be remembered.

The revaluation project is ninety percent complete and will be turned over to the computer company, System Technology Associates, Inc., Concord, Massachusetts in August for analysis of all property valuations.

To our employees who have performed in an excellent manner under many trying conditions, the Board is most grateful for their dedication.

Our thanks are extended to the Board of Selectmen and other Boards and Departments for the cooperation extended. The services of Town Counsel, Robert D. O'Leary, are most appreciated.

The detailed statement of Receipts and Expenses follows:

JULY 1, 1980 - JUNE 30, 1981
EXPENSES FOR 1981 FISCAL YEAR

ESTIMATED STATE & COUNTY ASSESSMENTS (Commissioner's Estimates)		ACTUAL AMOUNTS ASSESSED BY STATE & COUNTY

REPORT OF THE MILTON PUBLIC LIBRARY

To the Board of Trustees of the Milton Public Library, I have the honor of presenting the Annual Report of the year ending June 30, 1981. This is the one hundred and tenth Annual Report.

The report is one of accomplishment in the face of fiscal restraints. The additional fiscal restraints of the next year give some foreboding, but let us keep to the year at hand.

Dr. Germanotta of Curry College completed his Community Analysis. This task was accomplished under a grant the library received through the Massachusetts Board of Library Commissioners, by means of the Library Services and Construction Act. Dr. Germanotta's scientifically objective study, accomplished by him and his colleagues in a manner that was satisfactory in every way, showed no surprises. Yet it was good to see verified scientifically what we knew by other means. The survey concluded that "approximately 75% of the citizens of Milton use the library system at one time or another." The greatest problem regarding the library, according to users, was parking. Reference and magazines were the services most in demand, with fiction, nonfiction and newspapers following in order. The report and its many statistics may be read in the library.

The book budget, among other things, was cut, before and during the year, which meant, of course, fewer books and magazines would be available to the public. Inflation — for books, about 105 — did not help matters. Though we could not augment our budget for materials collections (books, magazines, records, films, etc.) our Reference work hit a new high with 11,211 questions. They involved staff for varying times each — some taking half an hour or more to answer.

Cooperation continued with town departments like the Youth Department and the schools. Lt. Murphy presented two films and talks: *Burglary*, and *Street Crime*. We showed films on China in May to join the celebration of the Museum of the American China Trade. Our Children's Librarian and Young Adult Librarian gave talks in the schools, and many of our staff gave guided tours of our own library to classes. These are regular activities, and give satisfaction to all. But this annual summary gives only a glimpse of what is happening. Other singular events occur often. For example, one class of children hung their art on the Central Children's Room windows. It was dark but it was delightful. As for the Friends of the Library, under Herbert Wotiz and then Sigmund Lavine, they sponsored programs and book sales of great benefit to the library.

Circulation continued apace (as the statistics indicate), and a special word should be said about museum passes. The Board of Trustees generously purchased from special funds a library membership in the Children's Museum, Museum of Fine Arts, Science Museum and New England Aquarium. The Museum of the American China Trade kindly donated a family pass. Thus, family passes were available to five institutions. The passes were used 635 times, and to obtain the number of people served, that figure should be multiplied by, say, four (to a family). The enjoyment and enrichment obtained from these museums is part and parcel of the enjoyment and enrichment offered by the library — the two go hand in hand, and supplement each other.

Programs, also, continued apace. Add to the juvenile circulation statistics the number 1,500. That represents attendance at our various children's programs — story/craft hour, preschool story hour, films, workshops, parties, clubs, etc. These programs bring the child to the library and make him and her rub elbows with peers. It is the opposite of sitting at home alone reading. Yet all tend to the same purpose, the appreciation of literature. Even the 167 attendees (some children came to several programs) of the summer crafts series, who did not read or hear stories, benefit by being in a library atmosphere, by finding the library is a friendly place, and by realizing books relate to informational needs.

These statistics do not include those children attending the Library School of the Milton Junior Woman's Club. We are grateful to the latter for their excellent programs in all three branches. Nor do the statistics include films for children at the two branches,

or the baseball films at Central. Other people, too, contributed to the library's well-being. Our own staff member, Mrs. Marilyn Anderson, gave fine workshops on "Christmas Crafts" and "Springtime Crafts"; Gary Goshgarian presented a slide talk on the adventures leading to his novel "Atlantis Fire", and there were slide talks to the Friends of the Library by Herbert Wotiz, William Flavin and myself. A workshop on "Energy Conservation in the Home" and a one-woman drama on the life of Margaret Fuller drew enthusiastic audiences. Our Friday night and Saturday afternoon feature films were well attended, as usual: 704 people attended these during the course of the year. In addition, a series of two career workshops, "How To Go To Collège If You're Not A Kid" and "Planning Your Career Transition" aided those caught in the financial and employment problem.

In the course of the year we had the resignations of Library Assistants Ms. Anne Whalen, Mrs. Mary Delmonico and Mrs. Roberta Kane. We miss them, and since all three worked with children, let me note that the children miss them.

Meanwhile, our indefatigable staff members continued their excellent work. This was our first year without a full-time custodian, and the staff took on some of those burdens. They served the public and library with diligence and merit. Our Board of Trustees undertook the difficult task of planning for life under Proposition 2½, and devoted much time and energy to the matter. Their devotion to the cause of library service does them great credit. I wish to thank the Trustees, staff and citizens of the community who have helped me in uncountable ways.

Respectfully submitted,

Edward Locke
Director

LIBRARY STATISTICS — JULY 1, 1980 - JUNE 30, 1981

Name of Library	Milton Public Library
Date of Founding	1871
Population Served	26,744
Name of Director	Edward Locke
Terms of Use — Free for lending and reference services to residents, workers and students of Massachusetts	
Days Open	290
Hours Open	Central: 68; Branches: 50½
Total Number of Agencies: Central Library, 2 Branches, and a varying number of School deposit stations	
Book Stock	
Volumes in Library July 1, 1980	127,527
Volumes Added	5,589
Volumes Withdrawn	3,917
Volumes in Library June 30, 1981	129,199
Volumes of Adult Fiction Loaned	87,986
Volumes of Juvenile Fiction Loaned	40,557
Volumes of Adult Nonfiction Loaned	80,903
Volumes of Juvenile Nonfiction Loaned	12,717
Total Books Loaned	222,163
Books on Interlibrary Loan	
Loaned to Other Libraries	0
Loans from Other Libraries	308
Other Materials on Loan to Us	242
Phonograph Record Stock	
Records in Library July 1, 1980	5,798
Records Added	361
Records Withdrawn	665
Records in Library June 30, 1981	5,494
Records Loaned	13,121
Periodical Stock	
Titles Subscribed to	229
Framed Picture Stock	
Framed Pictures in Library June 30, 1981	106
Framed Pictures Loaned	206
Total Other Audio Visual Material Loaned	1,812
Total Items Loaned	237,544
Financial Accounting	
Paid to Town Treasurer for Overdue Fines, Lost Books	\$20,306.91

REPORT OF THE LIBRARY TREASURER

The funds in care of the Trustees were invested as summarized in the following tables of June 30, 1981:

	Book Value	Income for July 1, 1980 to June 30, 1981
Common Stock	\$ 22,754.42	\$ 3,514.14
U.S. Treasury Bonds	3,990.00	140.00
Savings Bank Deposits	73,548.54	8,010.01
Total	\$100,292.96	\$11,664.15

Two statements pertaining to funds in our control are appended as part of this report.

- (a) A list of the various funds by name and the investments in each.
- (b) A statement of the total investment income for July, 1980 to June 30, 1981 and the disbursements from that income.

The Library is the beneficiary of two other funds not in the custody of the Library Trustees. They are:

The Nathaniel T. Kidder Fund, is in the custody of the Town Treasurer.

The Oakland Hall Fund is in the care of the Town Treasurer.

The income from those two funds is available only to the Library Trustees to be spent at their discretion. Between July 1, 1980 and June 30, 1981 we spent from that income as follows:

EXPENDITURES FROM N. T. KIDDER FUND JULY 1980 - JUNE 1981

Arnold Bernhard Co., Inc. (Value Investment Survey)	\$ 220.00
Eastern Book Company (books)	54.00
Gale Research Company (books)	54.75
McGraw Hill Book Company (books)	54.75
Marshall Cavendish Corporation (books)	307.00
Moody's Investors Service	1,495.00
PSP, Inc. (Cole's Directories)	276.00
Spaulding Company, Inc. (books)	73.30
Standard & Poor's Services	975.00
Thomas Publishing Company (Register of American Mfrs.)	120.00
Warren, Gorham & Lamont, Inc. (books)	96.97
West Publishing Company (Massachusetts General Laws)	303.75
The H. W. Wilson Company (books)	70.00
	\$4,072.80

(books, records, films, pamphlets, special services, etc.)	
Safekeeping fees	41.79
Total Disbursements	8,580.49

REPORT OF THE LIBRARY TREASURER

Balance of income cash in New England Merchants National Bank	\$7,000.02
Balance of income cash in Milton Savings Bank representing income from Beirstadt Fund	\$4,010.95

Special thanks should be given to those who support the Library through their gifts and efforts. This report in this format does not reflect proceeds totaling \$1,133.41 from the auction and book sale run by the Friends of the Library which amount is on deposit with the Town Accountant.

REPORT OF THE TRUSTEES OF THE MILTON PUBLIC LIBRARY

Another year has come and gone at the Milton Public Library. Proposition 2½ has demanded many Trustee meetings to decide where best to make the cuts in our budget. Our employees have formed a union to seek benefits that will give them more pay or shorter hours. Nevertheless, the Library has continued to offer the same high standards of service that have come to be associated with the Milton Public Library.

Perhaps the biggest item of change at the Library is the fact that the employees have elected to form a union. It is called "The Milton Public Library Staff Association" – a chapter of the Hospital, Library and Public Employees Union. This union will give the employees of the Library the opportunity now and in the future to negotiate for benefits which they do not now possess. They are still negotiating.

This year we lost from our staff Mrs. Mary Delmonico, Miss Anne Whalen and Mrs. Roberta Kane. They were all highly competent in their positions as Library Assistants in the Children's Rooms – Mrs. Delmonico at East Milton, Miss Whalen at Kidder and Mrs. Kane at Central. They will be missed by our young patrons.

This year we have lost two valued trustees, Mr. William P. Melley, Jr. and Mr. James M. Russell.

Mr. Melley was elected a trustee on December 9, 1973, taking the place of Milton's distinguished scholar and historian, Col. Edward Pierce Hamilton. Bill added the practical as well as the cultural to our Board. He was an excellent Chairman of Personnel and later Budget Chairman. We were sorry to see him leave Milton for Nashville, Tennessee, but glad for the excellent opportunity that it presented. He was a great trustee – always there, full of needed knowledge and with a good sense of humor to help us over rough spots. We miss him.

James M. Russell was elected a Library Trustee in March 1974. An engineer by profession, he has proved himself invaluable to us as Chairman of the House and Grounds Committee, Secretary of the Board of Trustees and Budget Chairman. Jim was very conscientious and organized routine inspections of our buildings. The bachelor on the Board, he was married in the fall and moved to Boston. We will miss his expertise as well as his ready smile and pleasing manner.

Dr. Joseph L. Kennedy, Jr. was elected to take Mr. Melley's place. He returns to the Board after an absence of four years. We are glad to have him back.

Mrs. Doris M. Green was elected in March to replace Mr. Russell. Doris brings to the Board a wealth of experience as a school librarian. We welcome her and look forward to a pleasant association.

This year "The Survey of the Milton Public Library" has been completed by Dr. Dante Germanotta of Curry College. It was made possible by a grant from the Library Services and Construction Act administered through the Massachusetts Board of Library Commissioners. It is available at the Milton Library.

The Friends of the Milton Public Library, organized in 1978, continue to contribute valuable services to us. In May of this year they held a Book Auction and a Book Sale in June. Both activities were highly successful. Dr. Herbert Wotiz acted as President until April when he was succeeded by Sigmund Lavine. Doris Green is the representative from the Trustees to the Friends. They are a wonderful group. We appreciate all they have done for the Library.

We are grateful for the many gifts and services we receive each year. Gifts of money are always welcome and we are fortunate to have received several very generous donations as well as acts of kindness from people who enjoy helping the Library.

We wish to thank the Milton Garden Club for the very wonderful gift of "The Encyclopedia of Horticulture" which they presented to us this year. Milton has many gardeners who will be delighted to have this encyclopedia as an easily accessible reference set. We wish to thank the Milton Garden Club as well for their continued service of decorating the Library all year with beautiful flowers. We receive many compliments on the colorful and unusual arrangements.

The Milton Junior Woman's Club continue to conduct their especially fine "Library School" series for preschool children and in the branches in the spring and in the fall. We wish to say "thank you." We sincerely appreciate this contribution to the Library.

We wish to thank as well the Editor of the *Milton Record-Transcript* for kindly publishing our weekly column and for the publicity he has given the Library throughout the year.

Another "thank you" that is in order is for the exhibitors in our Gallery. These shows provide beauty and interest for our patrons.

The Library has had many types of programs through the year. Some are for children, some for young adults and some for our senior citizens. The Library cooperated with the Museum of the American China Trade by sponsoring films on China in May.

On May 14th we provided an outstanding drama – a one-woman play on "The Life of Margaret Fuller." We continued to have our parties for children with goodies and perhaps a puppet show or a scary movie. Our summer reading program for children was a great success.

We spent a great deal of time during this year preparing the 1981-82 budget. We were forced to make drastic cuts in books, personnel and every service that makes up our budget. In order to help us the Trustees employed the services of Mr. Charles Evans, Management Consultant. Mr. Evans completed his study by April 1, 1981. It proved invaluable.

Finally, we wish to thank our splendid staff and Mr. Locke for the continuing outstanding excellence of service at the Milton Public Library.

Respectfully submitted,

C. Rodgers Burgin, Trustee Emeritus
Charles F. Collins
Maritta Manning Cronin
Richard B. DeWolfe
John W. Gibbons
Eileen S. Gillis
Doris M. Green
Dr. Joseph L. Kennedy, Jr.
Mary E. Palardy
Catherine L. Molloy, Chairman
Trustees of Milton Public Library

REPORT OF THE BOARD OF RETIREMENT

The Financial Report of the Board of Retirement for the year ending December 31, 1980 is submitted herewith.

As of December 31, 1980 we have 399 employee members and 218 pensioners and survivors receiving benefits under the Milton Contributory Retirement System.

During 1980, the Board of Retirement sold 230M low coupon bonds and reinvested the proceeds in higher yield bonds. It is expected that the loss suffered in these transactions will be recovered within five years, and a substantial net gain will be realized over the life of the bonds.

The Massachusetts Retirement Law Commission has determined that Milton's Unfunded Liability for Pension costs was \$17,674,027.00 as of January 1, 1979. The Town of Milton has now appropriated a total of \$240,000.00 to the "Special Fund for Retirement Purposes" established under Article 9 of the 1978 Town Meeting, (as a partial offset to the unfunded liability).

Non-Contributory pensions and annuities are shown in the Financial Statement of the Town Accountant.

Respectfully submitted,

Josephine M. McAteer, Chairman
Oliver S. Sughrue, Secretary
Robert J. Blake

ANNUAL REPORT OF THE MILTON YOUTH DEPARTMENT

The Youth Department continues to be versatile in changing times and reduced budgets. This past year the Department was relocated in the Town Hall Basement and shares office space with the Housing Authority and Council on Elderly Affairs. Department staff, consisting of a full time Youth Coordinator and 30 hour Youth Counselor, worked in area churches in order to provide services to different areas in Town.

Programs developed this past year were based on an LEAA Grant received by the School Department and implemented by the Youth Department staff. Projects involved were a peer influence program with juniors and seniors helping Junior High students; in-service training for police officers on how to cope with parental denial and means to determine early signs of delinquency behavior. In-service training for teachers on vandalism prevention and a curriculum for 7th and 8th graders was developed.

A twenty-one member Community School Council was established to offer after-hour activities for all ages of residents in town. To date this project has provided courses and activities for over 1000 people and generated \$8,000.00 in fees to pay for teachers and materials.

A by-product of the LEAA Grant was the Juvenile Citation program implemented in conjunction with the Police and Youth Department. Family and Community togetherness, a civic organization, obtained donations to purchase a mini-computer system for the Police Department. This was accomplished to help the organizational development of the Police Department.

The Youth Department worked with local agencies, social service facilities and hospitals to provide counseling, information and referral for approximately 450 clients. Services included job placement, Rent-A-Kid contacts, helping runaways, clients' overdoses on drugs or alcohol and consultation to parents and educators.

Affiliation agreements and referrals were made to South Shore Mental Health, Human Resource Institute, McLean Hospital, Milton Hospital, South Shore Council on Alcohol, the Quincy District Court, CETA, the School Department and the Norfolk County District Attorneys Office.

The Youth Department ran a bloodmobile, Family Day at Cunningham Park, neighborhood dispute settlements, community crises intervention and out-reach work. A number of client referrals were made by the School Department to the Youth Department.

The Department and its two staff members wish to take credit for developing a number of innovative programs with the Youth Committee that have impacted the reduction of vandalism in the community.

This year the Youth Committee and Staff will concentrate on developing an adult response to underage drinking which is detrimental to the growth and development of young people.

Special appreciation for cooperation is offered to:

Chief Gerard Matalliano
Lt. Richard Wells
Crime Analyst, James Sgroi
Juvenile Officer, Jack MacDonald
Superintendent, Frank Giuliano

Respectfully submitted,

Max Horvet, Youth Coordinator
Vicki McCarthy, Youth Counselor
Virginia Wells, Chairman
Paula Giovonnucci, Member
William Mullen, Member

TOWN OF MILTON
FINANCIAL STATEMENTS

December 31, 1981

**FINANCIAL STATEMENTS AS OF JUNE 30, 1981
TOGETHER WITH AUDITOR'S REPORT**

We have examined the financial statements of the various funds and account groups of the Town of Milton, Massachusetts as of June 30, 1981 and for the year then ended. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

As is the practice with many municipalities in the Commonwealth of Massachusetts, the Town has not maintained historical cost records of its fixed assets and, accordingly, a statement of general fixed assets is not included in the accompanying financial statements.

The Town follows accounting policies prescribed by the Commonwealth of Massachusetts which vary in certain respects from generally accepted accounting principles. The most significant differences relate to the use of: (1) the cash basis method of recording pension expenses for employees and (2) the modified cash basis for recording the operations of the Town's water department. In our opinion, pension costs should be determined by actuarial methods instead of the cash or "pay-as-you-go" basis as described in Note 2 to the accompanying financial statements. The water department activities should be accounted for as an enterprise fund on an accrual basis.

In our opinion, except for the effect of: (1) not providing for pension costs on an actuarial basis, (2) not presenting the water department as an enterprise fund on an accrual basis and (3) not maintaining a record of general fixed assets, the accompanying financial statements present fairly the assets, other than fixed assets, and liabilities of the various funds and groups of accounts of the Town of Milton, Massachusetts as of June 30, 1981, and their respective changes in fund balances and revenues and expenditures for the year ended June 30, 1981, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

Arthur Andersen & Co.
Boston, Massachusetts

We have examined the financial statements of the various funds and account groups of the Town of Milton, Massachusetts for the year ended June 30, 1981 and have issued our report thereon dated September 15, 1981, in which our opinion is qualified with respect to the effect of not providing for pension costs on an actuarial basis, not presenting the water department as an enterprise fund and not maintaining a record of general fixed assets. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In connection with our examination, we also (1) performed tests of compliance with the Revenue Sharing Act regulations as required by Section II.C.3 of the Audit Guide and Standards for Revenue Sharing Recipients (Guide) issued by the Office of Revenue Sharing, U.S. Department of the Treasury, and (2) compared the data on Bureau of Census Form RS-9 with the unaudited records of the Town of Milton, Massachusetts as required by Section II.C.4 of the Guide.

Based on these procedures, we noted no instances of noncompliance with the regulations and no material differences between the data on Bureau of Census Form RS-9 and the records of the Town of Milton, Massachusetts for the year ended June 30, 1981.

Arthur Andersen & Co.
Boston, Massachusetts

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 1981

(1) Summary of Significant Accounting Policies

Accounting policies and financial reporting practices for municipalities in Massachusetts are prescribed by the Uniform Municipal Accounting System promulgated by the Commonwealth of Massachusetts Department of Revenue. The significant accounting policies followed by the Town are as follows:

(a) Basis of Presentation

The accompanying financial statements include the financial transactions of the Town of Milton, Massachusetts, except for those transactions involving the Milton Contributory Retirement System, which is independent of the Town.

(b) Fund Accounting

Financial transactions of the Town are recorded in the following funds or groups of accounts:

1. The General Fund reflects the financial transactions related to general governmental activities which are not otherwise accounted for in another fund.

Included within the General Fund are Surplus Revenue, Designated, Restricted and Capital Projects Funds and Overlay Surplus.

- Surplus Revenue is the amount by which unrestricted cash, accounts receivable and other assets exceed liabilities and reserves.
 - Designated Funds (also referred to as Revolving Funds) are used to account for financial transactions related to specific activities such as school lunch and athletic programs, adult education programs, etc. These funds are available to fund future operations as prescribed by the Town.
 - Restricted Funds are used to account for gifts and grants from outside sources. Funds must be expended in accordance with the provisions of these grants.
 - The Capital Projects fund is used for the Town's energy conservation project. Funds are expended as voted at the Town Meeting.
 - Overlay Surplus represents the unused portion of funds appropriated for tax abatements in prior years. Overlay Surplus is available to fund extraordinary or unforeseen expenses upon vote at the Town Meeting.
2. The Special Assessment Funds are used to account for the amounts levied against individual property owners for street and sewer betterments payable over future periods through 1991.

The General Fund balance sheet includes the current portion of special assessments due.

3. The General Long-Term Debt and Interest Group of Accounts reflects the liabilities for long-term debt and retirements thereof. The balance payable on long-term debt is offset by resources to be provided through taxation in future years for the retirement of the unmatured bonds.

Under the terms of state law, the Town is reimbursed for the portion of the debt service requirements which was incurred to finance school construction. The state reimburses the Town over the period of the debt service. These reimbursements are included in General Fund revenue when received from the state.

FINANCIAL STATEMENTS

4. The Trust Funds provide an accounting for money and property received and held by the Town as trustee or custodian for individuals, private organizations and other governmental agencies.
5. The Federal Revenue Sharing Fund reflects the receipt of funds by the Town under the Federal Revenue Sharing Program and the disbursements of such funds in accordance with federal guidelines.

(c) Accounting for Revenues

1. Real estate and personal property tax levies are recorded as revenue in amounts equal to the total taxes levied for the period, less a reserve for abatements.
2. Motor vehicle excise taxes are billed at various times during the year when billing information is received from the state Registry of Motor Vehicles. Revenue is recorded when cash is received.
3. Water revenue, state grants, departmental fees and charges, interest and other revenue are recognized when the related cash is collected.
4. Receipts from activities or sources such as federal grants (except for Federal Revenue Sharing), school lunch programs, restricted state grant programs, and other restricted activities, are recorded as Restricted or Designated Fund receipts when received and are not included in Town revenue until appropriated and expended.

(d) Accounting for Expenditures

Disbursements for material and supply inventories are considered to be expenditures rather than assets at the time of purchase. Interest cost is recognized when due and is not accrued. The repayment of long-term debt principal is recorded as an expenditure of the General Fund.

(e) Investments

General Fund investments are stated at cost, which approximates market value.

Trust Fund investments are stated at cost, which exceeds market value by approximately \$319,000. The Town intends to hold the investments to maturity and, therefore, no reduction in carrying value has been recorded.

(f) Accounting for Fixed Assets

The Town does not record fixed assets in an asset account at the time of acquisition. Fixed asset acquisitions are recorded as expenditures at the time that purchases are made.

(2) Pension Plans

The teachers and certain administrative and other professional employees of the Town's school department participate individually in a contributory retirement plan administered by the Massachusetts Teachers' Retirement Board. The Town does not contribute to this plan.

Substantially all of the other employees of the Town are participants in the Town of Milton Contributory Retirement System. Under the provisions of this system, employees contribute certain percentages of their pay and are eligible for retirement benefits after meeting the prescribed age and/or period of service criteria. In addition, the Town contributes to this system an annual amount determined by the Commonwealth of Massachusetts Department of Banking and Insurance, primarily on the basis of projected annual benefit payments for the year ("pay-as-you-go").

FINANCIAL STATEMENTS

Certain retired former employees of the Town were retired under noncontributory pension laws. The Town pays retirement benefits to these employees from the General Appropriation Funds of the Town. These employees are not included in the actuarial valuation provided by the state and there is no available estimate of their related actuarial liability. The 1981 pension expense relating to these employees was approximately \$282,000.

Town contributions for the years ended June 30, 1981 and 1980, amounted to \$1,100,000 and \$900,000, respectively (exclusive of \$9,000 in 1981 and \$13,000 in 1980 contributed for the Retirement System's administrative costs).

As of January 1, 1979, the date of the latest actuarial valuation, the total estimated actuarial liability of the plan was \$22,152,000 and its assets were \$4,598,000, leaving an unfunded actuarial liability of \$17,554,000. The actuarial value of vested benefits exceeded the value of plan assets by \$12,862,000. As of June 30, 1981, the Town has funded \$240,000 of the unfunded actuarial liability. No additional appropriations have been made for fiscal year 1982.

According to the actuarial valuation as of January 1, 1979, the Town's annual contribution to the plan on a "pay-as-you-go" basis and under a "funding contribution" method over the next ten years would be as follows:

Fiscal Year	"Pay-As-You-Go" Contribution	Percent of Payroll	Funding Contribution	Percent of Payroll
1982	\$1,147,831	21.3	\$1,485,392	27.6
1983	1,279,962	22.8	1,850,308	32.9
1984	1,421,742	24.2	1,933,572	32.9
1985	1,566,531	25.5	2,020,583	32.9
1986	1,717,115	26.8	2,111,509	32.9
1987	1,875,628	28.0	2,206,527	32.9
1988	2,038,771	29.1	2,305,820	32.9
1989	2,207,286	30.1	2,409,582	32.9
1990	2,381,412	31.1	2,518,014	32.9
1991	2,575,170	32.2	2,631,324	32.9

The "funding contribution" amount has been determined by the actuarial study commissioned by the Massachusetts Retirement Law Commission, and assumes that the Town will elect a five-year phase-in to a forty-year amortization of the unfunded actuarial liability as a level percentage of future payroll.

Generally accepted accounting principles require that the minimum cost charged each year for pension expense should be the normal cost (determined on an actuarial basis) plus interest on the unfunded past service cost. If the Town had recognized pension expense using this method, the amount would be significantly higher.

(3) Surplus Revenue

In order to prepare the accompanying financial statements in accordance with generally accepted accounting principles, certain budgetary surpluses and deficits, which would otherwise be reflected on the balance sheet under the Massachusetts Statutory System, have been included in Surplus Revenue as follows:

Surplus Revenue on a statutory basis	\$1,730,483
Amounts included in 1982 appropriations	476,932
State and county overestimates, net	53,410
Overlay deficits for abatements paid in 1981, accrued for financial reporting in prior years	(136,021)
	<u>\$2,124,804</u>

FINANCIAL STATEMENTS

Overestimates of state and county assessments result from an excess of appropriations made by the Town over the amounts of actual expenditures during the current year for such purposes. The overestimates will be used in determining the 1982 tax levy.

Overlay deficits result from abatement claims settled in 1980, which will be raised in the 1982 tax levy.

The adjustment of accrued abatements in the General Fund unrestricted fund balance is the result of timing differences between financial reporting, under generally accepted accounting principles, and statutory reporting requirements.

(4) Loans Authorized and Unissued

Loans authorized and unissued consisted of the following:

	<u>Year</u>	<u>Amount</u>
Purchase of land for flood control purposes	1968	\$70,000

(5) 1982 Budget

The Town authorized a fiscal 1982 operating budget totaling \$17,866,324, which will be financed from the following sources:

1982 Tax Levies, State Grants, Departmental Receipts, etc.	\$17,182,407
Surplus Revenue	352,000
Water Surplus	124,932
Insurance Recoveries	40,266
Overlay Surplus	6,070
Restricted Funds	26,407
Designated Funds	134,242
	<hr/>
	<u>\$17,866,324</u>

In addition, the Town has carried forward appropriations, totaling \$228,573, for projects authorized by the Town Meeting but not complete as of June 30, 1981.

(6) Contingency

Under the terms of the various agreements between the Town and its employees, sick leave benefits are accumulated and the Town is required to pay unused sick leave benefits at the date of employee retirement. At June 30, 1981, accumulated vested sick leave benefits approximated \$115,000.

(7) Litigation

The Town has been named as a defendant in a number of lawsuits at June 30, 1981. In civil rights actions, two plaintiffs are seeking individual damages of \$500,000 and \$100,000. Four individual claims totaling \$300,000, relating to injuries sustained by the plaintiffs in four separate accidents in the Town, are pending. Additionally, a contract case is pending in which the plaintiff seeks to recover \$750,000 for alleged wrongful termination of contract. In the opinion of Town counsel, the resulting losses to the Town, should the plaintiffs' positions be upheld in court, will not result in a material loss to the Town.

(8) 1980 Information

The financial information for 1980 shown in the accompanying financial statements is included to provide a basis for comparison with 1981 and present summarized totals only.

AUDITOR'S REPORT ON EXHIBITS

Our examination has been made primarily for the purpose of forming the opinion stated on page 1 of this report. The data contained in pages 28 and 29, although not considered necessary for a fair presentation of financial position, revenues and expenditures, receipts and disbursements and changes in fund balances, is presented as supplementary information and has been subjected to the tests and other auditing procedures applied in the examination of the basic financial statements. In our opinion, this data is fairly stated in all material respects in relation to the basic financial statements, taken as a whole.

Arthur Andersen & Co.

REPORT OF THE TOWN ACCOUNTANT

I hereby submit the report of the Town Accountant for the twelve month period ending June 30, 1981 arranged as follows:

1. Detailed listing of all receipts of the Town.
2. Detailed listing of all expenditures of the Town.
3. Summary of all departmental accounts, showing appropriations, expenditures and balances.
4. Recapitulation of departmental expenditures.
5. Balance Sheet as of June 30, 1981.

All bills and vouchers on which monies have been paid from the Treasury and all trust funds in the custody of the Town Treasurer and Library Trustees have been examined and found to be correct.

In accordance with the provisions of Section 58 of Chapter 41, General Laws, I am listing the following bills reported to me as unpaid:

Fire – Milton Hospital	\$ 13.50	
Lahey Clinic	<u>273.00</u>	\$286.50
Police – Simplex Time Recorder	\$ 58.80	
Veterans' Administration Hospital	<u>255.00</u>	<u>\$313.80</u>
		\$600.30

Respectfully submitted,

Josephine M. McAteer
Town Accountant

	<u>\$32,418.05</u>

Twelve thousand dollars (\$12,000.00) has been invested in United States Treasury Bonds maturing in 1994 and 1995 leaving an actual cash balance of \$20,418.05.

In March 1981 the Cemetery Trustees voted to consolidate these funds so as to increase their earnings. Town Counsel was consulted and advised that, inasmuch as the bequests provide for similar uses from the derived incomes, this consolidation was legally permissible. After obtaining the approval of the Board of Selectmen, the Trustees instructed the Town Treasurer to combine these funds and purchase a thirty month term deposit certificate for \$20,418.05 yielding 12%.

Investment income for fiscal year 1981 was \$3,353.49 as compared with earnings of \$1,904.04 for fiscal year 1980

FUNDS HELD BY THE TOWN

Perpetual Care Fund

Amount held June 30, 1981 \$1,179,578.74

This Fund is held by the Town Treasurer in accordance with Chapter 44, Section 50, of the General Laws.

Mary L. Peabody Poor Fund

Amount held June 30, 1981 \$5,692.32

The clause under which this bequest is given is as follows: "To the Selectmen of the Town of Milton, Massachusetts, \$5,000.00 to be invested and the income thereof to be distributed annually to the poor at Christmas."

E. T. L. Reed Park Fund

Amount held June 30, 1981 \$7,841.38

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All of the rest, residue and remained of all the monies remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts.

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said Town as a fund to be known as the 'Jason Reed Fund,' and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton Cemetery.

"And the third of said parts shall be paid to said Town of Milton and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said Town, in such manner as said authorities may deem advisable.

"I make the foregoing bequest in favor of, the Cemetery and the Parks in said Milton, both on account of the deep interest by my father, the late Jason Reed, deceased, in the affairs of the Town, and of my own profound desire for the welfare of said Town and of the citizens thereof."

Jason Reed Fund

Amount held June 30, 1981 \$2,626.67

Sarah G. Vose Fund

Amount held June 30, 1981 \$1,170.53

E. G. Tucker Fund

Amount held June 30, 1981 \$1,168.48

Herrick Fund

Amount held June 30, 1981 \$8,000.00

Bannin Family Fund

Amount held June 30, 1981 \$500.00

The Will of the late Thomas J. Bannin, Paragraph nine, reads as follows:

"I give to the Milton Cemetery the sum of \$500.00 to be established as a fund to be known as the Bannin Family Fund, the interest of which shall be used for the care of the Bannin lot in said Cemetery and to furnish suitable floral decorations on May 30th of each year and all other suitable occasions."

George A. Briggs Fund

Amount held June 30, 1981 \$1,000.00

The clause under which this bequest was left to the Town reads "for the perpetual planting of at least six geraniums each year on the family lot where the remains of George A. Briggs are buried."

George F. Duffy Fund

Amount held June 30, 1981 \$1,000.00

George F. Duffy, late of 21 Waldo Road, Milton, the sum of \$1,000.00, the income therefrom to be used for "the care of shrubs and flowers on Lot No. 2624 in the Cemetery, said flowers to be placed on said lot from April 13 to September 10th each year."

Katherine A. Kelley Fund

Amount held June 30, 1981 \$1,000.00

The Will of the late Katherine A Kelley of Milton, clause five, provides this Fund, the income of which is to be used for "care and flowers for the family lot."

Charles T. Pierce Fund

Amount held June 30, 1981 \$1,855.83

Charles T. Pierce, late of Brooklyn, N.Y., and Greenwich, Conn., bequeathed to the Milton Cemetery the sum of \$1,000.00, "the income to be used for the care of my family lot."

Mabel Hunt Slater Fund

Amount held June 30, 1981 \$1,000.00

Mary L. Peabody Cemetery Care Fund

Amount held June 30, 1981 \$1,746.54

Ewen MacSwain Fund

Amount held June 30, 1981 \$500.00

Helena B. Schayer Fund

Amount held June 30, 1981 \$1,000.00

Nathaniel T. Kidder Fund

Amount held June 30, 1981 \$73,067.00

The following is an extract from the Will of Nathaniel T. Kidder.

Eighteenth:

"I give and bequeath to the State Street Trust Company . . . the sum of Twenty-five thousand dollars (\$25,000.00) in trust . . . the income only of which shall be paid at such times as the Trustees may from time to time determine, to said Town of Milton for the uses of the Milton Public Library system as the Trustees thereof for the time being may in their absolute discretion determine."

Special Retirement Fund

Amount held June 30, 1981 \$279,941.09

This fund is held by the Town Treasurer in accordance with Chapter 40, Section 5D of the General Laws.

Stabilization Fund

Amount held June 30, 1981 \$99.04

This fund was established by Article 55 at the 1968 Town Meeting and is held by the Treasurer in accordance with Chapter 40, Section 5B of the General Laws.

Governor Stoughton Fund

Amount held June 30, 1981 \$45,397.37

The Governor Stoughton Fund is derived from receipts of the rental of the Town Farm, and is spent only at the direction of the Selectmen for purposes specified in Governor Stoughton's Will.

Helen D. McHardy Fund

Amount held June 30, 1981 \$500.00

Tuell-Hallowell Good Citizenship Prize Fund

Amount held June 30, 1981 \$2,207.94

EXCERPT FROM SCHOOL COMMITTEE RECORDS – September 10, 1923

The Chairman presented to the Committee the following correspondence:

“To the School Committee of the Town of Milton:

“The Tuell Alumni Association herewith present, through your board, to the Town of Milton, the sum of One Thousand Dollars (\$1,000.00) to be held as a fund in perpetuity, and the income thereof to be paid to the School Department and to be used to provide two prizes, one prize to be known as the Hiram Tuell Good Citizenship Prize and to be awarded to the boy in the Senior Class of the Milton High School, who, in the opinion of the faculty of said High School, has shown the highest degree, those qualities that make for good citizenship, the other prize to be known as the Henrietta T. Hallowell Good Citizenship Prize, and to be given to the girl in the Senior Class of the Milton High School, who, in the opinion of the above said faculty, has shown similar qualities.

“The prizes are to be awarded each year at the graduation exercise. If such exercises are omitted for any year, the prizes are to be awarded on some other occasion, near the close of the school year.”

June 2, 1923 Percy E. Sheldon
President, Tuell Alumni Association

For additional gifts to the fund, see report of 1947.

PUBLIC SCHOOLS
MILTON, MASSACHUSETTS
ANNUAL REPORT

of the

SCHOOL COMMITTEE

and the

SUPERINTENDENT OF SCHOOLS

1981

REPORT OF THE SCHOOL COMMITTEE

The School Committee herewith submits its annual report for the school year 1980-1981.

The school year began in a positive manner, with parents, teachers, administrators and School Committee members looking forward to a year of progress.

The November 4th election brought Proposition 2½ which necessitated many changes in the operation of the school system. Prolonged budget sessions with many open meetings were held to develop a budget which would keep the excellent programs of the system, but still stay within the mandates of Proposition 2½. The final budget resulted in the closing of Cunningham Junior High School, moving grade nine to the High School and setting many programs on a self-sufficiency basis such as students' lunch, adult education, summer school and custodian-private work. The walking distances for students were increased and the staff was reduced dramatically in all areas of the school operation. Supply and material accounts were cut below operational levels and maintenance projects were postponed. In spite of these changes we are very optimistic about the future of the Milton Public Schools. There is a strong commitment by the School Committee to continue its efforts to produce a quality educational program.

The goal of upgrading the physical structure of the High School was completed and for the first time in many years all classes in the schools were conducted in normal classroom space. Class sizes were reasonable and the curriculum review was an ongoing operation. In addition, new emphasis on teacher evaluation seemed to be upgrading the instructional methods of our teachers. The California Achievement Testing Program placed our students a year or more above the National norms, with co-ordinators, department heads, principals and central administrators continuing to strive to improve on a very good foundation.

There were six major administrative changes made this year with the following appointments taking place:

Miss Eleanor C. Blaine
Assistant Superintendent for Curriculum and Personnel

Mr. John D. Sheehan
Assistant Superintendent for Business

Mr. Albert J. Sexton
Administrator of Buildings and Grounds

Mr. Allen G. Adams
Principal of Milton High School

Dr. Michael P. Jones
English Department Head

Dr. Anthony M. Roselli
Foreign Language Department Head

We wish to express our sincere appreciation to the Selectmen, Warrant Committee and all other boards and committees in town for their excellent cooperation with the School Committee. We look forward to continued harmony and cooperation on school and town related matters.

Respectfully submitted,

Mary R. Fitzgerald, Chairman
Milton School Committee

REPORT OF THE SUPERINTENDENT OF SCHOOLS

This is my fourth annual report outlining the activities of the school department as Superintendent of Schools covering the period from July 1, 1980 to June 30, 1981.

The school year began with teachers, children and parents excited about a positive future for our schools and children. The School Committee and community had indicated a strong desire to strive towards excellence in every respect of our endeavors with children. The reports by the principals indicate this strong desire to meet the high expectations.

Mr. Allen G. Adams, principal of Milton High School, reports:

"The major item of importance during the 1981-82 school year at Milton High School was the ten year accreditation evaluation by the New England Association of Schools and Colleges. The results of this evaluation will soon be made public.

"Reports of events and accomplishments of each department are as follows:

"The English Department undertook a new summer reading program in which 873 students from grades 7-12 participated. During the High School's accreditation year, the New England Association of Schools and Colleges commended the department of English for its small class sizes, well-defined curriculum, its speech program, writing folder policy, team-taught classes in English and history, its rapport with the Milton Public Library and its highly successful advanced placement course. Members of the English Department have served as advisors of the yearbook, the school newspaper, the literary magazine, the National Honor Society and the senior class.

"During the 1980-81 school year, the Mathematics Department inaugurated an expanded non-college oriented curriculum with the introduction of "Applied" mathematics and "Mathematics for Competency." We also decided to introduce departmental mid-year and final exams. Our honors program continues to grow as witnessed by the approximately 10% of the senior class taking calculus.

"The science program continues to attract pupils at Milton High School with 2 out of 3 pupils in one or more science classes during the past year. The team-taught honors class was successful. Recommendations for curriculum development in specific areas are being studied.

"Enrollment in social studies courses continue to increase. Many students distinguished themselves with outstanding performances in the United States History Advanced Placement Examination. The CEEB Achievement went up 50 points. An extensive vandalism curriculum was developed and implemented.

"The Industrial Arts Department had a very productive year. Some of the major events were developing course outlines, developing an alternative energy course and re-building much of the industrial arts machinery.

"The athletic teams continue to attract large numbers of students. League championships were won by the Boys' Gymnastics Team and the Girls' Softball Team. The Boys' Gymnastics Team went on to win the State Team Championship.

"Over 250 students received their Heart Association Card for the High School. This was for passing the Cardio-Pulmonary Resuscitation course.

"A music lesson program for instrumentalists was initiated at the junior and senior high level with over 30 students taking advantage of the program. Students from the High School band and chorus represented Milton High School at the Southeast District Music Festival and special honors to Gail Parsloe and Jeff Ashur for their participation in the All-Eastern Music Festival held in New York.

"The band and chorus participated at many school and community functions and ended their season with a Concert on the Green at the Town Hall for the community.

"The greatest accomplishment in the Business Department this year, with the help of a Federal grant, was to introduce Word Processing to the students of the Type II and Office Practice classes. They used their skill on some time-saving typing for the Student Government taking over the correspondence for "Graduate of the Year".

"Milton High received a commendation from Scholastics Inc. for National Achievement in Art. High School art students excelled in Annual Globe Scholastic Art Awards. Two Milton High art students won scholarships from the South Shore Art Center Competition. High School art students attended special art classes at Massachusetts College of Art, Boston University and the Art Institute of Boston. The 11th Annual Art Fair was held in the spring and was again a great success. Guest artists were invited to speak to art classes. The Art Department was involved in service to the community as they judged art contests, locally and in Boston. They also provided signs and posters for local organizations and cooperated with and participated in local contests. The Art Department also interacted with other staffs such as the Yearbook, the School Magazine, the School Productions and Camp Wing."

Mr. Cornelius J. McIntire, principal of Pierce Junior High School, reports:

"An outstanding effort by a dedicated and energetic staff at the Pierce Junior High School made it possible to have a very successful 1980-81 school year even though the year itself was filled with uncertainties about budget restrictions and the loss of jobs that threatened many individuals. The support and encouragement of the Parent-Teachers Organization was most helpful during such difficult times.

"Curriculum offerings were increased by adding Typewriting I and Academic Typewriting to the list of electives available in grade nine. This was made possible by sharing a teacher from the Business Department with the Cunningham Junior High School.

"The development of the science program continued so that students with a strong aptitude in that field may now cover the normal seventh, eighth and ninth grade program of life, earth and physical science in two years and then elect biology in grade nine. As a result there is a greater opportunity to elect advanced science courses in grades ten, eleven and twelve.

"In September 1980 Mr. Michael McLaughlin was appointed to the position of Assistant Principal at Pierce Junior High to replace Mr. William Stefaney who became the Elementary School Science Coordinator for the Town of Milton.

"Mr. McLaughlin took on his new duties with great enthusiasm and he applied ideas from his excellent background and experience to help create the best possible learning experience for the students.

"There were several significant improvements to the building during the 1980-1981 school year. This was particularly true in the physical education area where glass brick walls were removed and insulated walls were put in their place. A new insulating roof and an energy-efficient lighting system were also installed in the gymnasium and new, more efficient oil burners were installed."

Mr. Chester W. Ruggles, principal of Collicot School, reports:

"Our report for the past three years has focused on achievement in reading, language and mathematics. Achievement testing this year centered on grades three and five in May of 1981. The median score as reported in grade equivalents is the basis used for determining the performance of each grade level when compared to a norm or score achieved by that grade level on a national basis. The median scores for grade three exceeded the national norm 1.2 years in total reading, 2.4 years in total language. .9 years in total mathematics and 2.3 years in spelling. The median scores for grade five exceeded the national norm by 2.3 years in total reading, 3.5 years in total language, 1.4 years in total mathematics and 2.8 years in spelling.

"We are pleased with the results of the testing and pledge to continue our efforts to increase the effectiveness of our teaching. However, we must add that the constant communication between parents and teachers and the predominance of strong support for the education of our children play a vital role in our achievement.

"The Collicot School Parent-Teacher Organization has sponsored three cultural presentations during the year. "Aladdin and His Magic Lamp," "Bartholomew's Fair," and the "Spectrum Percussion Trio" gave all of our youngsters exposure to and appreciation of our heritage of literature, drama and music. This is typical of the support to our program of that organization. They also provided trophies and awards for our athletic program as well as the medals and engraving for the Principal's Award and gifts of learning games for each classroom.

"Field trips included Drumlin Farms, New England Aquarium, Children's Museum, Chickatawbut, Berklee Performance, "Babes in Toyland," Next Move Theater, "Emile and the Detective," South Shore Science Center and Heritage Plantation.

"Other special in-school programs were presented by the school nurse and doctor (Eliane O'Brien and Dr. Anthony F. Bonacci, M.D.), the National Humane Society film "Snuffy and the Fire Engine" for Fire Prevention Week and a number of short and full-length dramatic productions by the students for the students.

"Boating safety courses were conducted for all grade six pupils of the Milton Public Schools and the primary grade pupils at Collicot School. Again, our appreciation is expressed for the parent volunteers who lend extra eyes for the noon playground supervision under the direction of our teacher aides."

Miss Mary B. Schofield, principal of Glover School, reports:

"The United Nations has declared 1981 the International Year of the Disabled Persons. Recent studies have shown that the fourth grade level is where fears and anxieties toward handicapped people are beginning to develop. These fears, if not dealt with, could eventually erupt into prejudices. In order to sensitize fourth graders to all disabled persons, an educational program called "Understanding Handicaps" was presented during this school year at Glover School.

"What made this program so unique and successful was that it was taught to the children by Glover parents under the direction of Betty Hourihan and Joan McDonald from VIS - Volunteer Information Agency. Glover parents prepared lessons and materials for each segment of the program. Their presentations were excellent and the children responded to them enthusiastically.

"The program was divided into five sessions which dealt with the following handicaps — cerebral palsy, blindness, deafness, retardation and epilepsy. Though the sessions differed greatly in content, they all involved four basic components — simulation activities, exposure to aids and appliances, books and films and class discussion.

"My most sincere thanks to all of our volunteers and to the members of VIA for the outstanding program they presented to our children. This program was a success not only because of the education afforded to the children but also because of the participation of the Glover parents."

Mr. Robert G. Connolly, principal of Pierce Elementary School, reports:

"The Parent-Teacher Association and the Parent Council continue to support the efforts of our fine staff of teachers in working with children.

"We continue to evaluate programs and procedures in the major area of reading instruction. We use the Open Court Reading Program as the basic series at the primary grade level and the Holt Reading System as the basic program at the intermediate level. Where and when necessary, we supplement with the Holt and the Benziger Metro Series as alternative

reading programs in the primary and intermediate grades respectively so as to most effectively meet the needs of children at all grade levels. Children who need supportive help are taught by resource teachers in programs closely coordinated with their classroom instruction. Resource days are scheduled one day each month so as to enable resource teachers and the regular classroom teachers to confer regarding the progress of children in special help programs.

"Several favorable physical changes in the building recently involved the further separation of the Pierce Elementary and the Pierce Junior High Schools. The school office has been changed to an area which is centrally located in the elementary school. The library has been moved from the lower level to the second floor making it more accessible to the children. One of our excellent kindergarten rooms, available because of the declining enrollment, is now being used as a first grade classroom. We currently operate almost completely separated from the Pierce Junior High School in an elementary school atmosphere which is much more conducive to learning for the young children in grades kindergarten through six."

Mr. Frank Guarino, Jr., principal of Tucker School, reports:

"Continued emphasis was placed on the basic skills in the language arts with the introduction of the new Holt Reading and Management program. This program, along with the California Achievement Test results, was used to help the teachers identify individual pupil strengths and weaknesses to more effectively individualize instruction.

"A pilot program was set up for the screening of our incoming kindergarten pupils. A team approach was used involving the diagnostic specialist, kindergarten teachers, special needs teachers, speech pathologist, school nurse and principal. The team reviewed the screening results of each child and set up a procedure for follow-up with parents and pupils.

"With classroom space made available through declining enrollment, we were able to introduce the Resource Room concept to our Special Needs Program. This allowed us to take the reading specialist, learning disability specialist and special needs aides, who were working in different areas of the school, and have them work together in one large classroom where they could pool their resources in working with special needs pupils.

"A student council was organized to give students an opportunity to discuss their concerns and ideas for improvement of the general life of the school and to organize student activities. The student council has two elected representatives from each classroom, grades three to six, and organized a Costume Day and a Talent Show.

"The Tucker School P.T.O. continued to be active in school affairs and supportive of our programs. They conducted the Tucker Fair as a major activity and used the proceeds to help sponsor the sixth grade outdoor education program at Camp Wing, cultural enrichment programs in the school and a Drug and Alcohol Awareness Program for parents and pupils."

As for the Cunningham Junior High School, a smooth and effective opening ended with the activities which characterize the closing of a school. The academic program paralleled the work at Pierce Junior High with the California Achievement Test results showing excellent results of the teacher/pupil efforts.

Parents, teachers, administrators and students worked hard during the last four months of school under trying circumstances. In spite of this pressure the school was highly efficient and effective right up to the closing of its doors on June 26th.

As these reports indicate, teachers, department heads and other administrators worked diligently to maintain the high quality of our educational program. The spirit of harmony and cohesiveness which has evolved can have a profound effect on the level of productivity and satisfaction for staff and students.

Our achievement test results clearly indicate an upward trend in the mastery of basic skills. A determined effort has been made to move the quality of our programs from excellent to outstanding and this team approach by parents and staff seemed to have given a better image to our schools. The academic programs are under constant scrutiny by administrators and teachers to capitalize on our strengths and eliminate our weaknesses. A very frank and open communications program with parents on our activities has resulted in a better understanding of the system and increased support for our efforts.

The stated goal of the Superintendent of Schools is to have outstanding programs for every level of school activities for our students. Stated in another manner, the students in the Milton Public Schools should receive educational opportunities commensurate with their ability and at a level which would be considered outstanding in any educational institution, public or private. The staff and parent groups have supported this philosophy during the past year. Obviously, Proposition 2½ has thrown barriers across our path to achieving our goal. However, the School Committee made some hard decisions to keep quality education vs. special services. Monies saved by closing the Cunningham Junior High and moving the ninth grade to the High School building were used to maintain the high quality of our educational programs. This commitment by the School Committee seemed to encourage our staff to work diligently with a spirit of harmony and cohesiveness to overcome the lack of financial support. The reduction of approximately forty (40) staff members in addition to inadequate funding for supplies and materials has been handled in a very professional manner by our staff. School busing has been reduced and programs such as lunches, adult education, driver education, summer school and custodian-private work have been set on a policy of self-sufficiency.

A sincere thank-you goes out to the Booster's Club for its contribution in both manpower and monies to help our athletic program survive, albeit at a reduced level.

Special thanks go out to Miss Eleanor C. Blaine, Mr. John D. Sheehan and Mr. Albert J. Sexton for their untiring work in making the necessary decisions relative to massive budget reductions. Miss Blaine handled the many Civil Service, contractual and State laws pertaining to Reduction In Force in a very professional manner. Mr. Sheehan produced many different budget alternatives for the School Committee and community to consider and Mr. Sexton met the challenge of maintaining and cleaning our buildings with inadequate funding.

The professional staff was involved in many curriculum study areas including the Middle School, Gifted & Talented, Language Arts and Mathematics programs. Their spirit was dampened but not beaten giving my administration hope that we can continue striving for excellence.

During the 1980-1981 school year the following staff members retired from work. Their dedication to the children of Milton is greatly appreciated.

Polyanna Andem	English Teacher/Department Head
Carroll N. Colby	Social Studies Teacher
Elizabeth M. Johnston	Business Teacher
Anna McGlynn	Cafeteria Manager
Eileen Mullin	Cafeteria
Ruth O'Neill	Cafeteria
Thomas P. F. Taylor	Senior Custodian
Marian V. Todesca	Home Economics Teacher

Sadly, Mr. David C. Carger, Jr., Maintenance Foreman, and Mr. Walter P. Green, Senior Custodian at Glover School, passed away during the school year. They will be remembered for their fine work and the pleasant manner in which they worked with colleagues and children.

REPORT OF THE SCHOOL COMMITTEE

The work of the parent groups on behalf of the education of their children is appreciated. Many volunteers in our schools have helped to provide quality service. The School Committee members, in particular, have my sincere thanks for their efforts in providing a sound base on which to build an outstanding educational program.

Respectfully submitted,

Frank J. Giuliano, Jr.
Superintendent of Schools

MARCH MEETING

MILTON TOWN RECORDS IN MUNICIPAL YEAR 1982 1982 MARCH MEETING WARRANT

Commonwealth of Massachusetts)
County of Norfolk) ss.

To any of the Constables of the Town of Milton in said County:
GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and Town affairs, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

In Precinct 1.	Tucker School Hall, Blue Hills Parkway
In Precinct 2.	St. Mary of the Hills School Hall, Brook Road
In Precinct 3.	Milton-Hoosic Clubhouse, Central Avenue
In Precinct 4.	Basement Playroom, rear of Pierce Elementary School, Gile Road
In Precinct 5.	Gymnasium, Pierce Junior High School, Gile Road
In Precinct 6.	Gymnasium, Cunningham Junior High School, Edge Hill Road
In Precinct 7.	St. Agatha's School, Adams Street
In Precinct 8.	Kindergarten Room, Collicot School, Edge Hill Road
In Precinct 9.	Gymnasium, Pierce Junior High School, Gile Road

on Saturday, March sixth next, at eight o'clock in the forenoon, then and there to bring in to Precinct Officer of their respective Precincts their votes on one ballot respectively for the following named Town officers, to wit:

Three Selectmen and Surveyors of the Highway for the term of One Year.
A Town Moderator for the term of One Year.
A Town Clerk for the term of Three Years.
One Assessor for the term of Three Years.
A Town Treasurer for the term of One Year.
One Member of the Regional Vocational School Committee for the term of Two Years.
One Member of the Regional Vocational School Committee for the term of One Year.
Two Members of the School Committee for the term of Three Years.
One Park Commissioner for the term of Three Years.
One Member of the Board of Health for the term of Three Years.
Three Trustees of the Public Library for the term of Three Years.
One Trustee of the Public Library for the term of Two Years.
One Trustee of the Cemetery for the term of Five Years.
One Member of the Housing Authority for the term of Five Years.
One Member of the Planning Board for the term of Five Years.
Ninety-seven Town Meeting Members to be elected as follows:

Precinct 1.	Eleven for Three Years.
Precinct 2.	Eleven for Three Years. One for Two Years. One for One Year.
Precinct 3.	Ten for Three Years.
Precinct 4.	Eleven for Three Years. One for Two Years.
Precinct 5.	Nine for Three Years. One for One Year.
Precinct 6.	Ten for Three Years.
Precinct 7.	Nine for Three Years.
Precinct 8.	Twelve for Three Years.
Precinct 9.	Ten for Three Years.

MARCH MEETING

Also to vote on the acceptance of the following Questions:

QUESTION NO. 1

INDEMNIFICATION OF PUBLIC OFFICIALS

Shall the Town vote to accept the provisions of section thirteen of Chapter two hundred and fifty-eight of the General Laws which provides that the Town shall indemnify and save harmless municipal officers, elected or appointed, from personal financial loss and expense including reasonable legal fees and costs, if any, in an amount not to exceed one million dollars, arising out of any claim, demand, suit or judgment by reason of any act or omission except an intentional violation of civil rights of any such act or omission was acting within the scope of his official duties or employment?

YES

NO

QUESTION NO. 2

SALE OF WOLLASTON RECREATIONAL FACILITY

This Question is not Binding

Do you approve of the sale of the Wollaston Recreational Facility, also known as the Wollaston Golf Course in Norfolk County by the County Commissioners?

YES

NO

For these purposes the polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

And thereupon by adjournment of said meeting on the following Saturday, to wit, March thirteenth next, at one o'clock in the afternoon at the Milton High School Auditorium, 391 Brook Road in said Milton, then and there to act upon the following Articles, to wit:

Articles 1 through 48 inclusive appearing in regular type on page 8 through 52.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned by posting attested copies of the Warrant in each of the Post Offices of said Town seven days at least before the sixth day of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of the Warrant with your doings thereon to the Town Clerk, on or before said sixth day of March, next.

Given under our hands at Milton the eighteenth day of February, Nineteen hundred and eighty-two.

(Signed)

WALTER F. TIMILTY
JOHN P. LINEHAN
JAMES D. COLT
Board of Selectmen

MARCH MEETING

Commonwealth of Massachusetts)
County of Norfolk) ss.

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the Post Offices of the Town and leaving attested copies at the dwellings of the inhabitants.

Warrants were posted on February 26, 1982 and delivered to the inhabitants on February 26, 1982.

(Signed) BERNARD J. LYNCH, III
Constable of Milton

STATISTICS -- MARCH 6, 1982 -- TOWN ELECTION

PRECINCTS	1	2	3	4	5	6	7	8	9	Total
Registered Voters	1955	2041	2131	1831	1732	2082	1845	2133	1897	17,647
Total Vote Cast	671	850	1062	976	695	972	933	1050	883	8,092
Time Received	12:45 A.M.	1:20 A.M.	3:20 A.M.	3:15 A.M.	1:35 A.M.	3:30 A.M.	12:22 A.M.	1:10 A.M.	1:20 A.M.	
Percentage of Vote Cast	34.3	41.6	49.8	53.3	40.1	46.6	50.5	49.2	46.5	45.8

The Town Clerk, upon receipt of the returns from the several precincts, forthwith canvassed the same and announced the results at 5:00 A.M. March 7, 1982

At the Town Election, held Saturday, March 6, 1982, Milton has the following number of Absentee Ballots:

PRECINCTS	1	2	3	4	5	6	7	8	9	Total
Applications Received	18	25	48	28	33	21	15	18	23	229
Ballots Cast	16	22	46	26	29	17	15	16	22	209

Of the total ballots cast 130 were cast in person by the voter in the Town Clerk's Office and 79 were cast by mail. Twenty (20) ballots that were mailed were not returned.

The Absentee Ballots were distructured to the Precincts before the close of the polls. The Wardens put them through the Ballot Boxes and they were counted with the ballots cast in the Precincts.

JAMES G. MULLEN, JR.
Town Clerk

ADJOURNED TOWN MEETING
MARCH 13, 1982

The Town Meeting held at the High School Auditorium was opened at 1:16 P.M. by the Moderator, Charles C. Winchester.

The Town Clerk, James G. Mullen, Jr., informed the Moderator that a quorum was present.

The Moderator introduced Monsignor Thomas J. Finnegan, Jr., of St. Elizabeth's Church who delivered the invocation.

The Moderator announced that no Town Meeting Members had died since the Special Town Meeting held November 16, 1981.

The Town Meeting Members stood and were sworn in by the Town Clerk, James G. Mullen, Jr.

The following seventeen Town Meeting Members were absent:

PRECINCT ONE:	John R. Avery William P. Carrigan Andrew J. Donahue, III Harold Goldie	Alan L. Levant Robert P. Reed Christopher J. Tingus
PRECINCT TWO:	All Present	
PRECINCT THREE:	All Present	
PRECINCT FOUR:	Leo P. O'Keefe

PRECINCT SIX:	Charles F. Collins, Jr. Charles R. Duffy	Brendan E. Fanning Daniel F. Marr
PRECINCT SEVEN:	Joseph J. Mullen	
PRECINCT EIGHT:	Albert J. Murphy	George F. Murphy
PRECINCT NINE:	Harry E. Carlson	

Town Meeting Member Joseph E. McEttrick offered the following resolution:

WHEREAS the people of the Town of Milton feel a sense of outrage at the desecration committed at Congregation B'nai Jacob on March 7th, 1982; and

WHEREAS the people of the Town regard this contemptible attack upon a place of worship as an assault upon the Milton community as a whole; and

WHEREAS the people of the Town intend to express their deepest concern to the Jewish community and to all the people of the Commonwealth;

NOW, THEREFORE, we, the Town Meeting Members of the Town of Milton, in session assembled, do hereby condemn this attack upon our common values and heritage, and do hereby express our sense of loss and sympathy to Rabbi Nathan Korff and to the Congregation B'nai Jacob.

VOTED. The Town voted YES.

Submitted by the Board of Selectmen

VOTED. The Town voted YES.

UNANIMOUS VOTE

The Moderator recognized Town Meeting Member Francis F. Brooks who paid tribute to former Moderator

ROBERT K. LAMERE

Town Meeting Member

Warrant Committee Member
Moderator from 1960 to 1982

Personnel Board Member

Mr. Lamere addressed the meeting briefly and reminisced about some of his experiences.

The Town Meeting Members gave Mr. Lamere a standing ovation.

Chairman of the Board of Selectmen and Town Meeting Member John P. Linehan then paid tribute to former Selectman

JAMES D. COLT

Mr. Colt served as a Member of the Board of Public Welfare, Warrant Committee Chairman, and still serves as a Town Meeting Member.

Mr. Colt served with distinction as a Member and Chairman of the Board of Selectmen from 1973 to 1982.

Mr. Colt addressed the meeting briefly, thanking the members for their support over the years.

MARCH MEETING

The Town Meeting Members gave Mr. Colt a standing ovation.

Town Meeting Member Joseph C. Mahoney made a motion which was seconded to postpone action on Article 35 until after Article 14 at the June 7, 1982 meeting.

VOTED. The Motion was defeated on a Voice Vote.

ARTICLE 35. To see if the Town will vote to authorize the Board of Selectmen in the name and behalf of the Town to purchase or take by eminent domain, for municipal and conservation purposes, the fee in all or any portion of the parcel of land, situated generally between Randolph Avenue, the Sanitary Landfill, the access road to the Sanitary Landfill and the Metropolitan District Commission Reservation and bounded and described as follows:

NORTHERLY	by Randolph Avenue, 774.68 feet, more or less;
NORTHEASTERLY	by Access Road, 365 feet, more or less;
SOUTHEASTERLY	by land marked Town of Milton, 1,313.04 feet, more or less;
SOUTHWESTERLY	by land marked Town of Milton, 146.05 feet, more or less;
SOUTHEASTERLY	by land marked Town of Milton, 1,131.83 feet, more or less;
SOUTHWESTERLY	by land marked Town of Milton, 235.15 feet, more or less;
NORTHWESTERLY	by land marked John H. Hughes, 1,155 feet, more or less;
SOUTHWESTERLY	by land marked John H. Hughes, 488.93 feet, more or less; and
NORTHWESTERLY	along a cart road, by land marked Metropolitan District Commission, 878.88 feet, more or less.

and containing 29.77 \pm acres; all as shown on a plan of land entitled "Plan of Land in Milton, Ma." dated November 15, 1980, drawn by Norwood Engineering Co., Inc., which plan was recorded in the Norfolk Registry of Deeds on December 15, 1980 in Plan Book 286, Plan No. 1068, a copy of which is on file in the office of the Town Engineer; to appropriate money to acquire the same; to determine how said appropriation shall be raised whether by borrowing or otherwise; to authorize the Conservation Commission to seek reimbursement under the provisions of Mass. G.L. Chapter 132A, Section 11 and to enter into any contracts required in connection with said reimbursements and to act on anything relating thereto.

Submitted by the Board of Selectmen

VOTED. The Town voted YES, that the sum of \$90,000.00 be appropriated and that to meet said appropriation the sum of \$3,250.00 be transferred from the Pine Tree Brook Watershed Land Taking Account (Article 44 of 1968), the sum of \$2,448.66 be transferred from the Sale of Land Account and the sum of \$4,301.34 be transferred from the Conservation Fund; the Town Treasurer, with the approval of the Board of Selectmen, be authorized to borrow the sum of \$80,000.00 under and pursuant to the provision of General Law, Chapter 44 Section 7, Clause 3 as amended and under any other applicable provisions of law; and that the uses of said parcel be designated with 6 acres more or less for Municipal purposes and 23.7 acres more or less for Conservation purposes as shown on the plan entitled "Proposed Acquisition of Land for Municipal and Conservation Purposes Abutting Disposal Area," which plan is on file at the Office of the Town Engineer.

UNANIMOUS VOTE

ARTICLE 36. To see if the Town will vote to accept from Mr. Roger Turner a gift of a certain parcel of land at the entrance to Turner's Pond for park purposes, said parcel contains 5,500 square feet of land, more or less, and is shown as Lot A on a Plan entitled "Plan of Land, Milton, Massachusetts," dated January 29, 1955 by H. M. Fletcher, a copy of which is on file in the office of the Town Engineer; and to act on anything relating thereto.

Submitted by the Board of Selectmen
and Board of Park Commissioners

VOTED. The Town voted YES.

UNANIMOUS VOTE

ARTICLE 37. To see if the Town will vote to amend Chapter 10 of the General Bylaws known as the Zoning Bylaws as follows: amend Section VI by adding the following subsection M immediately following subsection L.

M. Open Space Development Special Permit

The purpose of this subsection M is to permit large parcels of land in Residence Districts A, B. and C to be divided into single family residential lots of 4 acres or more without the requirement of frontage on a public way, to preserve the residential character of the Town and to preserve open space in the Town.

No Open Space Development shall be established except under a special permit issued by the Planning Board as provided in this subsection M.

Properties meeting the following requirements shall be eligible for an Open Space Development special permit:

1. Parcels of not less than 10 acres of buildable land. For the purposes of this subsection M, buildable land shall not include land which in the opinion of the Planning Board is unsuitable for use as buildable land because it is wet, swampy, dangerous, or otherwise unsuitable for the construction of dwelling units or subject to rights or easements inconsistent with purposes of buildable land in an Open Space Development.
2. Each proposed lot in the development shall contain 4 acres or more.
3. Only one single-family home will be permitted on each lot.
4. All new buildings or additions shall be set back 30 feet from other buildings and lot lines.
5. All buildings shall be set back 30 feet from new lot lines.
6. All new buildings shall be set back 30 feet from major private driveways within the development. For the purposes of this subsection M, major private driveways describes the portion of the private driveways that runs by the individual homes as opposed to the section of driveways that run toward the homes and terminate at the garage or what would be the garage area. Each development shall have a major driveway that begins at a public way.
7. Height limitations shall be the same as for buildings in a Residence A, B or C district.
8. All new utilities including wiring for lights shall be underground.
9. Proper easements shall be provided for all driveways and utilities.
10. Every application for an Open Space Development permit shall be filed with the Planning Board. The application and all required plans, drawings and documents shall be filed in duplicate and shall include samples of all instruments on which the developer intends to rely to assure compliance with Subsection M. Plans and drawings shall be prepared by or under the direction of a Registered Professional Engineer and Registered Land Surveyor, stamped or sealed accordingly, and shall comply with all applicable rules of the Planning Board. The plans shall show all buildings and structures within 50 feet of the parcel.

MARCH MEETING

11. The Planning Board shall take into account that every Open Space Development involves long term planning with respect to ten or more acres of land, and the Board shall issue a permit for such a development only if it is satisfied that the plan presented for approval is financially practical and will in reasonable probability be completed. The Board may set time limits for completion of parts of and the whole of an Open Space Development, and determine the order of construction.
12. After an Open Space Development permit has been issued, lines of buildable lots, the uses of common land thereon may be changed upon petition to the Planning Board and a public hearing, provided that the proposed change or changes do not substantially derogate from the intent and purpose of this Subsection M.
13. The provisions of this Subsection M shall be construed as being additional to and in substitution for all other provisions of Section VI, except Subsections E., F. and G. Otherwise Open Space Developments shall be subject to all other provisions of this bylaw where the intent and context permit.

and to act on anything relating thereto.

Submitted by the Planning Board

VOTED. The Town voted YES.

UNANIMOUS VOTE

ARTICLE 38. To see if the Town will vote to amend the General Bylaws by adding thereto a new chapter as follows: Chapter 15 – General Wetlands Bylaw.

SECTION 1: APPLICATION

The purpose of this bylaw is to protect the wetlands of the Town of Milton by controlling activities deemed to have a significant effect upon wetland values, including but not limited to the following: public or private water supply; aquifer and groundwater protection; flood, erosion and sedimentation control; storm damage and water pollution prevention; the protection of fisheries, shellfish and wildlife; recreation and aesthetics (collectively, the “interest protected by this Bylaw”).

No person shall remove, fill, dredge, alter or build upon or within one hundred feet of any bank, fresh water wetland, coastal wetland, beach, dune, flat, marsh, meadow, bog, swamp, aquifer or upon or within one hundred feet of lands bordering on the ocean or upon or within one hundred feet of any estuary, creek, river, stream, pond or lake, or upon or within one hundred feet of any land under said waters or upon or within one hundred feet of any land subject of tidal action, coastal storm flowage, flooding or innundation, or within one hundred feet of the 100-year storm line, other than in the course of maintaining, repairing or replacing but not substantially changing or enlarging, an existing and lawfully located structure or facility used in the service of the public and used to provide electric, gas, water, telephone, telegraph and basic telecommunication services, or, in the course of practicing agriculture, forestry or the maintenance of property, essentially in its existing condition, so long as these activities are not detrimental to the interests protected by this Bylaw without filing written application for a permit so to remove, fill, dredge, alter or build upon, including such plans as may be necessary to describe such proposed activity and its effect on the environment, and receiving and complying with a permit issued pursuant to this Bylaw.

Such application may be identical in form to a Notice of Intention filed pursuant to Mass. Gen. Laws Ch. 131, Sect. 40, shall be sent by certified mail to the Milton Conservation Commission (the “Commission”) and must be filed concurrently with or after applications for all other variances and approvals required by the Zoning Bylaw, the Subdivision Control Law or any other bylaw or regulation have been obtained. The Commission shall

MARCH MEETING

set a filing fee by regulation, but no filing fee is required when the Town of Milton files an application for a permit. Copies of the application shall be sent at the same time, by certified mail, to the Town Engineer, the Board of Selectmen, the Planning Board and the Board of Health. Upon written request of any person, the Commission shall, within twenty-one days, make a written determination as to whether this Bylaw is applicable to any land or work thereon. When the person requesting a determination is other than the owner, notice of the determination shall be sent to the owner as well as to the requesting person.

SECTION 2: HEARING

The Commission shall hold a public hearing on the application within twenty-one days of its receipt. Notice of the time and place of the hearing shall be given by the Commission at the expense of the applicant, not less than five days prior to the hearing by publication in a newspaper of general circulation (Milton) and by mailing a notice to the applicant, the Town Engineer, the Board of Health, Board of Selectmen, Planning Board and to such other persons as the Commission may by regulation determine. The Commission, its agents, officers, and employees may enter upon privately owned land for the purpose of performing their duties under this bylaw.

SECTION 2.1: PERMIT AND CONDITIONS

If, after the public hearing, the Commission determines that the area which is the subject of the application is probably significant to the interests protected by this Bylaw, the Commission shall, within twenty-one days of such hearing, or such further time as the Commission and the applicant shall agree upon, issue or deny a permit for the work requested. If it issues a permit after making such determination, the Commission shall impose such conditions as it determines are necessary or desirable for protection of those interests, and all work shall be done in accordance with those conditions. If the Commission determines that the area which is the subject of the application is not significant to the interests protected by this Bylaw, or that the proposed activity does not require the imposition of conditions, it shall issue a permit without conditions within twenty-one days of the public hearing. Permits shall expire one year from the date of issuance, unless renewed prior to expiration, and all work shall be completed prior to expiration.

SECTION 3: EMERGENCY PROJECTS

This Bylaw shall not apply to any emergency project as defined in Mass. Gen. Laws Ch. 131, Sect. 40.

SECTION 4: PRE-ACQUISITION VIOLATION

Any person who purchases, inherits or otherwise acquires real estate upon which work has been done in violation of the provisions of this Bylaw or in violation of any permit issued pursuant to this Bylaw shall forthwith comply with any such order or restore such land to its condition prior to any such violation; provided, however, that no action, civil or criminal, shall be brought against such person unless commenced within three years following the date of acquisition of the real estate by such person.

SECTION 5: REGULATIONS

After due notice and public hearing, the Commission may promulgate rules and regulations to effectuate the purposes of this Bylaw. Failure by the Commission to promulgate such rules and regulations or a legal declaration of their invalidity by a court of law shall not act to suspend or invalidate the effect of this Bylaw.

SECTION 6: BURDEN OF PROOF

The applicant shall have the burden of proving by a preponderance of the credible evidence that the work proposed in the application will not harm the interest protected by this Bylaw. Failure to provide adequate evidence to the Commission supporting a determination that the proposed work will not harm the interest protected by this Bylaw shall

be sufficient cause for the Commission to deny a permit or grant a permit with conditions, or, in the Commission's discretion, to continue the hearing to another date to enable the applicant or others to present additional evidence.

SECTION 7: DEFINITIONS

The following definitions shall apply in the interpretation and implementation of this Bylaw.

SECTION 7.1

The Term "person" shall include any individual, group of individuals, association, partnership, corporation, company, business organization, trust, estate, the Commonwealth or political subdivision thereof to the extent subject to town bylaws, administrative agencies, public or quasi-public corporations or bodies, the Town of Milton, and any other legal entity, its legal representatives, agents or assigns.

SECTION 7.2

The term "alter" shall include, without limitation, the following actions when undertaken in areas subject to this Bylaw:

- (a) Removal, excavation or dredging of soil, sand, gravel or aggregate materials of any kind;
- (b) Changing drainage characteristics; flushing characteristics, salinity distribution, sedimentation patterns, flow patterns and flood retention characteristics;
- (c) Drainage or other disturbance of water level or water table;
- (d) Dumping, discharging or filling with any material which may degrade water quality;
- (e) Driving of piles, erection of buildings or structures of any kind;
- (f) Placing of obstructions whether or not they interfere with the flow of water;
- (g) Destruction of plant life, including cutting of trees;
- (h) Changing of water temperature, biochemical oxygen demand or other physical or chemical characteristics of the water;
- (i) Any activity, change or work which pollutes any stream or body of water, whether located in or out of the Town of Milton.

SECTION 7.3

The term "banks" shall mean that part of land adjoining any body of water which confines the water.

SECTION 7.4

The Commission may adopt additional definitions not inconsistent with this Section 7 in its regulations promulgated pursuant to Section 5 of this Bylaw.

SECTION 8: SECURITY

The Commission may require, as a permit condition, that the performance and observance of other conditions be secured by one or both of the following methods:

- (a) By a bond or deposit of money or negotiable securities in an amount determined by the Commission to be sufficient and payable to the Town of Milton;

- (b) By a conservation restriction, easement or other covenant running with the land, executed and properly recorded (or registered, in the case of registered land).

SECTION 9: ENFORCEMENT

Any person who violates any provisions of this Bylaw or of any condition or a permit issued pursuant to it shall be punished by a fine of not more than \$300. Each day or portion thereof during which a violation continues shall constitute a separate offense; if more than one each condition violated shall constitute a separate offense. This Bylaw may be enforced pursuant to Mass. Gen. Laws Ch. 40, Sect. 21 D, by a Town police officer or other officer having police powers. Upon request of the Commission, the Board of Selectmen and Town Counsel shall take legal action as may be necessary to enforce this Bylaw and permits issued pursuant to it.

SECTION 10

The Conservation Commission may, if a majority of its members deem it necessary in order to make a decision before issuing a permit, order investigation, engineering, hydrogeological or other review of the filing and/or the site. No investigation or engineering, hydrogeological or other study and review shall commence until such time as the applicant has agreed in writing to the specified study and/or review costs and terms of payment. Selection of a consultant to perform a required study shall be subject to approval of the Conservation Commission. Each permit issued under this article shall be held by the Conservation Commission or its designated agent until such time as the Commission is in receipt of a statement by the consultant that the fee has been paid or other satisfactory arrangement has been made. Prior to receipt of a wetlands and watershed resource protection permit under this article, the applicant shall pay the associated costs of investigation, engineering, hydrogeological, or other review which is deemed necessary by a majority of the Conservation Commission members in order for the Conservation Commission to make a decision to issue said permit.

and to act on anything relating thereto.

VOTED. The Town voted YES on a Voice Vote.

ARTICLE 1. To see what sum of money the Town will vote to appropriate, to be added to the appropriation for FY 1982, for the purpose of the energy conservation project set forth in Article 6 of the Warrant for the June 23, 1980 Special Town Meeting, and to act on anything relating thereto.

VOTED. The Town on a Voice Vote appropriated the sum of \$600,000.00 be transferred from available funds for the purpose of funding the energy conservation project set forth in Article 6 of the June 23, 1980 Special Town Meeting.

The Special Town Meeting dissolved at 8:10 P.M.

††††††††††

**ADJOURNED TOWN MEETING
JUNE 7, 1982**

The Town Meeting held at the High School Auditorium was opened at 8:15 P.M. by the Moderator Charles C. Winchester.

ARTICLE 26. To see if the Town will authorize the Board of Selectmen to establish from time to time just and equitable annual charges for the use of common sewer and to take any other action with reference thereto.

Submitted to the Study Committee established under Chapter 38 of the 1981 Town Meeting Warrant.

VOTED. The Town on a Voice Vote voted to authorize the Board of Selectmen to establish annual charges for the use of common sewers; that said user charge system shall be based on actual use as measured by metered water consumption or other reliable direct measure of discharge into the sewer system; that funds collected as such charges shall be applied only to the payment of debts related to sewer purposes including but not limited to (i) the payment of the cost of operation, maintenance and repair of sewers, (ii) the purchase of new equipment, (iii) the financing of capital improvements and debt service, and (iv) the satisfaction of Metropolitan District Commission sewer assessments and debt service.

ARTICLE 31. To see if the Town will vote to amend Chapter 6 of the General Bylaw by adding a new section as follows:

Section 39. Burglar Alarm Systems

A. Definitions

PREAMBLE — It is determined that the number of false alarms being made to the Police Department hinder the efficiency and lowers department morale. This situation constitutes a danger to the general public, homeowners, businesses and the police. The adoption of this by-law will reduce the number of false alarms and promote the responsible use of alarm devices in the Town of Milton.

1. The term "Burglar Alarm System" means an assembly of equipment and devices or a single device such as a solid state unit which plugs directly into a 110 volt AC line, arranged to signal the presence of a hazard requiring urgent attention and to which police are expected to respond. Fire Alarm systems and alarm systems which monitor temperature, smoke, humidity or any other condition not directly related to the detection of an unauthorized intrusion into a premises or an attempted robbery at a premises are specifically excluded from the provisions of this by-law. The provisions of Section C of this by-law shall apply to all users.

2. The term "False Alarm" means (a) the activation of an alarm system through mechanical failure, malfunction, improper installation or negligence of the user of an alarm system or his employees or agents; (b) any signal or automatic dialing device transmitted to the Police Department requesting or requiring or resulting in a response on the part of the Police Department when in fact there has been no unauthorized intrusion, robbery or burglary, or attempted threat. For the purposes of this definition, activation of alarm systems by acts of God, including but not limited to power outages, hurricanes, tornadoes, earthquakes, and similar weather or atmospheric disturbances shall not be deemed to be a false alarm.

3. The term "Automatic Dialing Device" refers to an alarm system which automatically sends over regular telephone lines, by direct connection or otherwise, a prerecorded voice message or coded signal indicating the existence of the emergency situation that the alarm system is designed to detect.

MARCH MEETING

B. Control and Curtailment of Signals Emitted by Alarm Systems

1. Every alarm user shall submit to the Police Chief the names and telephone numbers of at least two other persons who are authorized to respond, after notification by the Police Department, to an emergency signal transmitted by an alarm system and who can open the premises wherein the alarm system is installed. It shall be incumbent upon the owner of said premises to immediately notify the Milton Police Department of any changes in the list of authorized employees or other persons to respond to alarms.
2. All alarm systems installed after the effective date of this by-law which use an audible horn or bell shall be equipped with a device that will shut off such bell or horn within fifteen (15) minutes after activation of the alarm system. All existing alarm systems in the Town of Milton must have a shut-off device installed within six (6) months of passage of this by-law.
3. Any alarm system emitting a continuous and uninterrupted signal for more than fifteen (15) minutes between 7 P.M. and 6 A.M. which cannot be shut off or otherwise curtailed due to the absence or unavailability of the alarm user or those persons designated by him under paragraph (1) of this section, and which disturbs the peace, comfort or repose of a community, a neighborhood or a considerable number of inhabitants of the area where the alarm system is located, shall constitute a public nuisance. Upon receiving complaints regarding such a continuous and uninterrupted signal, the Police Department shall endeavor to contact the alarm user, or members of the alarm user's family, or those persons designated by the alarm user under paragraph (1) of this section in an effort to abate the nuisance. The Police Chief shall cause to be recorded the names and addresses of all complainants and the time each complaint was made.
4. No alarm system which is designed to transmit emergency messages or signals of intrusion to the Police Department will be tested until the Police Dispatcher has been notified.
5. The provisions of this by-law shall not apply to alarm devices on premises owned or controlled by the town, nor to alarm devices installed in a motor vehicle or trailer.

C. Penalties

1. The user shall be assessed twenty-five (25) dollars as a false alarm service fee for each false alarm in excess of three (3) occurring within a calendar year. The Police Chief shall notify the alarm user either by certified mail or by service in hand by a police officer of such violation and said user shall submit payment within fifteen (15) days of said notice to the Town Treasurer for deposit to the General Fund.
2. The owner of a system which occasions six (6) or more false alarms within a calendar year or fails to pay the fine after said notice may be ordered to disconnect and otherwise discontinue the use of the same by the Board of Selectmen after a public hearing.

and to act on anything relating thereto.

VOTED. The Town voted YES on a Voice Vote.

ARTICLE 8. To see what sum of money the Town will vote to appropriate for the twelve month period beginning July 1, 1982, and for the several categories classified as Employee Benefits, and to act on anything relating thereto.

VOTED. The Town appropriated the amounts shown in the following tabulation:

MARCH MEETING

	7/1/82 – 6/30/83
EMPLOYEE BENEFITS	
Widows' Pensions	\$ 33,518
Non-Contributory Pensions & Annuities	244,962
Contributory Pensions	1,256,338
Administration	6,962
Group Insurance	643,896
TOTAL	\$2,185,676

and that to meet the appropriation for Contributory and Non-Contributory Pensions to former Water Department employees and for Group Insurance, the sum of \$97,610.00 be transferred from the Water Surplus Account, and that the balance of \$2,088,066.00 be raised from the tax levy of the fiscal year.

The sum of \$6,962.00 but not more shall be used for salaries and wages.

ARTICLE 9. To see what sum of money the Town will vote to appropriate to reimburse the Commonwealth of Massachusetts, Division of Employment Security for benefits paid to former employees of the Town; and to act on anything relating thereto.

VOTED. The Town voted to appropriate the sum of \$100,000.00 from available funds on hand for the purpose set forth in this Article; that upon receipt of notice from the Town Accountant that a claim for benefits has been made by a former employee, the head of the department in which the former employee has worked shall promptly certify to the Town Accountant and to the Treasurer that such claim for benefits is proper or the reasons why such claim is or may be improper and the Treasurer shall make no reimbursement to the Commonwealth on account of such claim for benefit unless certification that such claim is proper has been received from such department head or unless Town Counsel has certified that such reimbursement must be made; that the Treasurer shall make reimbursement payments for benefits made to former employees from the salary accounts of the respective departments for whom such employees formerly worked unless the Treasurer has received written notice from the Town Accountant that said reimbursements are to be made from funds appropriated pursuant to this Article; and that the Treasurer shall report to the Selectmen monthly the name of each former Town employee on account of whom reimbursement payments have been made to the Commonwealth and the amount of such payments.

ARTICLE 10. To see what sum of money the Town will vote to appropriate to the Special Fund for Retirement Purposes which was established in 1978, in accordance with the provisions of General Laws, Chapter 40, Section 5D, in order to offset the anticipated cost for funding the contributory retirement systems for Town employees except teachers and administrators of the school system; and to act on anything relating thereto.

VOTED. No appropriation was made.

Town Meeting Member Paul D. Williams made a motion which was seconded to add a line to Article 11 (Personnel Administration Bylaw) in the Public Works Classification as follows:

A-10 P.T. Public Works Inspector

and add \$700.00 to Public Works Water for a total of \$15,653.00 and for a GRAND TOTAL of \$113,935.00.

Passed on a Standing Vote.

YES – 101

NO – 89

ARTICLE 11. To see if the Town will vote to amend Chapter 13 of the General Bylaws, known as the Personnel Administration Bylaw, as follows:

MARCH MEETING

Curriculum Development	4,000
Summer Education / Development	1
School Lunch Program	1
Out-of-State Travel	3,200
Research & Development	1,500
Vocational Education	11,500
Evening Practical Arts	1
Repair of High School Auditorium and Playing Field	–
Total	\$8,460,090

and that to meet said appropriation the sum of \$18,832.00 shall be transferred from the Adjustment Account for Special Education for 1980 and shall be applied as required by law to the cost of programs provided under General Laws, Chapter 71B, and the balance of the appropriation, \$8,441,258.00, shall be raised from the tax levy of the fiscal year.

The Department is hereby authorized to exchange or trade in old equipment for the same or similar type equipment.

ARTICLE 23. To see what sum of money the Town will vote to appropriate for the support of the Regional Vocational Technical School.

VOTED. The Town appropriated the amount shown in the following tabulation:

Quinobin Regional Vocational – Technical School	\$ 66,271
---	-----------

UNANIMOUS VOTE

MARCH MEETING

ARTICLE 24. To see what sum of money the Town will vote to appropriate for Interest and Maturing Debt for the twelve month period beginning July 1, 1982; and to act on anything relating thereto.

VOTED. The Town appropriated the amounts shown in the following tabulation:

Interest	\$ 124,792
Maturing Debt	\$ 310,000
Total	\$ 434,792

UNANIMOUS VOTE

ARTICLE 25. To see what sum of money the Town will vote to appropriate for the Reserve Fund for extraordinary and unforeseen expenditures for the twelve month period beginning July 1, 1982, and to apply from the Overlay Reserve such amount as the Town shall determine to meet in whole or in part such appropriation; and to act on anything relating thereto.

VOTED. The sum of \$150,000.00 be appropriated and that to meet said appropriation the sum of \$123,896.00 be raised from the tax levy of the fiscal year and the balance of the appropriation, \$26,104.00, be transferred from the Overlay Reserve.

UNANIMOUS VOTE

ARTICLE 27. To see what sum of money the Town will vote to appropriate for engineering, design, surveying, legal services, and construction to rehabilitate the Granite Avenue Pump Station, said work to be performed substantially in accordance with the recommendations contained in the Town of Milton, Massachusetts, Wastewater Facility Plan; to authorize the Board of Selectmen to apply for and use federal and state funds for said work; to see how such appropriation is to be raised; and to act on anything relating thereto.

Submitted by the Public Works Director
and the Board of Selectmen

VOTED. The Town voted YES and appropriated \$65,000.00 for the purposes set forth in this Article.

UNANIMOUS VOTE

ARTICLE 28. To see what sum of money the Town will vote to appropriate for engineering, design, surveying, legal services and construction to provide stand-by power and / or storage capacity at each of the six pumping stations located in Milton, said work to be performed substantially in accordance with the recommendations contained in the Town of Milton, Massachusetts, Wastewater Facility Plan; to authorize the Board of Selectmen to apply for and use federal and state funds for said work; to see how such appropriation is to be raised; and to act on anything relating thereto.

Submitted by the Public Works Director
and the Board of Selectmen

VOTED. The Town voted YES and appropriated \$99,000.00 for the purposes set forth in this Article.

ARTICLE 29. To see what sum of money the Town will vote to appropriate to design and construct sewer systems for the Silver Brook Road Area, said work to be performed substantially in accordance with the recommendations contained in the Town of Milton, Massachusetts, Wastewater Facility Plan; to authorize the Board of Selectmen to apply for and use federal and state funds for said work; to see how such appropriation is to be raised; and to act on anything relating thereto.

MARCH MEETING

Submitted by the Public Works Director
and the Board of Selectmen

VOTED. The Town voted NO.

ARTICLE 48. To see what sum of money the Town will vote to appropriate from available funds on hand for the purpose of deduction by the Assessors from the amount required to be assessed in accordance with the provisions of General Laws, Chapter 59, Section 23.

VOTED. The Town voted \$200,000.00 for the purpose set forth in the Article.

The Meeting was dissolved at 10:16 P.M.

James G. Mullen, Jr.
TOWN CLERK

1982 SEPTEMBER STATE PRIMARY
WARRANT

Commonwealth of Massachusetts)
County of Norfolk) ss.

To any of the Constables of the Town of Milton in said County:
GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Primaries to meet at the several designated polling places in their respective Precincts in said Milton, to with:

In Precinct 1.	Tucker School Hall, Blue Hills Parkway
In Precinct 2.	St. Mary of the Hills School Hall, Brook Road

QUESTION NO. 1

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the Constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on July 2, 1980 by a vote of 171-4 and on June 21, 1982 by a vote of 144-44?

SUMMARY

The proposed constitutional amendment would remove the present constitutional prohibition against the use of public funds to aid or maintain private primary or secondary

schools. It would permit the Commonwealth, cities and towns to make public funds available to pupils attending private primary and secondary schools in the form of either aid, materials or services subject, however, to three specific limitations. First, the private school could not be one that discriminates on the basis of race or color in its admission requirements. Second, the grant of aid must be consistent with the First Amendment to the United States Constitution which guarantees the free exercise of religion and prohibits the establishment of religion. Third, individual pupils would have to request the aid, materials or services. In addition to these three specific limitations, the amendment would authorize the legislature to enact other laws imposing conditions or restrictions on the grant of public aid, materials or services. The proposal would also change the state constitution to allow public money to be spent to aid infirmaries, hospitals, charitable or religious undertakings if they are either publicly owned or under the control of public officials. The state constitution now prohibits such spending unless these institutions are both publicly owned and under the control of public officials.

QUESTION NO. 2

PROPOSED AMENDMENT TO THE CONSTITUTION

Do you approve of the adoption of an amendment to the constitution summarized below, which was approved by the General Court in joint sessions of the House of Representatives and the Senate on September 19, 1980 by a vote of 123-63 and on June 21, 1982 by a vote of 125-62?

SUMMARY

The proposed constitutional amendment would allow the legislature to enact laws authorizing the state courts to impose the death penalty on the conviction of crimes to be specified by law. The proposed amendment would provide that no provision of the state constitution may in the future be construed and prohibiting the imposition of the punishment of death.

QUESTION NO. 3

LAW PROPOSED BY INITIATIVE PETITION

Do you approve of a law summarized below, on which no vote was taken by the House of Representatives or the Senate before July 7, 1982?

SUMMARY

The proposed law would require that before the construction or operation of any new nuclear power plant or low-level radioactive waste storage or disposal facility in the Commonwealth, the legislature must make certain findings and a majority of voters must approve the new facility at a statewide election.

Before the question of building a new nuclear power plant could be submitted to the voters, the legislature would have to find that (1) the proposed facility is the best means for meeting energy needs based on certain economic, safety, environmental and social considerations; (2) a federally-licensed facility exists for the disposal of the high-level radioactive waste that would be generated; (3) an approved emergency preparedness plan has been developed; (4) radioactive pollution standards have been promulgated; and (5) a demonstrated, federally-approved technology exists for decommissioning the proposed power plant.

Before the question of building and operating low-level radio-active waste storage or disposal facility or of entering into an agreement with another state to build and operate such a facility in Massachusetts could be submitted to the voters, the legislature would have to find that the technology and site designated for the proposed facility are the best available based on certain economic, safety, environmental and social considerations. The legislature would also have to find that the obligations imposed on Massachusetts by any interstate agreement were no greater than those imposed on any other state.

NOVEMBER ELECTIONS

The proposal would not apply to a facility which had obtained all necessary government approvals before August 5, 1981, nor to any facility for disposal or storage of radioactive wastes from medical or bio-research applications in Massachusetts.

QUESTION NO. 4

REFERENDUM ON AN EXISTING LAW

Do you approve of a law summarized below, which was approved by the House of Representatives on November 10, 1981 by a vote of 108-49, and by the Senate on November 16, 1981 by a vote of 29-10?

SUMMARY

The law requires that a refundable deposit be paid for certain beverage containers sold in Massachusetts.

Beverage containers of less than 32 ounces must have a refund value of at least five cents and larger containers a refund value of at least ten cents. This requirement applies to non-biodegradable containers of carbonated soft drinks, mineral water, beer and other malt beverages, but not to containers of other alcoholic beverages, dairy products, natural fruit juices or wine. All beverage containers subject to deposit must clearly indicate the refund value of the container.

The deposit is paid by the consumer upon purchase and must be refunded when the consumer returns the empty container to the proper dealer or redemption center, so long as the container does not contain any material different from its normal contents. Dealers and distributors are also subject to the same deposit and refund on the beverage containers they handle, and are also entitled to a handling fee of at least one cent per container.

No containers can be sold in the state if they are joined together by plastic rings or any other device that cannot be broken down by light or bacteria.

The law provides a bottler a reduction in corporate excise tax of one-tenth of one cent for each reusable beverage container which the bottler sells in the first three months of 1983. The law provides for additional unemployment benefits and, if the Legislature appropriates the funds, a job retraining program for employees of bottlers, canners, or manufacturers of beverage containers who lose their jobs as a result of this law.

The law takes effect on January 17, 1983.

QUESTION NO. 5

Shall the Secretary of the Commonwealth of Massachusetts inform the President and the Congress of the United States that it is the desire of the people of Massachusetts to have the government of the United States work vigorously to negotiate a mutual nuclear weapons moratorium and reduction, with appropriate verification, with the Soviet Union and other nations?

For these purposes the polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

And you are directed to serve the Warrant by posting attested copies thereof in each of the post offices of said Town seven days at least before said meeting and leaving printed copies thereof at the dwelling houses of said Town at least four days before said meeting.

Hereof fail not and make due return of the Warrant with your doings thereon to the Town Clerk on or before the twenty-second day of October.

Given under our hands at Milton this fourteenth day of October nineteen hundred and eighty two.

NOVEMBER ELECTIONS

(signed) JOHN P. LINEHAN
WALTER F. TIMILTY
JAMES G. MULLEN, JR.
Board of Selectmen

A true copy, Attest:

BERNARD J. LYNCH, III
Constable of Milton

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the post offices of the Town and leaving attested copies at the dwellings of the inhabitants. Warrants were posted on October 25, 1982 and delivered to the inhabitants on October 25, 1982.

BERNARD J. LYNCH, III
Constable of Milton

SPECIAL TOWN MEETING

PRECINCT 9: Bruce B. Alexander
 Harry E. Carlson
 Webster A. Collins

Thomas P. Connolly
Beverly A. Donohue
Emily M. Wright

A motion was made and seconded to allow Milton Cable Systems to film portions of the Town Meeting to be aired at a later date.

VOTED: The Town voted YES.

ARTICLE 1: To see what sum of money the Town will vote to appropriate for the purpose of purchasing a new Fire Engine and to refurbish existing Ladder Truck No. 1; and to act on anything relating thereto.

Submitted by the Fire Chief and Board of Selectmen

VOTED: The Town appropriated the amounts shown in the following tabulation:

Fire Engine	\$125,000
Repair and Improvement of Ladder Truck No. 1	45,000
TOTAL	\$170,000

and that to meet said appropriation, the sum of \$170,000 be raised in the fiscal year 1983 tax levy. The Fire Department is hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment.

UNANIMOUS VOTE

ARTICLE 2: To see what sum of money the Town will vote to appropriate for the purpose of purchasing a new Police Ambulance and other emergency vehicles; and to act on anything relating thereto.

Submitted by the Police Chief and Board of Selectmen

VOTED: The Town appropriated the amounts shown in the following tabulation:

Police Ambulance	\$23,400
Four (4) Police Cruisers	36,428
TOTAL	\$59,828

and that to meet said appropriation, the sum of \$59,828 be raised in the fiscal year 1983 tax levy. The Police Department is hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment.

UNANIMOUS VOTE

ARTICLE 3: To see what sum of money the Town will vote to appropriate for the purpose of purchasing Public Works trucks and a drain rodding machine; and to act on anything relating thereto.

Submitted by the Director of Public Works and Board of Selectmen

VOTED: The Town appropriated the amounts shown in the following tabulation:

Truck-Mounted Sander	\$ 23,000
Flexible Drain Rodder	14,000
2½ Ton Dump Truck	17,500
Diesel-Powered Heavy Dump Truck	52,000
TOTAL	\$106,500

and to meet said appropriation, the sum of \$106,500 be raised in the fiscal year 1983 tax levy. The Department of Public Works is hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment.

SPECIAL TOWN MEETING

UNANIMOUS VOTE

ARTICLE 4: To see what sum of money the Town will vote to appropriate for the purpose of purchasing a new Cemetery backhoe and front end loader machine; and to act on anything relating thereto.

Submitted by the Cemetery Trustees

VOTED: The Town appropriate the sum of \$23,000 for the purchase of a new backhoe and front-end loader machine, and that to meet said appropriation the sum of \$23,000 be raised in the fiscal year 1983 tax levy. The Cemetery Trustees are hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment.

UNANIMOUS VOTE

ARTICLE 5. To see if the Town will vote to increase the number of Selectmen from three (3) to five (5) members in accordance with Section One of Chapter Forty-One of the General Laws, and that five (5) Selectmen be elected at the Annual Town Election held on March 6, 1983 as follows, two (2) Selectmen for the term of three years, two (2) Selectmen for the term of two years and one (1) Selectman for the term of one year, and thereafter, upon expiration of the term of a Selectman, his/her successor shall be elected for a three year term; and to act on anything relating thereto.

Submitted by Town Clerk/Selectman James G. Mullen, Jr.

Selectman James G. Mullen, Jr. made a motion which was seconded to allow the Town Government Study Committee to study this Article further and report back to the Annual Town Meeting on March 12, 1983.

VOTED: The motion was defeated on a Voice Vote.

ARTICLE 5 was voted at this point.

VOTED: The Town voted NO on a Voice Vote.

The Meeting was dissolved at 8:35 P.M.

JAMES G. MULLEN, JR.
Town Clerk

APPOINTMENTS MADE BY MODERATOR

APPOINTMENTS MADE BY THE TOWN MODERATOR CHARLES C. WINCHESTER

AMENDMENTS TO THE GENERAL AND ZONING BYLAWS

The Amendments to the General Bylaws adopted under Article 38 and 45 and the Amendments to the Zoning Bylaws under Article 37 of the Warrant of the Annual Town Meeting held March 13, 1982 were delivered to the Attorney General on March 30, 1982.

The Amendments to the General and Zoning Bylaws with the approval of the Attorney General were received by the Town Clerk James G. Mullen, Jr. on June 18, 1982.

These Amendments to the General and Zoning Bylaws with the approval of the Attorney General were posted in the following public places on June 22, 1982:

Central Library	Kidder Branch Library
Cunningham Community Center	Milton Food Mart
East Milton Library	Milton Town Hall
East Milton Post Office	Milton Village Post Office
Hanley Pharmacy	

The Amendments to the General Bylaws adopted under Article 31 of the Warrant for the Annual Town Meeting held on March 13, 1982 and the adjourned Town Meeting held June 7 and 9, 1982 were sent to the Attorney General on June 17, 1982 and were received by the Attorney General on June 23, 1982.

This Amendment to the General Bylaws with the approval of the Attorney General was received by the Town Clerk James G. Mullen, Jr. on September 23, 1982 and posted in the following public places on September 23, 1982:

Central Library	Kidder Branch Library
Cunningham Community Center	Milton Food Mart
East Milton Library	Milton Town Hall

**REPORTS OF
SPECIAL COMMITTEES**

REPORT OF THE WARRANT COMMITTEE

REPORT OF THE WARRANT COMMITTEE FOR THE ANNUAL TOWN MEETING

INTRODUCTION

The General By-Laws of the Town of Milton require the Warrant Committee to make recommendations to the Town Meeting members in connection with all budgetary and non-budgetary Articles as well as all referenda questions when they appear on the ballot. Historically, this process includes a lengthy series of public hearings; exhaustive examination of the budgets of all town departments, boards and committees; substantial debate and negotiation and, finally, committee decisions which are reflected in the recommendations that appear after each article in the Warrant. Normally this process begins in November of each year and concludes at the end of January so that the recommendations may be printed and distributed to the citizens of the Town, in accordance with the mandate of the By-Laws, prior to the Town Meeting held early in March of each year. Before the voter adoption of Proposition 2½ in 1980 and the so-called 4% tax cap imposed by the Massachusetts Legislature in 1979, the responsibility for appropriations, spending and revenue rested with the Town Meeting members of the Town of Milton and the Warrant Committee recommendations could be made with some degree of finality after the hearing, investigation and negotiation process had been completed. In the past three fiscal years, because of state mandated limitations on spending and appropriation, the task of the Warrant Committee has been not only to make recommendations with regard to a reasonable level of spending and income for the Town but also to be certain that the action of the Town Meetings complied with appropriate state requirements. In particular with regard to the limitations of Proposition 2½ this required substantial reduction in spending for fiscal year 1982, which was accomplished with the cooperation of the various town departments, boards and committees as well as the support of the Town Meeting members.

As the Warrant Committee suggested in its report for the 1981 Special Town Meeting held in November of 1981, the effects of Proposition 2½ continue to impose severe financial constraints upon the spending capacity of the Town. Indeed, the Town Meeting members at the November meeting supported the Warrant Committee's position that although substantial issues face the Town which might require additional funding, in general, all appropriations should be considered in relation to each other at the Annual Town Meeting in March. That was the recommendation of the Warrant Committee at the Special Town Meeting. We have now come to the General Town Meeting which examines and acts upon the entire Town Budget.

In order to approach the budgetary process for the Town on a rational basis the Warrant Committee with the cooperation of the Board of Selectmen, School Committee and other major departments in the Town, requested, and generally received, budgets which were no greater than those appropriated for Fiscal Year 1982 with certain limited exceptions. This so-called level funding procedure is reflected in virtually all of the Budget Articles contained in this Warrant and was accomplished only as a result of the good will and responsible attitude of all town departments in the negotiating process with the Warrant Committee. It was hoped that through this process any additional funding that might be available as a result of legislative relief of Proposition 2½ or other sources, would fund certain anticipated unavoidable needs of the Town such as union contracts (all of which are being negotiated in the writing of this report), certain capital expenditures, inflationary items (such as group insurance, pensions, street lighting) and other costs over which the Town has no control. The method of relief chosen by the Legislature in action taken by it at the very end of its 1981 session was to put certain exemptions and overrides of Proposition 2½ to local referendum vote. After careful analysis of the legislative proposals, it was determined that some of these options would not help Milton and others were not appropriate for Milton. Therefore, none of the possible Referenda items appeared on the Town Ballot for the March 6 election. At the time of the budget deliberations of the Warrant Committee and at the time of this report, certain other possible sources of Revenue (sewer use charge, fines and other charges) could not be predicted with any degree of certainty. In other words, the Warrant Committee cannot determine at the time of this report what the total appropriation capacity of the Town might be for Fiscal Year 1983. In addition, the process of revaluation of the real and personal property in the Town continues and that has a substantial impact on the budgetary process.

REPORT OF THE WARRANT COMMITTEE

The Warrant Committee recommendations set out in each of the Budgetary Articles in this Warrant should be viewed as preliminary recommendations to be augmented as appropriation capacity becomes known. It is anticipated that an additional series of recommendations will be made when more information is available in time for the Town Meeting. It should be noted, however, that the Warrant Committee has pledged special attention to needed capital expenditures which have been delayed in recent years as a result of spending constraints and the desire to maintain as high a level of personnel as possible in the Town. Therefore, when and if additional appropriation capacity becomes known, after any contractual obligations are funded (if full funding is possible), the next priority in the opinion of the Warrant Committee is to fund needed capital expenditures. Most of the major departments in the Town have suggested capital equipment acquisitions which can no longer be postponed. These will be given close attention by the Warrant Committee in its deliberations in preparation for the postponed Town Meeting sessions.

As is true each year, certain Articles in the Annual Warrant deserve special mention either because of the extraordinary recommendations or the perception of particular citizen interest. This year is no exception. Attention is called to the proposed Sewer Use Charge (Article 26). This Article results from the action of 1981 Town Meeting which voted the appointment of a Sewer Use Charge Study Committee. The recommendation of that committee is that a Sewer Use Charge should be instituted. However, that committee expressly excluded the effect of Proposition 2½ from its consideration. The Warrant Committee has withheld a recommendation on the imposition of a Sewer Use Charge because to do so would work against the overriding message of Proposition 2½. The matter was under active investigation at the time of the writing of this Report. It is expected that a Recommendation will be made at the time of Town Meeting.

The effect of Proposition 2½ has also caused the Warrant Committee to recommend that no funds be appropriated for the Special Retirement Fund (Article 10). The importance of funding for future pension liability for Town employees (which has been estimated in excess of \$18,000,000. and continues to grow) is clear. The severe appropriations constraints of Proposition 2½ required the Warrant Committee to recommend funding other items which seemed to have a higher immediate priority. Similar reasoning led to the Warrant Committee recommendation to again defer the reconstruction of certain sewer facilities (Articles 27, 28 and 29). The Warrant Committee will pay particular attention to these items at the 1982 Town Meeting at which time the appropriation availability will be more certain.

As to the non-budgetary Articles particular attention should be paid to the proposed Wet Lands By-Law (Article 38), Open Space Development By-Law (Article 37) and Randolph Avenue Land Acquisition (Article 35) all of which can have profound consequences to the future of the Town. The Warrant Committee is confident that the Town Meeting members will address these and all other Articles in this Warrant with the same good will, serious debate and consideration that has prevailed in past Town Meetings.

The Town of Milton continues to be blessed with talented and dedicated persons in Town Government. The Committee acknowledges the cooperation and support of all the Boards and Committees of the Town in these trying times, as well as the invaluable input and insight of all of the town employees, especially our Executive Secretary, School Superintendent and Town Counsel.

Although the Warrant Committee has a substantial amount of work ahead of it, the Chairman acknowledges his personal debt for the support and good will of committee members. Each member is to be commended not only for attendance at many meetings but also for unstinting availability to the Chairman at the expense of family, social and professional activities. All of this is especially true of Harriett Nelson, our Clerk. Her community knowledge and good cheer continues to compliment our committee work.

REPORT OF THE WARRANT COMMITTEE

SPECIAL TOWN MEETING – NOVEMBER 16, 1981

In accordance with the obligation imposed upon it by the General By-Laws of the Town of Milton, the Warrant Committee respectfully sets out its recommendations for the Special Town Meeting to be held on November 16, 1981. Specific recommendations and explanations where appropriate appear after each Article.

The impetus for the Special Town Meeting was the genuine concern of citizens of the Town of Milton and particularly of parents about what they perceive to be a crisis in the transportation of school children to the various public schools in the Town. As a result of the implementation by the Town of Proposition 2½ and the severe budget cuts required for fiscal year 1982, some reduction in the school transportation program was made. This, together with the closing of the Cunningham Junior High School and the reallocation of students throughout the Town, has resulted in a substantial increase in the number of students (especially elementary and junior high school students) not having public bus transportation. The result of the perceived inequities in the school transportation arrangements for the current school year is the Citizens Petition which appears as Article I in the Warrant for the Special Town Meeting. The thrust of that Article is to have the Town of Milton petition the General Court to be relieved of all obligations to transport children to the various public schools throughout the Town. This could result in increased hardship, and might deprive some children of the right to participate equally in public education. As far as the Warrant Committee is aware, if this Article were approved and the Petition to the General Court adopted, Milton would be the only town in the Commonwealth without public school transportation. The Warrant Committee is of the unanimous opinion that this is an inappropriate response to a problem that has arisen in the Town.

Part of Article II in the Special Town Meeting deals with the School Committee response to school busing problems. The Article asks for the appropriation of an additional \$35,000.00 to the School Committee for the purpose of augmenting services in the Town. It should be understood that even if this appropriation is adopted and the new procedure implemented, there would still be a large number of school children not served by school buses. This entire problem is, of course, compounded by Proposition 2½. Only the extraordinary cooperation of all the departments in the Town allowed the Town, at the March and May Annual Town Meeting in 1981, to come within the limits of Proposition 2½. The Warrant Committee is of the opinion that all requests to deal specially with particular problems which inevitably will arise as a result of the severe budget cuts for fiscal year in 1982 should be handled equitably.

Even though the Town of Milton for the fiscal year 1982 is within the guidelines of Proposition 2½, it should be kept in mind that the annual meeting of the Town to be held in March of 1982 for fiscal year 1983 will face severe financial constraints. All of the union contracts are being negotiated with the Town employees for fiscal year 1983 and thereafter. The effects of inflation and the need for capital improvements must be faced by the Town Meeting with limited financial resources. Without legislative relief from the General Court the Town Meeting will be severely pressed in dealing with the financial problems facing the Town for the fiscal year 1983. As a result, the Warrant Committee recommendations with regard to each of the articles contained in the Warrant for the Special Town Meeting recognize the severe financial constraints facing the Town of Milton and have recommended a no-vote with regard to any additional appropriations at this time. There is little doubt that the various Articles contained in the Warrant for the Special Town Meeting requesting additional appropriations set out issues that merit Town concern. The Warrant Committee feels, however, that these issues should be decided by the Town Meeting in the context of all the other equally pressing issues making demands on the severely limited budget.

The Warrant Committee anticipates that this Special Town Meeting to be held in November is a precursor of a most difficult financial year culminating in the Annual Town Meeting in March 1982 which will deal with the budget for fiscal year 1983. We know that we can rely upon the goodwill and positive attitude of all the town departments, elected boards and other town employees in dealing with this serious problem. The patience and dedication of the Town officials and employees of Milton will be severely tested in the next few months. We expect each of these groups and individuals to respond to the task by exhibiting their usual innovativeness and resourcefulness.

REPORT OF THE WARRANT COMMITTEE

It is normally appropriate at this time for the chairman to extend his personal gratitude to members of the Warrant Committee and in particular its Clerk for the personal support each of them has rendered to the Chairman. Since this is the beginning of what the Chairman perceives as an extraordinarily busy and demanding year for Warrant Committee members, the Chairman feels it appropriate to reserve any final expressions of gratitude to a later date at which time the Chairman expects that he will be unable to find the right words to express his gratitude for the support and goodwill of all of the Warrant Committee members.

SPECIAL TOWN MEETING – JUNE 7, 1982

The original vote of the 1980 Town Meeting was to fund the energy conservation project by the issuance of a bond in the amount of \$600,000. Because of vagaries in the bond market and high interest rates, and upon advice of banks experienced with municipal bonds, the issuance has not yet been accomplished. The Town Treasurer now anticipates that the bond could be marketed at an interest rate of approximately 10% per annum over an eight year term. This would result in an interest cost to the Town of \$270,000 over that period.

The Board of Assessors of the Town has now projected that the fair cash value of the Town of Milton (due to revaluation) will be certified by the Commonwealth of Massachusetts Department of Revenue at not less than \$650,000,000. Fiscal Year 1982 budget recommendations and action of the 1981 Town Meeting was based upon a projected fair cash value of \$622,000,000. Chapter 580 of 1980 (Proposition 2½) allows towns to appropriate from the tax levy no more than 2½% of the fair cash value of the Town. The Warrant Committee calculated 2½% of \$622,000,000 or \$15,550,000 as the goal for the Fiscal Year 1982 tax levy appropriations. This goal was reached by the 1981 Town Meeting. The new estimate of fair cash value, mentioned above, enables the Town to spend an additional \$700,000 and continue to be within Proposition 2½.

The Article proposed in the Special Town Meeting Warrant has the effect of giving the Town Meeting members the option of spending approximately 85% of the available appropriation in such a manner as to make available future appropriation capacity to maintain an acceptable level of town services. By voting for the appropriation for a non-recurring item such as the energy conservation project, not only would the Town save the interest cost on the proposed bond in the amount of approximately \$270,000 over the next eight years but also there would result an increased base for the future years for the purpose of Proposition 2½. It should be kept in mind that Proposition 2½ limits appropriations from the tax levy in future years to 102½ of the prior year's appropriation.

The Warrant Committee has not recommended utilization of this increased spending capacity in the 1983 Fiscal Year. By this method the Town could hopefully fund needed Town services, the cost of which will increase in future years because of inflation, at an acceptable level. Failure to adopt the recommendation of the Warrant Committee on this Article may result in having to meet the costs of inflation by further reduction of services, especially in schools, public safety and capital equipment.

ADJOURNED ANNUAL TOWN MEETING – JUNE 7, 1982

At the Annual Town Meeting held in March of 1982, the Town Meeting Members voted to postpone action on all budgetary articles until June 7, 1982. This action was taken upon the recommendation of the Warrant Committee so that it could make budget recommendations with as much information as possible in hand. Since the March meeting, the Warrant Committee has been able to further refine the figures available locally and from the Commonwealth Department of Revenue. Although much of the budgeting process is based upon estimates and requires further analysis and certification when the ultimate tax rate is set for the Fiscal Year 1983, the revised recommendations that follow can, in the opinion of the Warrant Committee, be funded out of appropriations from the tax levy and other available funds.

REPORT OF THE WARRANT COMMITTEE

At the time of the writing of these recommendations, the final results of the collective bargaining process are not yet known and the Personnel Board Article for Fiscal Year 1983 is not in place. The recommendations also take into account the commitment of the Warrant Committee to focus upon the needs for equipment acquisition and capital improvements to the extent possible with the limited funds available. The capital acquisitions recommended are items that, in the opinion of the Warrant Committee, can no longer be delayed. Reference is made to the particular comments under each revised recommendation for further explanation.

Again, the Committee and the Chairman would like to take this opportunity to thank all of the Town boards, departments and employees for their unstinting cooperation with the work of the Warrant Committee.

REPORT OF THE PERMANENT COMMITTEE ON HOUSING

REPORT OF THE PERMANENT COMMITTEE ON HOUSING

To the Honorable Selectmen:

The Permanent Committee on Housing was not very active this year but is pleased to see much progress has been made in providing housing for the elderly in Milton. This need was reported to the Selectmen January 6, 1975 at the time this Committee's questionnaire results were reported.

On May 10, 1982 the Committee Chairman advised the Milton Housing Authority that since State Funds were now available the Authority should proceed to provide housing.

David S. Goldman resigned as Chairman of this Committee after 7 very active years in this effort to provide for the many elderly Milton residents.

On May 3, 1982 Moderator Charles C. Winchester appointed member Charles H. Keenan to be chairman.

Committee members:

CHARLOTTE CLEVELAND
JOHN L. WOODS

CHARLES H. KEENAN

REPORT OF PERMANENT INSURANCE ADVISORY COMMITTEE

To the Honorable Board of Selectmen:

We the members of the Permanent Insurance Committee are pleased to submit our Annual Report for 1982.

Effective July 1, 1982 the Workers' Compensation coverage was shifted from the Assigned Risk Pool to a new Safety Group plan developed through an affiliate of the Massachusetts Municipal Association. The change was made in an effort to control the Town's industrial accidents and thus help to reduce the costs of Workers' Compensation Insurance which has been averaging close to 50% of the total budget in recent years. Since it is a new approach, the Town Insurance Agent will monitor the program from time to time and keep this committee posted on developments.

Early in 1982 the Glover School fire damage caused by arson on December 14, 1981 was settled for a net amount of \$58,361.40.

The foregoing comprise the principal items of activity in the Town's insurance program during the past year.

Respectfully submitted,

J. BARRY DRISCOLL, Chairman
STEPHEN MATTALIANO, JR.
MICHAEL B. O'TOOLE

REPORT OF THE MILTON ARTS LOTTERY COMMITTEE

REPORT OF THE MILTON ARTS LOTTERY COMMITTEE

To the Honorable Board of Selectmen:

The Milton Arts Lottery Committee meets once a month at the Milton Town Hall. Those appointed by the Selectmen are: Chairman, Claire J. McSorley; Secretary, William Loughran; Treasurer, Virginia Dolan. Other members: Nancy Vappi, James Hooley, Gordon Hoxie and Stephen Hamilton. The purpose of this committee is to determine eligibility and make selections for certain grants resulting from monies received from the Massachusetts Arts Lottery Commission.

The Massachusetts Arts Lottery Commission – under whom the Milton Arts Lottery Committee functions – was established by law to provide a mechanism for generating incremental financial support for cultural and art activities in the cities and towns across the state of Massachusetts.

The first arts lottery had a minimum of success due to the nature of the game which resulted in low ticket sales. However, each community who applied for their predetermined funding received such. For Milton this was Nine Hundred, Fourteen Dollars (\$914.00). The Milton committee reviewed the applications received and determined the following grants: 1) Milton Park Department, Family Day, August, 1982 – public performance of The Muse (a troubador) and the Brookline Puppet Showcase – Two Hundred Twenty-eight Dollars Fifty Cents (\$228.50); 2) Stephen Nelson, for development of a photographic collection of Milton today with a public presentation in 1983, Five Hundred Two Dollars Seventy Cents (\$502.70); 3) Milton Arts Lottery Committee to award to the Milton Historic Society for a project utilizing photographs now in existence in the Milton Room of the Milton Public Library, One Hundred Seven Dollars Ten Cents (\$107.10) and award the Milton Arts Lottery Committee for sponsoring a public presentation of the photographic exhibit of Mr. Nelson and the special project of the Milton Historical Society in 1983, Thirty Dollars (\$30.00); 4) Milton Arts Lottery Committee for administrative expenses, Forty-five Dollars Seventy Cents (\$45.70).

The Chairman of the Milton Arts Lottery Committee, Claire J. McSorley, has been elected to serve as corresponding secretary for the State Arts Lottery Advisory Council which has been meeting every three weeks during the past two years. This group sponsored its first state-wide Arts Lottery Council Conference at Tufts University on April 3, 1982. Presently Ms. McSorley is serving as Program Chairman for a state-wide workshop on the use of surplus public buildings as art centers. News on the next funding will be forthcoming.

Respectfully submitted,

CLAIRE MCSORLEY
Chairman

REPORT OF THE MILTON HISTORICAL COMMISSION

To the Honorable Board of Selectmen:

In our 1981 report it was stated that “after consultation with the Mass. Historical Commission – consideration of proposed areas for National Recognition were contingent upon further amplification of the Milton Inventory.”

On November 16, 1981 the interim regulations for the National Register of Historic Places were published, ending a year-long freeze on nominations of private owned properties.

The halt was called on January 1981 to allow the Dept. of Interior time to develop procedures for private owners to either consent to or object to listing of their property as required by the 1980 amendments to The National Historic Preservation Act.

REPORT OF THE ENERGY COMMITTEE

The Blecher-Rowe house on Governor Belcher Circle has been accepted in the National Register. Any resident who considers their home qualified may contact the Commission for assistance in receiving forms and guidance. However, the owner must be willing to undertake the expense and time involved in preparing and pursuing the application.

The work of the Commission has been very limited because of the fact that the Warrant Committee, under the chairmanship of Mr. Lemelman, decided to eliminate any appropriation for fiscal years 1982 and 1983. The unnecessary drastic action taken by the Warrant Committee before the budget figures were known, in effect nullifies the Town's 1973 action of adopting and maintaining The Historical Commission. One of the measures of the prestige of a town as a residential community is the historical background of its homes and public buildings. To be sure the Commission is proud of its accomplishments in the past nine years in documenting and providing historic plaques to so many Milton homes.

In each yearly report the Commission has stressed that its work is an ongoing program. To meet its objectives, continuing funds are needed for expenses involved and taking measures to promote public awareness of the historical significance of the Town.

Respectfully submitted,

JOSEPH C. BURLEY, Chairman
EILEEN CHAMBERLAIN, Secretary
MARY E. PALARDY
THOMAS SMIGLIANI
WILLIAM J. LOUGHLAN, Researcher
ROBERT S. FALLON
EDWARD S. SHATZ

REPORT OF THE ENERGY COMMITTEE

To the Honorable Board of Selectmen:

At the Special Town Meeting in June, 1980, this committee presented the results of an engineering study with a comprehensive list of measures which could be taken to reduce the consumption of energy in the Town's buildings. The Committee was authorized to employ architects and engineers and to contract for completion of the measures. \$604,875.00 was appropriated for the purpose.

During the following few months, the Committee worked hard to complete measures which would yield savings in the 1980-1981 winter. By the middle of that winter, all of the school oil burners had been replaced with more efficient equipment capable of burning lower cost (No. 4) fuel oil, and a contract had been let for a number of other conservation measures in school buildings.

When the School Committee announced plans to close the Cunningham School and vacate the building rented from the Cemetery trustees, all further work in these buildings was eliminated. On the other hand, the Energy Committee assumed the task of replacing the lights in the High School gymnasium, a project which had been planned by the School Committee but deferred for lack of funds.

Although the majority of the expenditures and the energy savings were in the schools, improvements were made in the Town Office Building, the Central Library, the Police Station and the Central Maintenance Garage.

As of June 30, 1982 the only measures which are not complete are the High School gym lights (this had been deferred pending a grant application) and circulating fans for the Town Office Building. We expect to finish this by the end of the calendar year and to request that we be discharged at the March 1983 Town Meeting.

REPORT OF THE RECYCLING COMMISSION

In closing our only report to the Town, we wish to say that we believe the Town has made a good investment in its physical plant — an investment which should yield energy savings for many years. We also believe that the maximum savings can be realized only if the equipment and the people who operate it function optimally. We recommend that the Selectmen establish a procedure to monitor all energy consumption monthly on a department basis, with actual use compared to predicted use or degree-day projections. If this function were centralized and diligently applied, it would help to identify and correct problems as they occur; it would also provide the data necessary to consider energy conservation measures in the future.

Respectfully submitted,

WILLIAM A. EDWARDS
JOSEPH P. McETTRICK, JR.
SAMUEL DREVITCH
DAVID JEFFRIES, Chairman

REPORT OF MILTON RECYCLING COMMISSION

To the Honorable Board of Selectmen:

As voted under Article 42 of the 1980 Annual Town Meeting and established under the provisions of General Laws Chapter 40, Section 8H, the Milton Recycling Commission reports the following activities:

The recycling area located at the Town Disposal Area provided, at various times during the year, containers for glass, aluminum cans and tin cans. The committee was unable to obtain a paper van from any salvage contractor.

Recycling in general faced a difficult year because the demand for recycled products was at a low due to decreased demand in the housing and automobile industries.

The Recycling Commission does have an area separated for light metal that does not produce any revenue but with the removal from the site saves valuable space for domestic wastes.

With a reduction in the leaf pickup program by the Department of Public Works, leaf composting shows increased participation by individuals. Again, the compost pile will be established in the fall months for all interested residents to use.

Respectfully submitted,

LAWRENCE W. DeCELLE, JR., Chairman
NATALIE Q. ALBERS

REPORT OF THE SEWER USE CHARGE COMMITTEE

REPORT OF THE SEWER USE CHARGE COMMITTEE

To the Honorable Board of Selectmen:

This is the report to the Board of Selectmen by the Sewer Use Charge Committee (the "Committee") appointed by the Moderator pursuant to Article 38 of the March 1981 Milton Annual Town Meeting.

I. Background and Procedures

The Committee was appointed by the Moderator on August 7, 1981 and is composed of the following five citizens of the Town: Richard P. Ward, Chairman; Frederick J. Kibble, Robert K. Lamere, Jr., John J. Mulvaney and Edward E. Wendell, Jr. Authority for appointment of the Committee was based on Article 38 of the Warrant for the Adjourned Annual Town Meeting held May 19, 1981 and the following vote passed thereunder. This vote stated:

"The Town voted that the Moderator appoint a Committee of five citizens to study the matter of sewer use charges and report to the Board of Selectmen no later than December 31, 1981."

A true copy of Article 38 and the vote thereon is attached hereto and marked "A".*

The Committee conducted five public meetings, after proper notice in accordance with the Open Meeting Law, G.L. c. 39, § 23A. These meetings were held on September 22, October 20, November 17, December 8 and December 29, 1981 at the Town Office Building. Each member of the Committee attended every meeting.

During the course of these meetings, the Committee invited and heard extensive testimony from the following persons: Mr. Lawrence W. DeCelle, Jr., Director, Milton Department of Public Works; Mr. George D. Gallagher, Director of Administration, Sewerage Division, Metropolitan District Commission; and Mr. Christopher Woodcock, a representative of the management consultant firm of Camp Dresser & McKee, Inc., a company with extensive experience in environmental planning relating to wastewater systems. During the course of its meetings, Committee heard extensive discussion on, and reviewed numerous documents relating to the legal requirements for establishment of a sewer use charge system, the alternative types of user charge systems that comply with present regulations of the Environmental Protection Agency, the types of costs of wastewater systems that must be collected by a sewer use charge system, the Town's past and projected costs relating to its wastewater system, the Town's projected capital expenditures relating to its wastewater system and pending applications for Federal grants in connection therewith and other matters generally relating to the subject under study.

II. Summary of Recommendations

After carefully considering the matter, the Committee unanimously recommends that the Town adopt a user charge system based on actual use of the Town's wastewater facilities for the reasons discussed below. This system may be adopted by passage of an Article of the Town Meeting which would comply with EPA regulations requiring that user charge systems be incorporated in legislative enactments or other appropriate authority. 40 C.F.R. § 35.929-2(e). The form of Article recommended by the Committee is attached hereto and marked "B".*

Basically, the Committee recommends that the user charge system be based on actual use measured by metered water consumption. The costs to be covered by such a charge should include at least the total annual costs to the Town of the MDC wastewater assessment for the Town (including debt service) and the total annual expense to the Town for

*Attachment not included in mailing 3-4-82.

REPORT OF THE SEWER USE CHARGE COMMITTEE

operation and maintenance of its own wastewater collection facilities. While federal regulations do not address payments by the Town for its share of capital costs for new or upgraded wastewater facilities, the Committee recommends that a portion of the expected payments for capital projects be included in the total annual expenses to be recovered through the sewer use charge system. The remainder of such payments by the Town for capital projects should continue to be raised through the property tax.

III. *Discussion of Reasons for Recommendations*

The Committee reports the following as the bases for its recommendations to the Board of Selectmen.

A. *Legal Requirements Mandate Adoption of a User Charge System*

The Town of Milton is one of the 43 cities and towns that are members of the Metropolitan Sewerage District operated by the Metropolitan District Commission (MDC). The Town also owns, operates and maintains its own local wastewater collection system which discharges into the MDC's regional treatment system.

As a result of receipt of federal grants by the MDC Sewerage Division, the MDC and each of its member communities are governed by Public Law 92-500, the Federal Water Pollution Control Act Amendments of 1972, as amended by Public Law 95-217, the Clean Water Act of 1977. These laws have been implemented by regulations promulgated by the U.S. Environmental Protection Agency ("EPA") and codified as Title 40, Part 35, Subpart E of the Code of Federal Regulations ("EPA's Regulations").

Section 35.929-2(e) of the EPA's Regulations requires that each subscriber, such as Milton, receiving waste treatment services from a regional treatment system, such as the Metropolitan Sewerage District, shall adopt a user charge system in accordance with Section 204(b) of the Federal Water Pollution Control Act, as amended. The EPA regulations set forth the types of acceptable user charge systems and require that the system that is adopted be submitted to and approved by the Regional Administrator of the EPA. 40 C.F.R. §§ 35.929 *et seq.*

In addition to the above requirements, prior to receipt by the Town of any federal construction grants to expand, improve or upgrade its wastewater facilities, these federal laws and regulations mandate adoption by the Town of an EPA approved user charge system that will recover the operation and maintenance costs of the Town's wastewater facilities and services. The Town presently has pending a number of applications for federal construction grants for planned capital projects vital to the preservation and maintenance of its sewerage facilities. Under this federal grant program 90 percent of the costs of improvements to eligible water pollution control facilities are reimbursed by a combination of federal (75%) and state (15%) funds.

Thus, applicable laws and regulations require the Town of Milton as a member of the Metropolitan Sewerage District to adopt and implement an EPA approved user charge system. Moreover, adoption of such a system is a necessary condition for receipt by the Town of grants which reimburse 90% of the costs of eligible sewerage construction projects. In addition, Chapter 814 of the Acts of 1975 specifically authorizes the MDC to establish a user charge system for any city or town that is served by the Metropolitan Sewerage District that fails to implement an acceptable program of user charges on its own.

*Attachment not included in mailing 3-4-82.

B. *A User Charge System is More Equitable*

While adoption of a user charge system is a legal obligation of the Town, the Committee also has recommended adoption of such a system because it is a more equitable system for raising revenue than reliance on the property tax.

Presently all of the annual costs of operating the Town's Sewer Division and the annual costs of the MDC's annual assessments upon the Town for services provided by the Metropolitan Sewerage District are paid by revenues raised from the Town's property tax. While using the Town's wastewater facilities, many large institutions within the Town are exempt from the payment of property taxes.

Under a user charge system all property owners connected to the Town's sanitary sewer facilities are required to pay their proportional share of the annual costs of operating and maintaining the Town's sewer system, including the costs assessed upon the Town by the MDC. A number of property owners who pay property taxes will be excluded from the user charge system because they are not connected to the Town's system. However, it is expected that this will be offset by the additional payments of sewer use charges by the numerous institutions that do not share in that expense because they are exempt from property taxes. Thus, the effect of adoption of a user charge system will be to transfer the collection of revenue for the annual expenses of the Town's wastewater system from the property tax to the user charges.

A discussion of the effect of the tax rate and a sample survey comparison of the present tax method and the sewer use charge system is set forth at pp. 6-7 of the *Report of Sewer Users Charge*, prepared by Lawrence W. DeCelle, Jr., Director of the Town's Department of Public Works and by Paul D. Kanter, the Town Engineer. A copy of their report is attached and marked "C".*

C. *The User Charge System Should Be Based on Estimated Use of Wastewater Facilities Measured by Water Consumption*

The EPA Regulations permit the Town to adopt either of two basic user charge systems. The first method of a system based on the actual use of wastewater facilities. The second is a system based on *ad valorem* (property) taxes.

The Committee recommends a user charge system that is based on actual use of wastewater facilities in the Town. Short of installing a meter on every sewer connection to monitor the actual volume of discharge into the sewer system, user charge systems must employ a reasonable surrogate to estimate wastewater discharges. There are two basic methods: the water consumption method and the flat rate method.

The user charge system recommended by the Committee is one based on water consumption. Experience shows that the volume of wastewater discharged is closely related to the metered water consumption. Where virtually all water customers are metered, as is the case in Milton, billing on the basis of water consumption is the most practicable and equitable method of recovering the costs of operating and maintaining a wastewater system.

The water consumption method has the following distinct advantages: First, it satisfies the EPA regulations. Second, it is the best available surrogate to measure the volume of wastewater discharged into the Town's sewerage system. Thus, it is the most equitable in apportioning the costs of the Town's system among different types of users.

Third, the water consumption method provides administrative simplicity. Excessively complex rate schedules will greatly increase the cost of billings, can result in delays and errors and is often confusing and aggravating to the customers. Thus, minimizing administrative complexities is an important consideration. Billing based on metered water consumption will be administratively efficient for Milton. A billing system for water usage is presently in effect. Billing for sewer use can be accomplished at the same time that water bills are rendered. A unit cost can be derived from the total annual budgeted costs for the Town's wastewater system divided by the total expected consumption of water. This unit

cost is then applied to either the customer's unadjusted metered water consumption or the metered water consumption multiplied by an appropriate adjustment factor to account for that portion of water use which is not discharged.

Fourth, the water consumption method provides an incentive for conservation. The amount of the user charge is directly correlated with water usage. Thus, the total service charge for each consumer is affected by individual decisions to conserve the use of water. Water conservation will be increasingly vital for communities, such as Milton, that are dependent on the Quaban Reservoir operated by the M.D.C. for their supplies of water.

The second method is a system of flat rate charges based on parameters assumed to be directly related to the volume and strength of discharges into the sewerage system. These can include the size or number of sewer connections, the use of the property (residential commercial, industrial, etc.), the number of residents or employees, etc. This type of system requires the maintenance of detailed records based on extensive on-site canvassing of properties. Classifying many users is difficult because of substantial variations in the characteristics on which charges may be based.

The Committee does not recommend a total flat rate system because of the administrative burdens that would be imposed, particularly as compared with the water consumption method.

The Committee does not recommend a user charge system based on *ad valorem* taxes. A review of the EPA regulations relating to *ad valorem* tax systems demonstrates that the town would have to incur substantial administrative expenses to implement and maintain such a system. The EPA Regulations require that user charge systems funded by *ad valorem* taxes must establish separate customer classes, including residential and small residential users, large commercial and industrial users and users that presently pay no property taxes. A system of evaluating the characteristics of the discharges from small nonresidential users must be established to assure that such users do not discharge toxic pollutants or more than 25,000 gallons per day of domestic sanitary waste. In addition, a system of rebates and surcharges must be established for the large commercial and industrial user class to assure that each member of this class is paying its proportionate amount of operation and maintenance expense.

These and other requirements of a user charge system based on *ad valorem* taxes would thus impose substantial additional administrative expenses and recordkeeping requirements. There is very little correlation between property values and the volume of wastewater discharge. Thus, a system of cost recovery that is based on property values is difficult to administer in a manner consistent with the requirements of the EPA Regulations.

D. *Costs Recovered Through the User Charge System Should Include a Portion of the Expected Payments for Capital Improvement Costs*

While the EPA Regulations require that operation and maintenance costs must be recovered through an approved user charge system, the regulations do not limit the Town's choice for recovering capital costs for construction projects that upgrade or improve the Town's wastewater facilities.

Presently, capital costs are recovered through the general tax rate. Most municipalities consider that there is a reasonable correlation between capital costs of a public wastewater system and property values which warrants recovery of these costs through the *ad valorem* tax rate. However, needed capital projects to replace, upgrade and improve the system are also a function of the use of that system over many years. This suggests that consumers ought to pay some portion of the capital costs based on actual use.

One principal problem with total reliance on a user charge system to raise all capital costs is that the variation of such costs can be great depending upon the particular construction project. Thus, utilizing a user charge system as the sole means of paying for capital costs could produce an extremely high rate for the user charge system.

REPORT OF THE EAST MILTON ENVIRONS COMMITTEE

The Committee also believes, however, that long-range planning for needed capital outlays will be significantly enhanced by utilizing the user charge system to budget annually for the recovery of some of the costs of capital projects. For example, with respect to major capital expenditures that are funded by grants, the Town will be reimbursed on a monthly basis according to work completed. There is some lag time between the request and receipt of such funds. The need for short-term debt financing may be reduced or eliminated by budgeting a portion of the Town's expected share of capital costs as part of the annual overall costs to be recovered through the user charge system. In addition, total reliance on the property tax for recovering costs of capital outlays tends to postpone the accomplishment of needed projects which in the long-run is economically inefficient.

Because of these considerations, the Committee recommends that a portion of the costs of planned capital projects be budgeted as part of the annual costs to be recovered through the user charge system. The remainder of such capital costs should continue to be recovered through the property tax.

Respectfully submitted,

RICHARD P. WARD, Chairman
FREDERICK J. KIBBLE
ROBERT K. LAMERE, JR.
JOHN J. MULVANEY
EDWARD E. WENDELL, JR.

REPORT OF THE EAST MILTON ENVIRONS COMMITTEE

To the Honorable Board of Selectmen:

The East Milton Environs Committee concerned itself this year with the parking and pedestrian concerns of the citizens in getting access to the Square.

Meetings were held at the East Congregational Church – Martin Fellowship Hall to discuss traffic regulations proposed by the Traffic Commission and were well attended by the business community of East Milton.

Several meetings were held at the Town Hall where citizens voiced their concerns regarding the traffic and safety in the Square. Members of the Committee also appeared at Zoning Board of Appeals Sessions and Selectmen's meetings to voice concerns over zoning and parking concerns.

The Committee met with a representative of the Metropolitan Area Planning Council who discussed a parking report made by that agency regarding the Square.

On many occasions, the President of the Businessman's Association, Mr. Terrance A. McGovern, attended our meetings and has been very helpful and cooperative to the Committee in attempting to solve the many parking and access problems.

The businessmen have been very cooperative with the Committee in attempting to relocate their employees to other parking facilities in order to open up more spaces for citizens who shop and frequent the Square.

The Banks have also been very helpful to the Committee. The Chairman of this Committee met with Bank Managers of the Milton Savings Bank and the United States Trust Company. Both Banks erected signs at their expense on their property to facilitate right hand turns on Adams Street from the banking lots. A major problem with the congestion during the weekends is the cross traffic making left turns backing traffic up in both directions.

REPORT OF THE MILTON TOWN GOVERNMENT STUDY COMMITTEE

Representative Joseph Manning, Police Chief Gerard Mattaliano and the Chairman of the Environs Committee also met with the Commissioner of the Massachusetts Department of Public Works at Nashua Street, Boston, regarding the expressway's effect upon the Square.

The affect of these meetings has brought a stronger sense of the problem existing in the Square to the state officials as well as local authorities.

Money is a serious drawback to immediate rapid change in the Square. However, the Committee, with the aid of the business community, is continuing to work through cooperative efforts and agreements with the businesses and private owners in the area to consolidate parking facilities.

The Citizens of Milton have been understanding of the Committee's drawbacks to immediate change. With your help, patience and perserverance, we will solve the problem in time. Progress will move slowly due to the many private and public problems in the East Milton Square area.

Respectfully submitted,

HOWARD R. PALMER, Chairman
PATRICK H. DONAHUE
ROBERT E. FOSTER
DAVID F. GALLERY
PAUL C. GRUETER
GERARD MATTALIANO
HARRY J. OSBORNE
East Milton Environs Committee

REPORT OF THE MILTON TOWN GOVERNMENT STUDY COMMITTEE

To the Honorable Board of Selectmen:

The Committee in accordance with its charter continued to interact with the town departments and committees to develop strategies and plans to improve the operation of Town Government.

The Committee recommended to the Town Meeting that energy funds previously voted for the school committee be obtained from available funds rather than a bond issue. The recommendation was adopted by the Town Meeting.

During the period of this report, we continued to monitor the cost effectiveness of the ambulance services as supplied by the police department.

The following are areas of current interest and study:

1. The organization of the Retirement Board
2. Capital budgeting
3. Forecasting of budgetary needs
4. Dual elective offices
5. Paid employees as Town Meeting members
6. Public safety organization
7. Role of Personnel Board in the collective bargaining process
8. Common labor force

In September 1982, Natalie Fultz resigned as a member of the committee to accept an appointment to the Personnel Board. Natalie made a significant contribution to the work

REPORT OF THE REGIONAL SCHOOL DISTRICT

of the committee and her resignation is accepted with regret and with thanks for her valued service to the town.

QUINOBIN REGIONAL VOCATIONAL-TECHNICAL SCHOOL
ANNUAL REPORT
FOR THE SCHOOL YEAR ENDING 6/30/82

QUINOBIN SCHOOL COMMITTEE

Town		
Dedham	Paula A. Mealy	3/83
	John J. Lyons	3/84
Milton	Kevin C. Donahue	3/84
	Robert E. Foster	3/83
Natick	David E. Marr	3/83
	John L. Donahue, Vice Chairman	3/84
Wellesley	Samuel P. Strickland, Chairman	3/83
	Robert L. DiSchino	3/84
Secretary/Treasurer:	Warren J. Himmelberger	

Quinobin opened for its fourth year of operations on September 9, 1981 with an enrollment of 294 students; 106 from Dedham, 31 from Milton, 132 from Natick, and 25 from Wellesley.

Renovations continue on the Carriage House Restaurant addition and an extension on the Greenhouse, with the students doing a majority of the work. Completion is projected for early 1983.

The Quinobin School Committee voted to drop the Painting & Wallpapering program as a result of lack of student interest and reduced enrollment. The following programs remain: Cabinetmaking, Carpentry, Commercial Art, Computer Science, Culinary Arts, Electrical, Electronics, Horticulture/Forestry, and Masonry.

In May, a Senior Banquet was held in the school restaurant to honor eighty graduates. Other guests at the banquet were many former graduates and their employers, as well as school committee members.

DEPARTMENT REPORTS

REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Milton:

June 30, 1982

The Selectmen submit the following report for the Fiscal Year ended on June 30, 1982.

The Board was organized following the March 7, 1981 election with Walter F. Timilty as Chairman, John P. Linehan as Secretary and James D. Colt as the third member.

On March 6, 1982 the following were elected Selectmen: John P. Linehan, James G. Mullen, Jr., and Walter F. Timilty. The Board was reorganized with John P. Linehan as Chairman, Walter F. Timilty as Secretary and James G. Mullen, Jr., as the third member.

James D. Colt served 9 one year terms as Selectmen and chaired the Board for 3 years. Previously he had served the Town as Chairman and a member of the Warrant Committee and as a member of the Board of Public Welfare. The present Selectmen are confident he will continue to serve the Town he loves and that his talents and keen interest in the wellbeing of Milton will be gratefully appreciated in the future, as they have been in the past.

TEMPLE FIRE

An ugly and frightening anti-religious act occurred in our Town on March 7, 1982. The Orthodox Synagogue of B'nai Jacob was vandalized, torched and the Torah, five sacred scrolls, were burned. This senseless act of malicious vandalism brought shock and outrage to our entire community.

The Milton Police, working with the District Attorney and the U.S. Attorney, brought two suspects before the Norfolk County Grand Jury as part of the investigation. At year's end no bill of complaints have been issued and the Police are continuing to follow up every lead.

CRIMINAL ACTIVITY

The Several indexes of criminal activity within our community which this Board monitors on a regular basis showed FY 1982 to be a better year than last. Although the Police arrested 336 adults compared to 259 last year, major crimes were lower.

This year we had 15 robbery incidents versus 36 last year. Breaking and entering cases dropped from 419 to 262 this year. Motor vehicle thefts dropped from 84 to 71 and acts of vandalism declined from 450 to 429 this year. Acts of larceny fell from 413 in 1981 to 365 in 1982.

We credit our alert citizenry and the effectiveness of our Police Department for this improved climate of safety in Milton.

CABLE TV

Ten amended applications were received in July of 1981 competing for the award of a franchise to wire and service Milton for a contract period of fifteen years.

The Board was ably assisted by a five citizen committee in the task of evaluating these proposals, conducting public hearings and contacting other Towns who were served by the applicants. The committee consisted of Gordon B. Hurd, Chairman, and members Joseph G. Graziani, Jr., Edward M. Lintz, M.D., Margaret Recanzone and Charles C. Bartoloni.

Hearings were conducted in the fall, and in February the Board voted to award the franchise to Milton Cablesystem, whose parent company has the licenses in Quincy, Arlington and Newburyport. One of the unhappy applicants filed an appeal with the Massachusetts Cable TV Commission who rejected it after a hearing.

REPORT OF THE BOARD OF SELECTMEN

Customers in East Milton will be in operation in the fall of 1982 and by January of 1983 about half the Town will be able to subscribe to Cable TV. Completion is scheduled for late Spring of 1983.

DOG LEASH LAW

Enforcement of the dog leash law was discontinued weeks after the voters adopted Proposition 2½ in November of 1980. This economy measure was not well accepted, and on December 1, 1981, the leash law enforcement was resumed and the newly constructed Dog Pound was accepted for the first time.

Our appreciation is expressed to the Dog Pound Building Committee, Morton Wolfe, D.V.M., Chairman, and members.

They did an excellent job with limited resources. Special thanks are extended to Charles Duffy who utilized the resources of his own construction company to achieve economies for the Town which allowed the construction to be completed within budget.

The Board also changed the format of employment of the Dog Officer from two part-time contractors to one full-time employee who works a random work schedule of 40 hours per week.

Thanks, as usual, are given to the dozens of devoted members of the Milton Animal League. Their president, Mrs. Barbara Moulton, has been a major factor in the restoration of this municipal service program.

GROUP HEALTH INSURANCE

The employee group insurance rates under Blue Cross/Blue Shield rose 38.3% for individuals and 32.8% for family members this year. The Town and the employees share these costs on a fifty percent split. A family member now faced a monthly payroll deduction of \$129.67.

We believed that this was an unreasonably high rate and directed that alternatives be explored.

A reinsurance cost plus program was examined but rejected as it exposed the employees and the Town to even higher possible costs.

Health Maintenance Organizations "HMO's" were selected as the device which offered employees an option at substantially lower prices. The Board entered into new contracts with Bay State and Medical South and reopened enrollment with the Harvard and Healthway plans which had previously been under contract. Their monthly payroll deductions for employees were as follows for FY 1983:

Group	Individual Per Month	Family Per Month
Blue Cross/Blue Shield	\$48.29	\$129.67
Bay State	15.89	41.56
Harvard	19.72	39.64
Healthway	6.84	17.06
Medical South	9.32	23.78

We urge all employees to evaluate these HMO alternatives in their health care planning.

LAND USE

In spite of high mortgages and consequently a depressed real estate market, Milton was unusually active. 22 single family home building permits were issued. 263 homes were sold during the year at an average price of \$80,971.

REPORT OF THE BOARD OF SELECTMEN

Pine Tree Brook Homes (also known as HOME, INC.) completed 97 units on their 33 acre tract of the former Lamb Estate at the corner of Canton Avenue and Blue Hills Parkway. This is a unique non-profit elderly community which was built without any governmental subsidy. A community center is currently under construction.

Quisset Brook, the Town's first new condominium, finished constructing its first phase of 22 units. This 35 acre parcel, also formerly of the Lamb Estate, has its access from Uniquity Road.

The Burr Estates is a condominium conversion of a mansion and several outbuildings into 20 units. This was formerly the novitiate Friary of the Capuchin Franciscan Order. The developer is Keevin Geller, a resident of our Town.

The former Columban Seminary on Neponset Valley Parkway was, this year, converted into a 160 bed nursing home by Thomas J. Flatley, a Milton resident.

The Board opposed the proposal of the Corcoran Company to build a four story low income housing project with 126 units on the site of the Carlton Ford property in East Milton Square. On February 27, 1981 the Board of Appeals turned this proposal down, however, the applicants were successful in obtaining a court decision that the Appeals Board had delayed their decision too long, thereby approving the project. The Selectmen supported appealing that court decision right up to the Supreme Judicial Court. At year's end an alternative use is being developed for this property which appears to be more acceptable.

We opposed a Housing Authority application for a special permit before the Board of Appeals to build 48 units of low income housing on 3.28 acres of the Craig estate on Horton Place. Our position was that the site was too small, especially because eight of the units were to be for families. We could accept 40 units of elderly housing at this site, although we feel that it was unfortunately remote. Additionally, we advocated that the family units be scattered throughout the Town.

CONSERVATION

While FY 1982 was a busy one for development, it was also a year of significant activity in preserving the character of our Town.

Just as Quisset Brook and Home, Inc., are prohibited from building within 150 feet of the adjacent roadways, so likewise open space restrictions were placed on the Burr Estate and the Milton Nursing Home. Each was required to deed open space easements over substantial portions of their undeveloped property to the Conservation Commission.

Town Meeting approved an Article authorizing us to take a parcel of land on Randolph Avenue of 30 acres for municipal and conservation purchase. This Spring, after receiving appraisals and failing to arrive at a negotiated purchase, we took this land by eminent domain for \$90,000. This site is adjacent to the Blue Hills Reservation and the sanitary landfill and is the site of the archeologically significant Hornsfells Indian Quarry. A residential sub-division which the owners had proposed would have been injurious to this area.

Misses Amy and Rosamond Lamb donated a 40,000 square foot parcel of land on the westerly side of Blue Hills Parkway to the Town to be added to the Pope's Pond Conservation area. This is the last piece of the Lamb Estate which once totaled approximately 200 acres and included the entire Pierce School complex. We join the people of Milton in extending our sincere appreciation to the Lambs for their generosity and interest in the Town of Milton. The late Horatio Lamb was one of Milton's first Park Commissioners.

In the ongoing struggle to preserve Prowse Farm this year we opposed the Codex Company's curb cut permit application to the MDC. When this effort failed we supported Court action to reverse the MDC decision.

REPORT OF THE BOARD OF SELECTMEN

The Board also supported ongoing efforts to enact a "Bottle Bill" to require deposits on tonic and beer containers.

Town Meeting approved two Articles in the Warrant this year which settle the last two eminent domain cases in the Pine Tree Brook Flood Control project. This project involved the construction of the dam on Harland Street at Unquity Road and required the acquisition of over 300 acres from 19 different property owners. We commend Town Counsel and the Executive Secretary for the successful efforts in completing this complex land acquisition project well within the 1966 appropriated budget and land appraisals by R. M. Bradley, Reinsterna and Hunneman. Seventy-five percent of the land costs were reimbursed by State and Federal grants. The dam was constructed with a 100% Federal Grant from the U.S. Department of Agriculture, U.S. Soil Conservation Services.

In 1982 the Town Meeting adopted a comprehensive wetlands protection bylaw which was the product of a great amount of work by the Conservation Commission.

EAST MILTON SQUARE

The State Department of Public Works this year announced commencement of engineering design work to reconstruct the Southeast Expressway through Milton. With the assistance of Senator Joseph B. Walsh we were successful in obtaining the State's commitment to including drainage relief for several East Milton local streets into this design work. Our engineers are optimistic that this work will eliminate serious local street flooding which has existed since the Southeast Expressway was constructed in 1955.

This Board conferred with the Chairman of the East Milton Environs Committee on several objectives this Committee has to improve conditions in the Square. We supported the committee efforts to secure state and federal Community Development Block Grants. We also encouraged the Committee to negotiate options for the purchase of off street parking sites and to seek public works improvements in this, our largest business district.

ONE DAY LIQUOR LICENSE

Town Meeting approved a home rule petition to allow the Board of Selectmen to issue one day liquor licenses to non-profit organizations within the Town. The Legislature has our petition under consideration at year's end.

We proposed this measure on the recommendation of the Chief of Police because of the increasing violations of the existing law prohibiting the sale of alcoholic beverages by unlicensed parties. The state law Chapter 138, Section 14, allows Towns which have voted to have taverns and bars to issue one-day licenses. Because Milton has never accepted that referendum question, a home rule petition was required.

CELEBRATION OF HOLIDAYS

The Celebration of Holidays was enhanced this year by three special dedications.

On Veterans Day, 1981, the Kelly Field Tennis Courts were dedicated to William Cloney III who was killed in Viet Nam. He was a member of the U.S. Army 46th Armored Infantry (Americal) Division. The Americal Division Veteran's Association assisted with the dedication.

The people of the Town dedicated the corner of Centre Street and Brook Road in a tribute to the service of the Honorable James A. Burke who served our Town as its Congressman from 1958 to 1978. A stone marker was erected with the inscription "He never lost the common touch."

In September the intersection of Thatcher Street and Brook Road was dedicated to Msgr. John D. Day who has served as Pastor of St. Mary of the Hills Parish for twenty years. A brick planter with a suitable sign was erected.

REPORT OF THE BOARD OF SELECTMEN

VARIOUS ITEMS

The Town Meeting authorized the expansion of the Council on Aging from five to nine. The Council's goal for the year was to obtain a grant and volunteers to restore the medical transportation program for the elderly which formerly had been provided by the Milton Chapter of the American Red Cross.

Counseling services to youths were again provided for 30 hours each week because of a grant received from a private charitable fund which financed one half the cost.

The MBTA trolley line was assured continued operation by a decision of Governor Edward J. King last year. This year that decision was institutionalized by the complete reconstruction of the trolley line between Ashmont and Mattapan. This included a complete new roadbed with concrete ties. The quality of the ride has been greatly improved. Chain link security fences were installed along the complete right of way through Milton.

Harold Brown of 46 Dean Road has continued to represent the Town to Massport. His role as a volunteer citizen member of their Advisory Board has been most effective in voicing Milton's concern about our Airplane Noise problem. He was influential in having Massport establish a preferential runway study committee. That committee commissioned noise consultants to develop a more equitable distribution of arriving and departing aircraft among the various runways at Logan. The ultimate objective of Mr. Brown's efforts is to lessen the duration and frequency of arriving flights over Milton. We are all greatly appreciative of Harold Brown's service to the Town.

The Thacher Building was demolished in the summer of 1981 at a cost of \$7,436.00, which included loaming and seeding the site.

We instituted a sticker system for access to the sanitary landfill area to identify the cars and trucks of local residents. This method has essentially eliminated the use of the landfill by non-residents.

Under the leadership of the Board of Health we joined with the Youth Committee in seeking a grant from the Department of Mental Health for financing a Drug and Alcohol education program for the youth of the community. This grant was obtained and a coordinating council was formed to insure the involvement of a large number, both adults and youth, in this important endeavor.

After a delay of several months by city officials concerned about Proposition 2½, we renewed our long standing Fire Mutual Aid agreement with Boston in September.

CONCLUSION

We wish to thank all Town employees, volunteers, member of Boards, Committees and others who have participated in one way or another during the year as part of our Town Government process. In particular, we extend our appreciation to the Executive Secretary and our staff in the Selectmen's Office for their ceaseless efforts during the year.

Respectfully submitted,

JOHN P. LINEHAN
WALTER F. TIMILTY
JAMES G. MULLEN, JR.
Board of Selectmen

REPORT OF THE EXECUTIVE SECRETARY

June 30, 1982

I am pleased to submit my fifteenth Annual Report. Your assignment to assist Department Heads and Committees under the Selectmen's jurisdiction and to provide such assistance and cooperation as may be required by other Departments, Boards and Committees has been carried out. Every effort has been made to assist the Board in exercising its governmental duties and in directing the activities of its departments.

REVENUES

Living under Proposition 2½ has forced the Town to re-evaluate all sources of revenue. This year the Town Meeting's vote to accept the Selectmen's proposal to increase Building, Plumbing and Wiring permit fees went into effect. Revenue from this source rose by \$19,950 over last year to a total of \$41,191.

This was the first full year of ambulance billing by the Police Department. The Town collected \$35,635 from this source. Appreciation is extended to Raymond Fallon, President of Fallon's Ambulance, for his free consultation and guidance to the Police Department on establishing fees, billing format, forms and systems.

The Selectmen also increased the permit fee for the underground storage of gasoline to the same as the City of Boston.

The Town received, through the Cherry Sheet, the sum of \$1,090,355 for Chapter 70 reimbursements. This is the program of reimbursement to the Town for expenditures to educate its children. Little realize (but a fact) this includes a fractional reimbursement for the sidewalk plowing, the Town Accountant, Town Treasurer, Town Counsel, Selectmen's Office Work and other department's work on behalf of the School Department. Each year all departments are asked to report to the School Department how much of their budget has been expended on School Department work.

PARKING FINES

The Selectmen this year voted to increase Parking Fines. All night parking fines were increased from \$3.00 to \$5.00, a majority of fines from \$5.00 to \$10.00, with the most serious infractions increased to \$15.00.

PARKING TICKETS

On January 1, 1982 the District Courts transferred responsibility for collecting parking tickets to the municipalities. They also handed us a backlog of 5,500 tickets. This duty was assigned to the Selectmen's Office. We contracted with a data processing firm to send out warning notices with a \$5 penalty to all delinquents and to process all new tickets. An appeals procedure was established with the Police Department.

At year's end revenues under this new program totaled \$28,580.

SEWER USE CHARGE

Town Meeting voted to accept the recommendation of the Sewer Use Study Committee to establish annual charges for the use of common sewers. These sewer use charges will begin after January 1983 and will ultimately raise over \$500,000 annually.

This sum will finance the Public Works Department's operation and maintenance of our local sewer collection system, the MDC assessments for the sewerage treatment and disposal, and all of the Town's future sewer capital improvement projects. These are currently financed through the property tax levy. Consequently, the future tax levies will be relieved of these expenses. The sewer users will be receiving a bill twice a year for sewer use based on the amount of water used.

COMMUNICATIONS

The School Department joined us this year in an economy effort by combining our telephone systems. The new Western Electric "Dimension" system is handled by the receptionist switchboard operator. The system has a number of valuable features, including call forwarding, a Massachusetts WATTS line and phone restrictions on toll calls.

This year the Police and Fire Departments installed a Western Electric "Horizons" telephone system. This enabled the Fire Department to transfer dispatching duty to the Police Department when the Central Fire Station was vacant. This was necessitated when the Town Meeting voted to eliminate the four Fire dispatcher positions.

The transfer of this duty to the Police Department was the subject of two Unfair Labor Practice charges against the Town. Both were denied by the State Labor Commission, and the implementation of the new practice has been a smooth one due in large part to the cooperation of those Fire and Police employees who are involved with its operation.

REVALUATION ON PROPERTY CLASSIFICATION

This was the year that the Assessors completed revaluation. The Selectmen joined 83% of the other municipalities in the state by deciding to classify all categories of property at the same level. This resulted in a single tax rate to apply throughout the Town. To have classified commercial and individual property at a higher ratio than residential property would have saved the average homeowner very little and would have greatly complicated what was already a difficult year for the Assessors and Tax Collector.

TAX RATE

The Town's valuation for FY 1982 was certified at \$668,236,149.

The tax rate was set at \$24.25, which was required to raise the 1982 tax levy of \$16,204,726. This sum included an overlay of \$1,440,812. This overlay was higher than usual to provide funds to grant abatements for errors in revaluation.

Town Meeting appropriations for FY 1982 were \$18,135,854, reduced from \$19,294,629 in 1981. However, State and County assessments and other local charges which don't require appropriation increased the total amount to be raised from \$22,653,961 in 1981 to \$22,277,999 in 1982.

Receipts both local and from the state, federal revenue sharing, and free cash in 1981 were \$6,148,497, and only \$6,073,273 in 1982. The Town suffered a loss of \$900,000 in Motor Vehicle Excise Tax as a result of the rate reduction included in Proposition 2½.

It was remarkable that the Town was able to cut back services to comply with Proposition 2½ in such a short period of time. The cooperation between the Warrant Committee, Selectmen, Assessors, School Committee and all other governing Town Officials was superb.

LABOR SERVICE ADMINISTRATION

In October of 1981 the Massachusetts Division of Personnel Administration, operating under Civil Service Commission Rule 30, discontinued handling Labor Service Employee Certification of applicants, processing of promotions, terminations, transfers and all aspects of Civil Service protection for a large group of the Town's Civil Service employees. They in turn mandated that the Selectmen's Office take over this work. Following a brief staff training program the Selectmen's Office received several hundred applicant registration cards, forms and rosters to maintain and update. This responsibility includes servicing the

REPORT OF THE EXECUTIVE SECRETARY

School Department cafeteria workers, maintenance men and craftsmen, all Cemetery workers, the Wire Department's signal linemen, the Park Department and the Public Works Department employees. Because of staff shortages in the Selectmen's Office, it will be difficult to carry out this new duty properly.

COLLECTIVE BARGAINING

This Town negotiated a one year contract for the "W" classification employees with Local 1395 AFSCME. It provided for a 6% wage increase and several changes in fringe benefits. "W" employees include Public Works, Cemetery, Parks laborers, equipment operators and foremen.

The Library employees won recognition as a bargaining unit. They affiliated with a regional union known as Hospital, Library and Public Employees Union. After numerous negotiating sessions a contract was agreed to which provided for a 5% wage increase, reduction of the work week to 37½ hours and a number of fringe benefit improvements. The contract included a strong management rights provision which insures that the Trustees retain the authority to conduct the affairs of the Library without encumbrances.

The Fire and Police Unions failed to negotiate a new contract during fiscal year 1982 for fiscal year 1983, although over a dozen bargaining sessions were held with each group. Negotiations for each unit were before mediators at the close of the year.

Several grievances were filed by the Police Union which were heard by the American Arbitration Association. All were resolved in favor of the Town.

The advice and guidance of the Personnel Board in labor relation matters has been of great value. The support and cooperation of the Warrant Committee in reviewing our proposals during the course of negotiations has been appreciated. These two Committees, with a total of twenty citizen members, provide expertise from many fields and professions which assists the Board of Selectmen in reaching the best possible agreements with the organized employees groups.

MILTON'S SPENDING RATE

The Town of Milton's fiscal year 1982 level of spending was moderate in comparison to the communities which we traditionally have made comparisons. The following tabulation is based upon the 1980 Federal Census and the 1982 Tax Levy.

	Population	FY 1982 Tax Levy (000's)	Per Capita Tax
Arlington	48,219	26,844	\$ 557
Belmont	26,100	18,594	712
Braintree	36,337	20,897	575
Brookline	55,062	40,746	740
Dedham	25,298	14,380	568
Lexington	29,479	25,840	877
Needham	27,901	21,641	776
Wellesley	27,209	21,700	798
Weymouth	55,601	24,998	450
Winchester	20,701	17,045	823
Milton	25,860	16,205	627

The above figures must be studied with the understanding that many of these communities have far more commercial and industrial valuations than Milton. Therefore, non-residential properties share the tax burden with the residential properties.

REPORT OF THE EXECUTIVE SECRETARY

PERSONNEL REDUCTIONS

Again this year Proposition 2½ forced further cutbacks in the number of full time employees under the jurisdiction of the Board of Selectmen. The Public Works Department was reduced to 49 full time permanent employees.

The following tabulation illustrates the staff reductions caused by Proposition 2½ and other economy measures since 1970:

PERMANENT FULL—TIME EMPLOYEES UNDER SELECTMEN'S JURISDICTION

Fiscal Year	1970	1980	1982	1983
Police	57	64	59	58
Fire	71	65	61	61
Accountant & Retirement	4	5	4	4
Selectmen's Clerical	6	5	2	2
Executive Secretary	1	1	1	1
Town Office & Library Buildings	5	3	2	2
Building	2	2	2	1
Plumbing & Gas	1	P.T.	P.T.	P.T.
Wire	5	3	3	3
Youth		2	1	1
Public Works	76	62	52	49
Total	228	212	187	182

CONCLUSION

All of the employees and departments have been understanding and cooperative as the Town reorganized to manage within the limits of 2½. I continue to be grateful to their spirit of dedication.

I extend my thanks and appreciation to the Board of Selectmen and the Department Heads, Town employees and officials, the members of the Boards and Commissions and to the citizens of Milton who have assisted me throughout this year. A special note of appreciation is extended to the staff of the Selectmen's Office who have helped to meet all deadlines and commitments of the Board of Selectmen and the Town. Meetings.

Respectfully submitted,

JOHN A. CRONIN
Executive Secretary

REPORT OF THE TOWN COUNSEL

REPORT OF TOWN COUNSEL

To the Honorable Board of Selectmen:

I submit herewith my report as Town Counsel for the period July 1, 1981 to June 30, 1982.

A number of cases referred to in my previous report were decided by or are pending before appellate courts following initial hearings in the lower courts.

The trial judge's decision in the John M. Corcoran Company case that the deliberative session of the Board of Appeals did not constitute a "public hearing" under the so-called anti-snob zoning bylaw was affirmed by the Appeals Court. However, by the time the decision was rendered the erection of the high rise housing for the elderly on the Carlton property was no longer feasible.

The decision of a superior court judge ordering the re-instatement of two school custodians with back pay was reversed by the Appeals Court in March. This ruling was particularly favorable to the Town as it resulted in a saving of over \$40,000.00.

Three suits against the Planning Board arising out of the board's rescission of its prior approval of a subdivision plan of land at the end of Margaret Road were terminated when a new developer purchased the subject property. A second suit against the Planning Board resulting from the board's refusal to approve a subdivision plan of the Arrowhead Realty Trust property off Randolph Avenue was terminated when the Town acquired the land by eminent domain in accordance with the vote on Article 35 of the Warrant for the 1982 Annual Town Meeting.

The most highly publicized case of the year originated when the Town Clerk was elected to the Board of Selectmen. My opinion that the two offices were incompatible was subsequently reversed in the superior court.

Several cases were heard at the Appellate Tax Board. In most of these cases the decisions of the Board of Assessors were upheld.

There are presently pending five cases against the Town in which the plaintiffs are seeking substantial money damages. Three of the cases stemmed from arrests made by the police. In all three cases it appears that the actions of our police officers were not only reasonable but even commendable under the circumstances existing at the time. In the fourth case a disgruntled school teacher has filed a discrimination suit against the School Committee. The final suit involves a claim against the Town for \$750,000.00 damages allegedly sustained by the contractor who renovated the Tucker School when his contract was declared in default.

During the year four claims against the Town were settled for the total amount of \$1,085.22. I collected seventeen claims for damage to Town property in the sum of \$11,166.54. I also recovered an attorney's fee in one case amounting to \$5,000.00 which I, of course, remitted to the Town.

Respectfully submitted,

ROBERT D. O'LEARY
Town Counsel

REPORT OF THE PERSONNEL BOARD

The Warrant Committee requested that all departments submit their fiscal year 1981-1982 budgets level funded to the previous year's approved appropriations. Excluded from this procedure was the cost of wage increases to the employees of the municipal work force. Non-union salaries increased by 5%, the Labor Union settled at 6%, and the Fire and Police Unions had not signed an agreement at the time this report was written. The Library professional and paraprofessional employees, unionized during 1981, negotiated a contract which provided for a 5% wage increase and a reduction in hours from 40 to 37.5 per week.

The Board of Health requested that the positions of Health Agent and Public Health Nurse be studied and recommended salary grade assignments for these positions. Because of the timing of this request, the Board deferred review of these positions until the first half of the 1983 fiscal year.

The Town Government Study Committee asked the Board for its assistance in conducting a preliminary feasibility study of transferring the town ambulance service from the Police Department to the Fire Department. After analyzing the cost of training an adequate number of firefighters as EMT's and the Fire Chief's request to reinstate four positions, the Board recommended to the Town Government Study Committee that a complete review should be deferred until proper resources are available.

The Personnel Board had been requested by the Warrant Committee to review the process of changing the current weekly payroll to bi-weekly. The basis for the 26 week payroll versus the 52 pay period is the cost savings in personnel and materials. The Board used the resources of the Town Counsel who, in fact, produced Chapter 149, Section 148 of the Massachusetts General Laws which states that employees are to be paid for their services on a weekly basis. The Personnel Board has requested the Selectmen to obtain the assent of the Town Employees to the implementation of a bi-weekly payroll.

The Board employed the services of a consultant to maintain the personnel system. In addition, independent management and position studies were done in the Assessors, Library, Public Works and Accounting Departments. The Board approved the recommendations of the consultant, which were accepted by the governing boards and the employees.

The Board members have set goals for the coming twelve month period. They are to develop and implement employment practices, guidelines, and a performance appraisal system. The Board considers that it is imperative that these two programs be completed to set the basis for a progressive and sound personnel system. A municipal work force the size of Milton's should have these basic personnel procedures and the Board is determined to see them instituted.

The Board members would like to extend their thanks to all the Department Heads, Boards, Committees and Josephine McAteer, Personnel Board Clerk.

Respectfully submitted,

JAMES D. FITZGERALD, Chairman
FRANCIS P. McDERMOTT
MANUEL S. LATO
JOHN P. CONNOLLY
M. NATALIE FULTZ

REPORT OF THE PUBLIC WORKS DEPARTMENT

To the Honorable Board of Selectmen:

Submitted herewith is the tenth report of the activities of the Department of Public Works established under Chapter 570 of the Acts of 1973.

ENGINEERING

Engineering services were rendered to all departments as requested. All maps, atlases and plans on file have been updated to present conditions.

With changes in the Chapter 90 Program by the Mass. Department of Public Works, no streets were resurfaced in 1982. However, the Mass. Department of Public Works has encumbered funds that will be available for resurfacing projects in 1983 as outlined in Article 18 of the 1982 Annual Town Meeting.

The department issued 9 street numbers and 59 street opening permits.

Master plans for sewer, drainage, water, street and sidewalk programs are continuously being updated and scheduled into fiscal Public Works budgets.

Engineering service rendered to the Milton Planning Board has been demanding and is expected to continue into next year as active subdivision and condominium construction demand inspections.

All traffic studies, counts and sketches were done for the Traffic Commission, Board of Appeals and Board of Selectmen as requested.

The new automatic traffic counter and high voltage sign making machine, obtained by the Board of Selectmen under the Highway Safety Grant, have been put to use several times.

Engineering services rendered to the Building Commissioner continues to be demanding and services granted as often as possible, but the Building Commissioner's requests of need far outnumber the hours granted.

Engineering services are provided to the Conservation Commission to protect our wetlands and natural features whenever possible.

The department has provided the design, cost estimates and specifications for safety improvements at 10 major intersections in the Town. Construction is scheduled in the near future under the Urban Systems Program.

A separate report of the Town Sanitary Landfill operation is submitted and appears elsewhere in the Town Report. This operation requires constant engineering and inspection services.

HIGHWAY

The 1981-1982 snow season was slightly heavier than normal. With an early storm in November 1981 and a late storm in April 1982 the total snowfall exceeded the norm and approved budget.

Drainage improvement programs continued with the installation of 1,050 linear feet of various size drains, 12 catch basins and 6 manholes. A Master Plan for drainage to be done is on file in the Engineering Office.

There were no streets constructed under the Betterment Act.

REPORT OF THE PUBLIC WORKS DEPARTMENT

A list of sidewalks constructed, resurfaced or repaired is on file in the Engineering Office.

No new equipment was purchased during fiscal year 1982. This will result in a negative impact for future years.

As requested by the Board of Selectmen, the Mass. Department of Public Works has approved a grant for a Salt Storage Shed to be constructed at the Public Works Yard.

Sidewalk maintenance program has been demanding as our approximately 200 miles of sidewalks become older and subject to material breakdown. Also, roots create a serious problem to walkers, especially older people, so we are attempting to cut and remove roots as soon as possible so that walking will be safer.

New sidewalks on Canton Avenue (Highland Street to Holmer Lane) and Pleasant Street (Mathaurs Street to Dean Road) as requested by Article 48 Committee report of October 22, 1981 to provide safety for children walking to and from school were completed.

FORESTRY AND SHADE TREE MAINTENANCE

12 street trees were planted during fiscal year 1982 and 68 street trees were removed for various reasons.

Gypsy Moth infestation was lighter than last year due to a virus spread amongst themselves. Town trees were treated with DIPEL early in the season. All indications are that the virus should continue to control the moths.

Pruning and lifting of street trees is an ongoing program.

Poison Ivy on public property was sprayed as requested.

Maple trees are showing wilting of foliage early. The Norway and Sugar Maples are subject to a complex known as "maple decline." However, Cooperation by our citizens in watering and feeding of street trees will help because a healthy tree can resist disease and fungus so much better than a weakened tree.

WATER OPERATIONS

All the Metropolitan District Commission meetings were attended during the year.

35 service connections were made to supply new buildings, 22 of which supply Phase I of Quisset Brook Condominiums, 2 services were laid from sideline of street to buildings, 35 services were laid from main to sideline of street in Indian Cliff Section III subdivision.

82 services were relaid. This is a continuing program as services to dwellings become older and do not provide adequate pressure or volume.

5 new hydrants were installed in Quisset Brook Condominiums, 9 at Indian Cliff Section III and 1 at Tucker Burr Condominiums. 39 additional gates were added to the Town system, 8 gates were added at Quisset Brook Condominiums and 2 added at Tucker Burr Condominiums. Approximately 60 old hydrants are still ungated but are scheduled to be gated under a long range program.

Main Extensions — Improvements to the distribution system were made by laying pipes in the following locations:

Robbins Street (Brush Hill Road to Route 138)	434' of 16" pipe
Town land between Unquity Road and Indian Cliff Section III	1075' of 12" pipe

REPORT OF THE PUBLIC WORKS DEPARTMENT

Quisset Brook (part of 12" main in easement private land)	685' of 12" pipe
Easement Old Farm Road to Woodside Drive	642' of 8" pipe

Installation of mains were made in subdivisions under Chapter 12 of the Town Bylaws in the following locations:

Indian Cliff Section III	3035' of 12" 380' of 8" 124' of 6"
Quisset Brook Condominium Development	1135' of 8" 370' of 6"
Tucker Burr Condominium Development	260' of 8" 6' of 6"

The inspection, repairing, gating and painting of hydrants continue. This year the Milton Fire Department did a complete testing of every hydrant in Town and provided a list of operating problems. The Milton Water Department is correcting every item listed. This is an excellent inter-departmental program that will be continued on an annual basis.

Water tank maintenance, including grouting and sealing of the base, was performed by D.P.W. employees at the Town's two tank locations in the Blue Hills.

Conservation of water is a top priority. Milton Water Department is presently engaged in a leak detection program for the entire system. Milton received a \$7,500.00 grant from the Department of Environmental Quality Engineering as part of the program and it is expected to be completed in fiscal year 1983.

CENTRAL MAINTENANCE GARAGE

Preventative maintenance and ordinary repairs were provided for all Town vehicles. Only specialty items were sent out for services.

With the reduction in replacing police cruisers, increased maintenance demand is in effect. The previous policy of replacing the police cruisers on an annual basis seems to be more efficient in view of maintenance operations and down time.

A serious study and evaluation is also needed in the long range planning for fire equipment. The Central Maintenance does everything possible to maintain this equipment but because it is so sophisticated and expensive input from the Fire Chief and his personnel needs to be given serious consideration.

OBJECTIVES

To continue with Water System Improvements.

To continue with Improved Drainage Program.

To continue with Sewer Study and Improvement Program.

To obtain TOPICS funding and construction.

To continue Stream Clearance Program.

The Milton D.P.W. will attempt to continue an extensive maintenance program to keep our community streets and sidewalks clean and safe.

PERSONNEL

The following people retired in fiscal year 1982:

REPORT OF THE SANITARY LANDFILL

Irwin "Red" Loud retired from the D.P.W. after a lengthy illness. Red's subtle humor and expertise in forestry will be missed by all who knew him during his 34 years' employment with the Town.

Everett Parks, Maintenance Craftsman, retired after 26 years of service, due to health. Everett was a very dedicated employee and we wish him good health.

Jim Hill, Dispatcher — Timekeeper, retired after 4 years of service. Jim is a very capable, efficient person whom we will miss.

CONCLUSION

I wish to take this opportunity to express my appreciation to all Public Works employees for their cooperation and assistance in completing another productive year.

I wish to thank the Board of Selectmen, Executive Secretary, and all Town departments for their cooperation and assistance during fiscal year 1982.

Respectfully submitted,

LAWRENCE W. DeCELLE, JR.
Director of Public Works

REPORT ON THE SANITARY LANDFILL

To the Honorable Board of Selectmen:

The Milton Sanitary Landfill operated by private contractor under the supervision of the Milton Public Works Department continues as one of the few remaining approved landfills in the state.

In 1982, Town Meeting Members voted to purchase or take by eminent domain 29.77 acres of land adjacent to the landfill for Municipal and Conservation purposes.

The acquisition of this 29.77 acre parcel will complement the Town's ownership of the 135+ acre landfill. It will provide greater flexibility and ease of operation of the landfill during its remaining years of active life.

The new acquisition also insures the preservation of 24 acres of wetlands and land of historical significance while providing a potential second Randolph Avenue access for the future use of this valuable Town property.

Respectfully submitted,

PAUL D. KANTER, P.E.
Town Engineering & Planning Director

REPORT OF THE BOARD OF ASSESSORS

REPORT OF THE BOARD OF ASSESSORS

The detailed statement of Receipts and Expenses follows

July 1, 1981 -- June 30, 1982

June	36	25	11	428.00
	511	309	202	\$5,525.00

Fees amounting to Five Thousand Five Hundred Twenty-Five Dollars (\$5,525.00) were collected and turned over to the Town Treasurer. I wish to thank your Honorable Board and all Town Departments who have assisted me.

Respectfully submitted,

PAUL D. WILLIAMS
Inspector of Plumbing and Gas

REPORT OF THE BOARD OF HEALTH

To the Honorable Board of Selectmen:

The Board of Health is pleased to submit its Annual Report for the period July 1, 1981 through June 30, 1982.

The Board met on February 2, 1982 and elected Virginia A. Gaffey, Chairperson, Mary Ellen Maloney, Esq., Secretary and Morton Wolf, D.V.M., Member. The Board appointed John S. Coldiron, M.D., as Board of Health Physician, Michael J. Sullivan, R.S. as Agent to the Board, Mary A. Whitney, R.N., Public Health Nurse, Bernadette MacQuarrie, Principal Clerk, and John J. Gutteridge, D.V.M., as Inspector of Animals.

SCHOOL HEALTH SERVICES

Physical examinations of pupils in the fourth, eighth and eleventh grades in parochial and private schools were provided at the individual request of a parent or guardian. One hundred and seventy three students were examined.

The Massachusetts Vision Test and the Pure Tone Audiometer Tests for hearing were administered to all enrolled parochial school pupils.

Scoliosis screening was conducted on students in Grades five through eight with parental permission.

Clinics held in public and parochial schools provided the immunizations for Mumps, Measles, Rubella, Diphtheria, Tetanus and Sabin Oral Polio.

COMMUNICABLE DISEASE PREVENTION

The Public Health Nurse tested 36 residents for evidence of tuberculosis infection. TB tests for faculty and employees in public and private schools were also provided in accordance with the requirements of Massachusetts General Laws governing persons in contact with school and college age persons.

The State Law requires that children be immunized against diphtheria, tetanus, pertussis, measles, mumps, rubella and polio before attending school. Vaccines for diphtheria, tetanus and pertussis (DTP); for measles, mumps and rubella (MMR); and for polio (Sabin) were distributed from the Board of Health office to community physicians for immunization of children. The immunization of infants and children by physicians was supplemented through the school clinics for booster doses. Case histories, home visits and follow up were carried out on:

- 2 cases of Hepatitis
- 1 case of Pertusis
- 2 cases of Meningitis
- 1 case of Mumps
- 6 cases of Salmonella
- 1 case of Tuberculosis

PUBLIC HEALTH CLINICS

The Board of Health conducted four influenza clinics on October 14, 15, 20 and 21, 1981. Seven hundred and ninety-nine Milton residents took advantage of these clinics and received immunization against the three strains of flu that were expected to be most prevalent during this year's flu season.

Immunizations against Pneumonia were also offered to the residents. Only residents who were over 50 and whose physician certified they were chronically ill qualified to receive the vaccine. Twenty-one residents received the vaccination which will protect them for five years.

REPORT OF THE BOARD OF HEALTH

Hypertension screening was again conducted for Town employees. Those employees with elevated readings were referred to their private physicians.

INSPECTION OF ANIMALS

A total of 41 dog bites and 2 horse bites were reported to the Board of Health in 1982. None showed any evidence of rabies. The Animal Inspector, John H. Gutteridge, D.V.M., examined 100 horses, 3 cows and inspected 12 stables.

ENVIRONMENTAL HEALTH

Seventeen permits to operate food service establishments were issued in 1981. All food service establishments were inspected for compliance with the State Sanitary Code. In addition, all schools were inspected periodically. Six establishments registered by the Board of Health to sell food at retail were inspected for compliance with the regulations of the State Division of Food and Drugs. One wholesale bakery and one retail bakery were inspected for compliance with the Massachusetts General Laws.

Applications for individual sewage disposal systems were submitted in 1982. Nine were requested for new dwellings of which five were disapproved because the lot inspections revealed they were unsuitable for the subsurface disposal of sewage. Twelve applications were submitted and reviewed for the alteration and repair of existing systems.

There were 152 nuisance complaints that required investigation; 9 lead paint analyses; 34 housing inspections; 39 water analyses; and 236 miscellaneous calls that required field investigation.

Licenses to deliver milk in the Town from vehicles were issued to two dealers. Fifteen licenses were issued for sale of milk in retail stores. Six oleomargarine registrations were issued. A license to manufacture carbonated non-alcoholic beverages, two licenses for the practice of massage and three permits for commercial stables were issued in accordance with General Laws of the Commonwealth. Four licenses to purchase syringes, two licenses to deal in methyl alcohol, and one license to manufacture frozen desserts were issued in 1981. Three licenses to operate recreational camps were issued; two permits for public swimming pools, three permits for removal and transportation of the contents of privies, and four to remove and transport garbage and offal. Six permits to install local sewage systems were issued. Six licenses were issued to funeral directors. Eighteen private stables licenses were issued.

GRANTS

The Board of Health received a grant from the State Department of Public Health to implement a Fluoride Rinse Program in the schools. During this Fiscal Year with the cooperation of the school system and the assistance of the PTO's, the rinse program was available to the students at Collicot and Glover schools.

The Board also received a grant from the State Department of Mental Health to implement a comprehensive drug and alcohol abuse prevention program in Milton. In conjunction with the Youth Department, and South Shore Mental Health's Outreach Center, a committee called "Citizens For Youth" was organized. This committee is comprised of a diverse group of health professionals, educators, clergy, parents, youth workers, Police Department representatives and community leaders. The major objectives of this group is to (1) develop educational programs for parents, teachers, and children of different age groups, (2) increase community awareness of alcohol and drug issues, (3) inform the community of and mobilize resources to strengthen traditional support, (4) develop new and innovative programs and (5) develop alternative activities.

REPORT OF THE PARK DEPARTMENT

Income from fees for permits and licenses issued by the Board of Health during this period was \$1,031.50.

Respectfully submitted,

VIRGINIA A. GAFFEY, Chairperson
MARY ELLEN MALONEY, Esq., Secretary
MORTON WOLF, D.V.M. Member
Milton Board of Health

REPORT OF THE PARK DEPARTMENT

To the Honorable Board of Selectmen:

The following is the Annual Report of the Board of Park Commissioners for the Fiscal Year 1982.

Mr. Michael J. Feehily, Jr., was elected Chairman, Donal J. Fahey, Secretary, and John S. Shields, Member.

Improvements to the playgrounds were as follows:

Reconditioned Kelly Softball Diamond, Pierce Softball Diamond and Andrews Little League Field.

Reconstructed Regulation Baseball Diamond at Pierce Field.

The Milton Junior Woman's Club donated playground equipment for the tots' play areas.

Recreation Programs offered by the Park Department are as follows:

Basketball	Square Dancing
Gymnastics	Girls' Softball
Street Hockey	Baton Twirling
Ballet	Women's Slimnastics
Acrobatic Dancing	Ski Instructions
Weight Lifting	Men's Softball
Bridge Instructions	Women's Softball
Soccer	Tennis Instructions

The attendance this year at Milton Park and Recreation Programs was once again up, with a large attendance at the summer and winter gymnastic program. Attendance was up at weight lifting, street hockey and Senior Citizens golf tournament.

The Skiing Program, held on Saturday mornings at the Blue Hill Ski area, had over 325 participants.

The Park Department once again participated in the "Family Day", held at Cunningham Park, in August.

The Board hired Mary Reardon as Director of the Summer Handicapped Program. Miss Lynda Lee Bakers was hired as director of the Winter Handicapped Program. Milton continues to be reimbursed for 50% of all costs for the program.

Mr. Christopher M. Wallace was hired by the Board as Playground Supervisor for the summer playground recreation programs. This program was held for eight weeks at four of the playgrounds.

REPORT OF THE YOUTH DEPARTMENT

The Milton Senior Citizens continue to enjoy various bus trips under the sponsorship of the Park Department.

The problems of litter and vandalism continue to plague the Department, requiring the grounds crew to spend many hours on this work.

The Board of Park Commissioners would like to thank the Department's dedicated employees who have done such a good job, and all the Town Departments, Boards, and Commissioners who have helped and assisted the Park Department this past year.

Respectfully submitted,

MICHAEL J. FEEHILY, JR., Chairman
DONAL J. FAHEY, Secretary
JOHN S. SHIELDS, Member

ANNUAL REPORT OF THE MILTON YOUTH DEPARTMENT

To the Honorable Board of Selectmen:

The Milton Youth Department has a staff of two, a Youth Coordinator for 40+ hours and a Youth Counselor for 30+ hours weekly. The Youth Counselor is paid 15 hours by the town and is funded by a donation to support another 15 hours service.

The Youth Department worked last year to develop various boards and committees to provide services to young adults and families. These include the Milton Community School Council (in its 3rd year), the Youth Board, a special committee of youth and adults which works with the Board of Health to implement a drug and Alcohol Prevention Grant, and a Human Relations Committee that addresses racial and ethnic problems in the community.

Duties carried out by the Youth Department staff include outreach work, neighborhood dispute resolution, emergency placement for teenagers, crises intervention, counseling and referral, court advocacy, community service placement on court related matters, Child and Family Services, the Rent-A-Kid program and coordination of the Community School program. The coordinator also co-authored a grant awarded to the Board of Health.

The Youth Counselor provided service and counseling to the Police Department Juvenile Citation program, referred individuals to state, local and private facilities, provided counseling and services to families and youth, and worked with Guidance Counselors in the school system. The Youth Coordinator facilitated a summer activity program at the Ulin Rink "OUR PLACE" and assisted the Park Department in the 4th annual Family Day at Cunningham Park.

This year the Youth Department will continue work with young adults in establishing a peer education project for 7th, 8th, 11th and 12th grades to prevent Drug and Alcohol use among teenagers. The Department will develop a Students Against Drunk Driving Chapter (SADD) for the sophomore class. Efforts will also be made to establish "OUR PLACE" as a self-supporting youth and adult operated activities center.

The theme for this year is to empower young adults to seek their own solutions for difficulties they experience during this period of their growth and development. It is anticipated that Milton Cablesystems will play a major role in creating a positive image of teenagers to the adult community.

Respectfully submitted,

VIRGINIA WELLS
WILLIAM MULLEN
JACK MORIARTY
PAULA GIOVANNUCCI
CHARLES MURPHY
MAX HORVET, Youth Coordinator

REPORT OF THE BOARD OF APPEALS

REPORT OF THE BOARD OF APPEALS

To the Honorable Board of Selectmen:

The Board of Appeals presents the following report for the year 1981.

We wish to take the opportunity, at this time, to thank Mr. Gans who served for many years as both a Member and an Associate Member for his time and valuable service to the Board. Also, we wish to thank John C. Storey, Charles M. Donohue and Roger L. Gregg for their assistance in substituting for members of the Board who were unable to be present at various hearings.

There were 32 applications received. Of this number, there were:

31 Variances	23 Granted
1 Special Permit/Variance	6 Denied
	2 Withdrawn Without Prejudice
	1 Appealed

The Board of Appeals would also like to thank all Department Heads, Boards and Committees for their assistance this Fiscal Year.

Respectfully submitted,

CHARLES F. BARRETT, Chairman
DANIEL GANS, JR.
RODERICK M. CONNELLY

REPORT OF THE TRUSTEES OF MILTON CEMETERY

To the Honorable Board of Selectmen:

The Board of Trustees of Milton Cemetery respectfully submit the following report for the fiscal year 1982 (July 1, 1981 through June 30, 1982).

During the year there were 288 interments made and 270 graves were sold.

Milton Cemetery has been maintained in the best possible condition permitted by the budget voted at Town Meeting.

The Town Meeting appropriates tax money to operate the Cemetery. Then all Cemetery income goes into the Town's General Fund and the Cemetery gets no credit for it. At present our income exceeds our budget.

If the Cemetery was allowed to use this income for Cemetery purposes, it would not be necessary to use tax money to operate the Cemetery and the Cemetery would be maintained more efficiently.

Respectfully submitted,

HUGO W. SORGI, Chairman
ALBIN BARANOWSKI, Secretary
J. JOSEPH DONOVAN
PAUL F. DOLAN
JOHN H. McCUE

REPORT OF THE FIRE DEPARTMENT

REPORT OF THE FIRE DEPARTMENT

I herewith submit my report of the Fire Department activities for the period July 1, 1981 through June 30, 1982.

ALARMS

The Fire Department responded to 1,745 calls for aid during this period: 544 Box Alarms; 1,156 Still Alarms; 45 Mutual Aid Requests.

MONTHLY BREAKDOWN

REPORT OF THE FIRE DEPARTMENT

Retirements

Deputy Chief Timothy Foley retired, September 30, 1981.
Lieutenant Theodore McGowan retired, January 31, 1982.
Firefighter Joseph Angeloni, Sr. retired, May 31, 1982.
Firefighter Leo Giguere resigned, May 28, 1982.

Promotions

Lieutenant Jean Callahan promoted to Deputy Chief, March, 8, 1982.
Firefighter James Rae promoted to Lieutenant, November 7, 1981.
Firefighter Robert Byron promoted to Lieutenant, March 26, 1982.

The Fiscal Year of 1982 can be summarized as a transition year from an Administrative viewpoint. The initial impact of Proposition 2½ has softened, but any long-range planning is negated due to unpredictable future under this law.

My sincere thanks to the Officers, Men and Secretary of the Fire Department for their continued loyalty and cooperation. Also I wish to thank the Board of Selectmen, Executive Secretary and the Officials and other municipal employees who have assisted the Department during this year.

Respectfully submitted,

JOHN O'NEILL
Fire Chief

On September 30, 1981 an additional position was added to the Investigative Division and Patrolman Paul H. Giorgio was appointed to the rank of Detective. Detective Giorgio, an excellent police officer, will bring maturity and experience to his new assignment.

Because the need was evident the 3 School Traffic Supervisor positions that had been eliminated due to Proposition 2½ were restored.

The department was saddened by the death of retired officer Myles J. Connor on July 1, 1981. Myles was appointed to the department on March 8, 1943, promoted to Sergeant on March 5, 1957 and retired due to disability on January 1, 1977.

John O. Johnson, a dedicated member of this department from November 4, 1954 until his retirement due to disability November 3, 1960, died on July 4, 1981.

Disability retirements were granted to the following two patrolmen:

Albert L. Williams, appointed June 7, 1976; retired February 1, 1982.

Gerard J. Mahoney, appointed April 1, 1971; retired February 12, 1982.

Patrolman Henry E. Mersch retired on June 1, 1982. Officer Mersch's contributions to the department during his 23 years of service will be missed.

The Auxiliary Police Unit under the direction of Lieutenant David E. Macdonald has continued to volunteer many hours of service. Their nightly patrols of the schools and their assistance on other special occasions when called to duty have been very helpful to the department.

REPORT OF THE COUNCIL ON AGING

The department continues to supply excellent emergency medical transportation to the town.

Due to Proposition 2½ three additional patrolman positions were eliminated making our authorized strength 55 sworn officers. This was accomplished through normal retirements and attrition, no layoffs were necessary.

To the officers and men and clerical personnel of this department, I wish to express my sincere thanks for their continued loyalty and cooperation. I also wish to thank the Board of Selectmen, Executive Secretary John A. Cronin, the Justices, Clerks and Probation Officers of the Courts and the officials and employees of other town departments who have assisted us during the year.

Respectfully submitted,

GERARD R. MATTALIANO
Chief of Police

REPORT OF THE COUNCIL ON AGING

To the Honorable Board of Selectmen:

The Milton Council on Aging submits a report of its second year of serving the senior residents of the Town – July 1, 1981 to June 30, 1982.

In February we were pleased to welcome Mrs. Mary Ann Merrigan as a new member to fill an existing vacancy. 1982 Town Meeting members voted to increase the Council from five to nine members. The Council welcomed the members appointed by the Board of Selectmen; namely, Mrs. Julie Flynn, Ralph Kent, Mrs. Sheila Middleton and Mrs. Anna Oldfield. It was with regret that the resignation of Charles A. Slack was accepted when his term expired in June. Mrs. Ann Gerah was appointed to fill this vacancy. To our good friend, Charlie Slack, goes sincere thanks and appreciation for his two years of faithful and unselfish efforts, especially in the transportation program.

TRANSPORTATION is still the #1 NEED in the town of Milton. We have been most fortunate to have a corps of dedicated volunteer drivers who make it possible for the Council to continue the "Shoppers Bus". Each week, 60 seniors are provided transportation in the Council's van, to a local market – portal to portal. In December '81, the program was expanded to provide up to 21 seniors a week a shopping trip to the South Shore Plaza. On Fridays up to seven seniors are taken to the Randolph Nutrition Center for the hot meal program. In May, a second annual luncheon to honor our volunteers and to express in a small way our appreciation, was held. At that time special thanks and appreciation was expressed to Mrs. Alice Boehler of the Milton Woman's Club who coordinated the "Shoppers Bus" program under the community service project of the Milton Woman's Club.

There has been a growing NEED in Milton for Medical Transportation. Such a program was provided for many years by the Milton Chapter, American Red Cross. This service was terminated in February '82 when the Milton Chapter was merged with the South Shore Division of the American Red Cross. This program has been a great loss to the residents of Milton, especially the older residents. In order to reestablish such an important project, the COA has submitted proposals for grants to the Department of Elder Affairs to enable the Council to establish and coordinate a MEDICAL TRANSPORTATION PROGRAM. We are hopeful that we can report to you on the success of such a project.

The Council's basic service of "Information and Referral" is provided each day by our Coordinator through the many telephone calls and office visits. The office is becoming known to the residents of the Town as more calls are received and visits made seeking information, services, discount cards, etc. The Council is very unhappy with the location of the office in the basement of the Town Office Building and is endeavoring to obtain a room on the first floor of the building for the ease and convenience of the older citizens who

REPORT OF THE COUNCIL ON AGING

come to the town offices and the COA office, as well as to make a healthier and safe environment for the Coordinator.

Fuel assistance is another important need for the elderly, and Mrs. Rizzi, COA Coordinator, assisted the Quincy Community Action Organization in appointments for applications, follow-up, etc. of the Fuel Assistance Program throughout the winter months.

The newsletter "Senior Highlights" continues to be published monthly and delivered to churches, libraries, banks, etc. The bank is informative to the community as well as to the seniors of existing services, community affairs and current news items.

In June '82, the Council participated with Curry College's Center for Life Long Learning in the granting of scholarships to Milton residents for Curry's Elderhostel Program. Arrangements were also made for transportation on Wednesday evenings to Curry's summer concert programs.

Mrs. Alice Coghlan again this year prepared the census of Milton's residents age 60 and over. Milton has the highest percentage of seniors of any community in the State. As of January 1, 1982, Milton's total population was 26,421 of which 6,323 were age 60 or over. To Mrs. Coghlan is extended appreciation for her unselfish loyalty.

The members of the Council have been active in the providing of services, attending conferences, meetings, education and informational programs. We have taken on the responsibility of the distribution of government surplus cheese; plans are being made for a Thanksgiving dinner for those seniors who are lonely, homebound; consideration is being given to a Senior Center, Outreach Program, and Escort Service. The Council's greatest need is VOLUNTEERS! There is a great need for people helping people and we appeal to all to help us meet the needs of Milton's "Senior Citizens".

Respectfully submitted,

REPORT OF THE MILTON PLANNING BOARD

To the Honorable Board of Selectmen:

During the 12 month period July, 1981 through June 30, 1982 the Planning Board held 20 open meetings, 8 of which were public hearings.

The Board submitted an Article for the 1982 Town Meeting which was adopted. This Article permits, after the issuance of a special permit by the Planning Board, large parcels of land in Residence Districts A, B, and C to be divided into single family residential lots of 4 acres or more without the requirement of frontage on a public way provided safety conditions are met. The main purpose of this Article is to preserve the residential character of the Town and to preserve open space in the Town.

Securities were released on three completed developments: Milton Academy Faculty Housing, Highland Lane and Dean Road subdivisions.

Member Patrick Donahue was designated as the Board's representative to the East Milton Environs Committee.

Member James Hannon was again designated by the Board to serve on the Fair Housing Committee.

The Board met with the Housing Authority to discuss their proposal for a 48 unit elderly and low income project.

A meeting was held with representatives of Milton Cablesystems Corporation and the Board approved a policy for line clearing and tree trimming during construction of the aerial cable television plant in the town.

A 40 lot subdivision was approved in the vicinity of Woodland Road and Margaret Road and a second subdivision application adjacent to the landfill was denied.

11 Plans requesting "Approval Under Subdivision Control Law Not Required" were reviewed -- 10 were approved and 1 was withdrawn without prejudice.

To insure compliance with approved plans the Board met with the principals of and conducted continuing inspections of the following developments: Home, Inc., Indian Cliffs, Quisset Brook, Emerson Woods and the former Tucker Burr Estate.

Our thanks and appreciation to Mr. Paul D. Kanter, Town Planning Engineer and Mrs. Genevieve M. Byron for their assistance during the year.

Respectfully submitted,

J. WILLIAM DOLAN, M.D., Chairman
PATRICK H. DONAHUE, Secretary
SUZANNE C. COLLINS
JAMES G. HANNON
ROBERT J. KELLY

REPORT OF THE DOG CONTROL UNIT

REPORT OF THE DOG CONTROL UNIT

To the Honorable Board of Selectmen:

The new Dog Pound opened on December 14, 1981 and I was appointed Dog Officer. The activities and income of the Dog Pound through June 30, 1982 were as follows:

Number of stray dogs picked up	249
Stray dogs sold	71
Stray dogs put to sleep	18
Pound fees collected	\$1,747.00
County reimbursement	\$1,860.00

115 Dog citations were issued totaling \$1,725.00. The town was reimbursed by the court for their share of this revenue.

I would like to acknowledge the assistance received from the "Friends of the Pound" especially their help on adoptions and coverage of the Pound.

Respectfully submitted,

ROBERT T. CHIPMAN

REPORT OF THE TRAFFIC COMMISSION

To the Honorable Board of Selectmen:

The report of the Traffic Commission for the period July 1, 1981 through June 30, 1982 is herewith submitted. During this period we were asked to make recommendations on existing or anticipated traffic problems in all areas of the town.

A public hearing was held to solicit comments from abutters and interested townspeople on the traffic patterns proposed under the TOPICS program. Ten intersections in town are involved in this program of safety improvements which include new traffic signals, traffic islands, road alignment, curbing, sidewalks, wheel chair ramps and loaming and seeding.

A recommendation that Parking Fines be increased was adopted by the Board of Selectmen.

The Board of Selectmen, on the recommendation of the Traffic Commission, wrote to the Metropolitan District Commission suggesting changes that would help insure the safety of children crossing at the intersection of Eliot Street and Blue Hills Parkway.

On the Traffic Commission's recommendation the Board of Selectmen wrote to state authorities bringing to their attention a disagreeable parking problem in the Silverbrook Road area.

A request to ban large trucks from Centre Street between Algerine Corner and Brook Road was not recommended.

One request for the erection of a "Blind Child" sign was recommended.

Two requests for "Blind Driveway" signs were received and both were recommended.

A request that "No Parking on Grass Strip" signs be installed was recommended.

REPORT OF THE CONSERVATION COMMISSION

A request for the installation of Traffic Control lights at the intersection of Eliot Street and Central Avenue was not recommended.

The Commission wishes to take this opportunity to thank the non-voting members, Superintendent, Department of Public Works Lawrence W. DeCelle, Jr., Inspector of Wires Lewis E. Park and Traffic Officer Ernest W. Rau for their assistance during the year.

Respectfully submitted,

GERARD R. MATTALIANO, Chairman, Chief of Police
JOHN T. O'NEILL, Fire Chief
ALBERT P. ZANIBONI, Superintendent of Streets
PAUL D. KANTER, Town Engineer
EILEEN F. GILLIS, School Department

REPORT OF THE CONSERVATION COMMISSION

Throughout the year we have attended various meetings such as Massachusetts Association of Conservation Commissions, Norfolk County, Friends of the Blue Hills, hazardous waste, wetland administration, conservation and environmental issues. They give input into the wise direction of our commission. We usually report these activities and meetings in our weekly column "Conservationally Speaking . . ." in the Milton Record so that the citizens of Milton will be aware of the importance of wetlands, open space preservation and other environmental matters.

Much of our work involves wetlands and we have walked property to evaluate the extent and significance of a parcel. We held ten wetland hearings during the year. We are now in the process of mapping the wetlands of the Town assisted by volunteer help.

The March Town Meeting unanimously passed our local Wetlands Non-Zoning By-Law which helps strengthen the administration and management of our wetlands. Town Meeting also unanimously adopted six more roads to be added to our Scenic Roads By-Law.

We are also involved in suggesting and promoting Conservation Restrictions on large parcels of private land to aid the owner in keeping land to open space as an alternative to development.

Along with other Town Boards we supported and worked on the "Save the Bottle Bill" referendum which came to a favorable vote in November. We have continued our support of the preservation of Prowse Farm to open space and have attended hearings to this end as well as other State House hearings on various environmental issues.

Many of the year's plantings of trees and shrubs around the Town such as Rabbi Hochmann Corner, Hemerocallis Corner, conservation land off Riverside Avenue, Pope's and Turner's Pond have been possible through donations to our Beautification Fund. Our Community Gardens expanded to include conservation land adjacent to Pine Tree Brook development. About seventy gardeners are involved in these gardens. We wound up the gardening year with our annual pot-luck supper on Chickatawbut Hill.

We now have a full complement of commissioners with the welcomed appointment of William Ryan, Esq. We are a good working team of seven with not enough time to accomplish all that we would like to, but with the appreciated and additional help of other Town Boards and individuals we manage to keep abreast of the Town's environmental issues.

Respectfully submitted,

JOSEPH E. INGOLDSBY, JR., Chairman
PHILIP E. CASEY
MARTHA L. HARRINGTON
PATRICIA O'NEILL
WILLIAM A. RYAN, JR.
MARGARET WALSH

REPORT OF THE WIRE DEPARTMENT

To the Honorable Board of Selectmen
Milton, Massachusetts

Gentlemen:

I herewith submit my report of the Wire Department for the fiscal year from July 1, 1981 to June 30, 1982:

Permits were issued as follows:

Month	Total No. Permits Issued	Original	Alterations	Fees Received
July	31	2	29	\$ 112.50
August	26	3	23	\$ 169.00
September	27	1	26	\$ 400.00
October	30	1	29	\$1,153.00
November	32	2	30	\$ 479.75
December	28	2	26	\$ 549.00
January	25	1	24	\$ 838.00
February	39	23	16	\$2,077.00
March	57	2	55	\$1,397.25
April	25	6	19	\$ 519.00
May	32	2	30	\$ 591.00
June	29	1	28	\$ 783.00
	<hr/> 381	<hr/> 46	<hr/> 335	<hr/> \$9,068.50

Fees received for the above permits amounting to Nine Thousand Sixty-eight Dollars and Fifty Cents (\$9,068.50) have been collected and paid to the Town Treasurer.

Fees from Milton Cable Systems for Makeready Rideout Reimbursement in the amount of Six Hundred Thirty-six Dollars (\$636.00) have been received and paid to the Town Treasurer.

FIRE AND POLICE ALARM SIGNALS

Two new Fire Boxes were connected to the Municipal System at the following locations:

- No. 5141 – Quissett Brook Road and Blacksmith Road
- No. 5143 – Quissett Brook Road and Farmers Road

NEW CABLE INSTALLED

- 1000' Hillside Street and Parkwood Drive (Replacement)
- 300' Brush Hill Road (Replacement)
- 350' Canton Avenue (to feed Quissett Brook)
- 1050' Edge Hill Road (Replacement)
- 120' Collicot School (feed to Fire Box)
- 1300' St. Agatha's Road and Ellsworth Road (Replacement)

Due to the reduction of Fire Department personnel and the elimination of Fire Department dispatchers we had to install transmitting and recording equipment at the Police Station to allow fire dispatching from there when necessary.

REPORT OF THE WIRE DEPARTMENT

Milton Cablevision Corporation was awarded the contract to install cable T.V. in Town and the Wire Department made a survey with them of every utility pole in Town to determine what changes would have to be made to install their cable.

All Fire and Police Boxes were tested and repaired and all transfers from old to new poles have been completed as required.

Electrical repairs and installations were done at the following locations:

Department of Public Works, Park Department, Town Office Building,
Police Station and Fire Stations

TRAFFIC LIGHTS

Traffic Signal Equipment was repaired or replaced at the following locations due to accidents:

Centre Street and Brook Road
East Milton Square (2)
Brook Road and St. Mary's Road
Granite Avenue and Wood Street
Pierce Street
Brook Road and Randolph Avenue
Central Avenue and Brook Road
Central Avenue and Randolph Avenue (2)
Milton Village
Adams Street and Brook Road

All Traffic Signals were relamped and cleaned and the controllers and equipment were cleaned, oiled and repaired as needed.

I wish to thank the Board of Selectmen and all the Town Departments for their cooperation and assistance during the past year. My thanks to the members of the Wire Department for their continued excellent work.

Respectfully submitted,

LEWIS E. PARK
Inspector of Wires

REPORT OF THE FENCE VIEWERS

REPORT OF THE FENCE VIEWERS

To the Honorable Board of Selectmen:

The several complaints received by us in the fiscal year 1982, which ended June 30, 1982, were disposed of by the Building Commissioner in a satisfactory manner.

Respectfully submitted,

THERESA SHAUGHNESSY
NATHANIEL C. LORD
Fence Viewers

REPORT OF THE LIBRARY TREASURER

To the Trustees of the Milton Public Library:

The funds in care of the Trustees were invested as summarized in the following tables of June 30, 1982:

	Book Value	Income for July 1, 1981 to June 30, 1982
Common Stock	\$ 49,797.26	\$ 3,820.81
U. S. Treasury Bonds	3,368.50	140.00
Savings Bank Deposits	73,548.54	11,451.88
Total	\$126,714.30	\$15,412.69

Two statements pertaining to funds in our control are appended as part of this report.

- (a) A list of the various funds by name and the investments in each.
- (b) A statement of the total investment income for July 1981 to June 30, 1982 and the disbursements from that income.

The Library is the beneficiary of two other funds not in the custody of the Library Trustees. They are:

The Nathaniel T. Kidder Fund, in the custody of the Town Treasurer.

The Oakland Hall Fund, in the custody of the Town Treasurer.

The income from those two funds is available only to the Library Trustees to be spent at their discretion. Between July 1, 1981 and June 30, 1982 we spent from that income as follows:

EXPENDITURES FROM N. T. KIDDER FUND – FY '82

Arnold Bernhard Co., Inc. (Value Investment Survey)	\$ 220.00
R. L. Polk & Co. (Directories)	149.00
West Publishing Co. (Mass. General Laws)	208.25
Moody's Investors Service	1,390.00
Spauling Company, Inc. (Microfilming Milton Record-Transcript)	67.17
Warren, Gorham & Lamont, Inc. (Encyclopedia)	42.25
The H. W. Wilson Company (Book)	70.00
M. F. Collins Electric (Ceiling Fans)	800.00
Nettle Business Equipment, Inc. (Dial-a-Story)	200.95

MARY E. PALARDY
Treasurer

REPORT OF THE MILTON PUBLIC LIBRARY

To the Honorable Board of Selectmen:

I have the honor of presenting the Annual Report for the year ending June 30, 1982. This is the one hundred and eleventh Annual Report.

It was this year that posed the question in full, how to continue high standards of service, given the reductions under Proposition 2½? Every cut in service was examined most carefully before being put into effect, to make sure the least possible damage was done. The accomplishments of the library, therefore, in most ways parallel previous years.

Circulation, though decreased, was still high. Milton readership is such that there is a steady demand for good books. The 20% reduction in the book budget has meant fewer books and periodicals available, but what we do have is read avidly. The museum passes, paid for by Board of Trustees funds, are more popular than ever, but the Science Museum pass was eliminated because of high cost.

The number of Reference questions the staff received went from 11,211 in 1981 to 13,375 in 1982 (many are telephone in: 1750 in 1982 compared to 2034 in 1982). This service is one of our most valuable, for many who need us are not experienced library patrons, or have limited time to do research by themselves.

One completely new service was the introduction of "Dial-A-Story", a children's story on tape which can be heard by phoning the Kidder branch when it is closed (except mealtimes). Hundreds of phone calls have been made since we began.

Programs continued to be part of our overall educational endeavors. Financial investment seminars were very popular, but we had other interesting types: for example, on one Saturday, you could have your books appraised free by Isaiah Thomas, Inc. There was a talk on Thornton W. Burgess by the staff of the Burgess museum. "How to Go to College Even if You're Not a Kid" has become a perennial favorite. We also sponsored talks on saving energy in the home. A series on "You and Your Teenager" by Family Service Associates of Boston was very helpful to the attending mothers. As for feature films, we con-

REPORT OF THE LIBRARY

tinued the summer run, and for the rest of the year, we dropped the Saturday but continued the Friday night showings.

Children's programs followed last year's pattern, with a Summer Reading Club, and various story/craft hours, pre-school story hours, etc. We are grateful to the Junior Woman's Club for continuing their library school.

The branches decreased their hours under proposition 2½, as did the Central Library. There were cuts in staff, and we regret losing part-time summer Librarian Janice McWeeney and Part-time Library Assistant Elizabeth Glenn. We also lost part-time Library Assistant Dorothy Ferullo, but she came back to fill a few of her former hours when part-time Library Assistant Marilyn Anderson resigned. When Librarian Mabel Watson retired (after almost 30 years on the job), Mrs. Anderson returned, though once again, at fewer hours. So we have lost good people, and hours of staff time.

Meanwhile, we were busy looking into the possibilities of automation, working on the contract with the staff union, adjusting to the elimination from our budget of all pages (though we managed to hire a few back), and training volunteers – four facets of the library widely divergent but each significant.

A word of appreciation must go to the volunteers, who perform certain specialized tasks in the library. We gave them a recognition lunch toward the end of the year, but we cannot express our thanks often enough.

To our painter exhibitors, the Garden Club which did so much for us (adding Christmas decorations to their other benefits), the Photography Club which sponsored a seminar and contest with us, the other town workers, the Friends of the Library who sold books and even listened to me recite my poetry, we thank you all for your cooperation.

The Board of Trustees and staff deserve recognition by the Milton community, and I think that, though generally umspoken, that recognition exists.

Respectfully submitted,

EDWARD LOCKE
Director

LIBRARY STATISTICS – JULY 1, 1981 - JUNE 30, 1982

The Massachusetts Retirement Law Commission has determined that Milton's Unfunded Liability for Pension costs was \$17,674,027.00 as of January 1, 1979. The Town of Milton has now appropriated a total of \$240,000.00 to the "Special Fund for Retirement Purposes" established under Article 9 of 1978 Town Meeting (as a partial offset to the unfunded liability). There was no appropriation made to this fund in 1981.

Non-Contributory pensions and annuities are shown in the Financial Statement of the Town Accountant.

Respectfully submitted.

JOSEPHINE M. McATEER
ROBERT J. BLAKE
OLIVER S. SUGHRUE

TOWN OF MILTON
FINANCIAL STATEMENTS

December 31, 1982

REPORT OF THE TOWN ACCOUNTANT

November 16, 1982

To the Honorable Board of Selectmen:

I hereby submit the report of the Town Accountant for the twelve month period ending June 30, 1982 arranged as follows:

- 1. Detailed listing of all receipts of the Town
- 2. Detailed listing of all expenditures of the Town
- 3. Summary of all departmental accounts, showing appropriations, expenditures and balances
- 4. Recapitulation of departmental expenditures
- 5. Balance Sheet as of June 30, 1982

All bills and vouchers on which monies have been paid from the Treasury and all trust funds in the custody of the Town Treasurer and Library Trustees have been examined and found to be correct.

In accordance with the provisions of Section 58 of Chapter 41, General Laws, I am listing the following bills reported to me as unpaid:

Fire – Milton Hospital	\$108.00	
Arthur E. Sullivan, M.D.	<u>150.00</u>	\$258.00

Respectfully submitted,

JOSEPHINE M. McATEER
Town Accountant

	<u>\$32,418.05</u>

Twelve thousand dollars (\$12,000.00) has been invested in United States Treasury Bonds maturing in 1994 and 1995 leaving an actual cash balance of \$20,418.05.

In March 1981 the Cemetery Trustees voted to consolidate these funds so as to increase their earnings. Town Counsel was consulted and advised that, inasmuch as the bequests provide for similar uses from the derived incomes, this consolidation was legally permissible. After obtaining the approval of the Board of Selectmen, the Trustees instructed the Town Treasurer to combine these funds and purchase a thirty month term deposit certificate for \$20,418.05 yielding 12%.

Investment income for fiscal year 1982 was \$3,469.84 as compared with earnings of \$3,353.49 for fiscal year 1981.

FUNDS HELD BY THE TOWN

Perpetual Care Fund

Amount held June 30, 1982 \$1,129,918.56

This Fund is held by the Town Treasurer in accordance with Chapter 44, Section 50, of the General Laws.

Mary L. Peabody Poor Fund

Amount held June 30, 1982 \$5,919.17

The clause under which this bequest is given is as follows: "To the Selectmen of the Town of Milton, Massachusetts, \$5,000.00 to be invested and the income thereof to be distributed annually to the poor at Christmas."

E. T. L. Reed Park Fund

Amount held June 30, 1982 \$8,651.20

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All of the rest, residue and remained of all the monies remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts.

REPORT OF THE TOWN TREASURER

“The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said Town as a fund to be known as the ‘Jason Reed Fund,’ and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton Cemetery.

“And the third of said parts shall be paid to said Town of Milton and the same shall be applied by the proper legal authorities to or towards laying out, improvement or ornamentation of a Public Park or Parks in said Town, in such manner as said authorities may deem advisable.

“I make the foregoing bequest in favor of , the Cemetery and the Parks in said Milton, both on account of the deep interest by my father, the late Jason Reed, deceased, in the affairs of the Town, and of my own profound desire for the welfare of said Town and of the citizens thereof.”

Jason Reed Fund

Amount held June 30, 1982 \$2,626.67

Sarah G. Vose Fund

Amount held June 30, 1982 \$1,170.53

E. G. Tucker Fund

Amount held June 30, 1982 \$1,168.48

Herrick Fund

Amount held June 30, 1982 \$8,000.00

Bannin Family Fund

Amount held June 30, 1982 \$500.00

The Will of the late Thomas J. Bannin, Paragraph nine, reads as follows:

“I give to the Milton Cemetery the sum of \$500.00 to be established as a fund to be known as the Bannin Family Fund, the interest of which shall be used for the care of the Bannin lot in said Cemetery and to furnish suitable floral decorations on May 30th of each year and all other suitable occasions.”

George A. Briggs Fund

Amount held June 30, 1982 \$1,000.00

The clause under which this bequest was left to the Town reads “for the perpetual planting of at least six geraniums each year on the family lot where the remains of George A. Briggs are buried.”

George F. Duffy Fund

Amount held June 30, 1982 \$1,000.00

George F. Duffy, late of 21 Waldo Road, Milton, the sum of \$1,000.00, the income therefrom to be used for “the care of shrubs and flowers on Lot No. 2624 in the Cemetery, said flowers to be placed on said lot from April 13 to September 10th each year.”

REPORT OF THE TOWN TREASURER

Katherine A. Kelley Fund

Amount held June 30, 1982 \$1,000.00

The Will of the late Katherine A. Kelley of Milton, clause five, provides this Fund, the income of which is to be used for "care and flowers for the family lot."

Charles T. Pierce Fund

Amount held June 30, 1982 \$1,855.83

Charles T. Pierce, late of Brooklyn, N.Y., and Greenwich, Conn., bequeathed to the Milton Cemetery the sum of \$1,000.00, "the income to be used for the care of my family lot."

Mabel Hunt Slater Fund

Amount held June 30, 1982 \$1,000.00

Mary L. Peabody Cemetery Care Fund

Amount held June 30, 1982 \$1,746.54

Ewen MacSwain Fund

Amount held June 30, 1982 \$500.00

Helena B. Schayer Fund

Amount held June 30, 1982 \$1,000.00

Nathaniel T. Kidder Fund

Amount held June 30, 1982 \$82,285.72

The following is an extract from the Will of Nathaniel T. Kidder.

Eighteenth:

"I give and bequeath to the State Street Trust Company . . . the sum of Twenty-five thousand dollars (\$25,000.00) in trust . . . the income only of which shall be paid at such times as the Trustees may from time to time determine, to said Town of Milton for the uses of the Milton Public Library system as the Trustees thereof for the time being may in their absolute discretion determine."

Special Retirement Fund

Amount held June 30, 1982 \$308,759.85

This fund is held by the Town Treasurer in accordance with Chapter 40, Section 5D of the General Laws.

Stabilization Fund

Amount held June 30, 1982 \$104.36

This fund was established by Article 55 at the 1968 Town Meeting and is held by the Treasurer in accordance with Chapter 40, Section 5B of the General Laws.

REPORT OF THE TOWN TREASURER

Governor Stoughton Fund

Amount held June 30, 1982 \$61,825.12

The Governor Stoughton Fund is derived from receipts of the rental of the Town Farm, and is spent only at the direction of the Selectmen for purposes specified in Governor Stoughton’s Will.

Amount held June 30, 1982 \$500.00

Rita Cameron Fund

Amount held June 30, 1982 \$500.00

Florence I. Wall Fund

Amount held June 30, 1982 \$500.00

Bertha L. Konet Fund

Amount held June 30, 1982 \$500.00

Oakland Hall Fund

Amount held June 30, 1982 \$13,414.13

The income from this Fund is paid out under the direction of the Trustees of the Public Library for the purposes of the Mattapan Branch Library.

Tuell-Hallowell Good Citizenship Prize Fund

Amount held June 30, 1982 \$2,428.00

EXCERPT FROM SCHOOL COMMITTEE RECORDS – September 10, 1923

The Chairman presented to the Committee the following correspondence:

“To the School Committee of the Town of Milton:

“The Tuell Alumni Association herewith present, through your board, to the Town of Milton, the sum of One Thousand Dollars (\$1,000.00) to be held as a fund in perpetuity, and the income thereof to be paid to the School Department and to be used to provide two prizes, one prize to be known as the Hiram Tuell Good Citizenship Prize and to be awarded to the boy in the Senior Class of the Milton High School, who, in the opinion of the faculty

REPORT OF THE TOWN TREASURER

of said High School, has shown the highest degree, those qualities that make for good citizenship, the other prize to be known as the Henrietta T. Hallowell Good Citizenship Prize, and to be given to the girl in the Senior Class of the Milton High School, who, in the opinion of the above said faculty, has shown similar qualities.

“The prizes are to be awarded each year at the graduation exercise. If such exercises are omitted for any year, the prizes are to be awarded on some other occasion, near the close of the school year.”

June 2, 1923

Percy E. Sheldon
President, Tuell Alumni Association

For additional gifts to the fund, see report of 1947.

Mary Louise McGrath Fund

Amount held June 30, 1982 \$500.00

John F. Kerrigan Fund

Amount held June 30, 1982 \$1,000.00

Charles P. Edwards Fund

Amount held June 30, 1982 \$500.00

Selina M. Gibbons Scholarship Fund

Amount held June 30, 1982 \$11,799.01

Ethel M. Beam Fund

Amount held June 30, 1982 \$500.00

S. Frances Marden Fund

Amount held June 30, 1982 \$1,000.00

PUBLIC SCHOOLS
MILTON, MASSACHUSETTS
ANNUAL REPORT

of the

SCHOOL COMMITTEE

and the

SUPERINTENDENT OF SCHOOLS

1982

REPORT OF THE SCHOOL COMMITTEE

To the Honorable Board of Selectmen:

The School Committee is pleased to submit its Annual Report for the fiscal year 1981 – 1982.

The past school year was indeed momentous in the history of the Milton Public Schools. Declining enrollments and Proposition 2½ created opportunities and necessities which resulted in significant structural changes to the school system; most of which were implemented in 1981 – 1982.

The greatest savings were realized by closing Cunningham Junior High and consolidating the seventh and eighth grades at Pierce. The completion of the construction program at the High school, coupled with slightly lessened enrollment, presented the opportunity to incorporate the ninth grade into the High School. We are happy to report that the above changes were implemented with a minimum of disruption and a maximum of success. The School Committee, Administration, and vast majority of staff feel the new structure provides a quality education that is in every way at least equivalent and in most ways better than before.

Closing the Cunningham School afforded the Administration the opportunity to leave rented premises on Centre Street and move the offices and School Committee Meeting Room to Cunningham. In addition, as authorized by new state law, the School Committee has been leasing, on a relatively short term basis, space in Cunningham for educational purposes and for non-profit, charitable organizations. The income from rentals is utilized to offset building operating expenses and the School Committee has insisted on renting only for such uses as are minimally obtrusive to the neighborhood. An Ad-Hoc Committee consisting of one Selectman and two School Committee members is developing a uniform policy for the use of space in Cunningham by community or civic groups on a subsidized or free basis.

During the academic year, after a great deal of study, parent information sessions, and review by the School Committee, it was voted to implement a Middle School concept. The principle structural change will be the inclusion of grade six with seven and eight at the "middle school" commencing with the 1983–1984 academic year. Curriculum and methodological changes will be gradually introduced, commencing with the 1982-1983 year. The Committee also voted, barring unforeseen developments, to close the Pierce Elementary School as of the end of the 1982–1983 academic year.

At the High School 1981–1982 was the first year under a new principal, Mr. Allen Adams, and under a new more stringent Student Handbook. All in all the transition was smooth and academic morale continued its improving trend of the past few years. Our one-year experiment with a six period academic day, although not conclusively a failure, was abandoned with the beginning of the 1982–1983 year with a reversion to a modified seven period day.

In terms of all measurable criteria the 1982 graduating class was outstanding. Milton will be well represented at many of the most prestigious institutions of higher learning, while at the same time the Town can feel that all graduates have been afforded the opportunity to maximize their potential while in our school system if they chose to.

The Committee is by no means complacent about our curriculum, however, and the staff's ability to impart it. We are paying careful attention to the results of standardized testing at all levels, not just Scholastic Aptitude and Achievement tests, in order to evaluate better the strengths and weaknesses of our curriculum and staff. We have also insisted that the Administration strengthen the follow-through on our teacher evaluation program, and we are sure that the result has been a significant increase in teacher effectiveness. It is the Committee's intention not to be satisfied, and certainly not apologetic, about the performance of our students until Milton has the reputation of being the finest system in the Commonwealth.

REPORT OF THE SCHOOL COMMITTEE

A tragic event during the 1981-1982 year was a serious arson caused fire at the Glover School. Through a stupendous effort by all concerned, especially Miss Schofield the principal and her staff of devoted teachers, only one day of school was missed. Repairs were effected, largely covered by insurance, and were absolutely completed by the end of summer vacation.

For the first time, as voted by the Committee during the year and effective September 1982, the Committee will have a seventh member -- a student representative selected by the High School Student Government -- who will partake in Committee meetings in the same manner as any other member, but without the right to vote or partake in executive session. The Committee feels this change will facilitate communications and result in many constructive ideas. During the past couple of years we have been impressed by the maturity, seriousness, intellectual caliber and innovative approach of most of the Student representatives who visit us. They are indeed a credit to their parents and the Town and auger well for the future.

At the conclusion of the academic year Mr. Thomas Brennan, vice-principal at the High School, retired after 25 years of service to the system. He will be sorely missed. Mrs. Doreen Meeker was hired as an Assistant Principal at the High School to fill the vacancy created as Mr. Paul Dorsey succeeded to Mr. Brennan's position.

Due to draconian efforts at energy conservation and innovative management of other budget items, the Committee was able to divert some resources to remedy a few of the snowballing list of maintenance and repair projects neglected during the continuing periods of budget austerity. Nevertheless, in spite of the aforementioned repairs, mainly consisting of new roofs, floor refinishing, etc., the Committee returned a substantial sum to the Town's General Fund at the end of the fiscal year. We do not feel this return is indicative of poor budgeting but rather austere and meticulous management.

The entire report has stressed the accomplishments of the completed year. None of this would have been possible without the able and tireless leadership and execution of policy by our administration. The Committee is grateful and admiring of the work of our Assistant Superintendents, Miss Eleanor Blaine and Mr. John Sheehan, and, of course, our far-sighted, energetic Superintendent, Dr. Frank Guiliano.

All in all the schools enjoyed a very successful year in spite of Proposition 2½. Sacrifices were made, such as increased busing distances, higher fees for evening adult education and summer school, fees for driver education and increasing lunchroom prices, not to mention the traumatic effects on parents and students of closing a wonderful school. However, the Committee's objective has been throughout, and hopefully will continue to be, to concentrate our resources in an era of scarcity on the academic program itself. Our success in doing this while absorbing a huge budget decrease is something for which we believe the town can be proud. Not many towns can report a pupil-teacher ratio that has remained virtually constant before and after 2 ½. But ratios are only numerical, the quality of our system is best measured by the quality of the only product that counts -- the performance of our students. It is this Report Card of which we are most proud.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

This is my fifth annual report as Superintendent of Schools outlining the activities of the School Department covering the period from July 1, 1981 to June 30, 1982.

Although frugal fiscal policies were implemented to comply with the voters' desire to limit the tax levy to twenty-five dollars per thousand of fair market value of properties, the school children continued to receive quality instruction in their classrooms. Budgetary decisions were made to reduce non-educationally oriented activities and to preserve the essential ingredients of the educational programs.

The reputation of our school system continues to improve with eighty-three (83%) per cent of the Class of 1982 going on to further education, with many students attending highly selective schools. In addition, our vocational program at Quinobin has matured into a fine program. Review and revisions in curriculum materials and quality of instruction have resulted in noticeable improvement of mastery of basic skills by our students. The Advanced Placement Program test results have improved and Milton High School had an exemplary number of National Merit Finalists and commendation winners in the National Merit Scholarship Competition. The educational atmosphere is very conducive to quality education, both in and out of the school environment. Parents and teachers are to be commended for their work in emphasizing quality work in our schools.

The High School English Department made several adjustments in leveling and course offerings and completed plans for a major revision in the writing program for grades nine and ten. Admissions to basic level courses are now being more closely monitored, and a greater emphasis is being placed upon a self-paced curriculum. Basic grammar has become a course that emphasizes writing and usage and will serve as remediation for those students who have failed to achieve minimum competency in writing.

The department introduced honors classes in grades nine and ten for the 1982-1983 school year. The writing program for all ninth and tenth grade classes will feature a series of conferences with students, with continuous cooperation among the staff in generating common writing assignments. A new program of dictionary study has been introduced in grade nine, and two new periodicals have been added to the curriculum for use throughout the department.

At the senior level the advanced placement course has been reorganized and a new text introduced. Test scores at virtually all levels improved during 1981-1982. The advanced placement class scored a 3.8 mean, the highest achieved at Milton High in the twenty years that the English exam has been offered. The failure rate among eighth graders who took the minimum competency writing exam was nearly cut in half, from thirty-five to eighteen. And the average SAT verbal score increased by four points.

The Foreign Language Department had a very productive school year. Two successful Open Houses -- one in September 1981 dealing with philosophy and program goals and one in March 1982 displaying the ability of our students in speaking a foreign language -- gave indication that the curriculum changes, the active clubs, the tightly controlled coordination of courses, grades seven to twelve, and the special events such as Total Immersion Day were leading the program toward a renewed sense of purpose and toward continued future growth.

The Mathematics Department implemented the State mandated Basic Skills Program. The Town Computer Committee met with the School Department and proposed and implemented the purchase of microcomputers for instructional use. Over three hundred students are now taking computer courses in grades seven to twelve. Also, microcomputers have been purchased for use in the elementary schools. Over one hundred (100) teachers have been trained in computer programming in BASIC.

Probably the most important achievement this past school year has been the integration of ninth grade pupils into the High School curriculum in science. The Science Department has been successful in attracting a large majority of students into science classes

in the upper grades due to the high standards teachers of those classes require. The results are reflected in the Achievement Test Scores. Not only do our students score above average in these tests but also do so with a larger number of our students participating in the tests than many other schools. Pupils of high science ability have been accelerated through the science curriculum at a pace that will allow them to take additional courses in the senior year. This process appears to be working well with many sophomores now taking chemistry, which is normally a junior level course.

The implementation of the Social Studies Master Plan was designed to clearly define academic requirements for all courses. The department introduced Honors Level courses in ancient civilization and western civilization designed to interest and challenge our more intellectual students.

An "Alcohol Awareness Day" was coordinated which enabled students to participate in an intensive day long seminar. The department wrote a three day unit "Discrimination and Prejudice" which was taught to all students in grades four – twelve. A 4.1 average out of a possible 5 on Advanced Placement U.S. History demonstrates the fine work of the students in the program.

Over eighty-three (83%) per cent of the Class of 1982 planned to continue their education, twelve (12%) per cent were employed and two point five (2.5%) went into the service. Over one hundred (100) colleges, business schools, service academies and the armed forces visited Milton High School. The Guidance Department cooperated in planning two college fairs. Students were able to use the Massachusetts Occupational Information System extensively to gather information on careers and colleges. The staff completed its first year as chairpersons for 766 evaluations. The public was made aware of the guidance services through the "Guidepost" and the "Milton High School Memo."

The Art Department organized and participated in a very successful "Arts in Review" exhibit in cooperation with the Music, Industrial Arts and Home Economics Departments. Milton High School art students also exhibited at the Regional Center, Department of Education in Cambridge. As a result of this exhibit, two large batik wall hangings, created by the students, were donated to the Department of Education Headquarters in Wellesley and will be on permanent display there.

Milton High students took highest honors in the scholastic art award competition and exhibited their work at Lesley College, the Prudential Lobby and at the Nationals in New York City. Our students were also winners in the South Shore Portfolio Competition, the Massasoit Ceramic League Competition and the Boston Envelope Design Contest.

Over fifty Milton High School students participated in the first Town Christmas window design contest sponsored by the Milton Arts Council and the Art Department. High School art students took part in enrichment programs at Boston University, the Art Institute of Boston and the Rhode Island School of Design.

The Milton Public Schools were represented in the Southeast District High School and Junior High School Music Festival by students from the performance groups in the schools. Students from the High School music program represented Milton in the Massachusetts All State Music Festival and the New England Music Festival. A cabaret style show that gave over eleven (11) performances was most successful. Another musical – "Anything Goes" – was presented by these groups.

The participation of the High School band in the Veterans Day Parade and of the combined instrumental groups in the Memorial Day Parade helped to make these community holiday celebrations a success. Performances of the band, chorus and string ensemble included a Pop Concert, Music in our Schools Week, a winter concert and a two-day tour of Massachusetts and New Hampshire. This year also saw the start of the Milton High School String Ensemble.

The athletic program continues to attract large numbers of our students. The field hockey, golf, boys' gymnastics, skiing and boys' basketball teams all had excellent seasons that included post-season play.

In the Business Department the increased number of students who have become interested in word processing has lead to an increase in the number of machines, and the course can be offered to more students. The department will also be able, through a grant, to offer the use of the microcomputers in accounting which will add another tool for the students in their quest for employment.

After many workshops on curriculum and upgrading standards there is now a complete curriculum for each area of instruction and a curriculum guide for Industrial Arts. For the first time last year the Industrial Arts Department entered the Arts Fair to exhibit their craftsmanship and the completion of their Solar Energy Experimental Unit. This unit will be used in the new course offering entitled "Energy Technology."

In the Home Economics Department a class of pre-kindergarten children were successfully prepared for kindergarten via the Child Study Program. The staff selected and purchased (via a Federal Grant) a number of films on "Parenting" for the Child Study Program. Foods classes prepared baked goods for the elderly at Thanksgiving. The entire department worked for months and brought the home economics part of "Arts in Review" to fruition on May 6. The project included a fashion show, clothes made and modeled by students, a nursery school performance involving Child Study students and a student run bakery.

Standardized testing has been utilized at the grade three, five and eight levels, assisting us in our basic skills plans as well as providing pertinent information for the development of curriculum needs. Many in-service workshops were implemented. For example, our continued emphasis on the language arts basic skills was supplemented by a Commonwealth In-Service Institute Grant to fund a series of workshops for primary grade teachers. Six workshops and two school visits were devoted to the topic, "Creative Teaching of Basic Skills in Writing" by Dr. May Reinhardt, Assistant Professor at Lesley College. This was accompanied by a conscious effort by the staff to develop a quality writing program in the school.

The selection of outstanding candidates has received high priority as one of our major areas of responsibility. At the administrative level screening committees are utilized to strengthen public confidence in our schools as well as selecting the most qualified persons according to our needs. Administrators, parents and students have assisted in the selection process prior to the Superintendent's interview. An equal opportunity employment policy has been established with interested parents and staff members participating in the formulation.

Mrs. Doreen J. Meeker and Dr. Joseph D. FitzGerald have joined the Milton High School staff as Assistant Principal and Director of Guidance, respectively.

Other new staff members are Mr. Frederick A. Brown, Milton High School English Department; Mrs. Janet M. Wellock, Resource Teacher at Glover School and Mrs. Robin M. Feldman, Resource Teacher at Pierce Elementary School.

Long-term substitutes due to people on leaves of absence include Miss Patricia M. Senecal, Milton High School Art Department; Mrs. Anna Clasby, Milton High School Science Department; Mrs. Carol Richmond Cove, Milton High School Resource Teacher; Mr. Daniel J. O'Shea, Science Teacher at Pierce Junior High School and Miss Elizabeth G. Rosenberg, Elementary Music Teacher.

The Milton Public Schools began a reorganization to include a Middle School in its overall educational program during the 1981-1982 school year. In September ninth grade classes were scheduled at Milton High School, while seventh and eighth graders from the former Cunningham Junior High School entered the Pierce Junior High school, and thus one junior high school served the entire town. A declining enrollment made the space available to effectively schedule the 573 students involved.

Closing an excellent school like Cunningham and transferring students out of their former district where traditions and loyalties were strong posed a challenge for everyone.

Students, teachers and parents combined their resources and energy to insure a smooth transition and continued the excellence of the educational opportunities in the Milton Public Schools. Teachers and parents gave generously of their energy and time (frequently during the summer vacation) making sure that no avoidable problems would detract from the transition.

Plans are now in progress to close the Pierce Elementary School and to institute a Middle School in September 1983. The history of the Pierce Elementary School building will continue as it serves this community as part of the new Middle School. Although elementary grade classes will end at Pierce in June 1983 after thirty-one years, the tradition of Pierce Pride will extend to the Collicot, Glover and Tucker Elementary Schools.

Again this year members of the Glover Parent Advisory Council instructed all fourth grade children in a highly successful program – Understanding Handicaps. Since the fourth grade level is where fears and anxieties toward handicapped people are beginning to develop, it is the School Department's intention to alleviate these fears through education and understanding. This year a video tape of this program was made in order to have a documentary film on Understanding Handicaps. This film will be used to demonstrate the need for such a program in all elementary schools.

A great deal of maintenance and repair work was accomplished, such as:

1. Repairs to the Glover School as a result of the fire have been completed
2. Areas of the Glover and Pierce Schools have been reroofed
3. The gymnasium floor of the High School has been resurfaced
4. An energy management system to reduce fuel consumption is being installed at the High School and Junior High School
5. The exterior of the Collicot School was repainted and interior areas of the other schools were repainted
6. A great deal of effort was put into upgrading the school fields for athletics and physical education
7. The High School football field was widened and now Milton High School has a regulation size field
8. The Central Administration Office was relocated from 381 Centre Street to the Cunningham School

With the help of some very hard work on the part of the staff the schools were cleaner and in better repair than in previous years. The School Department is still playing "catch-up" in this area of maintenance but some preventive programs have begun and more of these money saving actions are planned for the immediate future.

The Town of Milton has had a fine tradition of dedicated administrators, teachers and supporting staff in the school system. This year the following members of the educational team retired from service:

Robert H. Archibald
Thomas F. Brennan
Juliette H. LaBelle
Martina C. McCarthy
Mildred P. Raffel
Beatrice Ravreby
Sylvia W. Robbins
June D. Tuttle

Deborah Callanan
Mary McNulty
Eileen Mullen
Ruth O'Neill
Pauline Rioux
Ann M. Sheptyck
Allan W. Parlee
Elinore G. Winer

The untimely death of Mr. Paul A. Spellman, sixth grade teacher and Assistant Principal at Tucker School, shocked our community. Mr. Spellman's dedicated work with his pupils will be remembered by all who knew him.

The Parent Teacher Associations and the Parent Councils continue to meet regularly to discuss a variety of issues affecting the schools. This input to our planning of quality education is greatly appreciated as are the many ambitious fund raising programs which

REPORT OF THE SUPERINTENDENT OF SCHOOLS

have provided our students with field trips, plays, awards, Camp Wing, extra classroom materials and a trip to see "The Nutcracker." Thank you for a job well done.

Our secretarial and cafeteria staff worked hard after severe cuts in personnel in these areas to maintain the high quality of service expected of them.

Our new telephone system is now fully operational with the School Department joining the switchboard at the Town Hall.

Our Lunch Program was streamlined with one kitchen at the High School serving all our schools.

In addition, the busing of our students to school policy was revised resulting in the number of buses utilized dropping from twenty-two to nine.

The entire 1981-1982 school year was a success as a result of the efforts of the students, teachers and parents. The support and interest of the School Committee was indispensable in making the year a profitable educational experience. I am grateful to everyone who helped us overcome our financial crisis and to concentrate on the education of our students in the schools.

Respectfully submitted,

FRANK J. GIULIANO, JR.
Superintendent of Schools

**MILTON TOWN RECORDS IN
MUNICIPAL YEAR 1983**

**1983 MARCH MEETING
WARRANT**

Commonwealth of Massachusetts)
County of Norfolk)

To any of the Constables of the Town of Milton in said County:
GREETINGS

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of the Town of Milton, qualified to vote in Elections and Town affairs, to meet at the several designated Polling Places in their respective Precincts in said Milton, to wit:

- In Precinct 1. Tucker School Hall, Blue Hills Parkway,
- In Precinct 2. St. Mary of the Hills School Hall, Brook Road,
- In Precinct 3. Milton-Hoosic Clubhouse, Central Avenue
- In Precinct 4. Basement Playroom, rear of Pierce Elementary School, Gile Road,
- In Precinct 5. Gymnasium, Pierce Junior High School, Gile Road
- In Precinct 6. Gymnasium, Cunningham Administration Building, Edge Hill Road
- In Precinct 7. St. Agatha's School, Adams Street,
- In Precinct 8. Kindergarten Room, Collicot School, Edge Hill Road,
- In Precinct 9. Gymnasium, Pierce Junior High School, Gile Road

on Saturday, March fifth next, at eight o'clock in the forenoon, then and there to bring in to Precinct Officer of their respective Precincts their votes on one ballot respectively for the following named Town officers, to wit:

- Three Selectmen and Surveyors of the Highway for the term of one Year.
- One Assessor for the term of Three Years.
- A Town Treasurers for the term of One Year.
- One member of the Regional Vocational School Committee for the term of Two Years.
- Two members of the School Committee for the term of Three years.
- One Park Commissioner for the term of Three Years
- One member of the Board of Health for the term of Three Years
- Four Constables for the term of Three Years.
- Three Trustees of the Public Library for the term of Three Years.
- One Trustee of the Cemetery for the term of Five Years.
- One member of the Housing Authority for the term of Five Years.
- A Town Moderator for the term of One Year.
- One member of the Planning Board for the term of Five Years.

Ninety-eight Town Meeting Members to be elected as follows:

- Precinct 1. Eleven for Three Years.
- Precinct 2. Eleven for Three Years.
- Precinct 3. Eleven for Three Years.
One for Two Years.
- Precinct 4. Ten for Three Years.
- Precinct 5. Ten for Three Years.
- Precinct 6. Eleven for Three Years. One for Two Years.
- Precinct 7. Ten for Three Years.
- Precinct 8. Eleven for Three Years.
One for One Year.
- Precinct 9. Nine for Three Years.
One for One Year.

For these purposes the polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

MARCH MEETING

And thereupon by adjournment of said meeting on the following Saturday, to wit, March twelfth next, at one o'clock in the afternoon at the Milton High School Auditorium, 391 Brook Road in said Milton, then and there to act upon the following Articles, to wit:

Articles 1 through 41 inclusive appearing in regular type on the following pages, page 7 to 38.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned by posting attested copies of the Warrant in each of the Post Offices of said Town seven days at least before the fifth day of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk, on or before said fifth day of March, next.

Given under our hands at Milton, the third day of February, Nineteen hundred and eighty-three.

JOHN P. LINEHAN
WALTER F. TIMILTY
JAMES G. MULLEN, Jr.
Board of Selectmen

A true copy, Attest:
Bernard J. Lynch, III
Constable of Milton

Commonwealth of Massachusetts)
County of Norfolk

Pursuant to the within Warrant, I have notified the inhabitants of the Town of Milton as within directed to meet at the time and places and for the purposes therein mentioned by posting attested copies of the same in the Post Offices of the Town and leaving attested copies at the dwellings of the inhabitants. Warrants were posted on 2-23-83 and delivered to the inhabitants on 2-25-83.

Bernard J. Lynch, III

MARCH MEETING

ADJOURNED TOWN MEETING MARCH 12, 1983

The Town Meeting held at the High School Auditorium was opened at 1:07 P.M. by the Moderator, Charles C. Winchester:

The Town Clerk, James G. Mullen, Jr., informed the Moderator that a quorum was present.

The Moderator introduced Reverend Robert B. Appleyard, Jr. of Saint Michael's Episcopal Church who delivered the invocation.

The Moderator announced that no Town Meeting Members had died since the Special Town Meeting held November 9, 1982.

The Town Meeting Members stood and were sworn in by the Town Clerk, James G. Mullen, Jr.

The following thirty-two (32) Town Meeting Members were absent:

PRECINCT ONE:	Alan L. Levant	Robert P. Reed
PRECINCT TWO	Francis L. Colpoys, Jr. Christopher P. Joyce	John J. Creavin, Jr. Joseph R. Leonard
PRECINCT THREE:	Natalie Q. Albers Richard B. DeWolfe	Thompson W. Crosby Joseph M. Donahue
PRECINCT FOUR:	All Present	
PRECINCT FIVE:	William D. Bailey Walter E. Bosworth J. William Dolan (Ex.off.) Ambrose B. Nangeroni	George M. Bartol Richard B. Chapman Barclay Feather Thomas J. Smigliani
PRECINCT SIX:	Donald P. Collins Brendan E. Fanning Edward P. McNulty	Charles W. Duffy Daniel F. Marr
PRECINCT SEVEN	John J. Boles, Jr.	Joseph J. Mullen
PRECINCT EIGHT:	Robert L. Hoy Francis P. McDermott	Patricia V. Hurley George F. Murphy
PRECINCT NINE:	Harry E.. Carlson Thomas P. McSharry	Paul F. Harrington

The Moderator recognized Selectman and Town Meeting Member, Walter F. Timility who proposed the following:

RESOLUTION

WHEREAS, John P. Linehan has just completed twelve years of service as a Selectman and having served six years as Chairman; and

WHEREAS, John P. Linehan has previously served nine years as a member and Chairman of the Planning Board; and

WHEREAS, John P. Linehan has been a Town Meeting Member from Precinct Seven since 1959; and

WHEREAS, John P. Linehan was a member of the Conservation Commission for two years; and

MARCH MEETING

NOW, THEREFORE, We, the Members of the Milton Town Meeting, in session assembled, do hereby publicly express our appreciation to our esteemed colleague

JOHN P. LINEHAN

in appreciation for his outstanding record of service to our Town.

VOTED:

UNANIMOUS VOTE

At this point, Mr. Linehan addressed the meeting briefly, thanking the members for their support over the years.

The Town Meeting Members gave Mr. Linehan a standing ovation.

The Chairman of the Board of Selectmen, James G. Mullen, Jr. offered the following Motion which was seconded:

I move that the Town Meeting Members express the Town's appreciation to Police Officers

Paul T. Nolan
Charles F. Paris

who were recently injured in the line of duty for their courageous service to the Town of Milton.

VOTED. The Town Voted YES.

UNANIMOUS VOTE.

ARTICLE 1. To choose all such Town Officers as are not required to be chosen by ballot.

VOTED. To elect James E. Curran, Measurer of Lumber.

ARTICLE 2. To hear and act upon the report of the Town Accountant and reports of other Town Officers and Committees found on Pages 165-205 of the 1982 Annual Report.

VOTED. The Town Voted YES.

UNANIMOUS VOTE.

Town Meeting Member, Richard B. Ward, Chairman of the Sewer Use Committee, reported that his Committee had completed its work now that a Sewer Use Tax had been imposed on the residents and requested the Committee be discharged.

VOTED. The Town Voted YES.

Town Meeting Member, Terrance A. McGovern, a member of the Bicycle Safety Committee, reported that his Committee had completed its work and requested to be discharged.

VOTED. The Town Voted YES.

ARTICLE 3. To see if the Town will vote to authorize the Town Treasurer with the approval of the Selectmen, to borrow money from time to time in anticipation of the revenue of the fiscal year beginning July 1, 1983 in accordance with the provisions of General Laws, Chapter 44, Section 4 and to issue a note or notes therefor, payable within one year, and to renew a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

VOTED. The Town Voted that the Town Treasurer, with the approval of the Select-

MARCH MEETING

men, be and he hereby is authorized to borrow money from time to time in anticipation of the revenue of the fiscal year beginning July 1, 1983, in accordance with the provision of General Laws, Chapter 44, Section 4, and to issue a note or notes therefor, payable within one year, and to renew any note or notes as may be given for a period of less than one year in accordance with General Laws, Chapter 44, Section 17.

UNANIMOUS VOTE.

ARTICLE 4. To see if the Town will vote to authorize the Collector of Taxes to use all means of collecting taxes which a Town Treasurer, when appointed Collector, may use.

VOTED. The Town Voted YES.

UNANIMOUS VOTE

ARTICLE 5. To see if the Town will vote to authorize the Selectmen to employ counsel to represent the Town at hearings before Committees of the General Court.

VOTED. The Town voted YES.

UNANIMOUS VOTE

ARTICLE 6. To see if the Town will vote to authorize the Moderator to appoint a committee of five citizens to consider such proceedings of the Legislature and State Boards and Commissions as may affect the interests of the Town, and confer as they may think expedient with the Selectmen in regard to the employment of counsel to represent the Town in any such proceedings; the members of such committee to hold office until the final adjournment of the next Annual Town Meeting and until the appointment of any succeeding committee authorized at such meeting.

VOTED. The Town voted YES.

UNANIMOUS VOTE

Warrant Committee Chairman, Joseph P. McEttrick made a motion which was seconded to defer Articles 7, 8, 9, 10, 11, 12, 14, 15, 16, 17, 18, 19, 20, 22, 24, 25, 26, 28, 29, and 30 until after action on Article 38 at the Adjourned Meeting to be held June 6, 1983.

VOTED. The Town voted YES.

UNANIMOUS VOTE

ARTICLE 13. To see what sum of money the Town will vote to appropriate to be added to the June 7, 1982 appropriation of \$14,000 for Law Special Services for the twelve months period beginning July 1, 1982 and to act on anything relating thereto.

Submitted by the Board of Selectmen.

VOTED. The Town voted that the sum of \$6,000 be appropriated from available funds to be added to the June 7, 1982 appropriation of \$14,000 for Law Special Services for the twelve month period beginning July 1, 1982.

VOICE VOTE

ARTICLE 16. To see what sum of money the Town will vote to appropriate for the purpose of funding the cost items in the current fiscal year which may result from a Collective Bargaining agreement, if any, executed prior to Town Meeting between the Town of Milton and the Milton Firefighters Local No. 1116.

Submitted by the Board of Selectmen.

MARCH MEETING

VOTED. The Town voted that the sum of \$94,234 be appropriated from available funds to be added to the June 7, 1982 appropriation of \$1,436,289 for Fire Salaries and Wages under Article 14 of the 1982 Annual Meeting.

UNANIMOUS VOTE

ARTICLE 21. To see if the Town will vote to accept the provisions of Chapter 339 of the Acts of 1981 in order to authorize the Town to allocate certain anticipated receipts; and to act on anything relating thereto.

Submitted by the Board of Selectmen.

VOTED. The Town voted NO.

UNANIMOUS VOTE

ARTICLE 23. To see what sum of money the Town will vote to appropriate to design and construct sewer systems for the Silver Brook Road Area, said work to be performed substantially in accordance with the recommendations contained in the Town of Milton, Massachusetts, Wastewater Facility Plan; to authorize the Board of Selectmen to apply for and use federal and state funds for said work; to see how such appropriation is to be raised, whether by borrowing or otherwise; and to act on anything relating thereto.

Submitted by the Public Works Director and the Board of Selectmen.

VOTED. The Town voted to appropriate the sum of \$112,000 for the purposes set forth in this article so as to meet the Town's share of the project cost; that to meet said appropriation the Treasurer be authorized to issue, with the approval of the Board of Selectmen, bonds or serial notes in the amount of \$112,000; that in accordance with applicable provisions of law the Treasurer be authorized to issue grant anticipation notes in the amount of \$224,000; that to meet interest payments on said bonds, serial notes and grant anticipation notes the sum of \$22,400 be appropriated from available funds; and that the Board of Selectmen be authorized to apply for and use state and federal funds for said purposes.

YES - 213 No - 5

ARTICLE 27. To see if the Town will vote to accept a gift of \$500 from John H. Marr, the income derived therefrom to be used for the planing of flowers for Memorial Day and the placing of a wreath at Christmas on Lot No. 71-1 on Maple Avenue, and to act on anything relating thereto.

VOTED. The Town voted YES

UNANIMOUS VOTE

ARTICLE 31. To see if the Town of Milton will petition the General Court for a special act to authorize the election of Selectmen at the Annual Town Election to be held in the town of Milton in the year 1984 as follows: One for one year, one for two years, and one for three years, and thereafter upon the expiration of the term of Selectmen his or her successor shall be elected for a term of three years, and to act on anything relating thereto.

Submitted by James G. Mullen, Jr., Town Clerk/Selectman.

Selectman, James G. Mullen, Jr., made a motion which was seconded to amend the Article to propose that the Town vote to petition the General Court for a special act to authorize the election of three Selectmen at the election in the Town of Milton in the year 1984 as follows: Thee person receiving the highest vote to be elected for a three year term, second highest to be elected for a two year term, and third highest to be elected for a one year term. Then, after the expiration of the term of Selectmen, his or her successor shall be elected for a term of three years.

MARCH MEETING

VOTED. The Town VOTED YES – 134 NO – 100

The Town then voted on the Article as revised.

VOTED. The Town VOTED YES – 99 NO – 140

Twenty-five Town Meeting Members stood to request a roll call vote.

YES 99 NO 138

ARTICLE 32. To see if the Town will vote to accept the provisions of Chapter 653 of the Acts of 1982 relative to real estate abatements; and to act on anything relating thereto.

Submitted by Representative M. Joseph Manning.

VOTED. The Town voted YES

UNANIMOUS VOTE

ARTICLE 33. To see if the Town will vote to authorize the Board of Selectmen to acquire construction easements to repair, construct, repave and illuminate Adams Court and Bassett Street in East Milton Square, and to acquire or enter into agreements necessary to limit and control vehicles therein, said Adams Court being more particularly described on a plan on display at the Selectmen's Office;

And further to see if the Town will vote to authorize the Board of Selectmen to

MARCH MEETING

acquire necessary easements to reconstruct the parking lots located at 16-18 Bassett Street, East Milton Square, known as the Greenspan lots, said lots being shown as Lot 12 and 13 on the Milton Assessors Plan, Section G, Blocks 17 and 18, a copy of which plan is on file at the office of the Board of Assessors; and further to acquire easements to conform said lots with the proposed new Fruit Center parking lot, to redesign and improve parking facilities thereon, to improve vehicle entrances and exits, to place a berm along the Bassett Street side, to remove poles and to do construction and improvements related thereto;

And further to see what sum of money the Town will vote to design and construct the parkway and parking lot projects described herein; to see how such appropriation is to be raised, whether by borrowing or otherwise; to authorize the Board of Selectmen to apply for and use state and federal funds for said purposes; and to act on anything relating thereto.

Submitted by the East Milton Environs Committee.

VOTED. The Town appropriated \$26,600 from available funds for the purpose set forth in the Article.

UNANIMOUS VOTE

ARTICLE 34. To see if the Town will vote to authorize the Board of Selectmen to acquire in the name and on behalf of the Town, by gift for "corner clearance purposes" a certain parcel of land at the intersection of Brush Hill Road and Fairmount Avenue which parcel is shown as Lot "C" on a plan recorded on November 19, 1981 in Norfolk Registry of Deeds as Plan No. 1034 of 1981, Plan Book 293.

Submitted by the Public Works Director and Board of Selectmen.

VOTED. The Town voted YES.

Town Meeting Member, Marjorie S. Jeffries made a Motion which was Seconded that the Town acknowledge Mr. Edward Robbart's gift to the Town.

VOTED. The Town voted YES.

UNANIMOUS VOTE

ARTICLE 35. To see if the Town will vote to amend Chapter 8 of the General Bylaws by adding a new section as follows:

Section 3:

Whoever cuts down or removes any tree or whoever tears down or destroys a stone wall or portions thereof in violation of the provisions of G.L. c. 40, s 15C shall be fined \$200 and shall also be ordered to restore the damaged property or forfeit to the Town the fair and reasonable charge for replacing said property; and to act on anything relating thereto.

Submitted by the Planning Board.

VOTED. The Town voted YES.

UNANIMOUS VOTE

ARTICLE 36. To see if the Town will vote to amend Chapter 6, Section 22, Paragraph C of the General Bylaws of the Town by deleting the first sentence and inserting in its place a new sentence as follows:

"Violations of this bylaw shall be punishable by fines as follows:

MARCH MEETING

First Offense	\$15.00
Second Offense	\$20.00
Third and subsequent offenses	\$25.00

and to act on anything relating thereto.

The Town voted YES on a VOICE VOTE.

ARTICLE 37. To see if the Town will vote to petition the General Court for the enactment of an amendment to Chapter 27 of the Acts of 1927, Section 2 to add the position of Chairman of the Town Government Study Committee to the list designated as Town Meeting Members Ex-officiis; and to act on anything relating thereto.

Submitted by the Town Government Study Committee and the Board of Selectmen.

The Town voted NO on a VOICE VOTE.

ARTICLE 38. To see what sum of money the Town will vote to appropriate to retire the outstanding debt authorized by vote of the 1982 Annual Town Meeting under Article 35 for the acquisition of land; and to act on anything relating thereto.

Submitted by the Town Treasurer and the Board of Selectmen.

VOTED. The Town voted to appropriate the sum of \$31,040 from available funds for the purpose set for in the Article.

UNANIMOUS VOTE

Warrant Committee Chairman, Joseph P. McEttrick, made a motion which was seconded to adjourn the meeting until June 6, 1983 at 7:30 PM.

The Moderator recognized Town Meeting Member, Alice E. McCarthy who offered the following:

RESOLUTION

On April 22, 1983, Patricia Hurley Bistany died. Pat was a member of Town Meeting since 1975. She was elected by the voters of Precinct Eight and served her Town and Constituency well, concerned with all issues that came before Town Meeting.

SPECIAL TOWN MEETING

She was elected to the Town Democratic Committee in 1976 and served four years. As a member of the Holiday Celebration Committee, Pat gave to the children many joys and happy memories of growing up in Milton.

She gave generously of herself to her church, her neighbors, and her friends. Patricia Hurley Bistany was a woman who always faced life with courage, grace and spirit. In spite of the difficult nature of her illness, her courage, her grace and her spirit prevailed.

Therefore, I move that We the Town Meeting Members do hereby honor the memory of Patricia Hurley Bistany for her service to the Town of Milton.

UNANIMOUS VOTE

The Town Meeting Members stood for a moment of silence in honor of Patricia Hurley Bistany.

Warrant Committee Chairman Joseph P. McEttrick made a motion which was seconded that the Adjourned Annual Town Meeting be recessed until the completion of the business of the special Town Meeting.

VOTED. The Town voted YES.

UNANIMOUS VOTE

ARTICLE 1. To see what sum of money the Town will vote to appropriate for the twelve month period beginning July 1, 1983 for the operation, maintenance and improvement of Public Works, including the metropolitan water and sewer assessment; and to act on anything relating thereto.

Submitted by the Board of Selectmen.

VOTED. The Town voted to appropriate the following amounts:

Public Works General	\$ 706,500
Vehicle Maintenance and Operation	143,400
Water Operation and improvement	805,450
Out of State Travel (Water)	300
Sanitary Landfill Contract	120,000
Sewer Operation and Improvement	102,076
(Sub-Total)	1,877,726
MDC Sewer Assessments	435,868
TOTAL	\$2,313,594

The Public Works Department is authorized to spend from the aggregate amounts appropriated the sum of \$936,577 but not more, for salaries and wages, and the sum of \$68,000 but not more, for new equipment.

To meet the appropriation for Water Operation and Improvement, the sum of \$61,089 is to be transferred from the Water Surplus as of June 30, 1982 and the balance of \$744,661 is to be raised from the tax levy of the current fiscal year. Included in the appropriation is the Metropolitan Water Assessment.

To meet the appropriation for the Sanitary Landfill Contract, the sum of \$120,000 shall be transferred from the Local Government Fiscal Assistance Fund received or to be received pursuant to the provisions of Public Law 92-512.

To meet the appropriation for Sewer Operation and Improvement and for the Metropolitan Sewer Assessment, the sum of \$537,944 is to be raised from the tax levy of the current fiscal year.

MARCH MEETING

The Public Works Department is hereby authorized to sell at private or public sale, with the approval of the Board of Selectmen, equipment which is no longer required by the department; exchange or trade in old equipment for the same or similar type of equipment, and to sell junk, metal, cast iron and similar materials, discarded meters, whether dismantled or not, in the usual course of its operations to furnish additional funds for the purchase of replacement items.

UNANIMOUS VOTE

ARTICLE 2. To see what sum of money the Town will vote to appropriate for the purpose of funding the cost of items in the current fiscal year which may result from a collective bargaining agreement, if any, executed prior to the June 1983 Special Town Meeting, between the Town of Milton and the Milton Police Association; and to act on anything relating thereto.

Submitted by the Board of Selectmen.

VOTED. The Town voted to appropriate the sum of \$64,209 from available funds to be added to the June 7, 1982 appropriation of \$1,544,340 for Police Salaries and Wages under Article 14 of the 1982 Annual Meeting.

UNANIMOUS VOTE

ARTICLE 3. To see what sum of money the Town will vote to appropriate for unpaid bills for Group Insurance for prior years, and to act on anything relating thereto.

VOTED. The Town voted that the sum of \$8,880.30 be appropriated from available funds to pay an unpaid bill for Group life Insurance for fiscal year 1982.

UNANIMOUS VOTE

Warrant Committee Chairman Joseph P. McEttrick made a motion which was seconded that the Special Town Meeting be dissolved and that the Annual Town Meeting be recovered.

UNANIMOUS VOTE

The Special Town Meeting dissolved at 7:53 P.M.

* * * * *

ADJOURNED TOWN MEETING JUNE 6, 1983

The Town Meeting held at the High School Auditorium was opened at 7:55 P.M. by the Moderator Charles C. Winchester.

ARTICLE 7. To see what sum of money the Town will vote to appropriate for the twelve-month period beginning July 1, 1983, and for the several categories classified as Employee Benefits, and to act on anything relating thereto.

VOTED. The Town voted to appropriate the following amounts:

Widows' Pensions	\$ 31,332
Non-Contributory Pensions and	
Annuities	229,812
Contributory Pensions	1,255,472
Administration	16,129
Group Insurance	780,000
TOTAL	\$2,312,745

MARCH MEETING

and that to meet the appropriation for Contributory and Non-Contributory Pensions to former Water Department employees and for Group Insurance, the sum of \$103,520 be transferred from the Water Department Surplus Account, and that the balance of \$2,209,225 be raised from the tax levy of the fiscal year.

The sum of \$14,039 but not more shall be used for salaries and wages.

UNANIMOUS VOTE

ARTICLE 8. To see what sum of money the Town will vote to appropriate to reimburse the Commonwealth of Massachusetts, Division of Employment Security for benefits paid to former employees of the Town; and to act on anything relating thereto.

VOTED. The Town voted that no appropriation be made.

ARTICLE 9. To see what sum of money the Town will vote to appropriate to the Special Fund for Retirement Purposes which was established in 1978, in accordance with the provisions of General Laws, Chapter 40, Section 5D, in order to offset the anticipated cost for funding the contributory retirement systems for Town employees except teachers and administrators of the school system; and to act on anything relating thereto.

VOTED. The Town voted to appropriate the sum of \$375,000 to the Special Fund for Retirement Purposes; and to meet said appropriation the sum of \$87,000 be transferred from the Employment Security Benefits Account and the sum of \$288,000 be raised from the tax levy of the fiscal year; and that the Moderator be authorized to appoint a committee of five citizens of the Town, to be known as the Retirement Fund Study Committee, to study administration of the Special Retirement Fund, the unfunded pension liability of the Town, to prepare an updated schedule for the systematic funding of a Town Pension Plan, to employ the services of an actuary, pension fund consultant or such professional consultants as it deems necessary, and to report its recommendations to the Board of Selectmen and the next Annual Town Meeting; and that the sum of \$5,000 be raised from the tax levy of the fiscal year for the use of said Retirement Fund Study Committee.

UNANIMOUS VOTE

ARTICLE 10. To see if the Town will vote to amend Chapter 13, Section V of the General Bylaws known as the Personnel Bylaw as follows:

1. By striking out Section F.1 in its entirety and inserting in place thereof the following:

Employees of the Town who have been in continuous service for five years or more, shall receive special compensation as follows: \$100.00 after 5 years of service and \$10.00 for each additional year to a maximum of \$400.00.

2. By striking out the second paragraph of Section H and inserting in place thereof the following:

Eligible employees shall receive \$18.00 per day for each day of sick leave accumulated in excess of 50 days, subject to a maximum of \$1,500.00.

3. By adding a new subsection as follows: I. Personal Leave Days:

Each permanent full time employee may earn up to 1 personal day, based on perfect attendance in the preceding 3 months.

and to act on anything relating thereto.

Submitted by the Personnel Board.

VOTED: The Town voted YES.

UNANIMOUS VOTE

MARCH MEETING

ARTICLE 11. To see if the Town will vote to amend Chapter 13 of the General Bylaws, known as the Personnel Administration Bylaw, as follows:

By striking out the section "Position Identification by Grade, Department and Municipal Division" and also the section "Position Classification – Schedule of Rates" and inserting in place thereof two new sections as follows:

ARTICLE 22. To see what sum of money the Town will vote to appropriate for the twelve month period beginning July 1, 1983 for the operation, maintenance and improvement of Public Works; and to act on anything relating thereto.

VOTED. The Town did not make an appropriation under this Article, but the appropriation of \$2,313,594 for the Department of Public Works and metropolitan water and sewer assessments under Article 1 of the Special Town Meeting held June 6, 1983 is hereby confirmed.

ARTICLE 24. To see what sum of money the Town will vote to appropriate for maintaining, repairing, improving and constructing ways under the provisions of General Laws, Chapter 90, said sum or any portion thereof to be used in conjunction with any money which may be allotted by the State for this purpose; to determine how said appropriation shall be raised, whether by borrowing or otherwise; and to act on anything relating thereto.

VOTED. The Town voted that the sum of \$109,504 be appropriated for the purpose set forth in this article, that to meet said appropriation the Treasurer be authorized to issue, with the approval of the Board of Selectmen, bonds or serial notes in the amount of \$109,000; that the sum of \$504 be raised in the tax levy; that the Town vote to accept grants under the provisions of Chapter 732, Acts of 1981 in the amount of \$40,542, and Chapter 191, Acts of 1982 in the amount of \$68,962; the said reimbursements from the State (100%) to be restored upon their receipt to the Town Treasury.

UNANIMOUS VOTE

ARTICLE 25. To see what sum of money the Town will vote to appropriate for the twelve month period beginning July 1, 1983 for the operation of several categories classified as Observance of Holidays, Parks, Recreation and Youth Program; and to act on anything relating thereto.

VOTED. The Town appropriated the amounts shown in the following tabulation:

1.	Observance of Holidays to be administered by the Board of Selectmen	
	Expenses	\$ 1,400
	Total	\$ 1,400
2.	Park Department to be administered by the Board of Park Commissioners	
	Personnel Services	\$112,821
	Expenses	23,895
	New Equipment	6,799
	Field Material	4,500
	Fish Stocking	500
	Recreation for Elderly	5,500
	Handicapped Program	7,500
	Park Improvements/Capital Outlay	7,691
	Total	\$169,206
3.	Youth Department	
	Personnel Services	\$ 27,942
	Expenses	1,200
	Total	\$ 29,142
	GRAND TOTAL	\$199,748

The Youth Department is authorized to apply for, accept and expend Federal grants and donations of funds.

Departments are hereby authorized to sell or exchange old equipment to furnish

funds for new equipment.

UNANIMOUS VOTE

ARTICLE 26. To see what sum of money the Town will vote to appropriate for the maintenance and improvement of the Cemetery for the year beginning July 1, 1983; and to act on anything relating thereto.

VOTED. The Town appropriated the amounts shown in the following tabulation:

CEMETERY	
Salaries and Wages (Including Overtime)	\$166,145
Expenses	59,347
Trees and Tree Work	2,000
Total	\$227,492

and that to meet said appropriation, the sum of \$93,152 be raised from the tax levy of the fiscal year and the balance of the appropriation be transferred from available funds as of December 31, 1982 as follows:

Proceeds from the Sale of Burial Rights	\$ 38,208
Income in Cemetery Perpetual Care Fund	\$ 96,132

The Department is hereby authorized to sell or exchange old equipment to furnish additional funds for new equipment.

UNANIMOUS VOTE

ARTICLE 28. To see what sum of money the Town will vote to appropriate for the support of Schools for the twelve month period beginning July 1, 1983; and to act on anything relating thereto.

VOTED. The Town appropriated the amounts shown in the following tabulation:

SCHOOLS	
Salaries and Wages	\$7,186,606
General Expenses	1,011,389
Energy, Heat and Power	369,960
School Bus Transportation	281,230
Custodian-Private Work	1
Curriculum Development	4,000
Summer Education/Development	1
School Lunch Program	1
Out-of-State Travel	3,800
Research & Development	1,500
Vocational Education	9,100
Evening Practical Arts	1
TOTAL	\$8,867,589

and that to meet said appropriation the sum of \$17,962 shall be transferred from the Adjustment Account for Special Education for 1982 and shall be applied as required by law to the cost of programs provided under General Laws, Chapter 71B, and the balance of the appropriation, \$8,849,627 shall be raised from the tax levy of the fiscal year.

The Department is hereby authorized to exchange or trade in old equipment for the same or similar type equipment.

UNANIMOUS VOTE

MARCH MEETING

ARTICLE 29. To see what sum of money the Town will vote to appropriate for the support of the Regional Vocational Technical School.

VOTED. The Town appropriated the amounts shown in the following tabulation:

Quinobin Regional Vocational-Technical School	\$ 66,000
---	-----------

UNANIMOUS VOTE

Town Meeting Member, Robert J. Sheffield, made a motion, which was seconded, to appropriate the sum of \$5,000 to be used by the Outdoor Recreational Facilities Committee to report back to the March, 1984 Town Meeting with a comprehensive plan, including all facts and figures for the development of adequate outdoor athletic facilities adjacent to Gile Road, which will be under the control of the School Department and to seek eligibility for assistance and partial reimbursement from the School Assistance Act.

VOTED. The Town voted NO on a VOICE VOTE.

ARTICLE 30. To see what sum of money the Town will vote to appropriate, transfer, or borrow for the planning, seeking federal or state funding and construction of outdoor athletic field facilities adjacent to Gile Road, to be expended by the Outdoor Recreational Facilities Committee; and to act on anything relating thereto.

Submitted by the Outdoor Recreational Facilities Committee.

VOTED. On a VOICE VOTE, the Town appropriated the sum of \$95,000 for the purposes set forth in this article; that these funds be expended for site preparation, drainage and construction of a football/soccer field and outdoor track on a portion of the former Lamb property adjacent to Gile Road opposite the Pierce School; that to meet said appropriation the sum of \$72,537 be transferred from the Overlay Reserve and the sum of \$22,463 be raised from the tax levy of the fiscal year; and that any federal or state grant funds received to reimburse expenditures for these purposes be paid into the general fund of the town.

ARTICLE 39. To see what sum of money the Town will vote to appropriate for Interest and Maturing Debt for the Twelve month period beginning July 1, 1983; and to act on anything relating thereto.

VOTED. The Town appropriated the amounts shown in the following tabulation:

Interest	\$120,103
Maturing Debt	310,000
 TOTAL	 \$430,103

UNANIMOUS VOTE

ARTICLE 40. To see what sum of money the Town will vote to appropriate for the Reserve Fund for extraordinary and unforeseen expenditures for the twelve month period beginning July 1, 1983 and to apply from the Overlay Reserve such amount as the Town shall determine to meet in whole or in part such appropriation; and to act on anything relating thereto.

VOTED. The Town appropriated the sum of \$150,000 for the Reserve Fund for extraordinary and unforeseen expenditures for the twelve month period beginning July 1, 1983; and to meet said appropriation the sum of \$150,000 be transferred from the Overlay Reserve.

UNANIMOUS VOTE

ARTICLE 41. To see what sum of money the Town will vote to appropriate from available funds on hand for the purpose of deduction by the Assessors from the amount required to be assessed in accordance with the provisions of General Laws, Chapter 59, Section 23.

MARCH MEETING

VOTED. The Town appropriated the sum of \$150,000 for the purpose set forth in this article.

UNANIMOUS VOTE

The Meeting was dissolved at 10:38 P.M.

James G. Mullen, Jr., Town Clerk

APPOINTMENTS MADE BY THE TOWN MODERATOR CHARLES C. WINCHESTER

In Precinct 6. Gymnasium, Cunningham Administration Building, Edge Hill Road,
In Precinct 7. St. Agatha's School, Adams Street,
In Precinct 8. Kindergarten Room, Collicot School, Edge Hill Road,
In Precinct 9. Gymnasium, Pierce Junior High School, Gile Road,

on Saturday, March fifth next, at eight o'clock in the forenoon, then and there to bring in to Precinct Officer of their respective Precincts their votes on one ballot respectively for the following named Town officers, to wit:

Three Selectmen and Surveyors of the Highway for the term of One Year.
One Assessor for the term of Three Years.
A Town Treasurer for the term of One Year.
One member of the Regional Vocational School Committee for the term of Two Years.
Two members of the School Committee for the term of Three Years.
One Park Commissioner for the term of Three Years.
One member of the Board of Health for the term of Three Years
Four Constables for the term of Three Years.
Three Trustees of the Public Library for the term of Three Years.
one Trustee of the Cemetery for the term of Five Years.
One Member of the Housing Authority for the term of Five Years.
A Town Moderator for the term of One Year.
One member of the Planning Board for the term of Five Years.

Ninety-eight Town Meeting Members to be elected as follows:

Precinct 1. Eleven for Three Years.
Precinct 2. Eleven for Three Years.
Precinct 3. Eleven for three Years.
One for Two Years.
Precinct 4. Ten for Three Years.
Precinct 5. Ten for Three Years
Precinct 6. Eleven for Three Years..
One for Two Years.
Precinct 7. Ten for Three Years.
Precinct 8. Eleven for Three Years.
One for One Year.
Precinct 9. Nine for Three Years.

For these purposes the polls will be open at each and all of said Precincts at eight o'clock in the forenoon and will be closed at eight o'clock in the evening.

REPORT OF THE WARRANT COMMITTEE

And thereupon by adjournment of said meeting on the following Saturday, to wit, March twelfth next, at one o'clock in the afternoon at the Milton High school Auditorium, 391 Brook Road in said Milton, then and there to act upon the following Articles, to wit:

Articles 1 through 41 inclusive appearing in regular type on the following pages.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the times and places and for the purposes herein mentioned by posting attested copies of the Warrant in each of the Post Offices of said Town seven days at least before the fifth day of March, and leaving printed copies thereof at the dwelling houses of said Town at least four days before said date.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk, on or before said fifth day of March, next.

Given under our hands at Milton, the third day of February, Nineteen hundred and eighty-three.

JOHN P. LINEHAN
WALTER F. TIMILTY
JAMES G. MULLEN, JR.

A true copy, Attest:

BERNARD J. LYNCH, III
Constable of Milton

REPORT OF THE WARRANT COMMITTEE FOR THE ANNUAL TOWN MEETING

INTRODUCTION

Once again the Warrant Committee has the opportunity to present to the voters of the Town estimates and recommendations for action on articles submitted to the Town at the annual meeting.

The situation is familiar. The Warrant Committee has reviewed all budgetary and non-budgetary articles and has prepared recommendations for most of them. While we are prepared if necessary to recommend action on all articles at the March meeting, at this time it is the suggestion of the Warrant Committee that non-budgetary articles and a few pressing budgetary articles be acted upon in March with consideration of most budgetary articles postponed to an adjourned session in May or early June.

The reason for this suggestion is familiar as well. Given the need for precision in constructing the budget because of the statutory limit upon the tax levy, a Town budget cannot be responsibly voted without exact information on the Town's free cash position and on the amount of local aid to be received from the state for fiscal 1984. A delay until late spring would provide a better sense of the progress of pending collective bargaining and of the revenues to be collected under the new sewer use charge.

Assuming no increase in local aid it appears at present that there will be an increase of revenues and available funds of under \$500,000 in fiscal 1984 as compared with fiscal 1983. If the recommendations presented in this warrant were voted by the Town and if wage settlements follow our projections, it appears that expenditures in fiscal 1984 will exceed fiscal 1983 by about \$675,000.

This apparent gap of roughly \$175,000 can be met in one of three ways: by an increase in local aid, by difficult cuts in budgets already carefully reviewed, or by using for general budget purposes the potential saving in the real estate tax levy generated by application of the sewer use charge to sewer-related budget items. It is appropriate to wait until May or June to see if local aid will fill the gap. If local aid does not increase, or decreases, the alternatives will be either to make more cuts or to commit to the budget tax levy money freed up by the application of sewer use receipts. It is the view of the Warrant Committee that the spending outlined in this warrant is at the level necessary for proper municipal services to the citizens of the Town.

Every year there is a new twist to the Town budget process. This year it is the application of sewer use receipts to the budget. The changes appear in the Public Works Article (Article 22) and in the Silver Brook Sewer Extension Article (Article 23). A related item is the recommended acceptance of the offset receipts method in making appropriations from the sewer accounts (Article 21). All three articles are explained in the various comments. It is anticipated that some \$560,344 will be appropriated for sewer-related items in fiscal 1984. The use of these funds would free up tax levy money which could be used in various ways: to cover the potential budget gap described above, to fund the Special Retirement Fund (Article 9) or to reduce real estate taxes. This Warrant Committee is mindful of the need to reduce real estate taxes. We are also mindful of the need to properly fund the Town budget in order to provide the level of municipal service our citizens deserve and expect.

Several articles deserve special mention. It should be noted that pending collective bargaining has necessitated deferral of recommendations on several wage-related articles.

The School Committee has responded to Warrant Committee requests for frugality by reducing its budget (before the addition of wage increases) below last year's budget by some \$22,500. The Library Trustees have consented to a more aggressive application of trust fund income to relieve pressure on the tax levy.

The Warrant Committee has reviewed the appropriation for the Law Department and has recommended necessary budget increases for fiscal 1983 as well as fiscal 1984.

REPORT OF THE WARRANT COMMITTEE

Amounts appropriated in prior years were not realistic and made necessary reserve fund transfers toward the end of the fiscal year.

The method of election of the Board of Selectmen is before Town Meeting for the third time in three years. As set forth in the comment to (Article 31), the Warrant Committee does not see how the proposed change would improve Town government or strengthen the position of the voters. The Town has been blessed with competent members on the Board without exception. We see no serious crisis requiring a solution. If anything, the proposed change would eliminate the annual accounting each Board member must presently give to the voters of the Town.

Finally, we have three improvement programs to consider. The Silver Brook Project (Article 23) is long overdue and would be funded mostly by grants. The East Milton Square Project (Article 33) is a modest Town response to the needs of merchants in an area of the Town that has never fully recovered from the devastation caused by the Southeast Expressway construction. The Warrant Committee considers this a priority project to complement the planned private development in the shopping area. A recommendation on the proposed playing field on the former Lamb Property (Article 30) has been deferred. The Warrant Committee sees expansion of outdoor school athletic facilities as desirable. We need more information on the Town's fiscal situation and on the details of the project before making a recommendation. It should be noted that in presenting the appropriated fiscal 1983 figure for the Police, Fire, Cemetery and Public Works Departments, appropriations made for equipment at the special meeting in November 1982 have not been included. These figures were not included so as to avoid the impression that these regular department budgets were drastically reduced as compared with last year. At that special meeting equipment appropriations were: Fire - \$170,000; Police - \$59,828; Public Works - \$16,500; and Cemetery - \$23,000 for a total of \$359,328. These appropriations were considered in reviewing new equipment requests by these departments in the fiscal 1984 budget.

The Chairman would like to express appreciation to all elected and appointed officials in the Town whose cooperation and good will made these recommendations possible. We would like to thank all Town employees who assisted in the collection of information, particularly the Executive Secretary, School Superintendent, and Town Counsel.

Finally, the Chairman would like to extend a personal note of thanks to the members of the Warrant Committee and to Harriett Nelson, our clerk. All of these, by their attendance at meetings, hard work, insight and patience, have gotten the Chairman through an undoubtedly unique experience.

Respectfully submitted,

1983
SPECIAL TOWN MEETING WARRANT

Commonwealth of Massachusetts)
County of Norfolk)

To any of the Constables of the Commonwealth of the Town of Milton in said County:
GREETINGS:

In the name of the Commonwealth of Massachusetts, you are hereby required to notify and warn the inhabitants of the Town of Milton qualified to vote in Town affairs to meet at the Milton High School Auditorium on Brook Road in said Milton on Monday, the sixth of June next at 7:30 o'clock in the evening, then and there to act upon the following Articles to wit:

Articles 1, 2, and 3 appearing below.

And you are directed to warn said inhabitants qualified as aforesaid to meet at the time and place for the purposes herein mentioned, by posting attested copies of this Warrant in each of the Post Offices of said Town fourteen days at least before the sixth of June and leaving printed copies thereof at the dwelling houses of said Town at least fourteen days before said date.

Hereof fail not and make due return of this Warrant with your doings thereon to the Town Clerk, on or before said sixth of June.

Given under our hands at Milton, the Fifth day of May, Nineteen Hundred and Eighty-three.

JAMES G. MULLEN, JR.
WALTER F. TIMILTY
WILLIAM A. REILLY, JR.

A true copy. Attest:
BERNARD J. LYNCH, III
Constable of Milton

REPORT OF THE WARRANT COMMITTEE FOR THE SPECIAL TOWN MEETING AND THE ADJOURNED SESSION OF THE ANNUAL TOWN MEETING

At the initial session of the Annual Town Meeting on March 12, 1983, the members voted to postpone most budgetary articles until June 6, 1983. The purpose of the delay was to await information on several figures, particularly the amount of local aid to be received in the fiscal 1 cherry sheet.

At this writing it appears that the Town will receive an increase of approximately \$380,000 in local aid over last year's level. The budget recommended in this booklet is based on such a local aid increase by the General Court and Governor. They have not yet taken final action.

As described in March, these recommendations include sewer use charge revenues in the amount of \$537,944 to be applied to the Milton sewer operation and the MDC sewer assessment. These items were paid for out of the tax levy in prior fiscal years. It should be noted that this year's budget reflects an increase of about \$118,000 in the cost of sewer operation over last year. This higher cost results from estimated increases in the MDC sewer assessment, energy costs, sewer use charge billing software and interest on short-term borrowing for the Silver Brook project.

Therefore about \$420,000 of sewer costs funded in the fiscal 1983 budget by the tax levy are funded in this 1984 budget by the sewer use charge in addition to the \$118,000 in increased sewer costs. The Warrant Committee, estimates that this budget if voted as recommended, will be about \$420,000 under the Proposition 2½ levy limit. Thus in the view of the Warrant Committee all of the \$420,000 in potential tax levy savings generated by application of the sewer use charge has been preserved for the taxpayer.

It should also be noted that this budget contains about \$214,000 in appropriations for the fiscal years 1982 and 1983: Law Special Services and Public Safety increases for fiscal 1983 and an unpaid bill for fiscal 1982. If these items had been appropriated in previous budgets, the levy limit would be about \$219,000 higher this year while appropriations would be \$214,000 lower for a new difference of \$433,000 in comparing amounts to be raised with the levy limit.

Under Article 9, the Warrant Committee recommends an appropriation of \$375,000 for the Special Retirement Fund and an additional \$5,000 for an actuarial study of the town's pension liability by a special committee. It is expected that a sum of about \$400,000 should be appropriated each year for the next several years to provide significant levels of pension funding.

Because of the mechanics of Proposition 2½, a failure to appropriate \$400,000 under Article 9 this year will result in a permanent loss of the ability to fund pensions locally without a Proposition 2½ override. Failure to fund in the 1980's will result in budgetary chaos in the 1990's.

Based on an estimated total valuation of the Town on January 1, 1983 of some \$661,166,000, this recommended budget should result in a tax rate of slightly less than \$24.25 per thousand. Since the adoption of Proposition 2½ in November, 1980, the tax rates in Milton for fiscal 1982, 1983 and 1984 should be stable at \$24.25 per thousand. In fact during these three fiscal years combined, real estate taxes in the Town should total some \$1.5 million below the maximum allowable under Proposition 2½ if the allowable maximum levy had been assessed every year.

At this writing no settlement has been reached with the Milton Police Association. If a settlement is reached, revised recommendations will be submitted at Town Meeting for Articles 11, 17 and 18 of the Annual Warrant and Article 2 of the Special Warrant.

REPORT OF THE WARRANT COMMITTEE

Once again the Chairman expresses appreciation to all elected and appointed officials whose co-operation made these recommendations possible, particularly the Executive Secretary, Town Counsel, Town Accountant, Town Treasurer and School Superintendent.

Finally the Chairman thanks the members of the Warrant Committee and Harriett Nelson, our clerk, who have had a busy year producing recommendations for the state ballot questions, the November Special Meeting, the initial and adjourned sessions of the Annual Meeting and the June Special Meeting. Their attendance at meetings, diligence, wisdom and patience is appreciated.

**REPORT OF THE MILTON HISTORICAL COMMISSION
YEAR ENDING JUNE 30, 1983**

To the Honorable Board of Selectmen

The Milton Historical Commission has been handicapped in its activities by its lack of support by the Town. The Warrant Committee in the last two fiscal years has seen fit to eliminate any appropriation, using the 2½% tax limitation as excuse. Furthermore, the Committee has stated that grants and donations from private sources should be sought to carry on its purposes.

For the record it should be known that two matching grant applications have been made and rejected. On June 4, 1980, the Chairman filed with Mass. Historical Com. an application for \$400 to be matched with \$400 from Town appropriation to produce audio-visual programs of the historical sections of the town. The purpose was to provide public awareness of the historical significance of Milton and its former residents.

Again on March 2, 1983, the Chairman prepared a comprehensive application for a grant from Mass. Historical Com. following their solicitation rules, for a grant of \$2500. The purpose was to provide for the preparation of documentation for application of Nomination to the National Register of Historic Districts in Milton. Again the application was rejected with the indication that Milton should have sufficient funds to support its Commission.

The Commission once formed by the Town should not remain dormant. The opportunity is present to pursue the applications for the listing in the National Register of Historic Houses and Districts, already selected. Although our inventory survey was quite complete up to 1830, it is necessary that more recent houses be documented. Town residents willing to take an interest and contribute their efforts towards the purposes of the Commission are welcome. Fortunately the Town made a small appropriation for the ensuing year to cover expenses, but insufficient funds for a paid researcher.

Respectively submitted,

JOSEPH C. BURLEY, Chairman

REPORT OF THE EAST MILTON ENVIRONS COMMITTEE

To The Honorable Board of Selectmen:

The members of the East Milton Environs Committee respectfully submit their annual report as follows:

The East Milton Environs Committee has had a productive year, all due to the support given to us by the Citizens of Milton, the Town Meeting and the Board of Selectmen.

Our Committee has met on a monthly basis. We have also, through our Chairman, participated in many important meetings with the State Department of Public Works and the Executive Office of Communities and Development.

All of these meetings and support has brought an awareness to the State Officials

REPORT OF THE EAST MILTON ENVIRONS COMMITTEE

regarding the affects of the Expressway upon the East Milton Community. As a result, there is an attitude to do something about alleviating the traffic pattern as it now exists in the square.

The Town Meeting in March of 1983 appropriated money to allow renovation of the Bassett Street parking lots, known as the Greenspan Lots. This renovation allows these lots to be in conformity with and concurrent in a physical manner with the new Fruit Center parking lot. There will be one entrance and exit on Bassett Street leading to and from the Fruit Center facilities.

The result of this action will not only add greenery and shrubbery to the Bassett Street area, but creates approximately 157 parking spaces for the people of Milton to use, not only while they shop at the new Fruit Center, but to use these facilities while shopping and banking in the other areas of the square.

In addition to the Bassett Street parking facilities, the Town Meeting also appropriated sufficient funds to repair, construct, repave and light up Adams Court as a pedestrian walkway connecting the Adams Street side of the square with the new Fruit Center and Bassett Street parking facilities.

This Committee owes a great deal of gratitude to both Paul D. Kanter, Town Engineer, and Lawrence W. DeCelle, Jr., Director of Public Works, for their tireless efforts in preparing estimates and engineering details for presentation by our Committee to the Warrant Committee and Town Meeting. Mr. Kanter and Mr. DeCelle have made themselves available to this Committee and its Chairman at the call of any schedule whether it was a day or an evening meeting.

Mr. Kanter and the Chairman of this Committee have attended several meetings this year with the State Department of Public Works and the Executive Office of Communities and Development. Many discussions have taken place with the Commissioners of the Department of Public Works regarding the methods in which the Expressway could be adapted to alleviate the traffic flow as it now exists in the square.

The tenor of these meetings have led to the creation of a concept plan now being studied by the Chief Engineer's Office of the State Department of Public Works as to feasibility with respect to intersection control. This plan, if workable, can be implemented in 1985 when the State Department of Public Works repairs the bridges over the Expressway after the resurfacing of the Expressway due to start this year.

Mr. Edward C. Calabro in the town Engineering Department has worked many hours preparing several concept plans for our Committee to study along with Paul Kanter, the Town Engineer. It was as a result of this effort that the Committee was able to present a plan for study to the State Department of Public Works.

In addition to the traffic flow designs, the East Milton Business District has been the subject of discussions at the Executive Office of Communities and Development. Mr. Kanter again has worked long and arduous hours preparing grant applications to be reviewed by the State Department of Communities and Development.

Three Grants were applied for this year. They were the Urban Systems Grant, the Small Cities Grant and the Commercial Area Revitalization Grant also known as the CARD Program.

The support given to the Committee by the people, the Selectmen and the Press in these applications has brought the community awareness to bear on the State Officials and has focused the State's attitude to the problems we must meet in East Milton Square.

Although we were not successful in the first two Grant applications, we were successful in the Commercial Area Revitalization Grant. Selectmen approved this Grant three weeks ago and, as soon as the logistics can be put together, businessmen should be able to take advantage of the Grant provisions.

REGIONAL VOCATIONAL-TECHNICAL SCHOOL DISTRICT

These provisions include incentives to the business community to replenish and upgrade their business properties, to be eligible for loans backed by state bonding at a lower interest rate than conventional loans and tax incentives if employment is created.

As to the Town, the CARD Program gives funds for the eligibility of public off street parking within the CARD district. The Town will now be able to acquire public off street parking with the cost to the Town of only 30% as opposed to 100%. The State will give a Grant to the Town of 70% of the cost of such off street parking acquisition.

This aspect of the CARD Program should aid us appreciably in obtaining the necessary 123 public off street parking spaces we now need on the Adams Street side of the Square. If we are able to obtain these parking facilities, we will be in good shape for the future in East Milton Square. Back-up traffic looking for parking spaces will be greatly diminished as well as traffic jams. Pedestrians will be put into a much more safety factor and intersections should be in a position of better control.

One last program should be mentioned in this report. That is the Topics Program in which Paul D. Kanter has been working on for the past two years. This program will tie into the concept plan which we hope will pass the study requirement of the State Department of Public Works. In any event, the Topics Program is concerned with pedestrian safety and intersection control. When finished, and it is within 90% complete, it will synchronize the traffic lights from the intersection of Brook Road and Adams Street at Saint Agatha's

Our Committee has also received a wealth of information and input from the Businessmen's Association and its President, Terrance A. McGovern. He has attended all our meetings, suggested common sense solutions and has aided in the preparation of information for Grant applications.

With your help, we as a community, can have a Square where we can live, walk, drive, shop and enjoy for future generations. This Committee is again thankful to the people of Milton for their encouragement and support.

Respectfully submitted,

HOWARD R. PALMER, Chairman
PATRICK H. DONAHUE

QUINOBIN REGIONAL VOCATIONAL-TECHNICAL SCHOOL REPORT FOR THE FISCAL YEAR ENDED JUNE 30, 1983

Quinobin School Committee

Town	Member	Term Expires
Natick	John L. Donahue, Chairman	3/84
Natick	Charles Emanuelli	3/85
Dedham	John J. Lyons	3/84
Dedham	George Keller	3/85
Milton	Kevin C. Donahue	3/84
Milton	David Johnson	3/85
Wellesley	Robert DiSchino	3/84
Wellesley	Samuel Strickland	3/85

REPORT OF THE MILTON ARTS LOTTERY COMMITTEE

Quinobin opened for its fifth year of operations in September of 1982, with an enrollment of 298; 132 from Dedham, 34 from Milton, 108 from Natick, and 34 from Wellesley.

As a result of reduced enrollment, the Quinobin School Committee voted to drop the Painting & Wallpapering program; however, the following programs remain: Cabinet-making, Carpentry, Commercial Art, Computer Science, Culinary Arts, Electrical, Electronics, Horticulture/Forestry, Heating, Ventilation & Air-Conditioning, and Masonry.

In addition to the previously listed ten vocational programs, this year Quinobin offered a program of support services provided by the joint efforts of the four towns of the District through a pooling of their federal funds. Three full-time vocational tutors provide individual and small group support to students through vocationally related instruction, and also act as liaisons between Quinobin and the Special Education department from each community.

Renovations continue on the addition to the Carriage House Restaurant and an extension on the Greenhouse, with Quinobin students doing the majority of the work. Completion is expected by September 1984.

REPORT OF THE MILTON ARTS LOTTERY COMMITTEE

The Milton Arts Lottery Committee met once monthly during the period January 1, 1982 - June 30, 1983. The committee consisted of: Chairwoman, Claire J. McSorley; Vice-Chairman, Nancy Vappi (Who moved and withdrew May, 1983); Treasurer, Virginia Dolan; Secretary, William Loughran; Media, Stephen Hamilton; Members: James Hooley, Gordon Hoxie.

The committee met primarily to: 1) ascertain that the programs that were funded by the Massachusetts Arts Lottery Council (MALC) in July, 1982 were carried out as proposed; 2) to display for one month photographic works of Milton Historical Society and photographer Steven Nelson, made possible by said grant, at the Central Branch of the Milton Public Library for the general public to view; 3) to make known a second fund of \$3130 would be awarded to the Milton Community on January 1, 1984; and 4) to evaluate applications received for this second funding.

Although much publicity was given the grant, only five applications were received. One application was turned down because it lacked sufficient planning to prove it could be successful. The four programs that were approved were: 1) China Trade Museum, "The China Trade, A Sound/Slide Program for Shut-ins", \$1200; 2) James F. Connolly, "Poetry Writing Workshop", \$1000 Deborah J. McSorley, "Community Service Project", \$523; Milton Arts Council, "Holiday Window Painting", \$250; MALC was awarded \$157 for Administrative Expense (this represents the 5% allotment made possible by the Arts Lottery Law.)

On July 1 when their term expire, the original committee stepped down and new members were appointed by the Selectmen; Ronald Jensen, Claire Herlihy, Alan Greenberg, Herbert Wotiz, Dr. Richard Barbieri, Samuel F. Morse, and Claire J. McSorley (whose term was extended for an additional two years.)

In addition to regular MALC meetings, Chairwoman, Claire J. McSorley was active in Statewide meetings of the MA Arts Lottery Advisory Committee and has attended special

meetings of the MA Arts Lottery Council held at the State House and at Sturbridge. During the year as the Corresponding Secretary of the MALAC, Chairwoman mcSorley served on several subcommittees: Co-Chairwoman of a statewide workshop held in Wayland, "Using Public Surplus Buildings as Art Centers"; Editor of a statewide newsletter sponsored by the MALAC and MALC; planning committee for the Annual Meeting of Local art councils statewide, held in Haverhill, Spring, 1983 (where she was re-elected for a two year term as Corresponding Secretary MALAC); planning committee for the Annual Meeting to be held Spring, 1984.

The Arts Lottery has achieved greater success than originally anticipated. We thank you all for your help and participation, and hope that Milton will have a Lottery winner.

Respectfully submitted,

CLAIRE McSORLEY
VIRGINIA DOLAN
STEPHEN HAMILTON
GORDON HOXIE
NANCY VAPPI
WILLIAM LOUGHRAN
JAMES HOOLEY

REPORT OF THE MILTON TOWN GOVERNMENT STUDY COMMITTEE

The Town Government Study Committee continues to monitor the services provided to our residents as well as the government structure charged with the responsibility of delivering those services.

To this end, the Committee:

- a. Reviewed the performance of the town-operated ambulance service.
- b. Held a public hearing on the Warrant Article proposing a staggered three year term for the Board of Selectmen. The Committee, by majority vote, went on record as opposed to the Article.
- c. Proposed a manual for town meeting members to better acquaint them with town meeting procedures, the town charter and appropriation terminology.
- d. Initiated a study of ex-officio town meeting members, as prescribed by the Town Charter.
- e. Continued its review of the capital outlay planning process.

During 1983 resignations were accepted, with regret, from the following members:

Loyola Sylvan
George Ryan
Thomas A. Norris

The Committee acknowledges the public service provided to the Town by these

REPORT OF THE RECYCLING COMMISSION

members, especially our senior members – George Ryan and Tom Norris. Mr. Norris' passing this past summer was a great loss to the Committee and to the Town. His years of active involvement in Town affairs, including those as Chairman of the Town Government Study Committee, serves as a record, to all of us, of dedicated personal commitment to the improvement of our town.

The Committee welcomed Katherine Dunphy, Barbara Mahoney and Russell Simpson as members of the Committee in mid-1983.

Our continued appreciation is expressed to Natalie Fultz, a former member of the Committee, who has continued to serve as our acting Secretary to the Committee.

Our thanks, also, to the Executive Secretary, the Warrant Committee as well as other Committees and Boards and elected and appointed officials for their cooperation in helping us to identify potential areas in which we can make recommendations and offer solutions.

Respectfully submitted,

RICHARD B. O'MEARA, Chairman
JOSEPH COLLINS
C. MITCHELL DRAPER, Jr.
KATHERINE DUNPHY
ROBERT KALER
BARBARA MAHONEY
RUSSELL SIMPSON

REPORT OF THE MILTON RECYCLING COMMISSION

To the Honorable Board of Selectmen.

The recycling area located at the Town Disposal Area still provides containers for glass recycling. Although the deposit bottles are being returned to stores, the glass containers for juices, vegetables, etc., can be deposited in the containers.

Also, aluminum products such as screens and door frames, aluminum pans, etc., can be left for recycling.

The light metal such as refrigerators, washing machines, etc., are being separated and loaded out, thereby saving space.

Tree limbs and butts removed by Town forces are being sold to the highest bidder. An annual contract is entered into.

Also, when Town trees are removed, all small limbs are chipped and used for dressing of planing areas throughout Town.

A designated leaf area is available for all residents to deposit their yard leaves.

The committee has been unable to obtain a source for recycling paper and rubber tires.

Waste oils from automobiles may be deposited in waste oil tanks located at the Central Maintenance Garage, Monday through Friday, 7:30 a.m. to 4:00 p.m.

Charles L. Copeland
Loyola D. Sylvan
James R. Jones

Respectfully submitted,
Lawrence W. DeCelle, Jr., Chairman
Natalie Q. Albers

**REPORT OF PERMANENT INSURANCE
ADVISORY COMMITTEE**

To the Honorable Board of Selectmen:

We, the members of the Permanent Insurance Committee, are pleased to submit our Annual Report for 1983.

The Town of Milton Advisory Committee met twice this past year. The first meeting was held for the purpose of reviewing the insurance summary prepared by Town Agent MacVarish for the Town of Milton. It was suggested that the Town look into the possibility of a liability policy for the policemen, firemen and schoolteachers, since they are excluded under the present liability policy and also, that a quotation be obtained for umbrella liability.

The second meeting was held to investigate the letter from John Cronin to the Committee regarding Blue Cross/Blue Shield. It was the consensus of the Committee that, since Town business is not considered desirable by your larger Insurance Carriers and therefore not bid competitively, and since all group rates are up 25% in 1983 and expected to increase another 25% next year, that we recommend to the Selectmen that in the future they negotiate with the Town Employees to consider excluding Blue Cross/Blue Shield benefits and move to Health Care Benefits or to private plans with a large deductible as most private corporations are doing at present.

The Committee was pleased to note that the actual expenditure for insurance premiums was less than the amount budgeted. This was principally due to the vigorous marketing of Town Agent MacVarish wherein the package renewal cost was 25% less than in the past and included broader coverage.

The foregoing comprise the principal items of activity in the Town's insurance program during the past year.

Respectfully submitted,

J. BARRY DRISCOLL, Chairman
STEPHEN MATTALIANO, Jr.
MICHAEL B. O'TOOLE

REPORT OF THE SENIOR CENTER COMMITTEE

The honorable Board of Selectmen'

The Senior Drop-In Center Committee, appointed on February 10, 1983, is pleased to report its findings and recommendations so that the Town may take timely action on the recommended site and funding requirements.

Discussions were held with members of the School Re-Use Committee, Council on Aging, Milton Senior Citizens, Inc., Mil-Par Seniors, Milton Hospital Social Service Department, Milton Visiting Nurses, an architect, builder of custom homes, Building Inspector, Town Planner, Mr. Cronin, Executive Secretary to Selectmen, Mass. Department of Elder Affairs and South Shore Elder Services, Inc.

Directors of other established Senior Centers were most co-operative in sharing their experiences with us.

Legislation, rules, regulations and other documents were researched to better understand Milton's position in the Massachusetts Aging Network and services available to the Town.

Milton is one of eleven South Shore communities served by South Shore Elder Services, Inc. (SSES) located in Cohasset. (SSES) is a part of the Massachusetts Aging Network under the Massachusetts Department of Elder Affairs (DEA). (See Exh.A).

The use of town-owned facilities was determined to be more feasible than acquisition construction or lease of privately owned buildings.

It is the unanimous recommendation of this Ad-hoc Committee that a portion of the basement floor of the former Cunningham Junior High School (CJHS) on Edge Hill Road used for the Milton Senior Drop-In Center as soon as possible and that sufficient space be reserved for expansion to a multi-purpose Senior Center subject to a needs assessment and Federal/State Grants to fund renovations and certain programs. (See Exh.B-E).

Major considerations in the selection of this site were the following:

Current Needs

By comparison with other South Shore Towns having Senior Centers, key statistics point to a significant number of Milton Elderly who are in need of services. (See Exh. C and D).

Federally funded Senior Aides who co-ordinate services and an effective outreach program have encouraged many eligible individuals to participate in other Towns.

The needs of elderly can be expected to increase in the future when a multi-purpose Senior Center may be needed as a focal point for comprehensive service delivery and to encourage the maximum co-location and co-ordination of services for elders. (See Exh. E).

Milton is indeed fortunate to have CJHS immediately available for occupancy as well as furniture, appliances and lockers in excellent condition. With minimum renovations and co-operation of the community, a May 1983 occupancy is suggested of rooms designated "Conference Room" and "Sewing Room" on (Exh. B). These rooms are bright and sunny all day.

Early occupancy will afford an opportunity to organize and plan for full scale corporation in September.

PUBLIC TRANSPORTATION

There is regular MBTA bus service through the center of Town from Quincy to Mattapan via Edge Hill Road, Pleasant Street, Reedsdale Road and Brook Road. Bus stops at the proposed Senior Center.

REPORT OF THE SENIOR CENTER COMMITTEE

Another bus from Randolph to Ashmont travels via Randolph Avenue, Reedsdale Road, Central Avenue and Eliot Street. It connects with the Quincy - Mattapan bus.

MBTA bus fare within the Town is 10c for seniors 65 or older. Elders should be encouraged to use the MBTA bus to reduce the need for parking space and transportation by van. An increase in MBTA ridership would be beneficial to the Town.

PARKING

Recommend change to allow daytime parking along the school side of Edge Hill Road. Additional parking is planned at the rear of the school including spaces for handicapped. Another area between CJHS and Collicot School is also under consideration by School Administrators.

ACCESSIBILITY

Elderly handicapped may enter through existing double doors at the rear of the building at street level. There are no steps. Three standard doors provide access from front of building. Door leading into Senior Center rooms may require widening from 32" to 36".

BATHROOMS

Existing boys and girls rooms are available. Alterations will be needed to provide for the handicapped.

KITCHEN

The two rooms to be occupied do not contain a kitchen, but an adjoining large kitchen, complete with appliances, may be used. Current needs, however, do not include preparation of meals.

CONFERENCE ROOM AND OFFICE

This room is equipped with a half bath and a large storage closet. It is of sufficient size to be used for private conferences and an office for the Council on Aging. Co-location and co-ordination of local community services is recommended.

WHERE MOST ELDERLY RESIDE

CJHS is located in one of the more densely populated areas of Milton. A large number of elderly of all income levels reside within walking distance. The location of the Milton Housing Authority's new development for low income elderly will be a five minute walk.

SAFE WALKING, SHOPPING AND RECREATION

CJHS is located on Edge Hill Road, one half mile from East Milton Square, where the elderly may shop, visit banks, post office, library, beauty salons, restaurants and several other businesses.

Across from the school, Cunningham Park offers many acres of landscaped land, recreation fields and a community building. The elderly may enjoy safe walking for exercise, bowling, meetings and attendance at all outdoor sports including baseball, football, basketball, tennis, swimming and softball.

EFFECT UPON NEIGHBORS

The School Administration is very selective in leasing the building. Senior Centers are considered an excellent choice in re-use of school buildings. The Center will be a day-time operation and controlled by the Town.

LEASE

Five year leases are available for occupants. The principal source of funding for Senior Centers requires five to ten year leases. The School Committee advises in the case of Town related use they will adjust leases to ten years when necessary.

COST

FUNDING

Title 111B, Older Americans Act

This is the principal source of funding upon proposals submitted by a local COA to

REPORT OF THE SENIOR CENTER COMMITTEE

SSES. Normally, under the SSES, Area Agency Plan, proposals are submitted in July for funds in January. January 1984 marks the beginning of a new three year plan based on a new needs assessment now in progress. Interim requests are submitted by Letters of Inquiry.

NOTE: We have learned that funds for Senior Centers will be available in June 1983 on applications filed by May 13.

Department of Elder Affairs

Formula grants (once a year - .90 per elder)

Discretionary grant (once a year - max. \$10,000.)

Contributions from the Community

Cash – By the Town, State, Civic Organizations, United Fund, etc. including donated time, services or goods.

In-Kind – Anything for which you do not pay - depreciation, etc.

COMMENT

Unless funding is obtained from above sources, an appropriation may be required by the June Special Town Meeting. The question of rental payments to the School Department must also be resolved.

It should be noted that the Town's contribution, whether cash or in-kind, would indicate a firm commitment to success and survival of the center and is an important factor in obtaining substantial one-time grants. Renovations contemplated would be a permanent and much needed improvement of the property.

CONCLUSIONS:

1. A senior Drop-In Center will provide a good use of a senior's time and preservation of his self esteem. A large number of residents will benefit from the services rendered. To identify the real needs of elders, the Milton COA could increase the outreach, information and education programs.

2. The CJHS basement level rooms designated "Conference Room" and "Sewing Room" should be used for a Milton Senior Center under the COA. Rooms designated "Kitchen" and "Lecture Room" should be reserved for one year, pending a multi-service center needs assessment for the long range.

3. The Board of Selectmen and COA should lease the "Conference Room" and "Sewing Room" only from the School Department as soon as possible. An appropriation by the Town to cover rent could be used as a match this year in applying for Title 111B Funding.

4. After signing the lease, the School Department should remove school items not needed for the center, clean rooms, repair floors and plaster walls prior to occupancy in early May by seniors. (May is seniors month.) Donated school tables, chairs, desks, etc. could then be brought in. Painting and decorating will be done by volunteers.

5. It is recommended the center be staffed by one part-time paid director and a ten member board of directors (volunteer). Each member would be on duty one day every two weeks.

6. First year "seed money" consisting of operating cost of \$6,200. and start-up assistance of \$1,000. is available from funding sources previously cited or the Town Meeting. Any state or local funding will count towards match in applying for Title 111B grants.

DEPARTMENT REPORTS

REPORT OF THE BOARD OF SELECTMEN
REPORT OF THE BOARD OF SELECTMEN

To the Citizens of Milton:

June 30, 1983

The Selectmen submit the following report for the Fiscal Year ended on June 30, 1983.

The Board was organized following the March 6, 1982 election with John P. Linehan as Chairman, Walter F. Timilty as Secretary and James G. Mullen, Jr. as the third member.

On March 5, 1983 James G. Mullen, Jr., Walter F. Timilty, and William A. Reilly, Jr. were elected as Selectmen. The Board was reorganized with James G. Mullen, Jr. as Chairman, Walter F. Timilty as Secretary, and William Reilly, Jr. as the third member.

John P. Linehan retired from the Board at the end of his twelfth term as a Selectmen. He has served the Town as a Town Meeting member since 1959 and for 9 years was a member of the Planning Board including 4 years as a Chairman. He had been Chairman of the Board of Selectmen for 6 years. His leadership and valuable experience will be greatly missed.

This year the Chairman of the Board established a goal of greater openness in the Board's deliberations, more formality in taking votes and increased communications with other Boards, Committees and Commissions.

All department heads were reappointed and served throughout the year.

Police patrols in the streets along the northern border of the Town and in the Central Avenue and Milton Village business districts were increased by overlapping route assignments. Incidents of crime in this part of town have dropped substantially since that change was implemented.

Incidents of vandalism and almost all other categories of crime including burglaries have declined this year.

As a result of special capital outlay appropriations by the November 9, 1982 Special Town Meeting the Police Department received four new Cruisers and a replacement Ambulance.

The Fire Department received \$125,000 for the purchase of a new Fire Engine No. 4 and \$45,000 for refurbishing and improving Ladder Truck No. 1.

The Capital Outlay appropriation also addressed replacement problems in the Public Works Department. \$23,000 was appropriated for a Truck-mounted Sander, \$14,000 for a Flexible Drain Rodder, \$17,500 for a 2½ ton Dump Truck, and \$52,000 for a Diesel Powered Heavy Dump Truck.

On January 1, 1983 a Sewer Use Charge was implemented pursuant to the vote of the Town Meeting on June 7, 1982 under Article 26. Based on water consumption, the rate was set at 70c per 100 cubic feet for those properties which are connected to sewers.

This year we settled the two remaining eminent domain cases lingering on from the Pine Tree Brook Flood Control Project. This project required the Town to obtain flooding easements over some 300 acres above the Harland Street Dam. These cases were settled on terms favorable to the Town with no additional cash payments required. Both cases were settled during jury trials.

Cable TV came to Town this year. Almost every household had the opportunity to connect. By Fall the remaining neighborhoods will have the option. Subscription to the minimum (Lifeline) service is \$2.50 per month.

Collective Bargaining with Fire and Police Unions have been tedious, but proceeded throughout the year. Contracts were concluded by year's end with Fire, Police and the "W" Class employees and the librarians.

REPORT OF THE BOARD OF SELECTMEN

Special thank you's are due to Harold Brown who serves the Town as a volunteer seeking Airplane Noise Abatement. Also, thanks are extended to Howard Palmer and his colleagues on the East Milton Environs Committee for their efforts to revitalize East Milton Square. The Council on Aging, Celebrations Committee, Youth Committee, Conservation Commission and Arts Lottery Committee, made up of volunteers, have our deepest appreciation for their service to the Town.

We wish to thank all Town employees, volunteers, members of Boards, Committees and others who have participated in one way or another during the year as part of our Town Government process. In particular, we extend our appreciation to the Executive Secretary and our staff in the Selectmen's Office for their ceaseless efforts during the year.

Respectfully submitted,

JAMES G. MULLEN, JR.

WALTER F. TIMILTY

WILLIAM A. REILLY, JR.

Board of Selectmen

REPORT OF THE EXECUTIVE SECRETARY

REPORT OF THE EXECUTIVE SECRETARY

To the Board of Selectmen:

June 30, 1983

I am pleased to submit my sixteenth Annual Report. Your assignment to assist Department Heads and committees under the Selectmen's jurisdiction and to provide such assistance and cooperation as may be required by other Departments, Boards and Committees has been carried out. Every effort has been made to assist the Board in exercising its governmental duties and in directing the activities of its departments.

COLLECTIVE BARGAINING

After numerous, long and tedious negotiating sessions, over the past year and a half, the Police Union came to terms on a two year contract. The agreement provides for a 6% retroactive wage increase for FY 1983 and for a 6½% wage increase for FY 1984. Also included are increases in EMT stipend, night differential pay and additional educational incentives.

State mediator Elliot Klitzman assisted with these negotiations for several months. Finally, the third party assistance of the State Joint Labor/Management Committee was utilized to reach a settlement.

A number of Police Union grievances were processed during the year. Several went to the American Arbitration Association for resolution. All decisions were favorable to the Town. However, the expense of legal services, staff time and aggravation was a substantial burden. At year end the relations with the Police Union appear to be returning to the previous level of professional cordiality.

Also after year long negotiations the Fire Union agreed to a two year contract providing for 6% retroactive wage increase for FY 1983 and 6½% retroactive wage increase for FY 1984. Changes included increases in night differential and a one step decrease in annual merit steps required for a firefighter. The contract now allows two union members to attend up to 9 meetings per year of the Professional Fire Fighters Association of Massachusetts, while on duty with the Town. Settlement of this negotiation also required the services of the third party mediation of the State Joint Labor/Management Committee.

The Town negotiated a two year contract with the "W" classification employees in local No. 1395 AFSCME. It provided for a 6½% wage increase and moderate changes in fringe benefits. The "W" employee group includes Public Works, Cemetery Park Laborers Equipment Operators and Foreman. Wages for fiscal year 1985 will be negotiated under a reopening clause provided for by agreement.

The library employees affiliated with the regional Union known as Hospital, Library and Public Employees Association agreed to a two year contract. The contract provided for a 6½% wage increase for FY 1984 and a 4½% for FY 1985 with implementation of an earned leave program, a number of fringe benefit improvements, and a single issue reopening provision for FY 1985.

Proposition 2½ and the tax cap laws which preceded it seem to have had little effect on employee union demands for wage increases and improved fringe benefits. When faced with the choice between better contract terms or layoffs - they chose the former. Their expectations are that the public's demand for municipal services will eventually restore the positions cut. To a large extent - witness the restored positions in the City of Boston, they may be correct. However, cut backs in all departments with unionized employees have been made in Milton.

Our expectation for FY 1985 negotiations is that the declining consumer price index will result in lower settlements. The Library employees agreement for a 4½% settlement for FY 1985 may establish a trend.

USER FEES AND ENTERPRISE FUNDS

The 4% Tax Cap in F.Y. 1980 and 1981 and the limitations of Proposition 2½ in

REPORT OF THE EXECUTIVE SECRETARY

1982 and 1983 have caused all Massachusetts municipalities to turn to other sources of revenues.

Historically Massachusetts relies far more heavily on property taxes to finance local governments than most other states. Conversely, User Fees and Enterprise Funds until recently were greatly under utilized in Massachusetts communities in relation to our counterparts across the nation.

The following partial listing illustrates the change which has taken place:

	F.Y. 1979	F.Y. 1983
Disposal area fees	\$17,766	\$40,740
Cemetery		
Sale of Burial Rights	13,710	37,600
Care of lots and graves	72,818	103,331
Town Clerk		
Marriage Licenses	816	2,080
Uniform Commercial Code	586	1,063
Dog License Surcharge	----	4,062
Cable TV Fees	----	1,550
Liquor Licenses	3,750	4,800
Ambulance Service	----	35,073
Burglar Alarm Fines	----	1,925
Building Permits	12,325	25,435
Plumbing and Gas Permits	2,119	5,662
Wiring Permits	1,449	6,918
Sewer User Fees	----	286,496

The sewer user fees will result in a lower tax levy. By financing both local sewer expenses and M.D.C. Sewer assessments from the new charges, the total operating costs of the Town's sewer system are removed from the property tax for the first time.

STATE AND FEDERAL GRANTS

The Town in recent years has been penalized by the reduction in the number of categorical grant opportunities and substitution of the block grant programs. Block grants allow greater flexibility to the municipality but the award of these grants is weighed heavily to communities with low income per capita, high minority benefit ratios and with a deteriorating housing stock or business district. The program and guidelines are oriented to the older cities and mill towns with high unemployment.

Nevertheless, the Town actively pursues all grant opportunities and through the East Milton Environs Committee hopes to qualify that area for CARD district status shortly. This will allow interested merchants and property owners to obtain low interest loans for property improvements and may aid the Town in expanding offstreet parking.

In F.Y. 1984 we expect the Town will receive grants of approximately \$1,000,000 for 90% of the cost for several sewer projects, including the extension to the Houghtons Pond neighborhood. The Town has already received a 90% grant for the cost of the studies and preliminary engineering for these projects.

In F.Y. 1983 Milton continued to receive an annual grant, \$7,604, for part of the cost of maintenance for our sophisticated Police and Civil Defense radio equipment. The Board of Health and Youth Department, in a joint effort, won an Alcohol Abuse grant of \$12,215 to combat the problem.

A list of all of the State and Federal grants received in F.Y. 1983 is contained in the Town Accountant's report.

REPORT OF THE EXECUTIVE SECRETARY PROPERTY VALUE

The housing market in Milton is healthier than ever. On average, property values have increased \$18,237 from last year's figure, lifting the average selling price for homes to \$99,208. There were 308 transactions, a 17% increase over the past year.

Milton's new condominiums — Pine Tree Brook Homes (known as HOME, Inc.), Quisset Brook and The Burr Estates — have exerted an influence on Milton's real estate market. There were sale of these units for \$200,000 and over, elevating Milton's average.

CONCLUSION

All of the employees and departments have been understanding and cooperative as the Town reorganized to manage within the limits of 2½. I continue to be grateful to their spirit of dedication.

I extend my thanks and appreciation to the Board of Selectmen and the Department Heads. Town employees and officials, the members of the Boards and Commissions and to the citizens of Milton who have assisted me throughout this year. A special note of appreciation is extended to the staff of the Selectmen's Office who have helped to meet all deadlines and commitments of the Board of Selectmen and the Town Meetings.

Respectfully submitted,

JOHN A CRONIN
Executive Secretary

REPORT OF TOWN COUNSEL

To the Honorable Board of Selectmen:

I submit herewith my report for the period July 1, 1982 to June 30, 1983.

Perhaps the most significant occurrences involving the Law Department were the marked increase in the number of cases filed against the Board of Assessors at the Appellate Tax Board and the cases filed against the police in the courts. Sixty-four appeals were filed by citizens protesting their tax assessments. This, of course, is not unusual where all the property in the Town was recently reassessed.

There are two significant cases decided by the Appellate Tax Board during the year. One involving the Milton Residences for the Elderly property on Curtis Road was tried in September and October. In December the Board sustained the determination of the Assessors that the property was taxable. The second case involved Milton Academy which owns twenty-five houses occupied by faculty members. As a result of a change in state law, the Assessors levied a tax on those faculty residences which they determined were not part of the principal location of the Academy or contiguous thereto. Twelve or thirteen houses are involved during the subject years. In June the Appellate Tax Board upheld the tax assessment on five of the houses and ruled for the Academy on the others. The Assessors have appealed to the Supreme Judicial Court.

One citizen has sued the Assessors contending they refused to accept his application for abatement of taxes because he was a member of a minority race. The Appellate Tax Board has dismissed this case and the taxpayer has appealed.

In October the Town and three of its police officers were sued in the United States District Court by a Miltonian who claims a violation of his civil rights. The other defendants in this suit are the Town of Dedham, the Metropolitan District Commission, Suffolk County, Norfolk County and six police officers from outside Milton. The action arose out of an incident that occurred in July of 1979, the details of which were set out in my report for that year. The case is pending.

During the year a motorist stopped by the police for speeding and refusing to show his operator's license filed an application for criminal complaints against the arresting officers. A youth stopped by an auxiliary policeman also filed an application for a complaint. An eighth-grade male student filed an application for a criminal complaint against a female teacher. The police department was sued for removing two unregistered and uninsured motor vehicles parked on the public sidewalk for over one month. All of these cases were disposed of with the court usually dismissing the matters.

Last year I referred to a discrimination suit filed against the School Committee by a disgruntled teacher. This plaintiff filed complaints with the federal government's Office for Civil Rights in both New York and Philadelphia. After a three-day trial in the Norfolk Superior Court, the teacher agreed to withdraw all of his complaints and retire from our school system.

In September of 1982 the Town Meeting voted to take the land adjacent to the access road to the Town disposal area by eminent domain and awarded the owner \$90,000. The owner has filed a petition against the Town in the superior court contending that the land is worth \$331,000.00. No trial date has been set as yet in this matter.

Several cases involving substantial claims for damages which have been referred to in my earlier reports appear likely to be reached for trial in the early part of 1984.

During the year, three cases were filed at court against the Board of Appeals. One case was tried, and the decision of the Board was sustained. The other two cases are pending.

Nine claims against the Town were settled in the total amount of \$3,113.02. I collected fourteen claims for damage to Town property in the amount of \$14,944.80.

HOUSING AUTHORITY

I filed a petition for a special act of the General Court to authorize the Board of Selectmen to issue special one-day licenses for the sale off alcoholic beverages to nonprofit organizations in accordance with the vote taken on Article 41 of the Warrant. This bill was enacted into law as Chapter 469 of the Acts of 1982.

During the year, as is usual, I counseled and advised all boards, department heads and town officials who requested my assistance on legal matters.

Respectfully submitted,

ROBERT D. O'LEARY
Town Counsel

REPORT OF THE MILTON HOUSING AUTHORITY

The Milton Housing Authority has purchased and occupied with low income eligible applicants, five two family houses (ten units of housing) funded under the State-Aided 705 program and has allocation to purchase two more units under this program. In addition, a dwelling was purchased and occupied as of May 1, 1983 as a community residence for handicapped applicants under the State Aided Chapter 689 program.

Groundbreaking ceremonies were held on October 19, 1983 for the construction of forty (40) units of elderly housing at 65 Miller Avenue (the former Craig property) under State-Aided Chapter 667. It is anticipated the development will be ready for occupancy in December, 1984.

In other action, the Board has applied for twenty (20) units of housing under State-Aided Chapter 707 Rental Assistance Program, which, if received will enable the Authority to provide rental assistance to eligible applicants.

The above four (4) programs, Chapter 705, 689, 667 and 707 are funded by the Executive Office of Communities and Development.

The Milton Housing Authority was allocated units under the Section 8 Housing Assistance Payments Mobility Program. In accordance with a Contract, the program is administered by the State Executive Office of Communities & Development (EOCD).

Respectfully submitted,

RICHARD W. RENEHAN, Chairman
BERNICE AHEARN
ELIZABETH ATKINS
THOMAS J. CONNELLY
BERNARD LYNCH, III

REPORT OF THE PERSONNEL BOARD

To the Honorable Board of Selectmen

The Personnel Board accomplished two major objectives that they had set forth during the previous fiscal year. They were the implementation of Employment Practice Rules and Regulations and a Performance Appraisal System. The members consider that the employment procedures have definitely improved the hiring practices assuring that all requirements are fulfilled. The performance appraisals were a needed addition since annual reviews on individual performances were not conducted in the past. With the monitoring of the Personnel Board, these personnel functions will require department heads to become more accountable and will create a more progressive professional personnel system.

During Fiscal 1983 the Board reviewed and discussed various requests by Governing Boards and Department Heads to reclassify certain positions within their respective departments. Those positions approved and recommended to Town Meeting are as follows:

Assistant to Director of Public Works (Administration) from A-7 to A-8
Health Agent from A-6 to A-8
Public Health nurse from A-1 to A-2

There were some amendments in staffing levels that should be noted. The Board of Selectmen and the Executive Secretary requested that the Selectmen's office work force be increased by one full-time Principal Clerk. Two part-time positions had their operating hours extended. Of the two Senior Clerk positions in the Police Department, one was returned to full-time status. This position had been reduced to part-time during the beginning of the Proposition 2½ cut backs.

The Council on Aging asked that the Coordinator's hours be increased from twenty hours to twenty-five hours per week. The Board members' initial review indicated that the additional five hours per week would be an assistance to the Department and the citizens it serves.

The Personnel Board also initiated an Article for the 1983 Town Meeting which amended the Town Bylaw, Chapter 13, Personnel Administration. The changes include a longevity provision which provides incentive for those employees in continuous service for five or more years. The Employee Sick Leave Buy Back was amended to pay retirees \$18.00 per day for those days accumulated in excess of fifty (50) days with a maximum of \$1,500.00. The Personnel Plan was amended to provide an incentive for perfect attendance. The Board members consider that these changes are needed since they would provide non-union employees with fringe benefits comparable to those of union employees.

The Board of Selectmen, acting as the Town's collective bargaining agent, signed contracts with the Fire, Labor, Library and Police Unions for 6½%. The Personnel Board approved the same percentage increase to non-union employees.

In closing, it should be mentioned that Richard O'Meara concluded his service after seven years on the Board and has taken an appointment with the Town Government Study Committee. Replacing Dick is M. Natalie Fultz who has years of municipal service with the Warrant Committee and Town Government Study Committee.

The Board sincerely recognizes the assistance and cooperation that all employees and Government Boards extended during this reporting period.

Respectfully submitted,

JAMES D. FITZGERALD, Chairman
FRANCIS P. McDERMOTT
MANUEL S. LATO
JOHN P. CONNOLLY
M. NATALIE FULTZ

REPORT OF THE PUBLIC WORKS DEPARTMENT

REPORT OF THE PUBLIC WORKS DEPARTMENT

To the Honorable Board of Selectmen,

Submitted herewith is the eleventh report of the activities of the Department of Public Works established under Chapter 570 of the Acts of 1973.

ENGINEERING

Engineering services were rendered to all departments as requested. All maps, atlases and plans on file have been updated to present conditions.

Reedsdale Road (Randolph Avenue to Canton Avenue) and Canton Avenue (Reedsdale Road to Brook Road) were resurfaced under the Chapter 90 Program. Additional resurfacing projects are scheduled for fiscal year 1984 with some streets being done in August 1983 and the remaining work to be completed in May 1984. Thermoplastic traffic lines are being applied to these projects and will result in clearer, longer lasting traffic control markings.

The department issued 20 street numbers and 76 street opening permits.

Master plans for sewer, drainage, water, street and sidewalk programs are continuously being updated and scheduled into fiscal Public Works budgets.

As projected, it has been a demanding year for Engineering services to subdivisions, condominium complexes and special housing projects. These all require extensive plan review, on site inspections and locations for future reference.

All traffic studies, counts and sketches were done for the Traffic Commission, Board of Appeals and Board of Selectmen as requested.

Traffic studies and counts continue to be a major assignment for the Engineers.

Engineering services rendered to the Building Commissioner continue to be demanding and services granted as often as possible, but the Building Commissioner's requests of need far outnumber the hours granted.

Engineering services are provided to the Conservation Commission to protect our wetlands and natural features whenever possible.

The department has provided the design, cost estimates and specifications for safety improvements at 10 major intersections in the Town. Construction is scheduled in the near future under the Urban System Program.

A separate report of the Town Sanitary Landfill operation is submitted and appears elsewhere in the Town Report. This operation requires constant engineering and inspection services.

HIGHWAY

The 1982-1983 snow season was normal. No major storms hit the area this season. Sanding and salting operations were needed more than normal.

Drainage improvement programs continued with the installation of 728 linear feet of various size drains, 8 catch basins and 4 manholes. A Master Plan for drainage to be done is on file in the Engineering Office.

There were no streets constructed under the Betterment Act.

A list of sidewalks constructed, resurfaced or repaired is on file in the Engineering Office.

PUBLIC WORKS DEPARTMENT

New equipment purchased by the Highway Division of the Milton Public Works Department was:

- a. Two 5-7 cubic yard dump trucks
- b. One combination chassis mounted sander and one portable sander
- c. One 3-4 cubic yard dump truck
- d. One diesel operated street sweeper
- e. One trailer mounted sewer rodder

The Department of Public Works is grateful for the efforts of the Warrant Committee and Special Town Meeting for funding this equipment purchase, which has been neglected for several years.

The Massachusetts Department of Public Works did issue a contract and had a Salt Storage Shed constructed at the Public Works Yard. The structure was paid for by the Mass. D.P.W. and the asphalt floor was installed and paid for by the Milton D.P.W. under a joint venture. Estimated value of this building is \$45,000.00 and should provide a needed service to the Department of Public Works for twenty years.

Sidewalk repairs continue to keep a crew busy during construction season. The main concern is roots upheaving the sidewalk creating a dangerous situation.

FORESTRY AND SHADE TREE MAINTENANCE

27 street trees were planted during fiscal year 1983 and 67 street trees were removed for various reasons.

Gypsy Moth infestation was lighter than last year due to a virus spread amongst themselves. Town trees were treated with DIPEL early in the season. All indications are that the virus should continue to control the moths.

Pruning and lifting of street trees is an ongoing program.

Poison Ivy on public property was sprayed as requested.

Due to the dry summer a lot of trees show die-back. Healthy trees will survive but weak trees may have to be removed.

WATER OPERATIONS

4 service connections were made to supply new buildings. 1 service was laid from sideline of the street to a new building. 28 services were laid from main to sideline of the street in Emerson Woods Subdivision.

82 services were relaid. This is a continuing program as services to dwellings become older and do not provide adequate pressure or volume.

5 new hydrants were installed in Emerson Woods Subdivision. 9 additional gates were added to the Town system, 10 gates were added at Emerson Woods Subdivision. Approximately 60 old hydrants are still ungated but are scheduled to be gated under a long range program.

Main Extensions – Improvements to the distribution system were made by laying pipes in the following locations:

Robbins Street (Route 138 to Trout Brook)	2,920' of 16" pipe
Trout Brook (Robbins Street to Sumner Street)	

Sumner Street (existing dead end (town land) to intersection of Trout Brook)	278' of 8" pipe
--	-----------------

PUBLIC WORKS DEPARTMENT

Installation of mains were made in the Emerson Woods Subdivision under Chapter 12 of the Town Bylaws in approximately one-half of the subdivision: 2,900' of 8" pipe.

The inspection, repairing, gating and painting of hydrants continues. This year the Milton Fire Department, for the second time, did a complete testing of every hydrant in Town and provided a list of operating problems. The Milton Water Department has corrected all items listed. This is an excellent inter-departmental program that will be continued on an annual basis.

Conservation of water is still a top priority as the M.D.C. and all of its member communities have undertaken the task of eliminating all lost water, which is wasted in the M.D.C. system. The M. D.C., along with its member communities, realizes that additional water supplies will become more and more scarce in the future and that the best strategy at the present time is to take advantage of the water that is presently lost in the M.D.C. system and accelerating programs of conservation including elimination of wasteful practices.

The Town of Milton Water Division received a grant from the State in the amount of \$153,000.00. This money is planned to be used for funding part of the new 16" transmission water main which was installed by D.P.W. employees on Robbins Street and Trout Brook Road.

New equipment purchased by the Water Department in fiscal year 1983 includes one 5-6 cubic yard dump truck and one trailer mounted diesel air compressor.

CENTRAL MAINTENANCE GARAGE

This Division is responsible for maintenance and repair of all mechanical equipment for the Milton Department of Public Works. In addition, the Central Maintenance Garage provides mechanical services and parts for the Fire Department, Police Department, Building Department, Plumbing Department, Board of Selectmen Department, Health Department and Wire Department. The Central Maintenance Garage provides labor services only to the School Department and Park Department.

Massachusetts' new Emissions Control Regulations now in effect have resulted in the fact that all vehicles were previously inspected for stickers at the Central Maintenance Garage but because of the prohibited cost of an Emission Control Machine being approximately \$12,000, the Central Maintenance Garage is forced to send all equipment out for Emission Inspections.

SEWER OPERATION & IMPROVEMENTS

In 1984 a new budget format will contain a segregated amount for the Sewer Operation and Improvements.

This line item will reflect the cost of sewer costs previously budgeted in Public Works General.

The M.D. C. sewer assessment will be voted by the Town Meeting for the first time.

The sewer use charge will be made available to cover the M.D.C. sewer assessment and the Milton D.P.W. Sewer Operation and Improvements line item. This should result in an enterprise accounting system and have no impact on the tax rate.

Several improvement programs are pending awaiting final funding approval from the Department of Environmental Quality Engineering. When completed, the cost to the Town of Milton will be 10% of the entire project with federal and state agencies paying 90%.

PUBLIC WORKS DEPARTMENT

D.P.W. ENERGY IMPROVEMENTS

Under the direction of the Milton Energy Committee, several buildings in the D.P.W. Yard and the Chemical Building at 509 Canton Avenue received professional energy audits conducted by an engineering firm. These buildings included the Public Works Office, the Water Garage, Meter Shop, Forestry Shop, Old Public Works Office and Chemical Building. The consultant's recommendations have been analyzed and steps have already begun to implement improvements to the Town buildings as recommended in the Energy Report. The Town received \$1,550.00 under the Energy Grants Program to implement these audits.

OBJECTIVES

To continue with Water System Improvements.

To continue with Improved Drainage Program.

To continue with Sewer Improvement Program.

To obtain TOPICS funding and construction.

To continue Stream Clearance Program locally and with State Assistance monies.

Priority will continue on the D.P.W. effort to remove roots and repair defective sidewalks.

PERSONNEL

The following people retired in fiscal year 1983:

Robert Littlefield – Bob started with the Highway Department as a laborer and retired from the Public Works Department as a foreman. Bob has 30 years of public service to his credit.

Sammy Mason – Sammy gave us 23 years of dedicated service. Sammy was a fixture for the East Milton Square area and always did an excellent job.

Edward Wakeham – Ed was also a long time employee, serving the Town for 22 years. Eddie has retired to fishing.

The following people resigned in fiscal year 1983:

James Mattaliano – Jim has gone on to and is now a State Trooper. Jim was a dedicated, qualified employee and I am sure he will do an excellent job as a State Trooper.

Peter J. Keenan, Jr. – Peter was another young employee who left the Town to enter private business. The D.P.W. will miss Peter because he is a skilled, qualified construction person.

Carol Brophy – Carol was on our Administrative staff for 2 years. Carol left to better her career opportunities. Carol also got married and has started a family.

CONCLUSION

I wish to take this opportunity to express my appreciation to all Public Works employees for their cooperation and assistance in completing another productive year.

I wish to thank the Board of Selectmen, Executive Secretary, and all Town Departments for their cooperation and assistance during fiscal year 1983.

Respectfully submitted,
Lawrence W. DeCelle, Jr.
Director of Public Works

REPORT OF THE SANITARY LANDFILL

REPORT OF THE SANITARY LANDFILL

To the Honorable Board of Selectmen:

The Landfill off of Randolph Avenue continues as the Town's immediate answer for the disposing of refuse. Operation of the landfill is by a private contractor under the supervision of the Milton Public Works Department.

Some 70 tons of refuse is landfilled per day, resulting in land production at a rate of 60 acre-feet per year. The cost to the Town to operate the Landfill the past year (including plan development and supervision) was approximately \$6.00 per ton.

The Milton Engineering Department has submitted plans and a report to the Department of Environmental Quality Engineering that would provide guidance for the operation of the Landfill for the next five years.

The monitoring system instituted last year by the Town to detect potential harm to nearby surface and ground water continues in effect. Monitoring stations have been placed at five locations on the landfill perimeter. Water samples are drawn from these locations quarterly. Corrective measures would be taken by the Town if the samples indicate a build up of contaminants.

The Town continues as a planning member of the 128 West Resource Recovery Council which is examining proposals for a regional waste disposal system.

The cost to operate our Landfill is presently about one-third of the projected cost of sending the refuse to an outside disposal operation.

Respectfully submitted,

PAUL D. KANTER, P.E.
Town Engineer

REPORT OF THE BOARD OF ASSESSORS

To the Citizens of the Town of Milton:

The Board of Assessors is pleased to submit the following report for the Fiscal year, July 1, 1982 - June 30, 1983.

At the annual Town Meeting of March 5, 1983, Daniel E. Duggan, Jr. was re-elected for a term of three years. The Board organized as follows:

M. Joseph Manning, Chairman
Thomas S. Gunning, Jr., Secretary
Daniel E. Duggan, Jr.

On December 7, 1982, the Board established a tax rate of \$24.25, the same rate as the previous year. Upon recommendation of the Board of Assessors, the Board of Selectmen voted to classify all properties in the same classification.

The Board would like to express its gratitude to the dedicated personnel for their excellent performance during the past year. To those Departments and Boards that render assistance to us, we thank you. As in the past years, the Board wishes to express its sincere thanks to Town Counsel Robert D. O'Leary for his valued assistance and counsel. His services have been most beneficial to the Town and the Board of Assessors.

The detailed statement of Receipts and Expenses follows:

REPORT OF THE BOARD OF ASSESSORS

REPORT OF THE PLUMBING AND GAS INSPECTOR

To the Honorable Board of Selectmen:

I herewith submit a summary of the operations of the Plumbing and Gas Department for the fiscal year from July 1, 1982 to June 30, 1983:

Month	Number of Permits	Plumbing	Gas	Fees Received
July	32	19	13	\$ 396.00
August	62	37	25	\$ 698.00
September	32	15	17	\$ 344.00
October	78	31	47	\$ 674.00
November	58	28	30	\$ 444.00
December	39	19	20	\$ 372.00
January	56	31	25	\$ 463.00
February	25	13	12	\$ 272.00
March	50	27	23	\$ 442.00
April	53	31	22	\$ 600.00
May	50	32	18	\$ 482.00
June	58	34	24	\$ 474.00
	593	317	276	\$5,661.00

Fees amounting to Five Thousand Six Hundred Sixty-One Dollars (\$5,661.00) were collected and turned over to the Town Treasurer. I wish to thank your Honorable Board and all Town Departments who have assisted me.

Respectfully submitted,
PAUL D. WILLIAMS, Insp. of Plumbing & Gas

REPORT OF THE BOARD OF HEALTH

To the Honorable Board of Selectmen:

The Board of Health is pleased to submit its Annual Report for the period July 1, 1982 through June 30, 1983.

The Board met on March 10, 1983, and elected Mary Ellen Maloney, Esq., Chairperson, Morton Wolf, D.V.M., Secretary and Virginia A. Gaffey, R.N., Member. The Board appointed John S. Coldiron, M.D., as Board of Health Physician, Michael J. Sullivan, R.S., as Agent to the Board, Mary A. Whitney, R.N., Public Health Nurse, Bernadette MacQuarrie, Principal Clerk, and Ann Williams, D.V.M., as Inspector of Animals.

SCHOOL HEALTH SERVICES

Physical examinations of pupils in the fourth, eighth and eleventh grades in parochial and private schools were provided at the individual request of a parent or guardian. One hundred and sixty-three students were examined.

The Massachusetts Vision Test and the Pure Tone Audiometer Tests for hearing were administered to all enrolled parochial school pupils.

Scoliosis screening was conducted on students in Grades five through eight with parental permission.

Clinics held in public and parochial schools provided the immunization for Mumps, Measles, Rubella, Diptheria, Tetanus and Sabin Oral Polio.

COMMUNICABLE DISEASE PREVENTION

The Public Health Nurse tested 25 residents for evidence of tuberculosis infection. TB tests for faculty and employees in public and private schools were also provided in accordance with the requirements of Massachusetts General Laws governing persons in contact with school and college age persons.

The State Law requires that children be immunized against diptheria, tetanus, pertussis, measles, mumps, rebella and polio before attending school. Vaccines for diptheria, tetanus and pertussis (DTP); for measles, mumps and rubella (MMR); and for polio (Sabin) were distributed from the Board of Health office to community physicians for immunization of children. The immunization of infants and children by physicians was supplemented through the school clinics for booster doses. Case histories, home visits and follow up were carried out on:

- 2 cases of Hepatitis
- 1 case of Encephalitis
- 7 cases of Salmonella
- 3 cases of Tuberculosis

PUBLIC HEALTH CLINICS

The Board of Health conducted four influenza clinics on October 13, 14, 19 and 28, 1982. Eight hundred and sixty five Milton residents took advantage of these clinics and received immunization against the three strains of flue that were expected to be most prevelant during this year's flu season.

Immunizations against Pneumonia were also offered to the residents. Only residents who were over 50 and whose physician certified they were chronically ill qualified to receive the vaccine. Thirty-six residents received the vaccination which will protect them for five years.

Hypertension screening was again conducted for Town employees. Those em-

REPORT OF THE BOARD OF HEALTH

ployees with elevated readings were referred to their private physicians.

ENVIRONMENTAL HEALTH

Twenty-seven permits to operate food service establishments were issued in 1983. All food service establishments were inspected for compliance with the State Sanitary Code. In addition, all schools were inspected periodically. Six establishments registered by the Board of Health to sell food at retail were inspected for compliance with the regulations of the State Division of Food and Drugs. One wholesale bakery and one retail bakery were inspected for compliance with the Massachusetts General Laws.

Applications for individual sewage disposal systems were submitted in 1983. Eight were requested for new dwellings of which four were disapproved because the lot inspections revealed they were unsuitable for the subsurface disposal of sewage. Eighteen applications were submitted and reviewed for the alteration and repair of existing systems.

There were 178 nuisance complaints that required investigation; 14 lead paint analyses; 42 housing inspections; 51 water analyses; and 207 miscellaneous calls that required field investigations.

Licenses to deliver milk in the Town from vehicles were issued to two dealers. Seventeen licenses were issued for sale of milk in retail stores. Six oleomargarine registrations were issued. A license to manufacture carbonated non-alcoholic beverages, two licenses for the practice of massage and three permits for commercial stables were issued in accordance with General Laws of the Commonwealth. Two licenses to purchase syringes, two licenses to deal in methyl alcohol, and one license to manufacture frozen desserts were issued in 1983. Three licenses to operate recreational camps were issued; four permits for public swimming pools, three permits for removal and transportation of the contents of privies, and four to remove and transport garbage and offal. Six permits to install local sewage systems were issued. Three licenses were issued to funeral directors. Fourteen private stable licenses were issued. Abrasive Blasting Regulations were promulgated and submitted to the Department of Environmental Quality Engineering.

Income from fees for permits and licenses issued by the Board of Health during this period was \$1,198.

HEALTH PROMOTION

FLUORIDE RINSE PROGRAM

The Board of Health received a grant from the State Department of Public Health to implement a Fluoride Rinse Program in the schools. During the Fiscal Year with the cooperation of the school system and the assistance of the PTO's the rinse program was available to the students at Collicot and Glover schools.

DRUG AND ALCOHOL ABUSE PREVENTION

The Board of Health was awarded a grant from the Department of Mental Health to implement a drug and alcohol abuse prevention program for youth for the period of March, 1982, through May, 1983. Peer group education and adult education programs were offered in conjunction with the Youth Department and other community groups. Alternate activities for youth were held during which drug and alcohol abuse was discussed. Education materials were distributed to youth and parents.

CANCER DETECTION AND PREVENTION

The Board of Health participated with the American Cancer Society in a Bowel Screening Program. The Board made plans to begin membership in the Quincy/Milton Chapter of the American Cancer Society.

REPORT OF THE PARK DEPARTMENT

IMMUNIZATIONS

The Board of Health began a program offering Tetanus boosters to adults who met the medical criteria.

Respectfully submitted,

MARY ELLEN MALONEY, Esq.,
Chairperson

MORTON WOLF, D.V.M., Secretary

VIRGINIA A. GAFFEY, R.N., Member

REPORT OF THE PARK DEPARTMENT

To the Citizens of Milton:

The following is the Annual Report of the Board of Park Commissioners for the Fiscal Year 1983.

Mr. Donal J. Fahey was elected Chairman, John S. Shields, Secretary, and Michael J. Feehily, Jr., Member.

Improvements to the playgrounds were as follows:

Reconstructed Little League Baseball Diamond at Pierce Field.

Reconditioned Pierce Skinned Diamond, Lamb II Field, Eliot Street Playground and Kelly Field Skinned Diamond.

A new sand box was installed at the tots' play area at Kelly Field and several small tots' chair swings at the Mary C. Lane Playground.

Recreation Programs offered by the Park Department are as follows:

Basketball	Square Dancing
Ballet	Girls' Softball
Acrobatic Dancing	Baton Twirling
Weight Lifting	Women's Slimnastics
Bridge Instructions	Ski Instructions
Soccer	Women's Softball

Tennis Instructions

The Milton Park and Recreation Programs were well attended.. Attendance was up at weight lifting and the Senior Citizens golf tournament.

The Skiing Program, held on Saturday mornings at the Blue Hill Ski area, had over 300 participants.

The Milton Park and Recreation Department sponsored a band concert in June, by the Northeastern Navy Show Band. The concert was held on the green at the Town Office Building.

The Park Department once again sponsored "Family Day", held at Cunningham Park, in August.

The Board hired Miss Elizabeth Keenan as Director of the Summer Handicapped Program. Miss Lynda Lee Baker was hired as Director of the Winter Handicapped Program. Milton continues to be reimbursed for 50% of all costs for the program.

REPORT OF THE YOUTH DEPARTMENT

Mr. Stephen Driscoll was hired by the Board as Playground Supervisor for the summer playground recreation programs. This program was held for eight weeks at four of the playgrounds.

The Milton Senior Citizens continue to enjoy various bus trips under the sponsorship of the Park Department.

The Board of Park Commissioners would like to thank the Department's dedicated employees who have done such a good job, and all the Town Departments, Boards and Commissioners who have helped and assisted the Park Department this past year.

Respectfully submitted,

DONAL J. FAHEY, Chairman
JOHN S. SHIELDS, Secretary
MICHAEL J. FEEHILY, Jr., Member

ANNUAL REPORT OF THE MILTON YOUTH DEPARTMENT

The Milton Youth Department,, this past year, worked most effectively in establishing projects and programs involving young adults. Teenagers were extremely active in the implementation of a drug and alcohol grant received by the Board of Health. The prevention grant incorporated a peer leadership model. Accomplishments by young people included a peer training course attended by 22 teens who participated in six (6) two hour sessions at the Milton Police Department.

John Mahoney, Health Co-ordinator for the Quincy Public School System, was the trainer. Milton Cablesystems video-taped the training sessions.

A Youth Board was also created to address needs and activities requested by young people. The Youth Board held a drug and alcohol awareness session at Family Day. They organized and promoted a dance attended by 250 students. The Youth Board designed and ran a summer activity program at the Ulin Rink. Members of the Youth Board and peer leadership group appeared before the Milton School Committee to request a survey of existing drug and alcohol education. They also worked with different schools to plan, organize and successfully implement a Students Against Drunk Driving (SADD) rally at Milton High.

Other members of the peer leadership program developed a video production with Milton Cablesystems under the competent director of Roger Connor, Program Co-ordinator.

The most important function of the peer leadership group was to establish a permanent center for developing activities to serve the needs of youth in Town. To date a location has not been found to accomplish this objective.

The Youth Department provided approximately 300 different short term employment jobs through the Rent-A-Kid Program. A contract was developed with Curry College to place an intern student with the Department to operate the program, beginning in September 1983.

The Youth committee and Department continued efforts to establish the juvenile citation program as a delinquency prevention program. These efforts were not successful and the Committee regrets the fact that a real public service for the Town could not be established through the Milton Police Department.

The Youth Co-ordinator was involved with several neighborhood dispute resolutions and spent more time throughout the year working with families and young people.

REPORT OF TRUSTEES OF CEMETERY

The Youth Counselor basically worked as an information and referral resource person. The cases were involving issues such as leaving school before graduation, adolescent sexuality, communication between family members as well as alcohol and drug use. The Counselor made referrals to Catholic Charities, South Shore Mental Health Center, South Shore Council on Alcoholism, Survival, South Shore Family Planning, Division of Employment Security and the Comprehensive Employment and Training Program.

Several Conferences were also held with juveniles and their parents as a result of Juvenile Citations written by Milton Police Officers.

The Youth Counselor also organized a trip to Sharon, Ma. The program, Escort to Understanding, involved five Police Officers and 50 students from Pierce Junior High. The program, designed to improve Police/Youth relations, was very successful and should become an annual event.

Respectfully submitted,

MAX HORVET, Youth Co-ordinator

REPORT OF THE TRUSTEES OF MILTON CEMETERY

To the Citizens of Milton:

The Board of Trustees of Milton cemetery respectfully submits the following report for the fiscal year 1983:

During the year 295 interments were made and 234 graves were sold.

Our income for the year was \$281,386. Our expenditures amounted to \$230,729, leaving a surplus of \$50,657 in the Town's General Fund.

Due to the lack of budgetary funds and a shortage of personnel, the planned operation of the Cemetery is ineffectual. Development work has fallen far behind schedule and we are running out of developed grave space. The overall condition of the Cemetery grounds and of our equipment is deteriorating at an increasing pace.

Drastic budget changes will be needed in order to correct the problems we are encountering.

Respectfully submitted,

ALBIN BARANOWSKI, Chairman

J. DOYLE DONOVAN, Secretary

IN MEMORIAM

Lieutenant Francis J. Shields (Ret.) – deceased; February 25, 1983

Fiscal year 1983 can be summarized best as a stable year from an Administrative viewpoint. Full staffing has been satisfied, budgetary expenditures remained in line, Ladder No. 1 has refurbished, a new pumper on order and contractual obligations met. The main floor of the Central Station painted and the electrical service updated to 200 ampere capacity.

My sincere thanks to the officers, men, secretary and auxiliary fire personnel for their continued loyalty and cooperation. Also, I wish to thank the Board of Selectmen, Executive Secretary and the officials and other municipal employees who have assisted the Department during this year. Without this support and understanding it would be most difficult to deliver the desired services.

Respectfully submitted,

JOHN O'NEILL
Fire Chief

At approximately 12:40 A.M., Saturday, February 5, 1983 Patrolmen Paul T. Nolan and Charles F. Paris were shot while in the performance of their duties. Officer Paris has fully recovered from his wounds and returned to duty. Officer Nolan is still out due to his injuries but is expected to fully recover and return to duty in the near future. Their assailant was arrested, tried and sentenced to Walpole State Prison.

Retired Detective C. James Cox passed away on July 11, 1982. Jim was appointed a patrolman on June 5, 1952 and retired due to disability on June 4, 1979.

Retired Patrolman Edward J. Leary died on August 25, 1982. Ned was appointed a patrolman on October 15, 1942 and retired on May 1, 1968.

Joseph L. Bertram appointed patrolman on August 5, 1954 retired September 3, 1982.

Eugene Clement appointed patrolman on April 12, 1956 retired October 31, 1982.

Two officers were granted disability retirements:

John D. Crowley - appointed patrolman March 3, 1966, promoted to Sergeant July 1, 1977 and Lieutenant on May 3, 1980 retired on August 26, 1982.

Frederick J. Westerman appointed patrolman on September 6, 1979 retired on August 16, 1982.

Three Traffic Supervisors retired:

Marguerite Driscoll - appointed September 4, 1968 retired June 17, 1983.

Egilda Imperato - appointed April 24, 1967 retired September 10, 1982.

Katherine Interland - appointed September 14, 1970 retired June 22, 1983.

Effective July 9, 1982 Sergeant George F. Dillon was appointed acting lieutenant to cover the vacancy caused by the retirement of John D. Crowley. Lieutenant Dillon will fill this position until a Civil Service list is established and a permanent appointment made.

REPORT OF THE POLICE DEPARTMENT

Four new patrolmen were appointed effective February 14, 1983:

Lori J. Gravina
Daniel J. Langelier

Ronald F. Purcell, Jr.
Richard J. White

They attended and successfully completed a Basic Training Course held at Somerville Police Academy, graduating on May 10, 1983. They were immediately assigned to patrol duties in various sectors of the town. We welcome these new patrolmen and wish them well in the future.

A new ambulance was purchased and put into operation on June 20, 1983. This new and up-to-date equipment will enable this department to continue to supply high quality emergency medical service to the town.

The part-time clerical position presently held by Catherine M. Ryan was made a full-time position effective July 1, 1983.

Many hours of valuable service were contributed by the Auxiliary Police. Under the direction of Lieutenant David E. Macdonald they patrolled the schools nightly and assisted in traffic control on special occasions.

Large amounts of police information exists today however, until that information is rapidly, accurately and completely transmitted to the officer who needs it, or can react to it, such knowledge is of little value. Dependable, modern communications remain an important priority of the department. By combining fast computer information with reliable radio and an advanced telephone system, we presently have achieved our goals. In January, 1983 we upgraded our main operational computer link, switching from a low speed teletype system to a high speed CRT or monitor system. We receive instant answers to our queries on wanted persons, stolen cars, etc. We have carefully maintained the radio system and benefited from our user-programmable electronic telephone system. As needs change we will plan to change accordingly because failure to do so would be dangerous both to the officers and citizens they serve.

To the officers and men, traffic supervisors and clerical personnel of this department, I wish to express my sincere thanks for their continued loyalty and cooperation. I also wish to thank the Board of Selectmen, Executive Secretary John A. Cronin, the Justices, Clerk and Probation Officers of the Courts and the officials and employees of other town departments who have assisted us during the year.

Respectfully submitted,

GERARD R. MATTALIANO
Chief of Police

ANNUAL REPORT OF THE COUNCIL ON AGING

The Council on Aging submits a report for serving the senior residents from July 1, 1982 to June 30, 1983.

We experienced a change in membership in accepting the resignation of Mary W. Hill and Ralph L. Kent. We express appreciation for the contributions made by both of these fine people. It was with pleasure that the Council welcomed the appointment of Joseph F. Burke. We expect that another appointment will be made by the selectmen in the immediate future.

Transportation continues to be our greatest need, and adequate volunteer drivers is our most difficult problem. Our thanks and appreciation goes out to the dedicated volunteers who contribute so much to the health and satisfaction of many senior citizens. We used many ways to appeal for assistance. Two high school students and three adults responded to this request. The shopping program has increased in size to more than 60 per week. The South Shore Plaza trips are averaging about 15 per week and the Friday trip to the Randolph Nutrition site is going well.

Medical transportation is the most gratifying service provided by the Council. This service has accelerated greatly in the past few months with more on-going treatment patients being accommodated. In a one year period we will have transported in excess of 200 unduplicated patients to hospitals and other medical facilities in Boston, Milton and other surrounding communities.

This Information pamphlet will be issued within the next few months. This pamphlet will list every conceivable bit of information to assist and direct seniors for their well being. Calls and visits to the Council on Aging Office are increasing daily. Information on fuel assistance, transportation, in-home support services, housing and legal services are a few examples of what seniors are requesting.

The "Senior Highlights", our monthly newsletter continues to offer current community news. We deliver to churches, banks, libraries and other accessible locations in our town.

The Council is constantly studying the needs of the elderly. Such things as Home Care, Preventative Health Care and Outreach are examples of the types of needs that are most important. Home repair is a program that elders would like to see made available on a local level.

A Multi-Purpose Senior Center is seen as very important in our community. The more than 6300 seniors in our community have no central facility to obtain advice on services except in our small office in the Town Office Building. This Senior Center will provide a focal point as an all purpose location which will provide information, necessary services as well as social activities. It is anticipated that participation in programs and activities at the center will serve in the order of 2500 to 3000 seniors annually. Funding has been requested from the Department of Elder Affairs and the South Shore Elder Services for the first year. Thereafter, it will be necessary for the Town to support the costs of the programs.

Again this summer the Council participated with Curry College's Center for Life Long Learning in the granting of scholarships to Milton residents for the Elderhostel program. We also made transportation available for a "Special Needs" program at the Museum of the American China Trade.

We have been very active in attending conferences, training sessions, meetings, educational programs to become more proficient in performing our responsibilities.

REPORT OF THE DOG CONTROL UNIT

The Council's greatest need is VOLUNTEERS. Our guide is people helping people and we again appeal for assistance to meet the needs of Milton Senior Citizens.

Respectfully submitted,

FRANK CONSOLATI, Chairman
MARGUERITE MOYNIHAN
ANNA OLDFIELD
MARY ANNE MERRIGAN
JULIE FLYNN
ANN GERAH
SHEILA MIDDLETON
JOE BURKE

REPORT OF THE DOG CONTROL UNIT

To the Honorable Board of Selectmen,

The activities and income of the Dog Pound through June 30, 1983 were as follows:

Number of stray dogs picked up	442
Stray dogs sold	182
Stray dogs put to sleep	117
Pound fees collected	\$1,658.00
County reimbursement	\$6,000.00

626 Dog Citations were issued totaling \$9,590.00. The town was reimbursed by the court for their share of this revenue.

The invaluable assistance of the "Friends of the Pound" is gratefully acknowledged, especially their help on adoptions and coverage of the Pound.

Respectfully submitted

ROBERT T. CHIPMAN
Dog Officer

REPORT OF THE TRAFFIC COMMISSION

The report of the Traffic Commission for the period July 1, 1982 through June 30, 1983 is herewith submitted. During this period we were asked to make recommendations on existing or anticipated traffic problems in all areas of the town.

The Commission felt an engineering study should be made on the intersection of Blue Hills Parkway at Canton Avenue and Unquity Road to see if traffic lights would be feasible and recommended to the Board of Selectmen that they write to the MDC requesting this study.

Reviewed, for possible safety factors, a list of twelve proposed locations for newspaper vending machines. The Commission had no objection to seven of the locations, four they felt were definite safety hazards and one, if moved to the other side of the street, would be acceptable. Four replacements were suggested.

Discussed with Howard Palmer, Chairman, East Milton Environs Committee and Russell Tremain, Architect, two proposals for traffic deployment in East Milton Square.

Recommended that the Highway Department do counts for a study on traffic lights at the intersection of Highland Street and Canton Avenue.

Recommend that two "No Parking" signs be installed at the entrance to Andrews Park, on the right hand side.

Recommended that two "30 M.P.H." signs be installed in each direction on Bradlee Road between Brush Hill Road and Blue Hill Avenue.

One request for a "Stop" sign was recommended.

Recommended that two "Watch Children" signs be installed.

Four "No Parking" signs were recommended.

Two requests for one-way streets were not recommended.

The Commission wishes to take this opportunity to thank the non voting members, Superintendent, Department of Public Works Lawrence W. DeCelle, Jr., Inspector of Wires Lewis E. Park and Traffic Officer Ernest W. Rau for their assistance during the year.

Respectfully submitted,

GERARD R. MATTALIANO,

Chairman, Chief of Police

JOHN T. O'NEILL, Fire Chief

ALBERT P. ZANIBONI,

Superintendent of Streets

PAUL D. KANTER, Town Engineer

EILEEN F. GILLIS, School Department

REPORT OF THE CONSERVATION COMMISSION

To the Honorable Board of Selectmen:

Although protection of the wetlands is one of our main concerns, we find that our commission is involved in many other areas not directly related to wetlands but are of commanding concern. We have been involved in decisions on hazardous waste, pesticide use, air and noise pollution, open space and land acquisition, regional and local environmental concerns, and town beautification.

During the year we have conducted formal hearings on wetland proposals, alterations, and fillings. These hearings are open to the public and we have welcomed public interest, and when appropriate, use of information in drawing up Orders of Conditions.

It is necessary to be familiar with the land in question and we frequently meet in the field to walk the property with the owner or appointed official. We are continuing with the wetland mapping of the town. The Milton Garden Club has been helpful in assisting us in the field. When this job is completed there will be a complete wetland mapping of the town on file.

Our members have attended hearings on the Prowse Farm development by Codex, Inc. at the foot of Big Blue Hill and we have submitted written testimony, as have our selectmen. We have also testified at other times.

With the Town, we conducted a "Last Bottle Round-Up", a state-wide effort at clean-up and beautification in May. We have also received donations towards our Beautification Fund and shrubs have been planted on public land. We are continuing to beautify Hemerocallis Corner with yearly additions of more day lilies.

We have been encouraged, with the townspeople's taking advantage of, the generous permission from the Cunningham Foundation, Pine Tree Brook Homes and Mr. and Mrs. Malcolm Perkins for the use of their lands for community gardening. We shall be losing the land at Pine Tree Brook Homes to the Athletic Facility. Recreation and the use of

REPORT OF THE WIRE DEPARTMENT

open space is also important and this development was part of the complete article.

Mr. Philip Casey, a member from the '60s, resigned. His input as a member and chairman is appreciatively noted in the records. Mr. Michael Rex was appointed in the spring and we are finding his biology background helpful. Mr. Joseph Ingoldsby, Jr. stepped down from the chairmanship which was taken over by Mr. Robert Harrington. Fortunately the change has not interrupted the excellent direction and administration we are used to.

Through our weekly column "Conservationally Speaking" in the Milton Record-Transcript we keep the public informed of our current activities and opinions on current issues.

Respectfully submitted,

ROBERT L. HARRINGTON, Chairman
MARTHA T. CURTIS
JOSEPH INGOLDSBY, JR.
PATRICIA A. O'NEILL

MARGARET WALSH

REPORT OF THE WIRE DEPARTMENT

To the Honorable Board of Selectmen,

I herewith submit my report of the Wire Department for the fiscal year from July 1, 1982 to June 30, 1983:

Permits were issued as follows:

Month	Total No. Permits Issued	Original	Alterations	Fees received
July	33	1	32	\$ 723.75
August	46	1	45	\$ 673.50
September	27	1	26	\$ 498.75
October	19	2	17	\$ 336.50
November	44	3	41	\$ 886.75
December	29	2	27	\$ 494.50
January	30	1	29	\$ 635.75
February	20	4	16	\$ 589.50
March	32	1	31	\$ 527.75
April	33	2	31	\$ 588.50
May	35	2	33	\$ 559.25
June	25	3	22	\$ 403.50
	373	23	350	\$6,918.00

Fees received for the above permits amounting to Six Thousand Nine Hundred Eighteen Dollars (\$6,918.00) have been collected and paid to the Town Treasurer.

Fees from Milton cablesystems for Makeready Rideout Reimbursement in the amount of Seven Hundred Twenty Dollars (\$720.00) and reimbursement for damage to traffic signal in amount of Sixty Five Dollars (\$65.00) have been received and paid to Town Treasurer.

REPORT OF THE WIRE DEPARTMENT

FIRE AND POLICE ALARM SIGNALS

A new Master Fire Alarm Box was connected to the municipal system at the following locations:

No. 5612 - Milton Nursing Home - 1200 Brush Hill Road
No. 71 - Granite Avenue and Bassett Street (replaced due to accident)

A new Police-Citizen Alarm Box was connected to the municipal system at the following location:

No. 331 - Quissett Brook Road and Blacksmith Road

NEW WIRE AND CABLE

2100' of new cable was replaced at the following locations:

Randolph Avenue at Centre Street
Central Avenue at High School
Grafton Avenue
Edge Hill Road at Otis street
Thacher Street

Due to the installation of television cable in Town considerable time and work was spent relocating our wire and cable and repairing damage. Transferred construction from old too new poles.

All Fire and Police Boxes have been tested and maintained as needed.

Electrical installations and repairs were done on Town Buildings as requested and needed.

TRAFFIC LIGHTS

Traffic Signal Equipment was replaced or repaired at the following locations due to accidents and vandalism:

ACCIDENTS

Adams Street and Brook Road
Adams Street and Eliot Street
Adams Street and Wood Street
Brook Road and Pleasant Street
Randolph Avenue and Centre Street
Reedsdale Road and Canton Avenue

VANDALISM

Brook Road and Centre Street
Brook Road and Standish Road (2)
Brook Road and St. Mary's School

All traffic signals were relamped and cleaned and the controllers and equipment were cleaned and repaired as needed.

In conclusion let me express my thanks to the Board of Selectmen for their co-operation and assistance during the past year. May I also extend my thanks to all Town Departments for their assistance and to the members of the Wire Department for their continued fine work.

Respectfully submitted,
LEWIS E. PARK, Inspector of Wires

REPORT OF THE FENCE VIEWERS

To the Honorable Board of Selectmen:

Several complaints were received by us in the fiscal year 1983, which ended June 30, 1983. They were disposed of by the Building Commissioner in a satisfactory manner.

Respectfully submitted,

MISS TERESA SHAUGHNESSY
NATHANIEL LORD
Fence Viewers

REPORT OF THE MILTON PUBLIC LIBRARY

To the Honorable Board of Selectmen:

We have the honor of presenting the Annual Report for the year ending June 30, 1983. This is the one hundred and twelfth Annual Report.

The library this year continued its proud traditions, but looked forward to changes also. Acting on a budgetary allotment of no increase over the previous year for general expenses or books, the library worked hard to support the needs of the community.

Welcoming cable television, we have reference questions and where the answers can be found displayed on local programming. Library events are advertised, and the staff has been interviewed on TV. Some of the staff have even learned how to videotape. Significant tapes shown on TV will be saved by the library and made part of the collection.

One of the most important matters for the community is the library's detailed study of automation. The Board of Trustees hired and received a report from RMG Associates of Chicago, analyzing the different aspects and costs of automation for the Milton library. Numerous meetings in varying combinations have been held with trustees, staff, town officials, and other libraries. We continue to seriously pursue the topic. Also, we subscribed to a number of computer magazines to aid the public regarding automation.

The library helped give birth to ACCLAIM, A Coalition for Culture, Learning and the Arts in Milton. We were involved from the beginning, and participated in all their activities, such as sponsoring one of the Milton Players musicals.

The Central Library reopened Monday through Friday at 9 a.m., instead of 10 a.m., while the Kidder and East Milton branches closed at 5:30 p.m. instead of 6 p.m. Tuesday through Friday. Other hours remained the same. The library kept up its pace of activities, showing classic films, sponsoring talks on topics like investments and going to college at a later age. The Family Service Association led two series of discussions on the preschool child. Ron Jensen's slide talk, "My China Trip", was videotaped. The guitarist Richard Schilling presented a concert.

Exhibits of local painters continued, and there was a special photography exhibit, "Milton Then and Now" by Steve Nelson, who worked with the Milton Arts Lottery Committee and Milton Historical Society.

Children's programs abounded. Story hours, a summer reading club, Halloween costume party, puppet shows, talk on pets, craft hours, films at the Kidder and East Milton branches. There were Secret Book Contests. Special mention must be made of the short story writers contest, where the winning stories were read on our Dial-A-Story tapes.

The trustees continued their extra services, such as having the Central doors re-finished, and supplying free family passes for the China Trade, Fine Arts, Aquarium and

REPORT OF THE LIBRARY

Children's Museums. They also restored the Science Museum pass. A fine free week brought back many old, valuable overdue books. The trustees, with the town agreed on an extension of the contract with the union.

Upkeep of the buildings is a primary concern. Among repairs, Central received a clean front, and walks and windows of the branches were fixed.

We cooperated with many groups. Through ACCLAIM, the library reached out to even more local cultural associations. Visits to schools by the Children's and young Adult Librarians, visits by classes to the library, and meetings with school librarians, were part of our regular activities. We are grateful to the Junior Woman's Club for their always-wonderful Library School. The Garden Club, with their flowers and plantings, still beautify the buildings and grounds. The Friends of the Library aided us with the June book sale, Wednesday evening book sales, and fine programs open to the public.

A luncheon was given to our volunteers who work hard, but are unfortunately decreasing in number. The library welcomes people willing to volunteer their time once a week.

During the year, Barbra Katz and Deborah Carr left us, and we wish them well in their future endeavors. Our new Children's Librarian, Nancy Rosen, hails not only from the Los Angeles Public Library where she was a Children's Librarian, but also from the MIT Energy Laboratory Information Center. Our new part-time Young Adult Librarian, Patricia Ehrich, was a librarian in Maine and a library intern in Queens, New York.

The new Chairman of the Board of Trustees is Carolyn A. Kelliher.

In 1982 the Board sold 75M of its long term, low income investments and replaced them with current higher yielding bonds. It is estimated that the net loss sustained in these transactions will be recovered within five years. Since losses must be charged to our Pension Fund, and therefore have a bearing on the required Town Appropriation, these transactions must receive very careful evaluation.

Non-Contributory Pensions and Annuities will be found in the Financial Statement of the Town Accountant.

In January 1983, the Board accepted, with regret, Oliver S. Sughrue's resignation from his position on the Board. Mr. Sughrue was appointed by the board of Selectmen in 1953 and served for thirty years. We appreciate the time and expertise he has given so freely over the years for the best interests of the Town.

Respectfully submitted,

JOSEPHINE M. McATEER
ROBERT J. BLAKE
JOHN H. BOWIE, Jr.
Board of Retirement

REPORT OF THE BOARD OF APPEALS

BOARD OF APPEALS

To the Honorable Board of Selectmen:

The Board of Appeals presents the following report for the Fiscal year 1983.

There were 34 applications received. Of this number, there were:

	Comprehensive Permit	Granted
29	Variances	5 Denied 1 Withdrawn Without Prejudice 23 Granted
3	Specil Permits	Granted
1	Appeal to the Board	Denies

We wish to take the opportunity, at this time, to thank Charles M. Donahue as an Associate Member for his time and valuable service to the Board. Also, we wish to thank Roger L. Gregg and John C. Storey for their assistance in substituting for members of the Board who were unable to be present at various hearings.

The Board of Appeals would also like to thank all Department Heads, Boards and Committees for their assistance this Fiscal Year.

Respectfully submitted,

CHARLES F. BARRETT, Chairman
RODERICK M. CONNELLY, Member
JOHN C. SOTREY, Associate Member

REPORT OF THE BUILDING DEPARTMENT

To the Honorable Board of Selectmen:

I herewith submit my report of the Building Department for the fiscal year from July 1, 1982 to June 30, 1983:

	Number of Permits	Permits for New Dwellings	Permits for New Garages	New All Other	Alterations, Repairs & Miscell.	Valuation	Fees Received
July	72	1	--	5	66	\$ 358,155.00	\$2,200.00

	764	21	12	87	644	\$4,975,950.00	25,365.00

Fees for the above permits amounting to Twenty Five Thousand Three Hundred Sixty Five Dollars (\$25,365.00) have been collected and paid to the Town Treasurer.

Fees for Inspection of Public and Private Institutions amounting to One Thousand Six Hundred Twenty Five Dollars (\$1,625.00) have been collected and paid to the Town Treasurer.

I wish to extend to the Honorable Board of Selectmen my sincere appreciation for their cooperation. May I also express my appreciation to all Town Officials, Boards and Committees for their assistance.

Respectfully submitted,

MALCOLM M. KENT
Building Commissioner

REPORT OF THE MILTON PLANNING BOARD

To the Honorable Board of Selectmen:

During the 12 month period July 1, 1982 through June 30, 1983 the Planning Board held 16 open meetings one of which was a public hearing.

Submitted an article for the 1983 Warrant to amend the Scenic Road Bylaw with the addition of the following penalty clause: "Where a fine or fee is not mentioned, \$200.00 is the maximum penalty" This article was passed by the 1983 Town Meeting.

Amended the Special Permit granted to Tucker Burr Condominiums to incorporate the conditions set forth in the Board of Appeals variance for the use of the main barn as a Caretaker's unit.

The Board reinstituted the Capital Budget Program and asked all department heads to submit reports listing all items costing over \$50,000 that they will need over the next 5 years.

Approved Winter Valley's request to modify by 950 square feet the existing recreational building located at 600 Canton Avenue.

Signed an endoresement supporting the Memorandum of Agreement Between the Executive Office of Communities and Development and the Town of Milton.

Reviewed fourteen plans requesting "Approval Under Subdivision Control Law Not Required", approved 12, denied 2.

The Board met with the Board of Selectmen and Building Commissioner to discuss problems in enforcing the Zoning Bylaw.

A meeting was held with George Ryan of the Town Government Study Committee. Mr. Ryan advised the Board as to the purpose of his committee and areas of town government they feel should be studied in the future.

Meetings were held with the principals of the following developments: Home, Inc., Indian Cliffs, Quisset Brook, Emerson Woods, Tucker Burr Condominiums. To insure compliance with approved plans continuing inspections of these developments were conducted.

The Board has been working on a bylaw to limit the number of units in a condominium development that can be rented and hope to have it ready for presentation to the March 1984, Town Meeting.

Our thanks and appreciation to Mr. Paul D. Kanter, Town Planning Engineer and Mrs. Genevieve M. Byron for their assistance during the year.

Respectfully submitted,

J. WILLIAM DOLAN, M.D., Chairman
PATRICK H. DONAHUE, Secretary
SUZANNE C. COLLINS
JAMES G. HANNON
ROBERT J. KELLY

TOWN OF MILTON
FINANCIAL STATEMENTS

December 31, 1983

FINANCIAL STATEMENTS OF JUNE 30, 1983 TOGETHER WITH AUDITOR'S REPORT

To the Honorable Board of Selectmen,
Town of Milton, Massachusetts

We have examined the financial statements of the various funds and account group of the TOWN OF MILTON, MASSACHUSETTS as of June 30, 1983 and for the year then ended, as listed in the foregoing index. In addition, we have examined the financial statements of the Town of Milton Contributory Retirement System as of December 31, 1982 and for the year then ended. Our examinations were made in accordance with generally accepted and auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

The Town follows accounting policies prescribed by the Commonwealth of Massachusetts which vary in certain respects from generally accepted accounting principles. The most significant differences relate to the use of (1) the cash basis method for recording employee pension expenses and (2) the modified cash basis for recording the operations of the Town's water department. Generally accepted accounting principles require that pension costs be determined by actuarial methods, described in Note 2, instead of the cash or "pay-as-you-go" basis as reflected in the accompanying financial statements. The water department activities should be accounted for as an enterprise fund on an accrual basis.

Consistent with the practice of most municipalities in the Commonwealth of Massachusetts, the Town does not capitalize the cost of fixed assets (see Note 1(e)) as required by generally accepted accounting principles and, accordingly, a statement of general fixed assets is not included in the accompanying financial statements.

As more fully explained in Note 1(f) to the financial statements, Massachusetts law does not require preparation of a budget for grants, other than Federal Revenue Sharing, accounted for in the Special Revenue Fund. Accordingly, budgetary basis Statements of Revenues, Transfers and Expenditures - Budget and Actual for Special Revenue Funds are not presented as required by generally accepted accounting principles.

As more fully explained in Note 6 to the financial statements, the Town has been named as a defendant in several suits at June 30, 1983. In the opinion of Town Management and Town Counsel, no estimate of loss is determinable at this time.

In our opinion, except for the effect of: (1) not providing for pension costs on an actuarial basis; (2) not maintaining a record of general fixed assets; (3) not presenting Statements of Revenues, Transfers and Expenditures - Budget and Actual for Special Revenue Funds; and (4) not presenting the water department as an enterprise fund on an accrual basis, and subject to the effect of the legal matters referred to in the preceding paragraph, the accompanying financial statements present fairly the financial position of the various funds and account group of the Town of Milton, Massachusetts as of June 30, 1983, and the Town of Milton Contributory Retirement System as of December 31, 1982, and their respective changes in fund balances and revenues, transfers and expenditures for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

September 9, 1983.

We have examined the financial statements of the various funds and account group of the TOWN OF MILTON, MASSACHUSETTS for the year ended June 30, 1983 and have issued our report thereon, which was qualified in several respects, dated September 9, 1983. Our examination was made in accordance with generally accepted auditing standards and, accordingly, included such tests of the accounting records and such other auditing procedures as we considered necessary in the circumstances.

In connection with our examination, we also (1) performed tests of compliance with the Revenue Sharing Act and regulations as detailed in the Commentary on the Audit Requirements of the 1980 Amendments to the State and Local Fiscal Assistance Act issued

FINANCIAL STATEMENTS

by the Office of Revenue Sharing, U.S. Department of the Treasury, and (2) compared the data on Bureau of Census Form F-21A with the audited records of the Town of Milton.

Based on these procedures, we noted no instance of noncompliance with the regulations, except that the Town has four cases pending before the Equal Employment Opportunity Commission whereby persons have alleged discriminatory practices within a town department whose payroll is partially funded by Federal Revenue Sharing entitlements. In addition, we noted no material differences between the data on Bureau of Census Form F-21A and records of the Town of Milton, Massachusetts for the year ended June 30, 1983.

September 9, 1983

Federal Revenue Sharing Funds were transferred to the General Fund and disbursed for street lighting and sanitary landfills. Amounts expended agreed with budgeted expenditures.

The accompanying notes are an integral part of these financial statements.

NOTES TO FINANCIAL STATEMENTS
JUNE 30, 1983

(1) Summary of Significant Accounting Policies

Accounting policies and financial reporting practices for municipalities in Massachusetts are prescribed by the Uniform Municipal Accounting System (UMAS) promulgated by the Commonwealth of Massachusetts Department of Revenue. The significant accounting policies followed by the Town are as follows:

(a) Fund Accounting

Financial transactions of the Town are recorded in the following funds or account group:

- (1) The General Fund reflects the financial transactions related to general governmental activities which are not otherwise accounted for in another fund.

Included within the General Fund are the unreserved fund balance (surplus revenue) and overlay surplus.

- The unreserved fund balance is the amount by which unrestricted cash, accounts receivable and other assets exceed liabilities and reserves.
- The overlay surplus represents the unused portion of funds appropriated for tax abatements in prior years. This surplus is available to fund extraordinary or unforeseen expenses upon vote by the Town Meeting.

- (2) Special Revenue Funds account for the proceeds of specific revenue sources (other than special assessments, expendable trusts or major capital projects) that are legally restricted to expenditures for specified purposes. These sources include Federal Revenue Sharing funds, which must be expended in accordance with Federal Revenue Sharing guidelines, gifts and grants from outside sources, which must be expended in accordance with the provisions of the grants and funds related to specific activities of the Town, which are available to fund future operations as prescribed by the Town.

- (3) The Special Assessment Funds account for the amounts levied against individual property owners for street and sewer betterments payable over future periods through 1991.

An assessment may be "suspended" for Town-owned property or upon petition to the Town's Board of Selectmen.

- (4) The Capital Projects Funds are used for the Town's energy conservation project. Funds are expended as voted at the Town Meeting.
- (5) The Trust Funds account for money and property received and held by the Town as trustee or custodian for individuals, private organizations and other governmental agencies.

Trust Funds are classified as expendable or nonexpendable depending on whether the principal portion of the fund balance may be expended for the specified purpose, or whether only investment income may be used.

- (6) The General Long-Term Obligations Group of Accounts reflects the liabilities for accumulated sick leave benefits and for long-term debt and the re-

FINANCIAL STATEMENTS

tirement thereof (Note 3). The balance payable is offset by resources to be provided through taxation in future years for the retirement of the unmatured bonds.

(b) Accounting for Revenues

Interest on investments is recorded on the accrual basis.

Other General Fund and Special Revenue Funds receipts such as real estate and personal property taxes, motor vehicle excise taxes, departmental fees, federal grants including Federal Revenue Sharing), school lunch, etc., are recognized on the modified accrual basis, whereby receipts during the July 1 to August 31 period allocable to the preceding fiscal year are reflected as revenue for the preceding year.

(c) Accounting for Expenditures

Disbursements for material and supply inventories are considered expenditures rather than assets at the time of purchase. Prepayments are recorded as expenditures at the time of disbursement and are not deferred and amortized. Interest cost is recognized when due and is not accrued over time. The repayment of long-term debt principal related to General Fund operations is recorded as an expenditure of the General Fund.

Employees earn vacation and sick leave as they provide services to the Town. Vacation benefits earned must be taken within the calendar year or they are forfeited. The obligation for earned vacation not yet taken at June 30, 1983 is reflected as a liability in the General Fund. Accumulated sick pay benefits are payable upon retirement. Vested sick leave benefits at June 30, 1983 are presented as a liability in the General Long-Term Obligations Account Group.

(d) Investments

Trust Fund investments are stated at cost, which exceeds market value by approximately \$200,000. The Town intends to hold the investments to maturity and, therefore, no reduction in carrying value has been recorded.

(e) Accounting for Fixed Assets

The Town does not record fixed assets in an asset account in the Town's general ledger at the time of acquisition as required by generally accepted accounting principles. Fixed asset acquisitions are recorded as expenditures at the time purchases are made.

(f) Budgetary Control - Special Revenue Funds

Massachusetts law does not require preparation of a budget for grants accounted for in the Special Revenue Funds. Since such grants, other than Federal Revenue Sharing, are not budgeted, a budgetary comparison with actual results of operations is not presented.

(g) Contributory Retirement System Accounting

The Town follows accounting policies mandated by the Commonwealth of Massachusetts, Division of Insurance. The accounting records are maintained on the accrual basis. In accordance with the requirements of the Division of Insurance, the accompanying balance sheet includes investments in bonds stated at book value (cost, plus or minus any unamortized premium or discount) and investments in stocks stated at market value. At December 31, 1982, the value of these investments was as follows:

Bonds at book value (quoted market value of \$5,055,557)	\$5,920,851
Stocks, at market value (cost of \$56,538)	<u>102,954</u>
	\$6,023,805

FINANCIAL STATEMENTS

Other temporary investments

716,750

Total retirement system investments

\$6,740,555

(2) Pension Plans

The teachers and certain administrative and other professional employees of the Town's school department participate individually in a contributory retirement plan administered by the Massachusetts Teachers' Retirement Board. The Town does not contribute to this plan.

Substantially all of the other employees of the Town are participants in the Town of Milton Contributory Retirement System. Under the provisions of this system, employees contribute certain percentages of their pay and are eligible for retirement benefits after meeting the prescribed age and/or period of service criteria. In addition, the Town contributes to this system an annual amount determined by the Commonwealth of Massachusetts Department of Banking and Insurance, primarily on the basis of projected annual benefit payments for the year ("pay-as-you-go").

Certain retired former employees of the Town were retired under noncontributory pension laws. The Town pays retirement benefits to these employees from the general appropriation funds of the Town. These employees are not included in the actuarial valuation provided by the state and there is no available estimate of their related actuarial liability. The 1983 pension expense relating to these employees was approximately \$263,361.

Town contributions for the years ended June 30, 1983 and 1982, amounted to \$1,256,338 and \$1,196,122, respectively (exclusive of \$7,532 in 1983 and \$6,962 in 1982 contributed for the Retirement System's administrative costs).

As of January 1, 1979, the date of the latest actuarial valuation, the total estimated actuarial liability of the plan was \$22,152,000 and its assets totaled \$4,598,000, leaving an unfunded actuarial liability of \$17,554,000. The actuarial value of vested benefits exceeded the value of plan assets by \$12,862,000. As of June 30, 1983, the Town has funded \$341,945 of the unfunded actuarial liability to an expendable trust fund. No additional appropriations have been made for fiscal year 1984.

According to the actuarial valuation as of January 1, 1979, the Town's annual contribution to the plan on a "pay-as-you-go" basis and under a "funding contribution" method over the next eight years would be as follows:

Fiscal Year	"Pay-As-You-Go" Contribution	Percent of Payroll	Funding Contribution	Percent of Payroll
1984	\$1,421,742	24.2	\$1,933,572	32.9
1985	1,566,531	25.5	2,020,583	32.9
1986	1,717,115	26.8	2,111,509	32.9
1987	1,875,628	28.0	2,206,527	32.9
1988	2,038,771	29.1	2,305,820	32.9
1989	2,207,286	30.1	2,409,582	32.9
1990	2,381,412	31.1	2,518,014	32.9
1991	2,575,170	32.2	2,631,324	32.9

The "funding contribution" amount has been determined by the actuarial study commissioned by the Massachusetts Retirement Law Commission, and assumes that the Town will elect a five-year phase-in to a 40-year amortization of the unfunded actuarial liability as a level percentage of future payroll.

NOTES TO FINANCIAL STATEMENTS

JUNE 30, 1983

(Continued)

(2) Pension Plans (Continued)

Generally accepted accounting principles require that the minimum cost charged each year for pension expense should be the normal cost (determined on an actuarial basis) plus interest on the unfunded past service cost. If the Town had recognized pension expense using this method, the amount would be significantly higher.

(3) Long-Term Debt

As of June 30, 1983, the Town had the following outstanding long-term debt in the General Long-Term Obligation Account Group:

FINANCIAL STATEMENTS

<u>Description</u>	<u>Date of Issue</u>	<u>Date of Maturity</u>	<u>Original Principal Amount</u>	<u>Interest Rate</u>	<u>Amount Outstanding at June 30, 1983</u>

1988	189,187	136,435	130,000	6,435
1989	136,435	—	—	—

(4) Unreserved Fund Balance

In order to prepare the accompanying financial statements in accordance with generally accepted accounting principles, certain budgetary surpluses and deficits, which would otherwise be reflected on the balance sheet under the Massachusetts Statutory System, have been included in the Unreserved Fund Balance as follows:

Unreserved Fund Balance on a statutory basis	\$1,456,500
Amounts included in 1984 appropriations	363,609
State and county underestimates, net	(86,256)
Unbudgeted vacation accrual	(150,000)
	<u>\$1,583,853</u>

Underestimates of state and county assessments result from an excess of actual expenditures by the Town over appropriations made during the current year for such purposes. The underestimates will be raised in the 1984 tax levy.

(5) 1984 Budget

The Town authorized a fiscal 1984 operating budget totaling \$21,764,669, which will be financed from the following sources:

1984 Tax levies, state grants, departmental receipts, etc.	\$20,023,293
Transfer from Funds:	
Federal Revenue Sharing	400,000
Other	896,376
Placement of Bond Anticipation Notes	445,000
	<u>\$21,764,669</u>

In addition, the Town has carried forward appropriations, totaling \$771,881, for projects authorized by the Town Meeting but not complete as of June 30, 1983.

(6) Contingencies

The Town has been named as defendant in several lawsuits at June 30, 1983. In 1982, a suit for \$1,000,000 was filed against the Town relating to personal injuries sustained as a result of a broken telephone wire that was hanging in the street. It is the opinion of both Town Management and Town Counsel that an ultimate finding against the Town is probable, however, a reasonable estimate of damages from such a finding is

FINANCIAL STATEMENTS

not determinable at this time.

During the current year, a lawsuit for \$225,000 was filed against the Town as a result of the Town's acquisition of land by eminent domain. It is the opinion of Town Counsel that an ultimate finding against the Town will prevail. Town Management does not concur with this opinion and therefore does not feel that a contingent liability exists as of June 30, 1983.

The Town has been named as a defendant in a number of other lawsuits, however, it is the opinion of both Town Management and Town Counsel that the ultimate resolution of these remaining cases will not have a materially adverse effect on the Town's financial condition.

AUDITORS' REPORT ON EXHIBITS

To the Honorable Board of Selectmen,

Town of Milton, Massachusetts:

Our examination has been made primarily for the purpose of forming an opinion on the basic financial statements taken as a whole. The data contained in pages 20 and 21 is presented for the purposes of additional analysis and is not a required part of the basic financial statements. Such information has been subjected to the audit procedures applied in the examination of the basic financial statements and, in our opinion, such information is fairly stated in all material respects in relation to the basic financial statements taken as a whole.

(1) The amounts of Uncollected Taxes shown in the control log were compared to a detail trial balance at a date subsequent to June 30, 1983 because no detail trial balance was available for the balances as of June 30, 1983. As of September 30, 1983, the amounts for Uncollected Taxes per the detail Trial Balance agreed with the amounts per the tax collector's control log.

REPORT OF THE TOWN ACCOUNTANT

October 19, 1983

To the Honorable Board of Selectmen:

I hereby submit the report of the Town Accountant for the twelve month period ending June 30, 1983 arranged as follows:

1. Detailed listing of all receipts of the Town
2. Detailed listing of all expenditures of the Town
3. Summary of all departmental accounts, showing appropriations, expenditures and balances
4. Recapitulation of departmental expenditures
5. Balance Sheet as of June 30, 1983

All bills and vouchers on which monies have been paid from the Treasury and all trust funds in the custody of the Town Treasurer and Library Trustees have been examined and found to be correct.

In accordance with the provisions of Section 58 of Chapter 41, General Laws, I am listing the following bill reported to me as unpaid:

Fire - Milton Hospital	\$52.00
------------------------	---------

Respectfully submitted,

JOSEPHINE M. McATEER
Town Accountant

FUNDS HELD BY THE TOWN

Perpetual Care Fund

Amount held June 30, 1983. \$1,153,419.19

This Fund is held by the Town Treasurer in accordance with Chapter 44, Section 54, of the General Laws.

Mary L. Peabody Poor Fund

Amount held June 30, 1983. \$5,921.47

REPORT OF THE TOWN TREASURER

The clause under which this bequest is given is as follows: "To the Selectmen of the Town of Milton, Massachusetts, \$5,000.00 to be invested and the income thereof to be distributed annually to thee poor at Christmas."

E.T.L. Reed Park Fund

Amount held June 30, 1983. \$9,729.01

EXTRACT FROM THE WILL OF ELIZABETH T. L. REED

"All of the rest, residue and remained of all the monies remaining in the hands of said Executor or Administrator, I direct shall be divided into three equal parts.

"The second of said parts shall be paid to and deposited with the Treasurer for the time being of said Town of Milton, the same to be received, held and invested by said Town as a fund to be known as the "Jason Reed Fund," and the income thereof shall be applied to the preservation, care, improvement, or embellishment of the said Milton cemetery.

"And the third of said parts shall be paid to said Town of Milton and the same shall be applied by the proper legal authorities to or towards layout out, improvement or ornamentation of a Public Park or Parks in said Town, in such manner as said authorities may deem advisable.

"I make the foregoing bequest in favor of, the Cemetery and the Parks in said Milton, both on account of the deep interest by my father, the late Jason Reed, deceased, in the affairs of the Town, and of my own profound desire for the welfare of said Town and of the citizens thereof."

Jason Reed Fund

Amount held June 30, 1983. \$2,626.67

Sarah G. Vose Fund

Amount held June 30, 1983. \$1,170.53

E.G. Tucker Fund

Amount held June 30, 1983. \$1,168.48

Herrick Fund

Amount held June 30, 1983. \$8,000.00

Bannin Family Fund

Amount held June 30, 1983. \$500.00

The Will of the late Thomas J. Bannin, Paragraph nine, reads as follows:

"I give to the Milton Cemetery the sum of \$500.00 to be established as a fund to be known as the Bannin Family Fund, the interest of which shall be used for the care of the Bannin lot in said Cemetery and to furnish suitable floral decorations on May 30th of each year and all other suitable occasions...

George A. Briggs Fund

Amount held June 30, 1983. \$1,000.00

The clause under which this bequest was left to the Town reads "for the perpetual planting of at least six geraniums each year on the family lot where the remains of George A. Briggs are buried."

REPORT OF THE TOWN TREASURER

George F. Duffy Fund

Amount held June 30, 1983. \$1,000.00

George F. Duffy, late of 21 Waldo Road, Milton, the sum of \$1,000.00, the income therefrom to be used for "the care of shrubs and flowers on Lot. No. 2624 in the Cemetery, said flowers to be placed on said lot from April 13 to September 10th each year."

Katherine A. Kelley Fund

Amount held June 30, 1983. \$1,000.00

The Will of the late Katherine A. Kelley of Milton, clause five, provides this Fund, the income of which is to be used for "care and flowers for the family lot."

Charles T. Pierce Fund

Amount held June 30, 1983. \$1,855.83

Charles T. Pierce, late of Brooklyn, N.Y., and Greenwich, Conn., bequeathed to the Milton Cemetery the sum of \$1,000.00, "the income to be used for the care of my family lot."

Mabel Hunt Slater Fund

Amount held June 30, 1983. \$1,000.00

Mary L. Peabody Cemetery Care Fund

Tuell-Hallowell Good Citizenship Prize Fund

Amount held June 30, 1983. \$2,435.51

EXCERPT FROM SCHOOL COMMITTEE RECORDS – September 10, 1923

The Chairman presented to the Committee the followiing coorespondence:

“To the School Committee of the Town of Milton:

REPORT OF TOWN TREASURER

“The Tuell Alumni Association herewith present, through your board, to the Town of Milton, the sum of One Thousand Dollars (\$1,000.00) to be held as a fund in perpetuity, and the income thereof to be paid to the School Department and to be used to provide two prizes, one prize to be known as the Hiram Tuell Good Citizenship Prize and to be awarded to the boy in the Senior Class of the Milton High School, who, in the opinion of the faculty of said High School, has shown the highest degree, those qualities that make for good citizenship, the other prize to be known as the Henrietta T. Hallowell Good Citizenship Prize, and to be given to the girl in the Senior Class of the Milton High School, who, in the opinion of the abose said faculty, has shown similar qualities.

“The prizes are to be awarded each year at the graduation exercise. If such exercises are omitted for any year, the prizes are to be awarded on some other occasion, near the close of the school year.”

June 2, 1923 Percy E. Sheldon
President, Tuell Alumni Association

For additional gifts to the fund, see report of 1947.

PUBLIC SCHOOLS
MILTON, MASSACHUSETTS
ANNUAL REPORT

of the
SCHOOL COMMITTEE

and the
SUPERINTENDENT OF SCHOOLS

1983

REPORT OF THE SCHOOL COMMITTEE

The School Committee herewith submits its Annual Report for the year of 1983.

This past year the School Committee has continued with vigor its efforts towards providing excellence in education. Every effort has been made to have all five schools equally staffed and supplied. The purchase of instructional machines such as microcomputers and word processors is indicative of our attempts to familiarize youngsters with the technological developments found in today's advanced society.

The closing of the Pierce Elementary School, coupled with town-wide redistricting for elementary pupils, was accomplished with the help of staff members and parents. The opening of the Pierce Middle School with grades 6-8 completes the difficult, but necessary task of restructuring the grade configurations of our schools. The new K-5, 6-8, 9-12 grade organization plan should prove beneficial to our children's education.

The completion of a Mathematics Evaluation Report, and the discussion of improved academic standards and College Board results, reflects the Committee's ongoing pursuit for improvement in student achievement. This improvement will result only if both content in the entire curricula and in teaching methodology are reviewed and updated on a regular basis. The School Committee supports the administration in implementing evaluation procedures and curriculum study projects which will bring about the desired results.

The School Committee has made changes in the agenda format to allow for greater public participation. The public has responded favorably to this new process, and therefore the change seems to be successful. Public participation and interest in the schools manifest themselves in the many committees appointed by the School Committee to study such areas as bus safety, use of the Cunningham Building, and redistricting. Cable Television has also helped to bring some of the major issues into the homes of Milton citizens.

A great deal of money and effort has been expended for the upkeep of our buildings and grounds. The physical condition of our school buildings has shown some improvement, but more effort is necessary to bring them up to the standards demanded by the townspeople. It should be noted that the science room at the Pierce Middle School has been completely renovated after having suffered a fire last May.

A uniform policy developed by a Citizen's Study Committee relative to the reuse of the Cunningham Building has been approved by the School Committee. A considerable portion of this building is now being leased in order to alleviate the financial burden of taxpayers, but the integrity of the building as a school house is being maintained so that future Milton students will benefit from the use of this beautiful building.

Due to the efforts of the Superintendent of Schools and the Public Works Department personnel, improvements have been made to the high school's athletic fields. These improvements, along with future usage of the playing fields on the former Lamb property, will enhance the physical condition of our children.

As part of an ongoing process, the School Committee has been developing a Policy Handbook to standardize the procedures and operation of our schools. This Policy Handbook will be reviewed and revised when necessary to provide a proper base for governance of the public schools in years ahead.

In March of 1983, Mrs. Mary R. Fitzgerald concluded nine years of consecutive service to the townchildren as a member of the school Board. Congratulations to Mrs. Fitzgerald for a job well done.

A change in the Central office Administration occurred when Miss Eleanor C. Blaine retired as Assistant Superintendent of Schools after an illustrious career as Teacher, Principal and Assistant Superintendent. She was replaced as Assistant Superintendent by Miss Mary Schofield, former Principal of the Glover School.

The School Committee is also grateful to the Town Meeting Members who have unan-

REPORT OF THE SCHOOL COMMITTEE

imously approved the School Budget for fiscal 1984. Such approval indicates confidence in the School Committee's fiscal and educational policies.

Finally, the School Committee wishes to express its appreciation to the staff of the Milton Public Schools, to the Board of Selectmen, to the Warrant Committee, and to all town officials for their cooperation and assistance in making the past year a very good school year.

Respectfully submitted,

Robert C. Sweeney, Chairman
Michael F. Farrington, Secretary
Marvin A. Gordon
Patricia E. MacNaught
Robert C. Oldfield
Kathleen A. Ottina
Elizabeth M. Russell, Student Member

REPORT OF THE SUPERINTENDENT OF SCHOOLS

This is my sixth Annual Report as Superintendent of Schools outlining the activities of the School Department, covering the period from July 1, 1982 - June 30, 1983.

The school year began very smoothly, helped immensely by the fact that there were no school closings and that all grades remained in the same buildings for two years in a row. The staff returned to their positions with enthusiasm to move the school system to higher levels of achievement. The results of the California Tests of Basic Skills improved, moving in the eighty percentile in many areas, and the Advanced Placement Tests results improved dramatically for the students capable of handling freshmen College Work at the high school level. Although the mathematics scores on the College Board Scholastic Aptitude Tests increased by several points, the English scores declined somewhat. Parents, teachers and students are to be commended for their increased commitment to the task of improving our school programs.

It has become increasingly evident at Milton High School that Principal Adams is demanding full commitment to quality education on the part of teachers and students. A nononsense attitude finds students much better disciplined and the teachers given the opportunity to instruct their charges without disruption. The response of the teaching staff to this leadership is exemplary. Teachers and parents seem to be inculcating the students with a new positive feeling toward the school.

The academic department heads report improvement both in the curriculum design and the standards required of the students. The English department has given "writing" a top priority this year, although the entire English curriculum has been under review for the past three years. The summer reading program was a success again this year in all grades, and basic grammar and vocabulary study has become a part of all English classes.

The Art Program continues to expand. The outstanding work of our students and staff is evident throughout the buildings. The students do very well in national, state and local competition and have opened their own "New Visions Gallery" in the high school. A special Art Library is now being developed with the generous help of a Milton resident.

The Guidance Department has improved its visibility to staff, parents and students under the leadership of Dr. Joseph FitzGerald. Many programs have been developed to keep parents informed as to the progress of their children, courses recommended for students, and information concerning college admissions, as well as college aid. A regular guidance newsletter is sent out to parents in an attempt to keep parents informed. The new publication, developed under the guidance of Mrs. Doreen Meeker, Assistant Principal, and entitled "Milton High Notes", has also been a great success.

The students have taken on a very positive leadership role at the high school. An active student government and a successful student-run store have highlighted the year. Our students joined and participated in a very effective program on alcohol abuse called Students Against Driving Drunk (SADD). The Junior and Senior Proms were most successful as a result of the positive and co-operative student attitude. In addition, our athletic program had an excellent enrollment, with the golf, field hockey, football and basketball teams having exceptionally good "won and lost" records. Non-athletic activities, such as the Mathematics Club and Chess Club, were popular and active.

Many thanks go out to the parents involved with our PTO's, Boosters' Club and Scholarship Program. The many field trips and Camp Wing program are paid for by the PTO groups, and the Boosters' Club honored the many students who participate in our athletic programs.

The graduates of Milton High School were awarded over \$26,000.00 in scholarship aid by our many generous supporters of public school education.

Declining enrollments, and fiscal restraints brought on by Proposition 2½, resulted in the planning and implementation of a reorganization plan for the schools. At the end of the 1982-1983 school year, the Pierce Elementary School was officially closed. The Glover,

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Tucker and Collicot Schools were assigned Grades K through 5, and the Pierce Junior High School was assigned grade 6 students to make it a Middle School.. Many long and hard hours were expended in making a smooth transition for the many children who were re-assigned schools, or who were about to attend a larger centrally located school for the first time. The staff reacted in a professional manner, giving to the town their full support for the necessary changes. Many thanks go to the numerous people who served on committees in which hard decisions had to be made. The prents and staff of children in grades 6 and 7 are to be singled out for their work in making the transition to a Middle School possible. Although the Middle School Concept was being implemented by the staff of grades 6 and 7 prior to the assignment of the sixth grade children to the Pierce Building, there were many psychological aspects of the change which could not have been overcome without the work of these people.

Again, this year, the Maintenance and Custodian Departments did a fine job cleaning and repairing the schools. Some major work includes:

1. Three years ago new burners were installed in the school which allowed the consumption of inexpensive fuel. Auxiliary equipment such as new pumps, fuel lines, and tanks are now being replaced.
2. Another section of the Pierce roof was completed. One more section remains to complete the task at this school. Then work will begin at the high school.
3. The repair to the Science Room at the Pierce, damaged by fire, has been completed.
4. Extensive interior painting at the Collicot and Pierce Schools was completed.
5. The gymnasium floor at the Pierce School has been resurfaced.
6. The upgrading of the high school athletic field is continuing with the addition of bleachers and the relocation of some fencing.
7. A firm was contracted to evaluate the level of asbestos in the schools. All identified asbestos has been encapsulated or removed.

In other areas, a three year contract for school bus transportation was awarded to the low bidder, Wellesley Motor Coach of Framingham, beginning September, 1983.

The Cunningham School houses, in addition to the Central Administration Office, three tenants whose rental fees allow the school to be maintained at a moderate cost to the town.

Praise also goes out to our secretarial staff and cafeterial workers for their work on behalf of our children. The system would surely falter without their expertise and dedication. In addition, the Town Meeting gave the Outdoor Facilities Committee the green light to begin developing athletic fields on the former Lamb Property on Gile Road by appropriating \$95,000.00 for the purpose.

The Town of Milton has had a fine tradition of dedicated administrators, teachers and supporting staff in the school system. This year the following members of the educational team retired from service:

Miss Eleanor C. Blaine
Mrs. Barbara S. Allen
Mr. Robert E. Deakin
Miss Josephine C. Desmond
Mrs. Barbara LaCambria
Mr. Peter McClelland
Miss Ann V. Mullin
Miss Mary M. Pitman
Mrs. Mabel S. Ryan
Mrs. Frances McDougall
Mrs. Elizabeth Norcott

Assistant Superintendent of Schools
Elementary Teacher, - Tucker School
Special Education - Milton High School
Head of Business Department
Elementary Teacher - Glover School
Mathematics Teacher - Milton High
Elementary Teacher - Pierce School
Elementary Teacher - Pierce School
Librarian - Glover School
Cafeteria
Cafeteria

REPORT OF THE SUPERINTENDENT OF SCHOOLS

Mrs. Grace Duggan
Mrs. Ethel E. Macdonald
Mr. William F. Klehm
Mrs. Helen E. Festa

Secretary
Secretary
Custodian
Teacher Aide

In addition, the School Department mourned the passing of Mrs. Margaret Morris, cafeteria worker.

The Parent-Teacher Associations and the Parent Councils of each school continue to meet regularly to keep communications open between the home and school. The many suggestions and the encouragement given to the staff by the parents are appreciated. Citizen involvement has been a goal of the Milton School Committee and there has been marked improvement in this area.

The leadership and interest of the School Committee have been combined with the financial support of the town to help provide our children with an excellent 1982-1983 school year.

Respectfully submitted,

Frank J. Giulano, Jr.
Superintendent of Schools
